The Concise Oxford Companion to English Literature -
Dinah Birch 2013-05-30

Based on the bestselling Oxford Companion to English Literature, this is an indispensable, compact guide to all aspects of English literature. Over 5,500 new and revised A to Z entries give unrivalled coverage of writers, works, historical context, literary theory, allusions, characters, and plot summaries. Discursive feature entries supply a wealth of information about important genres in literature. For this fourth edition, the dictionary has been fully revised and updated to include expanded coverage of postcolonial, African, black British, and children's literature, as well as improved representation in the areas of science fiction, biography, travel literature, women's writing, gay and lesbian writing, and American literature. The appendices listing literary prize winners, including the Nobel, Man Booker, and Pulitzer prizes, have all been updated and there is also a timeline, chronicling the development of English literature from c. 1000 to the present day. Many entries feature recommended web links, which are listed and regularly updated on a dedicated companion website. Written originally by a team of more than 140 distinguished authors and extensively updated for this new edition, this book provides an essential point of reference for English students, teachers, and all other readers of literature in English.

"A boy saves a mongoose. Then the mongoose saves him. Read to find out how!"--Page 4 of cover

Rikki-Tikki-Tavi - Rudyard Kipling 2004-05-11

"Rikk-tikk-tikki-tikki-tchk!" A classic story from Rudyard Kipling's *The Jungle Book*, adapted and illustrated by award-winning artist Jerry Pinkney, this is the tale of Rikki-Tikki-Tavi, a fearless young mongoose. Soon after a flood washes Rikki into the garden of an English family, he comes face-to-face with Nag and Nagaina, two giant cobras. The snakes are willing to attack Rikki, and even the human family who lives there, to claim the garden and house for themselves. But they do not count on the heart and pride of the brave little mongoose.

A Study Guide for Rudyard Kipling's "Rikki-Tikki-Tavi" -
Gale, Cengage Learning 2016

A Study Guide for Rudyard Kipling's "Rikki-Tikki-Tavi," excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further

reading; and much more. For any literature project, trust *Short Stories for Students* for all of your research needs.

Grammardog Guide to Rikki Tikki Tavi - Mary Jane McKinney 2007-05

Grammardog Teacher's Guide contains 16 quizzes for this adventure story. All sentences are from the short story. The simple story uses all the elements of figurative language, poetic devices, sensory imagery and allusions. Quizzes feature the personification of Evil and Death and allusions to war, survival, and civilization. Onomatopoeia includes "Ding-dong-tock! cheep, and whack."

Man and Superman, John Bull's Other Island, and Major Barbara - George Bernard Shaw 2021

Nobel Laureate George Bernard Shaw remains one of the world's most important and popular writers. His plays are regularly performed around the world, from the boards of Broadway and the West End to regional, community, and college stages. The three plays selected here are widely considered to be three of the most important in the canon of modern British theatre: *Man and Superman*: a four-act comedy for serious people, staged in part at Royal court in 1905, it is one of the early works of Modernism to take an ancient myth and restage it in contemporary mode (and its influence extends across world literature, palpable in writings from Mann to Joyce). Its story of how a sensitive woman compels a superman-figure to adjust to her needs and those of the real world provides an updated commentary on Nietzsche's still-fashionable notions of *ubermensch*; and its famous third act introduces a persistent Shavian theme, which goes back as far as earliest religious literature—that the truly damned are those who are happy in hell. *John Bull's Other Island* takes up that idea: to the visionary, hell may be the ultimate modern dream of efficiency and rational administration, as manifested in a colonial Ireland run by liberal exploiters.

Commissioned by WB Yeats to mark the opening of Ireland's National Theatre, the Abbey, the play was promptly refused by its Directors (who disliked its mechanical mockeries of mechanism but may have missed its visionary qualities). It was performed to huge acclaim in London in November 1904 and it made Shaw famous, the supreme example of the Playwright as Thinker and, ever afterwards, one of the most valued commentators on Anglo-Irish relations. *Major Barbara*: a three-act drama which in classic Shavian style unmasks the motivation of puritan idealists and dedicated industrialists, this work (like the previous two) pits a strong woman against a sardonic, practical man. Having exposed the mendacity of apostles of efficiency, Shaw seems then to submit to their doctrine, arguing that a pure private charity towards the destitute is no adequate substitute. Like the previous two works, this is a problem play, in the course of which the audience sympathy is aroused and then repelled in all directions. The suggestion that it may be acceptable to take money from tainted sources, such as arms manufacturers, caused much debate in 1905 - and even more after the carnage wrought by mechanized guns in World War One.

Making Words Stick - Kellie Buis 2004

Making Words Stick shows you how to move beyond spelling lists and rote memorization to make words both meaningful and memorable for all your students. It builds on the connection between vocabulary and comprehension and guides teachers in their most important task-- building a strong literacy foundation. Full of efficient, effective, and engaging strategies,

this useful guide explores innovative ways to organize vocabulary instruction in the grade 1 to 8 classroom. It demonstrates how to: create a positive, student-centered environment for the concept-based, multi-layered learning of words; teach vocabulary during shared reading, guided reading, and independent center time; incorporate visual displays of read aloud/picture study vocabulary to develop important conceptual knowledge; introduce think-and-search prompts and stretch charts to expand word knowledge during shared reading; build reading and writing independence with a wealth of fun small-group, and word-play challenges. From the role of semantics and syntax to original classroom-tested activities, this imaginative guide helps you give your students the lifelong gift of words and language.

Elements of Literature, Grade 7 - Holt Rinehart & Winston 2003-12

He Knows The Plan - Chenda Tom 2017-12-31

For many years, the Khmer Rouge, a communist regime, had been training soldiers in the forest and creating an army to take over the country of Cambodia. On April 17, 1975, the Khmer Rouge paraded through Phnom Penh, the capitol, to exterminate the city of "bugs". People were first told that they would temporarily have to leave their homes for three days. Some of the adults knew better than to believe this story because rumors had been spreading all over Cambodia about the terrible things occurring in villages and towns. People from the villages and towns had been coming into Phnom Penh and living in parks or any open area in the capitol because their homes were taken over or destroyed by the Khmer Rouge soldiers. Cambodia was a peaceful and self-sufficient country, full of people who only desired peace. We came to believe the propaganda being told because there was not an alternate option. Questions became fears, fears turned into belief that the Khmer Rouge soldiers would protect us.

Rikki-Tikki-Tavi - Rudyard Kipling 2014-08-12

Rikki-Tikki-Tavi is the story of a mongoose whose bravery knows no bounds and the family he is endeared to and looks after with a fiery passion. After a small flood *Rikki-Tikki-Tavi* finds himself rescued by a family in India and he is curious to discover more about his new surroundings. He finds there is danger lurking in the shadows that threatens his new family. *Rikki* will stop at nothing to make sure they are safe. *Rikki-Tikki-Tavi* is a timeless classic from Rudyard Kipling that should be enjoyed by all. - 10 unique color illustrations

Word Origins And How We Know Them - Anatoly Liberman 2009-04-13

Written in a funny, charming, and conversational style, *Word Origins* is the first book to offer a thorough investigation of the history and the science of etymology, making this little-known field accessible to everyone interested in the history of words. Anatoly Liberman, an internationally acclaimed etymologist, takes the reader by the hand and explains the many ways that English words can be made, and the many ways in which etymologists try to unearth the origins of words. Every chapter is packed with dozens of examples of proven word histories, used to illustrate the correct ways to trace the origins of words as well as some of the egregiously bad ways to trace them. He not only tells the known origins of hundreds of words, but also shows how their origins were determined. And along the way, the reader is treated to a wealth of fascinating word facts. Did they once have bells in a belfry? No, the original meaning of belfry was siege tower. Are the words *isle* and *island*, *raven* and *ravenous*, or *pan* and *pantry* related etymologically? No, though they look strikingly similar, these words came to English via different routes. Partly a history, partly a how-to, and completely entertaining, *Word Origins* invites readers behind the scenes to watch an etymologist at work.

Middle School Journal - 1997

The Setting Sun - Bart Moore-Gilbert 2014-05-13

"I've always had difficulty imagining my father as a policeman. He seemed most himself in the informal

setting of safari life, clothes disheveled, sometimes not shaving for days. So why did he join the Indian Police, with its rigid hierarchies and complex protocols?" *Setting Sun* is the story of the dying days of an empire, combined with gripping family history, in an extraordinary literary voyage across India. When a letter from an Indian historian arrives out of the blue, informing leading academic Moore Gilbert that his beloved, deceased father, a member of the Indian Police before Independence, partook in the abuse of civilians, Moore Gilbert's world is shaken as his cherished childhood memories are challenged. He sets out in search of the truth—discovering much about the end of empire, the state of India today, and whether his father, as one of the many characters on his quest claims, really was a terrorist. Crisscrossing western India, and following leads from bustling Mumbai to remote rural scenes, Moore-Gilbert finally pieces together the truth, ultimately discovering that the same story links the past with the present, colonial India with its modern incarnation, terrorism through the ages and father with son.

Barron's Early Achiever: Grade 4 English Language Arts Workbook Activities & Practice - Barrons Educational Series 2022-11

Prepare your child for a bright future with Barron's Early Achiever Workbooks. Each workbook provides a hands-on learning experience tailored to grade-level skills. Barron's Early Achiever: Grade 4 English Language Arts Workbook is an ideal resource to supplement learning in the classroom, at home, for learning pods, or for homeschooling. Inside you'll find: Fun, interactive activities for reading comprehension and writing practice Helpful tips, glossaries, and easy-to-understand examples to support learning Multiple reading genres and writing exercises, including independent journal writing.

Applied Behavior Analysis of Language and Cognition - Mitch J Fryling 2020-03-01

Written by leading experts in language and cognition, this groundbreaking behavior analysis textbook brings the study of verbal behavior into the 21st century with cutting-edge research. Students and clinicians in the burgeoning field of applied behavior analysis will find the theoretical foundation they need to effectively help the increasingly diverse clients seeking their services. The origins of behavior analysis can be traced to the pioneering work of B.F. Skinner. Skinner's fundamental insights into how human behavior is shaped, maintained, and can be changed were powerful and far-reaching. Some of Skinner's most innovative contributions were in the

study of language. Behavior analytic work in the area of language and cognition did not stop with Skinner, however. Indeed, Skinner's work in this area has inspired considerable expansion, particularly with an eye toward more sophisticated verbal and cognitive repertoires. This important volume provides an overview of the concepts and core behavioral processes involved in language and cognition. You'll find a deeper exploration of complex linguistic and cognitive skills, including generative responding, learning by observation, and perspective taking. Also included are clinically supported interventions based in mindfulness, psychological flexibility, and emotion regulation to help clients improve complex language, social, and academic skills. The future of behavior analysis is here. With its focus on the importance of language and cognition, this textbook is a must-read for anyone studying or practicing in the science of behavior.

Wally and Zizza's Amazing Journey - Louis Vanrenen
2018-11-06

Everybody has a story, but nobody's story is quite like Wally and Zizza's. Told by their son now they have passed, Wally and Zizza's Amazing Journey is more than a family history, exploring the dramatic twentieth century through the lens of his parents. Through wars, emigration and exploration, the couple took on the world

together, searching for new discoveries in both outer and inner landscapes. They lived on four continents, met with great teachers, dealt with wars and passed on lessons to their children. All of this astounding adventure is illustrated throughout by the extensive use of documents and photographs Louis shares, along with personal recollections and historical research. Told with humour and great affection, Wally and Zizza's Amazing Journey chronicles the laughs, the lows and every little and large moment that made up a spectacular life. Readers who enjoy road stories, as well as a detailed look at the events of the twentieth century, will delight in a story that examines history through an intrepid couple's eyes - and perhaps inspire a change in perspective for those open to it.
