Das Leben ist das, was wir aus ihm machen – das war das Credo von Dale Carnegie, der mit "Wie man Freunde gewinnt" und "Sorge dich nicht, lebe!" unvergleichliche Meisterwerke schuf, die das Leben von Millionen Menschen zum Besseren verändert haben. Statt unsere Zeit und Energie darauf zu verschwenden, uns Sorgen zu machen, sollten wir unsere Kraft darauf richten eine geistige Haltung zu entwickeln, die uns Glück und Frieden gibt. Carnegie entwickelte dafür 7 Möglichkeiten, wie uns der Aufbau einer solchen Haltung gelingen kann. Dazu zählt unter anderem zu akzeptieren und zu verstehen, dass Sie einzigartig sind, zu versuchen Kritik zu akzeptieren und zu lernen, gute Gewohnheiten gegen Langeweile und Sorgen zu etablieren. In Kombination mit 14 Grundregeln für den Umgang mit unseren Mitmenschen entwickelte Carnegie so seine Erfolgsformel um ein glückliches und sorgloses Leben zu führen. Wie sich die eigenen Geldsorgen zu verringern lassen, das Leben positiv verändern lässt, man Freunde gewinnt und im Beruf erfolgreicher und ganz nebenbei ein guter Redner und brillanter Gesellschafter wird, zeigt der neben Napoleon Hill erfolgreichste Selfmade-Mann aller Zeiten.

Leadership Mastery - Dale Carnegie Training 2010-02-18

In a world quickly becoming more virtual, human relations skills are being lost -- along with the skill of leadership. There is a vacuum of leadership in many of our major institutions: government, education, business, religion, the arts. This crisis has arisen in part because many of those institutions have been reinvented with the technological revolution we are experiencing. Scientific progress in general, and technological progress in particular, has been seen as a solution to many of our problems, and technology can distribute the answers to those problems far more quickly and efficiently across the globe. But in the midst of this technological boom, people are becoming isolated from each other. What's needed is a new type of leader -- one who can inspire and motivate others in the new virtual world while never losing sight of the timeless leadership principles. In this book, readers can learn all the secrets of leadership mastery: * Gain the respect and admiration of others using little-known secrets of the most successful leaders. * Get family, friends, and co-workers to do what you ask because they want to do it, not because they have

to. * Respond effectively when under crisis using proven techniques for thinking clearly and reducing anxiety under pressure. A valuable tool that stands next to the classic How to Win Friends and Influence People, Leadership Mastery offers a proven formula for success.

The Art of the Good Life - Rolf Dobelli 2017-11-07

Since antiquity, people have been asking themselves what it means to live a good life. How should I live? What constitutes a good life? What's the role of fate? What's the role of money? Is leading a good life a question of mindset, or is it more about reaching your goals? Is it better to actively seek happiness or to avoid unhappiness? Each generation poses these questions anew, and somehow the answers are always fundamentally disappointing. Why? Because we're constantly searching for a single principle, a single tenet, a single rule. Yet this holy grail--a single, simple path to happiness--doesn't exist. Rolf Dobelli -- successful businessman, founder of the TED-style ideas conference Zurich Minds, bestselling author, and all-around seeker of big ideas--has made finding a shortcut to happiness his life's mission. He's synthesized the leading thinkers and the latest science in happiness to find the best shortcuts to satisfaction in *The Art of the Good Life*, his follow up to the international bestseller *The Art of Thinking Clearly* (which has sold more than 2.5 million copies in 40 languages all around the globe). *The Art of the Good Life* is a toolkit designed for practical living. Here you'll find fifty-two happiness hacks -- from guilt-free shunning of technology to gleefully paying your parking tickets -- that are certain to optimize your happiness. These tips may not guarantee you a good life, but they'll give you a better chance (and that's all any of us can ask for).
