Love, Life and Laws - Daniya Mehdi 2023-03-30
Here's to strong women: may we know them, may we be them, may we raise them. From daydreaming about unrequited love to losing love and finding self - Love, Life and Laws is an amalgamation of stories that are either deeply personal or absolutely universal. What binds each of these are the amazing and passionate women that are the central characters in each of these stories.

The Science of Strong Women - Rhiannon Lee 2022-08-02
Discover all there is to know about strong women in fiction: Hermione Granger, Wonder Woman, Princess Leia, and more! A strong woman is not just a badass lady who solves her problems with a high kick and a sassy comeback, all the while looking fabulous in a cape (although the cape is a plus!). A strong woman is a pioneer for bravery, intelligence, determination, and social justice for all. Compelling, humorous, and brilliantly illustrated in equal measures, *The Science of Strong Women* showcases a collection of fifty fantastic fictional feminists we all know and love. Through media analysis and awe-inspiring discoveries, this inspirational guide delves deeper into female-forward fiction and features a truly diverse collection of strong women including: June Osborne Star Carter Katniss Everdeen Elizabeth Bennet Éowyn Jo March Buffy Summers And many more *Here's to strong women. May we know them, may we be them, and may we learn from them with The Science of Strong Women.*

Confidence Culture - Shani Orgad 2022-01-21

In *Confidence Culture*, Shani Orgad and Rosalind Gill argue that imperatives directed at women to "love your body" and "believe in yourself" imply that psychological blocks rather than entrenched social injustices hold women back. Interrogating the prominence of confidence in contemporary discourse about body image, workplace, relationships, motherhood, and international development, Orgad and Gill draw on Foucault's notion of technologies of self to demonstrate how "confidence culture" demands of women near-constant introspection and vigilance in the service of self-improvement. They argue that while confidence messaging may feel good, it does not address structural and systemic oppression. Rather, confidence culture suggests that women—along with people of color, the disabled, and other marginalized groups—are responsible for their own conditions. Rejecting confidence culture's remaking of feminism along individualistic and neoliberal lines, Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative.

She: A Celebration of Renegade Women - Harriet Hall 2018-03-08

CALLING ALL WOMEN! *She: A Celebration of Renegade Women* by Stylist's Harriet Hall is the must-have book for women everywhere. Perfect for fans of Caitlin Moran, Lena Dunham and *Good Night Stories For Rebel Girls*. 'SHE is essential for your bookshelf' Stylist SHE is a love letter to all the women who have thrown out the rulebook and threatened the status quo. It's a toast to the brave, bold and brilliant women who make us proud to be ladies. From fashion icon Coco Chanel to Queen Cleopatra, from literary legend Jane Austen to trailblazer Michelle Obama and from kick-ass activist Malala Yousafzai to the one-and-only Beyoncé, SHE honours 100 truly renegade women, from history through to present day. Gorgeously curated and expertly written by Stylist journalist Harriet Hall, and filled with stunning black and white illustrations by Alice Skinner, SHE is a thing of beauty to be worshipped, just like the women that make up its contents. This statement, timely book is the perfect gift for the renegade women in your life who inspire and amaze you or, for YOU, to simply make you proud of being a woman.

Work Like a Woman - Mary Portas 2018-11-01

'There aren't many books that can claim to change your life, but this one will.' Clare Balding 'A force for good, for change. This book will make you change the way you think. Mary is my hero.' Scarlett Curtis, author of *Feminists Don't Wear Pink* Are you ready to be your best self at work? Packed with advice, tips and decades of business experience from Mary Portas, this is a book for every one of us: whatever level you are, wherever you work. It's about calling time on alpha culture and helping every one of us to be happier, more productive and collaborative. It's time to #WorkLikeAWoman. 'Mary Portas doesn't want to lean in, she wants a whole new office culture.' Evening Standard

Awakening Courage - Steve Miller 2021-11-27

Awakening Courage: Stories of Grit, Resilience, and Toughness depicts the gifts and talents of people

residing in a rural southeastern Ohio community nestled in the Appalachian foothills. But it could very well be any community in America. The author writes insightfully of the real lives of individuals and groups who transformed their communities. He does this with a clever mix of spirit, storytelling, and practical application strategies which he includes at the end of every chapter in the form of Points to Ponder, Questions for Discussion, and Applications to Community Development. You will be introduced to 'gritty' people who refused to take no for an answer and learned to rise above challenges and adversity and achieve prosperity in the process. They are people of character, humility, integrity, and passion. They are mentally tough, accountable to a cause bigger than themselves and "walk the talk" daily in their journey toward becoming all that they were meant to be, not what someone else said they should be. As you read this book, you are encouraged to examine your heart, your mind, and your experience about your place in any community - family, neighborhood, school, workplace, church, city or village. You will learn how people can bring their very best efforts to the present moment - which is the only time we have. So get comfy and grab your favorite brew and be prepared to learn more about the core qualities and traits of change-makers who were not born of privilege, genius, or wealth. They were just ordinary people who seized the opportunities given to them and made a difference and impacted their community along the way.

Folklore and Social Media - Andrew Peck 2020-12-07

Ten years after the publication of the foundational edited collection *Folklore and the Internet*, Andrew Peck and Trevor J. Blank bring an essential update of scholarship to the study of digital folklore, *Folklore and Social Media*. A unique virtual, hybridized platform for human communication, social media is more dynamic, ubiquitous, and nuanced than the internet ever was by itself, and the majority of Americans use it to access and interact with digital source materials in more advanced and robust ways. This book features twelve chapters ranging in topics from legend transmission and fake news to case studies of memes, joke cycles, and Twitter hashtag campaigns and offers fresh insights on digital heritage and web archiving. The editors and contributors take both the "digital" and "folklore" elements seriously because social media fundamentally changes folk practices in new, though often invisible, ways. Social media platforms encourage hybrid performances that appear informal and ordinary while also offering significant space to obfuscate backstage behaviors through editing and retakes. The result is that expression online becomes increasingly reminiscent of traditional forms of face-to-face interaction, while also hiding its fundamental differences. *Folklore and Social Media* demonstrates various ways to refine methods and analyses in order to develop a better understanding of the informal and traditional dynamics that define an era of folklore and social media. It is an invaluable addition to the literature on digital folklore scholarship that will be of interest to students and scholars alike. Contributors: Sheila Bock, Peter M. Broadwell, Bill Ellis, Jeana Jorgensen, Liisi Laineste, John Laudun, Linda J. Lee, Lynne S. McNeill, Ryan M. Milner, Whitney Phillips, Vwani Roychowdhury, Timothy R. Tangherlini, Tok Thompson, Elizabeth Tucker, Kristiana Willsey

Analytics and Knowledge Management - Suliman Hawamdeh 2018-08-06

The process of transforming data into actionable knowledge is a complex process that requires the use of powerful machines and advanced analytics technique. *Analytics and Knowledge Management* examines the role of analytics in knowledge management and the integration of big data theories, methods, and techniques into an

organizational knowledge management framework. Its chapters written by researchers and professionals provide insight into theories, models, techniques, and applications with case studies examining the use of analytics in organizations. The process of transforming data into actionable knowledge is a complex process that requires the use of powerful machines and advanced analytics techniques. Analytics, on the other hand, is the examination, interpretation, and discovery of meaningful patterns, trends, and knowledge from data and textual information. It provides the basis for knowledge discovery and completes the cycle in which knowledge management and knowledge utilization happen.

Organizations should develop knowledge focuses on data quality, application domain, selecting analytics techniques, and on how to take actions based on patterns and insights derived from analytics. Case studies in the book explore how to perform analytics on social networking and user-based data to develop knowledge. One case explores analyze data from Twitter feeds. Another examines the analysis of data obtained through user feedback. One chapter introduces the definitions and processes of social media analytics from different perspectives as well as focuses on techniques and tools used for social media analytics. Data visualization has a critical role in the advancement of modern data analytics, particularly in the field of business intelligence and analytics. It can guide managers in understanding market trends and customer purchasing patterns over time. The book illustrates various data visualization tools that can support answering different types of business questions to improve profits and customer relationships. This insightful reference concludes with a chapter on the critical issue of cybersecurity. It examines the process of collecting and organizing data as well as reviewing various tools for text analysis and data analytics and discusses dealing with collections of large datasets and a great deal of diverse data types from legacy system to social networks platforms.

Glass Ceilings - Daniels, Glenda 2018-11-05

The third *Glass Ceilings* survey of South African media launched on 19 October - national press freedom day - 2018 shows there have been dramatic shifts in the race and gender composition of media since the first study twelve years ago. But black women are still not fairly represented in media decision-making; the pay gap is widening, especially in the age of digitisation; and the old boys' network is alive and well. In the #MeToo and #TotalShutDown era, the conversation is moving beyond numbers, to the underlying patriarchal norms that fuel sexist attitudes, harassment and its newest ugly form - cyber misogyny. With the 25th anniversary of democracy fast approaching, the key message in the report is that #TimesUp for the South African media and #TimeisNow to walk the talk of gender equality!

This Just Speaks to Me - Hoda Kotb 2020-10-13
An instant New York Times bestseller! In this all-new collection of beloved quotes, This Just Speaks to Me, #1 New York Times bestselling author Hoda Kotb offers inspiration, wisdom, and hope 365 days a year. When her first collection of quotes, I Really Needed This Today, was published in 2019, Hoda never imagined how deeply her favorite words, stories, and memories would resonate with readers. People across the country were connected not only by the book's positive message, but through their generosity in sharing it with friends and family who needed a daily burst of inspiration. Hoda was truly touched by fans who shared "their quote" with her, the one that most moved them or someone they love. Now, to follow that remarkable experience, Hoda is back, with 365 new quotes and stories to share with her beloved readers. In This Just Speaks to Me, she writes about the people and moments that have enriched her life, discussing everything from motherhood and friendship to love and loss. The book also celebrates the countless acts of kindness that unfolded during these uniquely challenging times. Told with the same warmth, humor, and generosity that infused I Really Needed This Today, This Just Speaks to Me promises to be the next great companion book, each day elevated by Hoda's sparkle at a time when we may need it the most.

Inspiring Generational Leadership - DeLinda Forsythe 2021-11-02

Want to create an inspiring workplace? In Inspiring Generational Leadership, DeLinda Forsythe shares her passion and success in developing tomorrow's leaders. This guide takes readers on a journey revealing the financial, societal, and emotional benefits in leading, building, or working for a conscious business enterprise. DeLinda field-tested her leadership concepts for fifteen years at Innovative Commercial Environments, San Diego's most creative and resilient office furniture dealership. As Founder and CEO of ICE, DeLinda discovered how to effortlessly partner with millennial coworkers to cocreate policies that led to industry-defying growth and financial stability—even through crisis. Her thorough research confirms the alignment of millennial values when organizations incorporate tenets of conscious capitalism in partnership with emerging neuroscience data and emotional and spiritual intelligence. DeLinda's absorbing storytelling style and

her inclusion of intimate interviews with other conscious leaders and educators guides readers along the rewarding mentoring path. Inspiring Generational Leadership provides tools to create an ideal workplace for leaders and their organization that is passionately alive with ethical values and purpose.

Chevelle - Sapphire Knight 2018-05-22

Mercenary She was just a job. I needed to get in and uncover the Iron Fists' next move. They'd hit the Oath Keepers enough in the past, and being the newest member, it was up to me to get close. Had I known I'd be getting close to Chevelle, maybe I could've prepared myself. I went in seeking revenge and came out wanting to protect one thing—her. Chevelle Running The Pit was my life. I needed nothing and no one except my cars and a heart-thumping race. Gear head, Pit Master, alpha bitch, take your pick on what you'd rather call me. However, make note of one thing: I take shit from no one. Not even a broody, bossy, gorgeous biker aiming for my race spot and heart. Complete standalone/HEA/No cheating/Over The Top Alpha

Just A Reminder - Divine D. 2020-09-22

"Being a teenage girl is hard in today's society." This is the message Divine D. has heard from her students. One student told Divine, "If only there was a book on how to be a teenage, it would make my life easier!" So Divine decided to do just that for her students. By using her twenty years in the field of education, personal life experiences and wealth of knowledge that came from her 46 years on this earth, she wrote 40 Things Every Teenage Girl Needs to Know Before She Becomes an Adult. This book is a wonderful gift for any teenage girl. It has a very positive message that would benefit teenagers going through difficulties or just needing a little reminder of how wonderful they are. Divine uses her expertise as a Catholic school administrator, to bring a Christian twist to all of life's adventures and bumps in the road. Each chapter ends with a song recommendation message to listen to. One of Divine's students named the book, *Just a Reminder*, because all girls need a reminder of how wonderfully awesome they have been made even in times when they forget. In the hopes of improving girls mental health, this is a joyful, happy and positive book sharing delightful and inspiring stories of life in the hopes of making girls lives easier. Believe in yourselves, Girls! With sections including: Mental Health and Well-Being, Body Image and Self-Esteem, Building Foundational Skills for Your Future, Taboo Topics and Getting Help, and Finding Joy in Your Daily Life, teenage girls will be inspired to go out and live their dreams.

A Heart of Kindness - Wendy Comeau 2017-10-30

A Heart of Kindness is the courageous and insightful story of one woman's quest to heal her broken heart. Wendy Comeau suffered the biggest tragedy a mother can face when she lost her son Christopher to a rare disease when he was only twenty-five. When her brothers and parents all died within a few years as well, she was faced with a decision—allow herself to spiral into depression and anger or find the hidden lessons and gifts, open her heart and spread hope and kindness. This book explores how Wendy was able to transform her unbearable heartache and learn to live again with the help of her family and loved ones. Her powerful story will encourage people to do the inner work they need to do to restore their faith, embrace love and show compassion to others after tragedy has struck. Full of wise teachings on grief, self-reflection, acceptance and forgiveness, *A Heart of Kindness* is a triumphant testament to the resilience of the human spirit even in the face of unimaginable loss.

The Perfect Sound - Garrett Hongo 2022-02-22

A poet's audio obsession, from collecting his earliest vinyl to his quest for the ideal vacuum tubes. A captivating book that "ingeniously mixes personal memoir with cultural history and offers us an indispensable guide for the search of acoustic truth" (Yunte Huang, author of *Charlie Chan*). Garrett Hongo's passion for audio dates back to the Empire 398 turntable his father paired with a Dynakit tube amplifier in their modest tract home in Los Angeles in the early 1960s. But his adult quest begins in the CD-changer era, as he seeks out speakers and amps both powerful and refined enough to honor the top notes of the greatest opera sopranos. In recounting this search, he describes a journey of identity where meaning, fulfillment, and even liberation were often most available to him through music and its astonishingly varied delivery systems. Hongo writes about the sound of surf being his first music as a kid in Hawai'i, about doo-wop and soul reaching out to him while growing up among Black and Asian classmates in L.A., about Rilke and Joni Mitchell as the twin poets of his adolescence, and about feeling the pulse of John Coltrane's jazz and the rhythmic chords of Billy Joel's piano from his car radio while driving the freeways as a young man trying to become a poet. Journeying further, he visits devoted collectors of decades-old audio gear as well as designers of the latest tube equipment,

listens to sublime arias performed at La Scala, hears a ghostly lute at the grave of English Romantic poet John Keats in Rome, drinks in wisdom from blues musicians and a diversity of poetic elders while turning his ear toward the memory-rich strains of the music that has shaped him: Hawaiian steel guitar and canefield songs; Bach and the Band; Mingus, Puccini, and Duke Ellington. And in the decades-long process of perfecting his stereo setup, Hongo also discovers his own now-celebrated poetic voice.

Three Strong Women - Marie NDiaye 2013-12-12

Forty-year-old Norah leaves Paris, her family and her career as a lawyer to visit her father in Dakar. It is an uncomfortable reunion - she is asked to use her skills as a lawyer to get her brother out of prison - and ultimately the trip endangers her marriage and her relationship with her own daughter, and drives her to the very edge of madness. Fanta, on the other hand, leaves Dakar to follow her husband Rudy to rural France. And it is through Rudy's bitter and guilt-ridden perspective that we see Fanta stagnate with boredom in this alien, narrow environment. Khady is forced into exile from Senegal because of poverty, because her husband is dead, because she is lonely and in despair. With other illegal immigrants, she embarks on a journey which takes her nowhere, but from which she will never return.

Clinical Approach and Management Strategies of Medical Ailments in Women - Shibba Takkar Chhabra 2020-04-30

The Bad Break - Jill Orr 2018-04-03

Riley Ellison has taken a great leap of faith by giving up her comfortable job at the Tuttle Corner Library for the exciting world of print journalism. Except that so far it hasn't been very exciting. All that changes when Riley's former co-worker Tabitha finds her soon-to-be father-in-law dead on the floor of his office, and Riley is asked to write his obituary. And when they discover Tabitha's fiancé's knife sticking out of his father's chest, Riley finds herself with a murder investigation to cover as well. With Holman out on leave and mounting pressure from her boss, the mayor, and a bridezilla facing the possibility of a conjugal-visit honeymoon, Riley is desperate to prove she can handle the increasing demands of her new job. Despite warnings from her new boyfriend Jay, Riley blurs the line between reporter and investigator. Will Riley's rookie mistakes lead to more than just her byline ending up on the obituary page?

[13 Things Mentally Strong Women Don't Do](#) - Amy Morin 2019-01-10

The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

[Chicken Soup for the Soul: Be You](#) - Amy Newmark 2021-04-06

These 101 true stories from women who have found their course, their confidence, and their true selves will inspire you to live the life you want and deserve. The impactful stories in *Chicken Soup for the Soul: You Go, Girl*, are about women taking control, finding their voices, supporting other women, and inspiring others with their success. They chronicle simple changes and complex transformations, and provide easy-to-implement tips and powerful motivation for women of all ages to say "yes" to their best lives.

What is Sexual Harassment, and how to conduct Inquiry as per service rules - Mukesh Chaturvedi 2019-12-16 We are all concerned about sexual harassment at workplace. The law on such a serious issue calls for a deeper understanding. More so, we need clarity about the procedure of conducting inquiry in cases of sexual harassment, so that guilty do not get away due to procedural infirmities. This book examines provisions of The Sexual Harassment of Women At Workplace (Prevention, Prohibition And Redressal) Act, 2013, and procedure for inquiry in the light of the case-laws, both Indian and foreign, service rules and the government instructions on the subject. It therefore fulfils a long-felt need. The book will be found useful by government officers,

executives of the public sector undertakings, banks, autonomous bodies, as also the legal fraternity.
