The Spiritual Reality of Zakat English Edition - Sultan ul Ashiqeen Hazrat Sakhi Sultan Mohammad Najib-ur-Rehman

The present book sets out to be a source of enlightenment to one of the fundamental principles of Islam called Zakat. It addresses everyone interested in Islamic studies and Sufism as well as readers who are bewildered with the reality behind intellectual doctrines often misinterpreted and veiled in modern times. This translation of the Urdu text ‘Haqeeqat-e-Zakat’, is part of the series devoted to the principle aspects of Islam with their universal reality unveiled for the first time by author and Shaikh, Sultan-ul-Ashiqeen Hazrat Sakhi Sultan Mohammad Najib-ur-Rehman. It is the most prudent and impeccable contribution in the world particularly Muslim world where the problem lies in the perception and application of ‘spending in the way of Allah’ which is very general and whose solution is uncovering the outer layers of ‘Zakat’ to explore its spiritual reality which is avidly sought but rarely found. ‘The spiritual reality of Zakat’ is that spending in the way of Allah is not limited to Zakat of Shariah but advances forward and extends beyond the laws of obligation where free will, dignity and love play their part making it the Zakat of Dignity. The book is an indirect emphasis on the fact that Islam and Sufism embrace each other. Where Shariah is the refined version of the basic concepts of Islam, Sufism is its entire cosmos, untold truth and the soul itself. Paradoxical to today’s norm of projecting a particular spiritual order, the book addresses Sufism as a whole within the expression of Islam. Little Women (English Edition) - Louisa May Alcott 2018-11-06

"We will take this moment to give a little sketch of the four sisters, who

sat knitting away in the twilight, while the December snow fell quietly without, and the fire crackled cheerfully within. It was a comfortable room, though the carpet was faded and the furniture very plain, for a good picture or two hung on the walls, books filled the recesses, chrysanthemums and Christmas roses bloomed in the windows, and a pleasant atmosphere of home peace pervaded it. Margaret, the eldest of the four, was sixteen, and very pretty, being plump and fair, with large eyes, plenty of soft brown hair, a sweet mouth, and white hands, of which she was rather vain. Fifteen-year-old Jo was very tall, thin, and brown, and reminded one of a colt, for she never seemed to know what to do with her long limbs, which were very much in her way. She had a decided mouth, a comical nose, and sharp, gray eyes, which appeared to see everything, and were by turns fierce, funny, or thoughtful. Her long, thick hair was her one beauty, but it was usually bundled into a net, to be out of her way. Round shoulders had Jo, big hands and feet, a flyaway look to her clothes, and the uncomfortable appearance of a girl who was rapidly shooting up into a woman and didn't like it. Elizabeth, or Beth, as everyone called her, was a rosy, smooth-haired, bright-eyed girl of thirteen, with a shy manner, a timid voice, and a peaceful expression which was seldom disturbed. Her father called her 'Little Miss Tranquility', and the name suited her excellently, for she seemed to live in a happy world of her own, only venturing out to meet the few whom she trusted and loved. Amy, though the youngest, was a most important person, in her own opinion at least." "Little Women" by Louisa May Alcott was first published in 1868/69. The bestselling story about the four sisters Meg, Jo, Beth and Amy is based on the author and her three sisters. "Little Women" was adapted for cinema and television several times.

Plato: The Republic (English Edition) - Plato (Plátōn) 2018-12-12

"I went down yesterday to the Piraeus with Glaucon the son of Ariston, that I might offer up my prayers to the goddess (Bendis, the Thracian Artemis.); and also because I wanted to see in what manner they would celebrate the festival, which was a new thing. I was delighted with the procession of the inhabitants; but that of the Thracians was equally, if

not more, beautiful. When we had finished our prayers and viewed the spectacle, we turned in the direction of the city; and at that instant Polemarchus the son of Cephalus chanced to catch sight of us from a distance as we were starting on our way home, and told his servant to run and bid us wait for him. The servant took hold of me by the cloak behind, and said: Polemarchus desires you to wait. I turned around, and asked him where his master was." "The Republic" by Plato is a Socratic dialogue concerning justice, the order and character of the just city-state, and the just man. It was published around 380 BC. "The Republic" is Plato's best-known work,
