**\*\*NOTE:** This version of the book is black and white\*\* The main goal of this book is to help those who are studying Japanese as a second language. For this reason, the book is centered on a specific Japanese Language Proficiency Test (JLPT) level. This second book, of the

Japanese Kanji Mnemonics Series, focuses on the next 181 Japanese characters (kanji) found on the N4 level test and it assumes the reader has knowledge of the two Japanese alphabets (Hiragana and Katakana) as well as the 103 kanji required for the JLPT N5. In order to start using this book, please follow the following steps: 1. THE FRONT PAGE: a. Flashcard Style: The book is recommended to be used as flashcards. Therefore, the student will find the kanji mnemonic on the front page and the kanji information on the other side. b. Mnemonic: The drawings have been made to match the characters' radicals, elements and history as much as possible. In the cases where this was not possible, I just tried to make it easy to remember. However, creativity from the reader is also

highly encouraged. 2. THE REVERSE PAGE: a. Common Meaning(s): The student will find the meanings that are most appropriate for the N4 level. b. Sentence: a sentence to help remember the kanji better and that also creates a story that can be used as a mnemonic device. Each sentence was formed by breaking down the kanji into different elements for easy memorization. The elements are can be radicals, components, kanji or hanzi.

**Japanese Grammar: A Workbook for Self-Study** - Masahiro Tanimori 2021-04-27  
If you've mastered the basics of Japanese grammar and are ready to

move to the next level, this book is for you! Each of the 12 chapters is devoted to one widely-used sentence structure and its variations. Chapters are broken down into the following easy-to-follow components:

- Clear presentation of model sentences
- Breakdown and explanation of the grammar of key sentence patterns
- Controlled practice exercises, such as filling in the blanks and imitating model sentences
- Free practice exercises, using the target sentence structure to create your own sentences
- Reading comprehension practice, of narrative text and dialogues, for consolidation

Online audio files recorded by a native speaker are available for all key Japanese dialogues, and all texts are written in Japanese characters with romanized Japanese and English

translation—making the book accessible even for students who have not yet mastered Japanese script. The book is illustrated throughout with drawings that reinforce the meaning of the written text. Japanese Grammar: A Workbook for Self-Study is ideal for anyone studying for the JLPT N3 test, or the AP Japanese Language and Culture test. It is perfect for post-beginners who want to move quickly to the next level, and for intermediate students who want to review and perfect their grammar skills.

Japanese Stories for Language Learners - Anne McNulty 2018-11-20

A great story can lead a reader on a

journey of discovery--especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927)

Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way--through the country's rich literary history.

**Japanese Sentence Patterns for JLPT N5 : Training Book** - Noboru Akuzawa  
2021-04-17

This textbook is designed for people who want to improve their Japanese speaking skills. By practicing the Japanese language using the grammar points and example sentence groups in

this book in combination with the Sentence Pattern Method and the Read-Aloud Method, you can improve your Japanese speaking ability and overall Japanese language skills. The Sentence Pattern Method is the key to install Japanese grammar rules in your mind. Through the Sentence Pattern Method, you will know how to utilize Japanese sentence templates that contain constants and variables. This is similar to the mathematical formula. Being able to recognize a variety of sentence patterns enhances your ability to use those patterns in your speaking. The Sentence Pattern Method helps a learner to convert his/her thoughts in mother tongue into Japanese sentences very easily. However, knowing Sentence patterns is not enough. We need to practice to help set them more firmly in memory.

So, this book will tell you how to utilize the Read-Aloud Method to print sentence patterns in your memory and to open the door to boost your Japanese communications skills.

*From Party Politics to Militarism in*

*Japan, 1924-1941* - Shinichi Kitaoka

2020-08-31

The years in Japan between June 1924,

when a coalition cabinet of three

political parties was established,

and December 1941, when the country

declared war on the United States and

Britain, was characterized first by

nearly a decade of domestic and

international cooperation-and then a

period of oppressive militarism.

Kitaoka Shinichi captures the essence

of these years in Japan's political

history, stressing not only the

discontinuities, but also the

connections, between the two

periods. Kitaoka pays particular

attention to the interaction of

domestic and foreign affairs. He

equally explores the conflicts

between political parties and the

military-as well as those among

internal factions in both spheres. Connecting political issues to economic and social developments, his book serves as a comprehensive history of the period, a history that, in his words, "exemplifies the horrific damage that can result when a modern nation-state goes off course."

Japanese Kanji Power - John Millen  
2014-01-21
