★★★★★ "5 Off The Chart Stars - So Good!" They call him the Lion. The son of a high-ranking bratva leader, Lyonya Antonov has been waiting nearly two decades to avenge his father's imprisonment and take his rightful place at the top of the mafia food chain. He's just missing one piece of the puzzle - and her name is Kira Baranov. Kira Baranov is a sheltered mafia princess

with no power. It might be the 21st century in the rest of the world, but the Russian mafia will never accept a female leader. This despite the fact that the current boss, Kira's father Viktor, has taught her everything he knows. Lyon knows Viktor is a king without an heir Kira knows she can't keep the Baranovs in power without a partner of the male persuasion. The wolves are at the gates, vying for control in a world where one

mistake can be deadly. But when their arranged marriage becomes sizzling desire, the line blurs dangerously between business and pleasure, and it may cost them their newfound love - and their lives. It's a Savage Empire - and it's not your mother's mob.

Glorious Sinner: Lawless Kings #4.5 - Sherilee Gray  
2018-09-17

People say Tomas Mendoza is dangerous. They're right. But he saved my life. I owe him, and all I have to repay the ruthless crime boss...is me. I tell myself it's not pity that burns in his eyes when I

dance for him, that my walls are so high he can't see how broken I am inside. Now danger stalks me again, and Tomas swoops in, only this time he shows me a different side of himself. Fierce protectiveness. Raw hunger. A tenderness that could sear through the barriers I raised to safeguard my heart and soul. My past taught me not to trust. But this glorious sinner might be the one man I need to learn to love again. Glorious Sinner is book #4.5 in the Lawless Kings series, but each of these sexy, gritty contemporary romances can be enjoyed as a standalone. Other books in the series: Book 1: Shattered King Book 2: Broken Rebel Book 3: Beautiful Killer Book 4: Ruthless Protector Book 4.5: Glorious Sinner Book 5: Merciless King Praise for the Lawless Kings series: "Shattered King is a sexy, beautiful second chance love story... a truly enjoyable read." - Sawyer

2015-09-12

Alex was afraid. But that was before the world was. Before the infection spread. Before the Narc-heads and Near-deads. Before he lost her. Before the chaos and addictions to Seven. Before the night at Cliff's Orchard, with his high school friends and the girls, when Alex realized humanity's capacity for inhumanity. Before innocence was lost. This is a tale of two journeys. One of coming of age in a world playing with the fires of its own extinction, where growing unrest is a constant reminder that the more you love the more you stand to lose. The other, a dangerous journey back to Alex's childhood home through a lawless territory devastated by the virus. Along the way, he meets Justus, an ex-sheriff who shares the same

### **Systems Engineering and Artificial Intelligence -**

William F. Lawless  
2021-11-02

This book provides a broad overview of the benefits from a Systems Engineering design philosophy in architecting complex systems composed of artificial intelligence (AI), machine learning (ML) and humans situated in chaotic environments. The major topics include emergence, verification and validation of systems using AI/ML and human systems integration to develop robust and effective human-machine teams—where the machines

may have varying degrees of autonomy due to the sophistication of their embedded AI/ML. The chapters not only describe what has been learned, but also raise questions that must be answered to further advance the general Science of Autonomy. The science of how humans and machines operate as a team requires insights from, among others, disciplines such as the social sciences, national and international jurisprudence, ethics and policy, and sociology and psychology. The social sciences inform how context is constructed, how trust is affected when humans and machines depend upon each other and how human-machine teams need a shared language of explanation. National and international jurisprudence determine legal responsibilities of non-trivial human-machine failures, ethical standards shape global policy, and sociology provides a basis for understanding team norms

across cultures. Insights from psychology may help us to understand the negative impact on humans if AI/ML based machines begin to outperform their human teammates and consequently diminish their value or importance. This book invites professionals and the curious alike to witness a new frontier open as the Science of Autonomy emerges.

As well as assisting with legal work processing petitions to the King, Shardlake has reluctantly undertaken a special mission for the Archbishop Cranmer - to ensure the welfare of an important but dangerous conspirator being returned to London for interrogation. But the murder of a local glazier involves Shardlake in deeper mysteries, connected not only to the prisoner in York Castle but to the royal family itself. And when Shardlake and Barak stumble upon a cache of secret papers which could threaten the Tudor throne, a chain of events unfolds that will lead to Shardlake facing the most terrifying fate of the age . . . Continue the number one bestselling historical series with Revelation, Heartstone, Lamentation and Tombland.

**The Children of Gods and Fighting Men** - Shauna Lawless 2022-09

The first in a gripping new

historical fantasy series that intertwines Irish mythology with real-life history, The Children of Gods and Fighting Men is the thrilling debut novel by Shauna Lawless. They think they've killed the last of us... 981 AD. The Viking King of Dublin is dead. His young widow, Gormflaith, has ambitions for her son - and herself - but Ireland is a dangerous place and kings tend not to stay kings for long. Gormflaith also has a secret. She is one of the Fomorians, an immortal race who can do fire-magic. She has kept her powers hidden at all costs, for there are other immortals in this world - like the Tuatha Dé Danann, a race of warriors who are sworn to kill Fomorians. Fódla is one of the Tuatha Dé Danann with the gift of healing. Her kind dwell hidden in a fortress, forbidden to live amongst the mortals. Fódla agrees to help her kin by going to spy on Brian Boru, a powerful man who aims to be High

King of Ireland. She finds a land on the brink of war - a war she is desperate to stop. However, preventing the loss of mortal lives is not easy with Ireland in turmoil and the Fomorians now on the rise...

uncertain future far across the Shimmering Sea from their ancestral home, now lost beneath the waves. With his Single God binding his knights to chivalric oaths, intent on wiping out idolatry and pagan worship, they will have to carve out a new kingdom on this mysterious continent—a continent that has for centuries been ravaged by warlords competing for supremacy and mages channeling the mystic powers of the elements—and unite the continent under godly rule. With a troubled past, a cursed sword, and a mysterious spirit guiding him, Othrun means to be that ruler, and conquer all. But with kingdoms fated on the edge of spears, alliances and pagan magic, betrayal, doubt, and dangers await him at every turn. Othrun will be forced to confront the truths of all he believes in on his journey to become a king, and a legend. When one kingdom drowns, a new

one must rise in its place. So begins the saga of that kingdom, and the man who would rule it all.

*Merciless King: Lawless Kings #5* - Sherilee Gray  
2019-04-12

Two years ago Van King killed a man and saved my life. I've thought about the handsome private investigator every day since, fantasized about what would happen when I finally saw him again. And when I do, it's far from the reunion of my dreams. A copycat serial killer wants to finish what I barely survived. Van rushes to my side once more, and shows me the man he truly is: protective, possessive, merciless, especially when it comes to me and my safety. He thinks I'm afraid of him. But I've loved Van from the moment his dark, enigmatic gaze met mine. This time, I won't allow my fear or debilitating shyness to rule me. I sure as hell won't hide from the heat that explodes between us while I'm under his protection. No, I'll

little sister. He started at the bottom, creating the Imperium Group with nothing more than a few thousand dollars and some very big balls. Now it's a multi-million dollar firm whose sole job is to protect the rich and famous. Keeping them safe is his deal with the devil, but that doesn't mean he has to like them. Laurel Bancroft gets it. When you're born with a silver spoon in your mouth, you don't get to complain. Not when your mom overdoses or when your dad fades out of your life. Not even when your big brother dies in a car accident. At thirty-five, she's given up on happily ever after. She wanders the family mansion like a ghost, trying not to attract attention and fighting the depression that haunts her. But somewhere in the dark, an enemy watches. It starts with DMs on social media and escalates to notes left at the gate of the Bancroft estate. Still, Laurel is less than

thrilled when she opens the door to Hawk McGregor. As Hawk works to protect her, he finds himself inexplicably drawn to the woman who embodies everything he despises. When Laurel's stalker gets bolder, the pair hole up at an isolated lake house where their passion ignites into an undeniable inferno and feelings that take them both by surprise. Then, just when Laurel begins to believe it's not too late for her after all, the enemy arrives. And he's playing for keeps. Can Hawk heal the wounds of the past to find love in the most unexpected place of all? Can he keep Laurel alive long enough to find out?

**Nothing But My Body** -

Tilly Lawless 2021-08-03  
People always ask if I enjoy the sex I have with clients or if I have to fake it, as if the two are mutually exclusive and the interplay between them isn't more complex. In actuality, it depends. And I'm not sure what people are threatened by more-that I don't always love it, or that I don't always hate it.'  
Nothing But My Body is an eight-day journey through the mind of a young woman, a queer sex worker in Australia, as she navigates breakups and infatuation across just over a year. The unnamed narrator's voice is both fierce and vulnerable, defiant and tender, as she explores the interplay between her external and internal world, and the fluctuations of her emotions as love affairs intensify and wane. Her loneliness is assuaged by her beloved chosen family-her friends-and by the beauty of the natural world. Set during the cataclysmic bushfire season of 2019 and into the

coronavirus pandemic and lockdown, sex work is the constant backdrop of the story as it moves between Sydney, Berlin, Orange and Bellingen. The beauty of the writing and the moving and deeply engaging sense of compassion that threads through this remarkable novel give true meaning to the concepts of inclusivity and community in surprising and original ways. This stunning, unflinching and lyrical debut is both a rejection of romantic love, a euphoric celebration of the queer community and a reckoning with the body as both abject and joyous.

Lawson Daniel is good at a lot of things. He can show you the best places to surf, the perfect time of day to ride the tide. He knows the best bars, the best bands, he has the best weed, and if you're looking to get laid, he'll show you the best time. No girl in her right mind should speak to him. She definitely shouldn't have sex with him, and only a blind, self-loathing idiot would fall in love with him. I've done all three. All in the span of one sweltering, suffering summer that nearly cost me everything down to the blood in my body and the beat of my heart. No one walked away from that season unscathed. Not even Lawson Daniel.

Broken Rebel - Sherilee Gray  
2017-10-10

She's loved him since he saved her from her evil stepmother all those years ago. He's sworn to never love her for fear of tainting her innocence with his criminal past. What do you do when the one person you love is the one person who can't have? Broken Rebel is an intense, ultra-sexy standalone novel set in the world of the Lawless Kings. Sherilee Gray's raw, hard, beautiful, deeply-emotional voice will leave you breathless long after the last page. "Smokin' hot, the chemistry is volatile, and the plot diabolically clever. Broken Rebel is an exhilarating thrill ride and oh, so sexy! Don't miss it!" - The Librarian's Corner "So damn good." - iScreamBooksBlog on Broken Rebel "Shattered King is a sexy, beautiful second chance love story... a truly enjoyable read." - Sawyer Bennett, New York Times bestselling author

"Raw, gritty, and full of supercharged sexual tension...SHATTERED KING will break you into pieces right before it stitches you back together again." -Diana Gardin, author of SWORN TO PROTECT, Rescue OP's Series

**The Dark Light of Day** - T. M. Frazier 2018-09-10  
From the USA Today bestselling author of the King Series. A nontraditional love story you won't soon forget. This special anniversary edition contains a note from the author as well as Dark Needs, A Dark Light of Day Novella. "I fell asleep that night in the arms of a killer...I'd never slept better." Homeless, sleeping in a junkyard, and on the run from a system that has failed her time and time again, Abby meets Jake, a tattooed blue-eyed biker with secrets that rival her own. Two broken souls that can't be healed, they can't be saved. Abby and Jake have to decide if they can accept the darkness not only

within one another but within themselves. If they can accept each other for who they really are they might learn that love isn't always found in the light... The story of Jake & Abby contains disturbing situations, graphic violence, sex, strong language, drug use, and all types of abuse. *Lawless Kingdom* - Natalie Bennett 2020-02-06

When something is forbidden, it becomes maddeningly tempting. Judas Barron, for example. Wicked blue blood and heir to a severely twisted cutthroat society. Everyone knew who he was and what crew he ran with--a clandestine group of filthy rich kids surrounded by ominous secrets. Secrets that were rumored to be dark, dirty, and stained with blood. It was never my intention to get tangled up with them, but Judas and I had a secret too, one he was determined to make sure I took with me to my grave, which meant keeping me by his side. Now

forced to be part of a savage coterie, I start to see his world through a new pair of eyes. It isn't long before temptation becomes something dangerous and wild, breeding the sickest kind of infatuation. And those secrets Judas keeps? They're about to tear my life apart. **\*\*WARNING\*\*** Before beginning this series please be aware that while LK is mild in terms of darkness, the following books in this series will be on a drastically different level, containing graphic violence, total power-control, explicit sexual content, and varying triggers. LK is a prelude that sets the stage for the rest of the series. 18+ only.

The Cradle King - Alan Stewart 2011-10-31

As the son of Mary Queen of Scots, born into her 'bloody nest', James had the most precarious of childhoods. Even before his birth, his life was threatened: it was rumored that his father, Henry, had tried to make the pregnant Mary miscarry by

forcing her to witness the assassination of her supposed lover, David Riccio. By the time James was one year old, Henry was murdered, possibly with the connivance of Mary; Mary was in exile in England; and James was King of Scotland. By the age of five, he had experienced three different regents as the ancient dynasties of Scotland battled for power and made him a virtual prisoner in Stirling Castle. In fact, James did not set foot outside the confines of Stirling until he was eleven, when he took control of his country. But even with power in his hands, he would never feel safe. For the rest of his life, he would be caught up in bitter struggles between the warring political and religious factions who sought control over his mind and body. Yet James believed passionately in the divine right of kings, as many of his writings testify. He became a seasoned political operator, carefully

avoiding controversy, even when his mother Mary was sent to the executioner by Elizabeth I. His caution and politicking won him the English throne on Elizabeth's death in 1603 and he rapidly set about trying to achieve his most ardent ambition: the Union of the two kingdoms. Alan Stewart's impeccably researched new biography makes brilliant use of original sources to bring to life the conversations and the controversies of the Jacobean age. From James's 'inadvised' relationships with a series of favourites and Gentlemen of the Bedchamber to his conflicts with a Parliament which refused to fit its legislation to the Monarch's will, Stewart lucidly untangles the intricacies of James's life. In doing so, he uncovers the extent to which Charles I's downfall was caused by the cracks that appeared in the monarchy during his father's reign.

"Dark, seductive, and hot as HELL." -USA Today

Bestselling Author Lili Valente Two years out of college, Angelica Bondesan spends her time working as a barista, keeping in touch with her prodigal brother,

and trying to figure out how to bridge the gap with her father, a wealthy real estate developer. But all of that changes the night she's kidnapped. Thrown into a windowless room, Angelica is positive there's been some kind of mistake -- until she meets Nico Vitale.

Gorgeous and frightening, Nico became the boss of New York City's Vitale crime family after the execution style murder of his parents. Since then he's turned the old-school mob into a sleek, modern army of ruthless men who understand that physical violence -- while always an option -- isn't the only way to get what you want. Sure Nico is lying to her about her father's involvement in the criminal underworld, Angel hates Nico with a vengeance. But when it becomes obvious nothing is as it seems, Angel is forced to face the truth: Her father is not the man she believed him to be. Nico Vitale is dangerous, possibly lethal. She is falling in love

with Nico Vitale. "Romantic and intriguing. A gripping read!" - NYT and USA Today Bestselling Author Lauren Blakely "Hot sensuality and gripping suspense. Brace yourself for a perfect romantic journey!" - NYT and USA Today Bestselling Author Angel Payne Wicked Game - Michelle St. James 2019-05-23 "I am so addicted!!" Nick Murphy is a lone wolf. Personal tragedy taught him there are only two things he can count on — his family and their ability to exact vengeance when the law has failed. They've created a lucrative illegal empire with little more than strength, fury, and most of all, silence. Alexa Nash is no stranger to tragedy. As the victim of a hit and run accident when she was in college, Alexa has spent years hiding her scars, both figurative and literal. Putting herself through law school was a way to help improve the justice system that failed her, a way to expose the

system's failings, make it better. Then she's assigned to a new case — an investigation involving the Murphy brothers, a group of vigilantes hiding behind what only appears to be a legitimate enterprise. The only problem: Nick Murphy is dangerously intriguing, not to mention utterly and ridiculously hot. The feeling is mutual, but can a criminal and a prosecutor find happily ever after when they're on opposite sides of the same battle — or is their love doomed to become a casualty of war?

*Merciless King* - Sherilee Gray 2019

"Two years ago Van King killed a man and saved my life. I've thought about the handsome private investigator every day since, fantasized about what would happen when I finally saw him again. And when I do, it's far from the reunion of my dreams. A copycat serial killer wants to finish what I barely survived. Van rushes to my side once more, and shows me the man he truly is: protective, possessive, merciless, especially when it comes to me and my safety. He thinks I'm afraid of him. But I've loved Van from the moment his dark, enigmatic gaze met mine. This time, I won't allow my fear or debilitating shyness to rule me. I sure as hell won't hide from the heat that explodes between us while I'm under his protection. No, I'll welcome it and beg for

more."--page 3.

present and her enigmatic past. When Samantha takes on the renowned war photographer Wesley Elliott as a client, Jack realizes the only woman he wants may be the one he cannot have...

COMPLICATED CREATURES is a mesmerizing, labyrinthine romantic suspense that will leave you wondering: Do you really want to know everything about the one you love?

REVISED EDITION: Includes editorial updates  
Note to the Reader: Complicated Creatures is the first novel in a provocative series... and it ends on a cliffhanger, be warned! Recommended for readers 18+ for mature content... Interview with the Author: Q: So, what prompted you to write the Complicated Creatures series? A: It's simple, really. I'm a huge fan of romance, romantic suspense and action thrillers, and I felt there was something really missing in combining these genres. I also wanted to write really powerful female

leads who, while impressive, are incredibly relatable, smart, self-reliant and gutsy.

Q: Who or what inspired the lead character, Samantha Wyatt? A: Honestly, I just took what I liked most about the male leads in some of my favorite stories and turned the whole thing on its head. I started thinking, "What if James Bond or Jack Reacher were a woman? What if she was the head of a multinational corporation? What if she led a team of commandos--what would that be like?" As I considered all the possibilities, Samantha became much clearer in my mind. I saw a woman with true grit, style and the kind of savvy we admire but rarely see in female characters in romance or action/thrillers. And it makes for an intriguing question-- what kind of man can get a woman like that? And would she even let him? Q: Does your series have an intended audience? A: Sure. YOU. This series starts out

Downloaded from [id-blockchain.idea.gov.vn](http://id-blockchain.idea.gov.vn) on  
by guest

as romantic suspense-driven, but it's definitely got plenty of action, thrills and a tantalizing bit of mystery. It's written from both a woman and a man's perspective, and features a really fantastic supporting cast of characters with their own unique points-of-view and personalities. Reviews have been coming in from both men and women. So I'd say anyone who loves Damn Good Fiction will enjoy this series. Q: When is the next installment coming out? A: Part Two: Hell or High Water

is already out and available. The prequel to the series, Goddess Rising, should be available in about a month on Kindle Scout and the final installment for the series is targeted for Fall 2015.
