### **Gender, Crime, and Murder in Victorian England** - Anna Kay 2023-09-25

Gender, Crime, and Murder in Victorian England seeks to provide a comprehensive examination of the notorious Mannings' 'Bermondsey murder', and its wider implications in Victorian criminal narrative and popular culture. Exploring the ongoing textual afterlife of Maria Manning, including significant literary contributions by Charles Dickens through his characters Mademoiselle Hortense and Madame Defarge, this volume illuminates representations both echoed and challenged in mid-nineteenth-century conceptions of gender, sexuality, class, nationality, religion, and criminality. This volume also examines the five largely forgotten cases of female homicide from the same year and the imagined discourse perpetuated in fictional personifications. Utilising a wide breadth of literary and historical research, this volume provides readers with a thorough understanding of the various cultural implications of crime and gender in the Victorian period to be read, remembered, and reinterpreted today. Located simultaneously in the fields of

feminist, historical, and literary criticism, this volume is invaluable to students of nineteenth-century literature and culture, and researchers with an interest in criminology and media culture.

### **Ace of Spies** - Andrew Cook 2011-08-26

Ace of Spies reveals for the first time the true story of Sidney Reilly, the real-life inspiration behind fictional hero James Bond. Andrew Cook's startling biography cuts through the myths to tell the full story of the greatest spy the world has ever know. Sidney Reilly influenced world history through acts of extraordinary courage and sheer audacity. He was a master spy, a brilliant con man, a charmer, a cad and a lovable rogue who lived on his wits and thrived on danger, using women shamelessly and killing where necessary - and unnecessary. Sidney Reilly is one of the most fascinating spies of the twentieth century, yet he remains one of the most enigmatic - until now.

Crime, Clemency & Consequence in Britain 1821-39 - Alison Eatwell 2017-09-30

A history of criminal justice—from bigamy and body snatching to fraud and murder. “Offers a fascinating insight into the social conditions of the time” (Crime Review). From the woman who steals a cloak, to the highwayman and the middle-class forger, this book allows us a glimpse of the rich mix of criminals, their crimes, and sentences in early nineteenth-century Britain. With no statutory right of appeal against either the verdict or sentence at this time, the prisoner’s only hope for relief was to petition the Crown for mercy via the Home Office, and with sentences including death and transportation, the stakes were high. The petitioner’s objective was to prove the prisoner worthy of mercy, usually by establishing their respectability, and it is upon these petitions this book draws. Many of the thousands of petitions, held by the National Archives in Kew, reveal fascinating incidental information about the prisoner’s personal life or circumstances that cannot be found in other records. The supporting documentation, witness depositions or character references, often give us rare details of everyday routines, working conditions, illnesses, relationships, and life in a locality. As cases are followed in this book, some far beyond the Home Secretary’s decision, the criminals, supporters, prosecutors and judiciary are brought to life, occasionally with surprising results. Read as individual cases, each subject is fascinating; viewed together, the collection reveals a unique, intimate, and vivid insight into life in 1820s and 1830s Britain. “Open[s] up a level of detail of the crimes committed and the life of what was often the ordinary working man and women.” —Police History Society

**Letters Home** - Sylvia Plath 2011-02-03

Letters Home represents Sylvia Plath's correspondence from her time at Smith College in the early 1950s, through her meeting with, and subsequent marriage to, the poet Ted Hughes, up to her death in February 1963. The letters are addressed mainly to her mother, with whom she had an extremely close and confiding relationship, but there are also some to her brother Warren and her benefactress Mrs Prouty. Plath's energy, enthusiasm and her passionate tackling of life burst onto these pages, providing us with a vivid and intimate portrait of a woman who has come to be regarded as one of the greatest of twentieth-century poets. In addition to her capacity for domestic and writerly happiness, however, these letters also hint at Plath's potential for deep despair, which reached its crisis when she holed up in a London flat for the terrible winter of 1963.

**Pierrepoint** - Steve Fielding 2008-07-07

Between them, the three men in the fearsome Pierrepoint dynasty executed over 800 people during a career spanning more than half a century. Henry, his brother Thomas, and his son Albert, dispatched some of the most infamous criminals of the 20th century, and in the process earned a public notoriety that followed them throughout their eventful lives. For years, the three men were faced with the task -- prestigious to some, horrific to many others -- of being the last point of contact for the guilty and condemned. The Pierrepoints executed criminals the nation over

before travelling to many countries including Egypt and postwar Germany, where they hanged Nazi war criminals, and gained a reputation as the world's most deadly practitioners of the art of hanging. "Pierrepoint: A Family of Executioners" recounts the intriguing stories of the three men and the effect that their macabre occupation had on their personal lives. This definitive guide is filled with shocking inside tales from the official records and diaries kept by the Pierrepoint family. With revealing insights into the intense rivalry between fellow executioners, new light is shed on the menacing world of years gone by.

**The Windrush Betrayal** - Amelia Gentleman 2019-09-17

A NEW STATESMAN AND SPECTATOR BOOK OF THE YEAR  
SHORTLISTED FOR THE ORWELL PRIZE FOR POLITICAL

WRITING LONGLISTED FOR THE BAILLIE GIFFORD PRIZE A

searing portrait of Britain's hostile environment by the journalist

behind the Windrush exposé. 'A timely reminder of what truly

great journalists can achieve.' DAVID OLUSOGA '[Gentleman's]

reporting proves why an independent press is so vital.' RENI

EDDO-LODGE 'A book that keeps you informed and makes you

angry.' GARY YOUNGE 'It is impossible to overstate the

importance of this heartbreaking book.' JAMES O'BRIEN How do

you pack for a one-way journey back to a country you left when

you were eleven and have not visited for fifty years? Amelia

Gentleman's exposé of the Windrush scandal - where thousands of

British citizens were wrongly classified as illegal immigrants with

life-shattering consequences - shocked the nation and led to the

resignation of Amber Rudd as Home Secretary. Here, Gentleman

tells the full story for the first time. 'Essential . . . a damning

indictment.' SIR LENNY HENRY 'Gentleman boldly chronicles the

devastating reality of a scandal that illegalised, imbruted and

abandoned British citizens.' DAVID LAMMY MP 'I'm thankful for

the truth and hope [. . .] in Amelia Gentleman's The Windrush

Betrayal.' ALI SMITH 'A devastating account.' CLAIRE TOMALIN

Burning Bright - Diana Dethloff 2015-09-11

This book celebrates the work and career of the internationally renowned art historian, David Bindman, on the occasion of his 75th birthday, and is above all a tribute to him from his former students and colleagues.

German Rabbis in British Exile - Astrid Zajdband 2016-06-20

The rich history of the German rabbinate came to an abrupt halt with the November Pogrom of 1938. The need to leave Germany became clear and many rabbis made use of the visas they had been offered. Their resettlement in Britain was hampered by additional obstacles such as internment, deportation, enlistment in the Pioneer Corps. But rabbis still attempted to support their fellow refugees with spiritual and pastoral care. The refugee rabbis replanted the seed of the once proud German Judaism into British soil. New synagogues were founded and institutions of Jewish learning sprung up, like rabbinic training and the continuation of "Wissenschaft des Judentums." The arrival of Leo Baeck professionalized these efforts and resulted in the foundation of the Leo Baeck College in London. Refugee rabbis now settled and obtained pulpits in the many newly founded synagogues. Their arrival in Britain was the catalyst for much change in British Judaism, an influence that can still be felt today.

**Working with Asylum Seekers and Refugees** - Sarah Crowther 2019-05-21

This hands-on guide provides accessible, insightful advice for practitioners who find themselves working with asylum seekers and refugees. Part I covers the essentials of understanding refugees' experiences including what they are coping with now they are in the UK, definitions, entitlements and restrictions, equality, positive action, and practical engagement including improving access to services and overcoming language barriers. Part II prepares professionals for meeting a wide range of needs, including housing, poverty, health and mental health, and training and employment. It also covers issues and opportunities when working with child and young refugees. This pragmatic book accompanies social workers, medical staff, educators, charity workers and housing professionals in their daily work, and illustrates the perspective of refugees themselves. A passionate and compassionate response to the needs of displaced people, it is an excellent starting point for all those working to create a safe and welcoming environment where refugees and asylum seekers are supported.

U.S. Master Depreciation Guide (2008) - CCH Tax Law Editors 2007-12

CCH's U.S. Master Depreciation Guide offers tax and accounting professionals who work with businesses a one-stop resource for guidance in understanding and applying the complex depreciation rules to their fixed assets. This area is especially challenging,

because bits and pieces of applicable information must be gathered from a maze of Revenue Procedures, IRS Tables and IRS Regulations. These sources are frequently old and include some materials which may be non-applicable. CCH's U.S. Master Depreciation Guide pulls the pieces together, so practitioners can make sense of all the corresponding information and put the information into practice.

**Bound for Botany Bay** - Alan Brooke 2005-09-30

This is the story of an extraordinary period in British criminal history, brought to life through unique surviving records held by the UK National Archives. For over two hundred years, tens of thousands of convicts were sentenced to be 'banished beyond the seas', mostly to Australia and to destinations which became the

stuff of legend - Botany Bay, Van Diemen's Land, Norfolk Island. This book follows their epic voyages across the world's oceans, recapturing the perils and unexpected pleasures of life at sea in fresh and fascinating detail.
