Painting With Light - John Alton

2013-02-05

"A wonderful introduction to the

workings of the Hollywood system. We learn in rich and yet accessible detail about special effects, technical wizardry and gadgetry, lighting, make-up, the breakdown of crews, and filming strategies. The book is legendary and its reprint is a major event for film study."—Dana Polan, Tisch School of the Arts, New York University

The Complete Fairy Tales - Charles Perrault 2010-10-14

'Oh grandmama, what great big teeth you have!' Charles Perrault's versions gave classic status to the humble fairy tale, and it is in his telling that the stories of Little Red Riding-Hood, Sleeping Beauty, Cinderella and the rest have been passed down from the seventeenth century to the present day. Perrault's tales were enjoyed in the

salons of Louis XIV as much as they were loved in the nursery, and it is their wit, humour, and lively detail that capture the imagination of adult and child alike. They transmute into vivid fantasies the hidden fears and conflicts by which children are affected: fears of abandonment, or worse, conflicts with siblings and parents, and the trials of growing up. In addition to the familiar stories, this edition also includes the three verse tales – the troubling account of patient Griselda, the comic Three Silly Wishes, and the notorious Donkey-Skin. This translation by Christopher Betts captures the tone and flavour of Perrault's world, and the delightful spirit of the originals.

Itkua ikä kaikki? - Satu Apo 2002

Prophecy of the Stones - Flavia Bujor
2005-04-01

Three teenage girls are chosen to fulfill an ancient prophecy in this vividly imagined first novel from a fourteen-year-old author.

Kaanon ja marginaali - Niina Hämäläinen
2022-10-20

Why the Kalevala and not the Kanteletar? The Kalevala Society's 101st Yearbook maps the processes of canonizing and marginalizing in traditions, cultural heritage and literature by focusing on the fringes of cultural ideals and norms. How and using which criteria have researchers, artists and materials of cultural production been lifted up or pushed aside? What kind of nations would have emerged if writing the nation had rested on the alternatives: the marginal rather

than the canonical genres? A look into the blind spots and fringes of culture and research reveals the endless movement in and between hierarchically positioned spheres of culture. Listening to margins changes not only the canon but also the idea of canon.

Finnish Fairy Tales - Parker Fillmore
2015

The spirit of nationalism that swept over the small peoples of Europe in the early nineteenth century touched faraway Finland and started the Finns on the quest of the Finnish. There as elsewhere scholars who were also patriots found that the native tongue, lost to the educated and the well-to-do, had been preserved in the songs and stories which were current among the peasants. Elias Lönnrot spent a long and busy life collecting

those ancient runos from which he succeeded in building up a national epic, the Kalevala. This is Lönnrot's great contribution to his own country and to the world. Beside the material for the Kalevala Lönnrot made important collections of lyrics, proverbs, and stories. During his time and since other patriot scholars have made faithful records of the songs and tales which the old Finnish minstrels, the runolaulajat, chanted to the strains of the kantele. The mass of such material now gathered together in the archives of the Society of Finnish Literature at Helsingfors is imposing in bulk and of great importance to the student of comparative folklore.

Suomalainen aforismi - Markku Envall
1987

Kullervo's story - Paavo Haavikko
1989

The Brothers Grimm & Their Critics -
Christa Kamenetsky 1992
Kamenetsky analyzes the Grimms' (Jacob, 1785-1863; Wilhelm, 1786-1859) folktale collection from various theoretical and critical perspectives, including linguistics, anthropology, history, sociology, psychology, feminism, and comparative literature. Annotation copyright by Book News, Inc., Portland, OR

A Landscape Blossoms Within Me - Eeva Kilpi 2014

Kilpi's poems, which encompass everything from bawdy humour to compassionate irony, and from haunting expressions of love and loss to an obvious passion for the natural world, have a shamanistic,

shapeshifting quality about them
**An Introduction to the Russian
Folktale** - Jack V. Haney 1999-05-25
This engaging introduction to the
Russian folktale considers the
origin, structure, and language of
folktales; tale-tellers and their
audiences; the relationship of
folktales to Russian ritual life; and
the folktale types that are
translated in subsequent volumes of
The Complete Russian Folktale.
Perspectives on Semantic Roles -
Silvia Luraghi 2014-08-15
Semantic roles have continued to
intrigue linguists for more than four
decades now, starting with
determining their kind and number,
with their morphological expression,
and with their interaction with
argument structure and syntax. The
focus in this volume is on

typological and historical issues.
The papers focus on the cross-
linguistic identification of
semantic-role equivalents, on the
regularity of, and exceptions
concerning change and
grammaticalization in semantic roles,
the variation of encoding the roles
of direction and experiencer in
specific languages, presenting
evidence for identifying a new
semantic role of speech addressee in
Caucasian languages, on semantic
roles in word formation, and finally
a cross-linguistic comparison of the
functions and the grammaticalization
of the ethical dative in some Indo-
European languages. The book will be
of interest to anyone involved with
case and semantic roles, with the
syntax-semantics interface, and with
semantic change and

grammaticalization.

A History of Finland's Literature -

George C. Schoolfield 1998-01-01

The literature of Finland is bilingual, with lively and extensive traditions in both Finnish and Swedish. This history covers both literary traditions in detail. The volume's first section, on Finnish-language literature, consists of a series of connected chapters by leading authorities within the field. It opens with a consideration of the folk literature in Finnish that flourished during the Middle Ages and then examines the more recent history of Finnish-language literature, with special emphasis placed on writings from the nineteenth and twentieth centuries. The second part of the book provides an examination of Finland's Swedish-language literature

from the late fifteenth century through the early nineteenth century. Subsequent chapters trace developments in Finland's Swedish-language literature during the nineteenth and twentieth centuries. A survey of children's literature from both the Finnish- and Swedish-language traditions concludes this exceptionally thorough volume.

Teatteripäiväkirja - Pertti Julkunen
2014-01-10

Teatteripäiväkirja on itsenäistä jatkoa Pertti Julkusen Kirjastopäiväkirjalle (ntamo 2013). Tekijä kertoo teatterikokemuksistaan ja keskustelee julkisuuden ja teatterin filosofiasta, journalismista ja politiikasta – ja edelleen myös edellisen teoksen huolenaiheestaan, kirjastojen kohtalosta. Keskeisinä syväteemoina

ovat empatia ja ideologia. Teatteri hahmottuu paikkana, jossa yhteiskuntaa katsotaan "ulkopuolelta", mutta joka myös rinnastuu moniin sen "esityksellisiin" rakenteisiin. "Teatterin poliittisuus ei ole niissä aiheissa, joita se valitsee, eikä varsinkaan niissä tiedoissa, joita se mahdollisesti välittää. Poliittisuus on näyttelijässä ja näyttämössä. Se on siinä tavassa, jolla näyttelijät astuvat yleisön ja yleisön kautta koko sen yhteiskunnan eteen, josta he ovat esityksen ajaksi karanneet pois." "(...) sanomalehden numero on näyttämöteos, (...) toimittajalla on oltava oma mielensisäinen journalistinen näyttämö (...)"

The Core of the Sun - Johanna Sinisalo 2016-12-01

The Eusistocratic Republic of Finland

has bred a new human sub-species of receptive, submissive women, called eloi, for sex and procreation, while intelligent, independent women are relegated to menial labour and sterilized. Vanna, raised as an eloi but secretly intelligent, needs money to help her doll-like sister, Manna. Vanna forms a friendship with a man named Jare, and they become involved in buying and selling a stimulant known to the Health Authority to be extremely dangerous: chilli peppers. Then Manna disappears, and Jare comes across a strange religious cult in possession of the Core of the Sun, a chilli so hot that it is rumoured to cause hallucinations. Does this chilli have effects that justify its prohibition? How did Finland turn into the North Korea of Europe? And will Vanna succeed in her quest to

find her sister, or will her growing need to satisfy her chilli addiction destroy her? Johanna Sinisalo's tautly told story of fight and flight is also a feisty, between-the-lines social polemic - a witty, inventive, and fiendishly engaging read from the queen of 'Finnish Weird'.

Born Believers - Justin L. Barrett
2012-03-20

Infants have a lot to make sense of in the world: Why does the sun shine and night fall; why do some objects move in response to words, while others won't budge; who is it that looks over them and cares for them? How the developing brain grapples with these and other questions leads children, across cultures, to naturally develop a belief in a divine power of remarkably consistent traits—a god that is a powerful

creator, knowing, immortal, and good—explains noted developmental psychologist and anthropologist Justin L. Barrett in this enlightening and provocative book. In short, we are all born believers. Belief begins in the brain. Under the sway of powerful internal and external influences, children understand their environments by imagining at least one creative and intelligent agent, a grand creator and controller that brings order and purpose to the world. Further, these beliefs in unseen super beings help organize children's intuitions about morality and surprising life events, making life meaningful. Summarizing scientific experiments conducted with children across the globe, Professor Barrett illustrates the ways human beings have come to develop complex

belief systems about God's omniscience, the afterlife, and the immortality of deities. He shows how the science of childhood religiosity reveals, across humanity, a "natural religion," the organization of those beliefs that humans gravitate to organically, and how it underlies all of the world's major religions, uniting them under one common source. For believers and nonbelievers alike, Barrett offers a compelling argument for the human instinct for religion, as he guides all parents in how to effectively encourage children in developing a healthy constellation of beliefs about the world around them. *Tending the Heart of Virtue: How Classic Stories Awaken a Childs Moral Imagination* - Vigen Guroian
2002-01-14
As the popularity of William Bennetts

Book of Virtues attests, parents are turning more and more to childrens literature to help instill values in their kids. Now, in this elegantly written and passionate book, Vigen Guroian provides the perfect complement to books such as Bennetts, offering parents and teachers a much-needed roadmap to some of our finest childrens stories. Guroian illuminates the complex ways in which fairy tales and fantasies educate the moral imagination from earliest childhood. Examining a wide range of stories--from Pinocchio and The Little Mermaid to Charlottes Web, The Velveteen Rabbit, The Wind in the Willows, and the Chronicles of Narnia--he argues that these tales capture the meaning of morality through vivid depictions of the struggle between good and evil, in

which characters must make difficult choices between right and wrong, or heroes and villains contest the very fate of imaginary worlds. Character and the virtues are depicted compellingly in these stories; the virtues glimmer as if in a looking glass, and wickedness and deception are unmasked of their pretensions to goodness and truth. We are made to face the unvarnished truth about ourselves, and what kind of people we want to be. Throughout, Guroian highlights the classical moral virtues such as courage, goodness, and honesty, especially as they are understood in traditional Christianity. At the same time, he so persuasively evokes the enduring charm of these familiar works that many readers will be inspired to reread their favorites and explore

those they may have missed.

The Wild Girl - Kate Forsyth 2015-07-07

One of six sisters, Dortchen Wild lives in the small German kingdom of Hesse-Cassel in the early 19th century. She finds herself

irresistibly drawn to the boy next door, the handsome but very poor fairy tale scholar Wilhelm Grimm. It is a time of tyranny and terror. Napoleon Bonaparte wants to conquer all of Europe, and Hesse-Cassel is one of the first kingdoms to fall. Forced to live under oppressive French rule, Wilhelm and his brothers quietly rebel by preserving old half-forgotten tales that had once been told by the firesides of houses grand and small over the land. As Dortchen tells Wilhelm some of the most powerful and compelling stories in what will one day become his and Jacob's famous fairy tale collection, their love blossoms. But Dortchen's father will not give his consent for them to marry and war, death, and poverty also conspire to keep the lovers apart. Yet Dortchen is

determined to find a way. Evocative and richly-detailed, Kate Forsyth's *The Wild Girl* masterfully captures one young woman's enduring faith in love and the power of storytelling. *Grimms' Fairy Tales (Illustrated by Walter Crane)* - Jacob Grimm

2016-10-25

This is a magical collection of Grimms' tales, including Sleeping Beauty, Cinderella, Rapunzel, Rumpelstiltskin and many others. These spellbinding stories will delight, surprise and educate. The renowned Walter Crane has lovingly illustrated this volume.

Ruth Galloway: The Early Cases - Elly Griffiths 2014-03-20

The first three cases in Elly Griffiths' bestselling Dr Ruth Galloway mystery series. THE CROSSING PLACES. Ruth Galloway is called upon

by DCI Nelson to investigate human remains found in the Norfolk marshes, thought to be those of a missing girl about whom the police having been receiving some very strange letters. THE JANUS STONE. Bones are unearthed on the site of an old children's home. Two children had gone missing from the home forty years previously... but the evidence points to a different crime altogether. THE HOUSE AT SEA'S END. Ruth Galloway and DCI Nelson find themselves investigating a hideous crime that has been concealed for decades. And it soon becomes clear that someone wants the truth to stay buried, and they will go to any lengths to keep it that way. 'Ruth Galloway is one of the most engaging characters in modern crime fiction' - Kate Mosse
Shiang - C. F. Iggulden 2019-08-27

The second thrilling instalment in the bestselling epic fantasy series, the Empire of Salt. 'Must read now! Iggulden is clearly having fun pitching his heroes and villains into bloody combat' SciFiNow
TWO ANCIENT CITIES. ONE FINAL WAR. In Shiang, the young king rules without dissent. Swordsmen stand watch on every corner, looking for the first sign of rebellion. Yet in one swift move, order is overturned. The balance of centuries is undone in the sudden spill of blood - and in the darkness, something terrible returns to Shiang . . . Far to the west, four Shiang masters approach the city walls of Darien. The sword saint and his companions have crossed a continent to bring an old man home for punishment. And they will not be denied, even if the whole city stands

in their way . . . Fans of Joe Abercrombie, Bernard Cornwell and Game of Thrones will be gripped by this bloodthirsty adventure.

Grimm Legacies - Jack Zipes
2016-08-02

In Grimm Legacies, esteemed literary scholar Jack Zipes explores the legacy of the Brothers Grimm in

Europe and North America, from the nineteenth century to the present. Zipes reveals how the Grimms came to play a pivotal and unusual role in the evolution of Western folklore and in the history of the most significant cultural genre in the world—the fairy tale. Folklorists Jacob and Wilhelm Grimm sought to discover and preserve a rich abundance of stories emanating from an oral tradition, and encouraged friends, colleagues, and strangers to gather and share these tales. As a result, hundreds of thousands of wonderful folk and fairy tales poured into books throughout Europe and have kept coming. Zipes looks at the transformation of the Grimms' tales into children's literature, the Americanization of the tales, the "Grimm" aspects of contemporary

tales, and the tales' utopian impulses. He shows that the Grimms were not the first scholars to turn their attention to folk tales, but were vital in expanding readership and setting the high standards for folk-tale collecting that continue through the current era. Zipes concludes with a look at contemporary adaptations of the tales and raises questions about authenticity, target audience, and consumerism. With erudition and verve, *Grimm Legacies* examines the lasting universal influence of two brothers and their collected tales on today's storytelling world.

Grimmin Satuja. Grimms' Fairy Tales. Bilingual Book in Finnish and English

- Svetlana Bagdasaryan 2016-03-31
This collection includes two fairy tales: "The Bremen Town Musicians,"

and "The Star Talers." "My Grandma's Tales" is a series of fairy tales from around the world. The books are bilingual and should be interesting for adults and children as well.

First Finnish Reader for Beginners -

Enni Saarinen 2019-06-24

The book consists of Elementary and Pre-intermediate courses with parallel Finnish-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The

second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

The Prairie Illustrated - James Fenimore Cooper 2021-01-31

A Tale (1827) is a historical novel by James Fenimore Cooper, the third novel written by him featuring Natty Bumppo, his fictitious frontier hero, who is simply known as "the trapper" in it. Chronologically The Prairie is the fifth and final installment of the Leatherstocking Tales. It depicts Natty in the final year of his life still proving helpful to people in

distress on the American frontier. Continuity with *The Last of the Mohicans* is indicated by the appearance of the grandson of Duncan and Alice Heyward of *The Last of the Mohicans* and the noble Pawnee chief Hard Heart, whose name is English for the French nickname for the Delaware, le Coeur-dur. Natty is drawn to Hard Heart as a noble warrior in the likeness of his dear friend Uncas, "the last of the Mohicans."

Aesthetic Approaches to Children's Literature - Maria Nikolajeva
2005-05-12

This work provides students of children's literature with a comprehensible and easy-to-use analytical tool kit, showing through concrete demonstration how each tool might best be used to examine aesthetic rather than educational

approaches to children's literature. Contemporary literary theories discussed include semiotics, hermeneutics, structuralism, narratology, psychoanalysis, reader-response, feminist, and postcolonial theory, each adjusted to suit the specifics of children's literature. *The Reception of Grimms' Fairy Tales* - Donald Haase 1993

"The essays address the reception of the Grimms' texts by their readers; the dynamics between Grimms' collection and its earliest audiences; and aspects of the literary, philosophical, creative, and oral reception of the tales, illuminating how writers, philosophers, artists, and storytellers have responded to, reacted to, and revised the stories, thus shedding light on the ways in

which past and contemporary transmitters of culture have understood and passed on the Grimms' tales."--BOOK JACKET.

Best Fairy Tales - Hans Christian Andersen 2011

.0000000000Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales - with an anarchic twist - but many of his most famous tales sprang directly from his

imagination. The thirty stories here range from exuberant early works such as 'The Tinderbox' and 'The Emperor's New Clothes' through poignant masterpieces such as 'The Little Mermaid', 'The Little Match Girl' and 'The Ugly Duckling', to more subversive later tales such as 'The Ice Maiden' and 'The Dryad'. This is the classic translation by Jean Hersholt. Illustrated by various artists, with an Afterword by Ned Halley.
