Supercoach - Andrew Webster 2011

Like most of the bouncers in town, Bobby Lee was an ageing boxer, but was as tough as they come. He was the muscle on the door at Thommo's, the illegal two-up game held in secrecy in

Surry Hills in Sydney's inner city. It was owned by Joe Taylor - 'The Boss', as everyone called him. In May 1951, Bobby Lee was shot five times. He didn't survive. Jack Gibson got his job. 'Big Jack' was the original supercoach, but before that he was one of the toughest men in Sydney. It was there for all to see as a brutal front-row forward for Easts, Newtown and Wests during the 1950s and 1960s. As a coach, he was a revolutionary, adopting methods from American football and innovating heavily in his own right to win back-to-back premierships with Eastern Suburbs in 1974 and 1975, and then three with Parramatta from 1981 to 1983-giving the Eels their first ever premiership win. Yet behind his gruff exterior and trademark kangaroo fur coat was a generous and warm family man, whose life was changed forever by the death of his son Luke from a drug overdose. With the cooperation of Jack's family and friends, and unprecedented access to Jack's scrapbooks, journals and private photographs, Andrew Webster has written the definitive account of the 'Coach of the Century', Jack Gibson.

Ann Dvorak - Christina Rice 2013-11-14

The forgotten screen legend who made Hollywood history by challenging the all-powerful studio system is revealed in this first full-length biography. Seemingly destined for A-list fame, Ann Dvorak was touted as "Hollywood's New Cinderella" after film mogul Howard Hughes cast her in the 1932 gangster film Scarface. But Dvorak's journey to superstardom was derailed when she walked out on her contractual obligations to Warner Bros. for an extended honeymoon. Ann Dvorak: Hollywood's Forgotten Rebel explores the life and career of one of the first individuals who dared to challenge the studio system. Dvorak reached her pinnacle during the early 1930s, when the film industry was relatively uncensored and free to produce movies with more daring storylines. She played several female leads in films including The Strange Love of Molly Louvain, Three on a Match, and Heat Lightning, but after her walk-out, Warner Bros retaliated by casting her in less significant roles. Following the casting conflicts and illness, Dvorak filed a lawsuit against the Warner Bros. studio, setting a precedent for other stars who eventually followed suit. In this insightful memoir, Christina Rice explores the spirited rebellion of a talented actress whose promising career fell victim to the studio empire.

Dangerous Games - Larry Writer 2015-07-01

'Larry Writer has delivered a gem in Dangerous Games.' - Roland Perry, author of Bill the Bastard
'Writer has faithfully recreated the 1936 Olympics - the most controversial in history.' - Harry Gordon, author of Australia and the Olympic Games
This is a tale of innocents abroad. Thirty-three athletes left Australia in May 1936 to compete in the Hitler Olympics in Berlin. Believing sporting competition was the best antidote to tyranny, they put their qualms on hold. Anything to be part of the greatest show on earth. Dangerous Games drops us into a front row seat at the 100,000-capacity Olympic stadium to witness some of the finest sporting performances of all time - most famously the African American runner Jesse Owens, who eclipsed the best athletes the Nazis could pit against him in every event he entered. The Australians, with their antiquated training regimes and amateur ethos, valiantly confronted the intensely focused athletes of Germany, the United States and Japan. Behind the scenes was cut-throat wheeling and dealing, defiance of Hitler, and warm friendships among athletes. What they did and saw in Berlin that hot, rainy summer influenced all that came after until their dying days.
