It is your completely own epoch to be active reviewing habit. in the midst of guides you could enjoy now is **Breaking The Veil Of Silence English Edition** below.

Not To People Like Us - Susan Weitzman
2008-08-01

This important book brings the ignored population of abused upper-income women to light, revealing for the first time the depth and severity of "upscale abuse" How is it possible for a highly educated woman with a career and resources of her own to stay in a marriage with

an abusive husband? How can a man be considered a pillar of his community, run a successful business and regularly give his wife a black eye? That we can even ask these startling questions proves how convinced we are that domestic abuse is restricted to the lower classes. In "Not to People Like Us" psychotherapist Susan Weitzman dramatically challenges this

assumption. It is the first book to explore a previously overlooked population of emotionally and physically battered wives-the upper-educated and upper-income women, who rarely report abuse and remain trapped by their own silence. Weitzman draws on an in-depth study to document the shocking nature and incidence of abuse among the wives of professors, physicians and CEOs-many of them professionals and executives themselves. With keen insight and profound sensitivity, she reveals the unique path taken by the upscale wife-the early warning signs, the dilemmas and decisions, the dangerous desire to cover up and maintain appearances. The first book to condemn the legal and social service system for failing to recognize domestic violence among upper-income families, "Not to People Like Us" offers crucial information to help women find their way out of abusive relationships and toward safety and independence.

Break the Silent Cycle of Domestic Violence -

Zepora Bastian Certain 2016-06-28
Break the Silent Cycle of Domestic Violence By Zepora Bastian Certain Our home lives naturally affect life outside of our own four residential walls. Domestic violence is not an issue that should be swept under a rug or regarded as only a personal matter. The spilling over of violence at home into the workplace can have considerable consequences not only for the parties involved but also for innocent colleagues or clients. In Break the Silent Cycle of Domestic Violence, Zepora Bastian Certain lays out staggering data and a comprehensive course of action for businesses looking to take a proactive stance in protecting their employees from violence. With extensive research, and insightful tips on identifying the symptoms of an abuse victim, Certain has compiled an invaluable resource for both management and employees in clear rhetoric to tackle this silent threat and ultimately help others to help themselves. This book is a tool anyone can use to protect

themselves and the ones they care about. In the case of domestic violence, ignorance is everything but bliss.

Tear the Veil 2.1 - Chanelle Washington
2019-03-21

ENDORSED BY AN AFRICAN QUEEN! Her Royal Majesty, Queen Iyabode Mariam Adebayo - Queen of Emure Ekiti Kingdom, Nigeria Says #TeartheVeil. THIS IS NOT JUST AN ORDINARY COMPILATION but a necessary healing journey, unveiling atrocities which have been committed against these extraordinary women, tearing the veil off their once-silenced voices! I stand with these resilient "princesses" to say No More! Our African Princes will no longer be accused of social ills neither will our princesses be abused any longer! Gang-rape, Sodomy, Brutal Female Genitalia Mutilation, Social Injustice, Kidnapped on a Foreign Soil. These are a Few of the Horrific Atrocities Exposed When These Wounded Yet Thriving Visionaries Blow The Lid Off Their Stories of Resiliency, Relentless

Determination, and Unyielding Strength.19
Extraordinary Powerhouse Women With Dynamic Stories who are changing nations with their truth. These modern-day heroines suffered in silence until now. Their stories are raw. Their pain is real. Their advice is heartfelt. Their life strategies are proven. Take a journey with them through this book of missions(TM). Whether you are a Housewife, Careerwoman, Entrepreneur, join us as we #teartheveil, bringing healing and restoration to themselves and the world at large. "Our Stories Are Our Legacies." We May Not Be Celebrities but Our Stories Matter too!
Visionaries - A Visionary Woman is one with a strong sense of the future. She understands that she is a game changer who challenges the status quo to create a better and brighter tomorrow. #Tear the Veil - These Fearless Visionaries Tear the Veil as Master Storytellers by pulling back their life curtains, digging deep beyond their current situations and sharing powerfully positioned stories that speak to Women (Men

alike) Across the Globe. The Art of NURSING OR CARING is a Universal Language. Everyone across the life spectrum wants to be cared for and desire someone to care for. Visionaries understand their reason for being. They value life's lessons (good, bad, indifferent). These incredible stories are shared by women whose primary goal is to heal others as they create a stage for themselves globally. May our audience find their voices, the courage to speak up and stand in their truth. "Brave. Good. Powerful. Hope. Soothing. Adventurous. Illuminating. Optimistic. Unique. Invincible. Powerhouse. Innovative. Kind. Fierce. Bold. Driven. Dedicated. Enthusiastic. Funny. Phenomenal. A friend. These are few of the words to describe all these women." - Dr. Princess Fumi Hancock. WHAT PEOPLE ARE SAYING ... "Powerful Princess! It draws you in immediately with Eryka's story. Oh, my goodness. I am a bit emotional seeing all that these women went through. These stories are

shocking and devastating, and each pulls on your emotions. I can certainly see this being a movie. Can't wait to hear what happened and how they overcame." - A. Ellis, Life Coach "Great! I was under the impression you wanted to submit it to networks. It looks great and has much depth." - C. J, Film Producer "Awesome group of stories. Do you want to do a TV show with each one as a guest? I see stories like this." - Paula Mosher Wallace, TV Host and Producer "You have an amazing line up of testimonies in your book. Super proud of you. Should make an amazing documentary too." - P.M., TV Host

Justice Not Silence - Ezra Chitando 2013-09-01
The editors of this volume highlight the fact that although the Church often stands up for other public issues such as human rights, democratic political rights, economic justice, etc., sexual and gender-based violence do not receive the attention they deserve. There are no theological or cultural arguments that can justify such a

position. Sexual and gender-based violence are a scourge that defies our Christian understanding of human dignity ? and challenges the Church in all its formations to respond. Although most of the case studies are from Zimbabwe, they challenge us regardless of which country we are living in ? or the tradition of our specific denomination. In the context of Southern Africa, where the HIV and AIDS burden is among the highest in the world, sexual and gender-based violence are a major contributor to the spread of the disease. This will only change if the Church challenges this practice as part of its educational and public work ? in theological institutions, in congregations, but also in its pastoral work within families.

Silence in the Land of Logos - Silvia Montiglio
2010-05-17

In ancient Greece, the spoken word connoted power, whether in the free speech accorded to citizens or in the voice of the poet, whose song was thought to know no earthly bounds. But how

did silence fit into the mental framework of a society that valued speech so highly? Here Silvia Montiglio provides the first comprehensive investigation into silence as a distinctive and meaningful phenomenon in archaic and classical Greece. Arguing that the notion of silence is not a universal given but is rather situated in a complex network of associations and values, Montiglio seeks to establish general principles for understanding silence through analyses of cultural practices, including religion, literature, and law. Unlike the silence of a Christian before an ineffable God, which signifies the uselessness of words, silence in Greek religion paradoxically expresses the power of logos--for example, during prayer and sacrifice, it serves as a shield against words that could offend the gods. Montiglio goes on to explore silence in the world of the epic hero, where words are equated with action and their absence signals paralysis or tension in power relationships. Her other examples include oratory, a practice in which

citizens must balance their words with silence in very complex ways in order to show that they do not abuse their right to speak. Inquiries into lyric poetry, drama, medical writings, and historiography round out this unprecedented study, revealing silence as a force in its own right.

Veils and Words - Farzaneh Milani 1992

This is the first book in any language about the writing of women in Iran. For centuries any sense that there could be a literary tradition among women was suppressed. Since the middle of the 19th century, however, a number of pioneering women have defied the traditional order to produce poetry and novels of the highest quality; but many of them have paid for their courage with accusations of immorality, promiscuity, heresy and even lunacy.

Breaking the Silence - Bernie Anderson 2007

He Lived a Secret Life for years. A respected pastor, husband, and father, Bernie Anderson battled behind closed doors with pornography

and sexual addiction. Exposed to pornography early in life, he was held captive by the addiction until he allowed God to transform his life. It is a problem not often spoken about in the Christian community, yet pornography and sexual addiction are devastating countless Christian homes. To help others avoid it or break free from its stronghold, Anderson tells his personal story of torment, hope, and the God who changes lives. Offering insight, encouragement, and resources, *Breaking the Silence* boldly reveals the truth about this addiction and how you can protect yourself and your family from the dangers of pornography. Book jacket.

Breaking the Silence on Women's Hair Loss

- Candace Hoffmann 2006

Up to 50 percent of women experience some form of hair loss during their lives. *BREAKING THE SILENCE ON WOMEN'S HAIR LOSS* is a much-needed, authoritative, and up-to-date resource for these millions of women who struggle with hair loss and its accompanying

emotional toll and shame. With few books available on this condition, Candace Hoffmann, a noted medical writer who also deals with female pattern hair loss, discusses types of hair loss, the most recent treatment options, how to create a hair-loss treatment team, and how to cope with painful and difficult emotions. But most of all, **BREAKING THE SILENCE** is a rallying cry to drop the veil of silence and shame that hides the issue of women's hair loss in the dark shadows of denial and fear. Including numerous personal accounts of individual women's struggles with hair loss, **BREAKING THE SILENCE ON WOMEN'S HAIR LOSS** has become a definitive work in its field.

Mystics, Masters, Saints, and Sages - Robert Ullman 2001-10-01

Organized chronologically, starting with Buddha and ending with contemporary seekers, this book focuses on the moment of enlightenment in the lives of saints and masters that led to their witnessing divine reality.

Symposium - 2009

Opening the Matrix - Chief Apostle Diana Wright 2014-01-29

For anyone who would like to be a gifted, holy vessel—to be among those who are chosen, set apart, and used by God in a unique way with dreams, visions, revelations, and manifestations—**Opening the Matrix: A Journey Beyond the Veil** is the perfect midwife to bring forth a greater calling in your life. Chief Apostle Diana Wright speaks to those who are striving to increase their faith in God, with the honest and sincere truth of an obedient servant living with the ear, eye, and heart of God. Included in this comprehensive handbook are photos of the eye of God, the handwriting of Jesus, an image of Michael Jackson appearing from the dead along with the words he spoke, and other astounding encounters and visitations. Written to help others learn how to recognize their self-worth, **Opening the Matrix** enables everyone to

experience the favor of God through Jesus Christ, as He comforts and guides us with vivid consciousness and trust into a broader perspective of the kingdom. “When we are stagnated in our spiritual growth and face difficulty defining our purpose, we hunger for testimony from one whose walk and experience reflects the courage and strength we need in our faith.” -Elizabeth Lang Arthur “This book is a phenomenal literature for those seeking a greater understanding of God’s mysteries in the kingdom. It awakened my heart to pray more, and intercede for the nations.” —Linda

Leverette, House of Hope Ministries

Sexual Violence and the Violence of Silence

- Jewel Lee Herder Ph.D. 2021-01-27

Sexual Violence and the Violence of Silence takes a candid look at the clergy sexual abuse scandal in the Roman Catholic Archdiocese of Philadelphia from a historical and cultural perspective. The author reveals the five veils of silence—the actions or inactions of the church

hierarchy, congregation, law enforcement, media, and general public—that shrouded these cases of clergy sexual violence and exposed the internal maneuverings by administrative officials to silence all those involved or who knew about the abuses. This violence of silence had a profound effect on the victims by adding to their pain and suffering and interfering with their ability to heal and obtain justice. The author begins with the history of the founding of the Roman Catholic Church in America and the Archdiocese of Philadelphia and leads the reader through the confession and testimony of Father William Hogan, a nineteenth-century priest who acknowledged his role in grooming parishioners in the confessional, attested to the sexually abusive behavior of many of his colleagues, and argued for the pervasiveness of clergy sexual violence in the church. The reader will also be exposed to graphic grand jury testimony of the victims of a small representative sample of accused sexually violent priests from the

Archdiocese of Philadelphia—Father Gerard W. Chambers, Father Joseph Gausch, and Father Nicholas V. Cudemo—who targeted their victims based on race, class, and gender. The author includes the historical context in which each priest lived and served by presenting these priests to the reader in chronological order based on their date of ordination. To assist the readers in their understanding of the scope of the cover-up by the leadership of the church, the author examines the administration of the bishops or cardinals supervising the archdiocese during the tenure of each of these predator priests.

Raise Your Voice and be a Light - Jobst Bittner
2018-11-15

Our memory of the Holocaust fades quickly. Once again, day after day Jews are forced to face fear, violence, and intimidation. Antisemitism and Jew hatred exist in almost every country, in every city - worldwide. It is not enough to say "Never Again" to the Holocaust, if we want to

prevent Jew hatred from turning violent and antisemitic defamation from spreading. Once again we have the choice to become passive accessories and incur guilt through our silence just like our forefathers. If you break your silence, you raise your voice and become light! This book continues the thoughts of the book "Breaking the Veil of Silence". It will touch you personally, inspire, and help you to make a difference with very practical steps.

Piercing the Veil - Brian Anderson 2017-04-06

This book is written for you and for all! When you feel a sudden chill go up your spine or feel tingles on your head, that is your intuitive guidance kicking in and reminding you to listen and pay attention. There are meanings in the poems for each and every one of you. They did not come from the mind of Brian, but they came intuitively from across the veil to help us and to give us hope and meaning to life. The book is twofold: (1) it serves as a reminder that you are not alone, and the spirit is real; and (2) it serves

as a reminder that you are a perpetual immortal soula soul that will leave the physical body behind one day and cross over into a sea of love so intense it can only be referred to as concentrated love.

Still Fighting the Civil War - David Goldfield
2004-03-01

Newcomers to the South often remark that southerners, at least white southerners, are still fighting the Civil War -- a strange preoccupation considering that the war formally ended more than one hundred and thirty-five years ago and fewer than a third of southerners today can claim an ancestor who actually fought in the conflict. But even if the war is far removed both in time and genealogy, it survives in the hearts of many of the region's residents and often in national newspaper headlines concerning battle flags, racial justice, and religious conflicts. In this sweeping narrative of the South from the Civil War to the present, noted historian David Goldfield contemplates the roots of southern

memory and explains how this memory has shaped the modern South both for good and ill. He candidly discusses how and why white southern men fashioned the myths of the Lost Cause and the Redemption out of the Civil War and Reconstruction and how they shaped a religion to canonize the heroes and reify the events of those fated years. Goldfield also recounts how blacks and white women eventually crafted a different, more inclusive version of southern history and how that new vision has competed with more traditional perspectives. As Goldfield shows, the battle for southern history, and for the South, continues -- in museums, public spaces, books, state legislatures, and the minds of southerners. Given the region's growing economic power and political influence, the outcome of this war is more than a historian's preoccupation; it is of national importance. Integrating history and memory, religion, race, and gender, Still Fighting the Civil War will help newcomers,

longtime residents, and curious outsiders alike attain a better understanding of the South and each other.

"Abused-But Not Broken" - Queen N. Hayes
2016-04-01

Abuse does not discriminate. It does not matter if you are rich or poor, live uptown or in the suburbs. It lurks in homes, all over the planet, and it destroys the lives of an untold number of people. To experience stolen innocence, withdrawal into oneself, loss of self-worth, is life suppose to be this way? Fear is an extremely powerful weapon. It is a tool that was used then as well as now. *Abused-But Not Broken* by Queen N. Hayes is long overdue. It is a return to innocence. *Abused-But Not Broken* informs others around the world that no one deserves to be subjected to any type of abuse.

Trust, Power and Public Relations in Financial Markets - Clea Bourne 2016-12-08

The public relations profession positions itself as expert in building trust throughout global

markets, particularly after crisis strikes. Successive crises have tainted financial markets in recent years. Calls to restore trust in finance have been particularly pressing, given trust's crucial role as lubricant in global financial engines. Nonetheless, years after the global financial crisis, trust in financial markets remains both tenuous and controversial. This book explores PR in financial markets, posing a fundamental question about PR professionals as would-be 'trust strategists'. If PR promotes its expertise in building and restoring trust, how can it ignore its potential role in losing trust in the first place? Drawing on examples from state finance, international lending agencies, trade bodies, financial institutions and consumer groups in mature and emerging financial centres, this book explores the wide-ranging role of PR in financial markets, including: State finance and debt capital markets Investor relations, M&A and IPOs Corporate communications for financial institutions

Product promotion and consumer finance
Financial trade associations and lobbying
Consumerism and financial activism. Far
reaching and challenging, this innovative book
will be essential reading for researchers,
advanced students and professionals in PR,
communication and finance.

*What Do We Do with a Difference?: France and
the Debate Over Headscarves in Schools -
Facing History and Ourselves 2008*

This book focuses on the recent debates
surrounding headscarves in public schools in
France, where the wearing of an article of
clothing became the focus of intense national
debate. The book is divided into two parts. Part
One, Framing the Discussion, includes the
following essays: (1) Essay: Immigration and
Integration in Europe (2) France; (3) The First
Veil Affair; (4) The Ban on Headscarves in Public
Schools; (5) Secularism in France; (6) Secularity
in the French Public Schools; (7) Mixed Origin:
Religious Groups in Contemporary France; (8)

The Beur Generation; and (9) Implications for
Education and Democracy: a Discussion. Part
Two, Primary Documents, includes the following
readings: (1) What Does It Mean to Be French?;
(2) Integration and Exclusion; (3) The Veil and a
New Muslim Identity; (4) a Brief History of the
Veil in Islam; (5) Public Schools: Where New
Citizens Are Made; (6) The Veil at School; (7)
The Integration of Jews in Modern France; (8)
Debating the Ban of the Veil in Public Schools;
(9) France Bans the Veil in Public Schools; and
(10) Europeans Debating the Veil. A preface by
Adam Strom and an introduction by John R.
Bowen are included. A glossary is included.
Individual sections contain footnotes.

One Lord, One Faith, Second Edition - Rex A.
Koivisto 2009-01-01

One Lord, One Faith is a plea and plan to re-
envision the Church as a broad, cross-
denominational community with a shared faith in
the Christ of the Gospel. It both affirms the place
and inevitability of individual denominational

traditions, and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community. The book seeks to distinguish denominationalism from sectarianism, and identifies sectarianism as the true enemy of historic catholicity.

Silence in Modern Literature and Philosophy - Thomas Gould 2018-07-12

This book discusses the elusive centrality of silence in modern literature and philosophy, focusing on the writing and theory of Jean-Luc Nancy and Roland Barthes, the prose of Samuel Beckett, and the poetry of Wallace Stevens. It suggests that silence is best understood according to two categories: apophasis and reticence. Apophasis is associated with theology, and relates to a silence of ineffability and transcendence; reticence is associated with phenomenology, and relates to a silence of listenership and speechlessness. In a series of diverse though interrelated readings, the study

examines figures of broken silence and silent voice in the prose of Samuel Beckett, the notion of shared silence in Jean-Luc Nancy and Roland Barthes, and ways in which the poetry of Wallace Stevens mounts lyrical negotiations with forms of unsayability and speechlessness.

Piercing Through the Silent Veil - Francis Knoll 2017-08-12

Poet, musician, computer analyst, and mystic Francis Knoll, in his second collection of poetry, considers the perspective of our modern age, which is facing a stressed and dying world, while also embracing the hope and realization of another hidden destiny. Through more than forty poems, Piercing through the Silent Veil takes a close look at our apparent world and the thin veil that separates us from a heightened vision and experience of reality. Cognizant of an eventual death, the verses examine life, with its many contradictions and failings, seeking to extract a meaningful and real existence. With a sense of destiny and higher purpose, these

poems intertwine the frailty and problems of human life while struggling toward an inner silence and a separate parallel universe of presence. This poetry offers a lyric, metered, and accessible style, alluring with the hope of transporting the reader to a new state of being with a direction that leads one beyond the apparent and static world of forms. Written from the unique viewpoint, this poetry collection explores the world of appearances, forces, and eventual death, considering another reality defined by spiritual existence.

The Silver Tassie - Sean O'Casey 2014-04-15
Ireland, World War One. Dashing Harry Heegan leads his football team to victory, arriving home in swaggering celebration before he grabs his kit and heads for the trenches. A nightmare world awaits, the men, reduced to cannon fodder, speaking in mangled incantations as the casualties stack up. Months later, Harry returns, a cripple at the football club party. Everyone but the shattered war veterans dance and forget.

Peppered with acrid wit and dark vaudeville humour, The Silver Tassie, Sean O'Casey's powerful anti-war play of 1928, receives a major revival at the National Theatre in April 2014.

Piercing the Veil - Eric Wentz 2009-07-28

In 1941 the precursor to the OSS and the CIA combined with British SAS to produce an elite fighting force whose mission it was to carry out subversive activities against the fascist regimes of Europe, actions that continue to resonate in the world today. These activities play a very important role in Piercing the Veil. A warrior with the intellectual agility of a Delphic oracle, Lieutenant Commander Grant Chisolm leads his exceptionally highly-trained, well-equipped team of SEALs into the heart of darkness. His highly secretive mission is to rescue hostages taken by the charismatic and cunning leader of a major insurgency in sub-Saharan Africa. He is forced to confront the irrationality of malevolent genius, bureaucratic quackery posing as government, and the link between a man's past

indiscretions and present death and destruction. As he becomes more deeply involved in this extremely dangerous mission, he discovers that his own life is a mirror of ancestral ambitions that reveal themselves through an unexpected discovery for which nothing could have fully prepared him. The historical implications of his discoveries are truly breathtaking. His warrior quest is the stuff of legend and the crucible is bequeathed by mythical figures only to those who are worthy. Chisolm learns firsthand that not only the sins, but also the blessings, of his family must be borne to discover the true purpose of his life.

Unveiling the Veil, Breaking the Silence - T. McIntyre-Scott 2018-05-24

Unveiling the Veil, Breaking the Silence speaks to all. It does not have a name or a color; it does not care if you are rich or poor, male or female. It addresses everyone in every walk of life. It speaks to the heart, mind, and soul to help you reevaluate your life and the life of your loved

ones. Domestic violence has no respect of a person and the fact that it has infiltrated our churches says so much to humanity as a whole. Please take this journey with me to break the silence!

Code of Silence - Ricardo A. Scott 2000-04-01

Cases on Successful E-Learning Practices in the Developed and Developing World: Methods for the Global Information Economy - Olaniran, Bolanle A. 2009-12-31

Cases on Successful E-Learning Practices in the Developed and Developing World: Methods for

the Global Information Economy provides eclectic accounts of case studies in different contexts of e-learning.

Break Free from Narcissistic Mothers -

Hannah Alderete 2022-01-25

Heal from childhood trauma, overcome the damaging effects of emotionally immature behaviors, and discover your true self through guided activities in this friendly workbook. Many daughters struggle with their self-worth when dealing with a narcissistic mother. It is easy to criticize yourself and bury your emotions. The effects of this trauma can lead to self-doubt, depression, anxiety, people-pleasing tendencies, fear, and many other complications that follow you into adulthood. Break Free from Narcissistic Mothers gives you the tools to reconnect with yourself and reintroduce all of your emotions back into your psyche. It includes: Journal prompts to cultivate flexible boundaries and challenge inaccurate beliefs Reflective exercises for managing your relationship with your mother

Interactive activities to help you redefine yourself Written by an experienced mental health counselor, this book is designed to help readers access their feelings and emotions, build their confidence, and establish clear boundaries to live a fulfilling life.

Breaking the Veil of Silence - Jobst Bittner 2013

The Veil of Silence concerns you more than you think. You come across it at every turn, whether in your personal life, in your family, in your church or congregation, or in your cities and nations. The Veil of Silence is the reason for inner coldness, loneliness, and the sense of being lost in darkness. Through a captivating blend of history, theology, and psychology, the German pastor, theologian, and activist, Jobst Bittner, provides a brave, discerning perspective on this Veil of Silence and how the weight of history can be lifted. It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all

destructive tendencies of covering up the past, uncovering our own family history, rediscovering the Jewish roots of our faith, and moving forward into action. Once the veil is lifted, true healing, restoration, and change can begin.

Breaking the Circle - M.J. Trow 2023-01-03
Turn-of-the-century archaeologist-sleuth Margaret Murray returns for the second in her captivating historical mystery series. 'Famous Sensitive Found Dead. Police Baffled.' May, 1905. When one medium turns up dead, the police assume it is a robbery gone wrong, but when another is found obviously murdered, it's clear there's a killer on the loose! Dr Margaret Murray, accomplished archaeologist and occasional sleuth, calls upon her police connections to investigate; who wants to see the mediums of London dead? Known for her sharp mind and quick wit, Margaret decides to infiltrate one of the spiritualist circles to narrow down the list of suspects. Her tactics seem to be working as she accidentally puts herself in the

sights of the murderer. Unperturbed, Margaret sets an elaborate trap to uncover the culprit - but can she untangle the trail of clues before she too, passes beyond the veil?

Piercing Through the Silent Veil - Francis Knoll 2017-12-08

Lawtalk - James Edward Clapp 2011-11-22
Law-related words and phrases abound in our everyday language, often without our being aware of their origins or their particular legal significance: "boilerplate," "jailbait," "pound of flesh," "rainmaker," "the third degree." This insightful and entertaining book reveals the unknown stories behind familiar legal expressions that come from sources as diverse as Shakespeare, vaudeville, and Dr. Seuss. Separate entries for each expression follow no prescribed formula but instead focus on the

most interesting, enlightening, and surprising aspects of the words and their evolution. Popular myths and misunderstandings are explored and exploded, and the entries are augmented with historical images and humorous sidebars. Lively and unexpected, "Lawtalk" will draw a diverse array of readers with its abundance of linguistic, legal, historical, and cultural information. Those readers should be forewarned: upon finishing one entry, there is an irresistible temptation to turn to another, and yet another . . .

Gender in Modernism - Bonnie Kime Scott
2007

Grouped into 21 thematic sections, this collection provides theoretical introductions to the primary texts provided by the scholars who have taken the lead in pushing both modernism and gender in different directions. It provides an understanding of the complex intersections of gender with an array of social identifications. *Complete Works, Reprinted Entire from the Last English Edition* - Mrs. Hemans 1852

Tear the Veil 1.1: 19 Extraordinary Visionaries Help Other Women Break Their Silence by Sharing Their Stories and Reclaiming Their Legacy - Wendy Alexander 2019-03-21

The Break of Day - Altsheler, Joseph A.
2021-01-01

Joseph Alexander Altsheler (April 29, 1862 – June 5, 1919) was an American newspaper reporter, editor and author of popular juvenile historical fiction. He was a prolific writer, and produced fifty-one novels and at least forty-nine short stories. Thirty-two of his novels were part of his seven series: The Civil War Series (8 volumes), The French and Indian War Series (6 volumes), The Gold Series (2 volumes), The Great West Series (2 volumes), The Texan Series (3 volumes), The World War Served (3 volumes), and The Young Trailers Series (8 volumes). Although each of the thirty-two novels constitutes an independent story, Altsheler suggested a reading order for each series (i.e.,

he numbered the volumes). The remaining nineteen novels can be read in any order.

Silence and Silences - Wallis Wilde-Menozzi
2021-12-07

A meditation on the infinite search for meanings in silence, from Wallis Wilde-Menozzi, the author of *The Other Side of the Tiber* and *Mother Tongue*. We need quiet to feel nothing, to hear silence that brings back proportion and the beauty of not knowing except for the outlines of what we live every day. Something inner settles. The right to silence unmediated by social judgment. Sitting at a table in an empty kitchen, peeling an apple, I wait for its next transformation. For a few seconds, the red, mottled, dangling skin unwinds what happened to it on earth. Wallis Wilde-Menozzi set out to touch silence for brief experiences of what is real. In images, dreams, and actions, the challenge leads to her heart as a writer. The pages of *Silence and Silences* form a vast tapestry of meanings shaped by many forces

outside personal circumstance. Moving closer, the reader notices intricacies that shift when touched. As the writer steps aside, there is cosmic joy, biological truth, historical injustice. The reader finds women's voices and women's silences, sees Agnes Martin's thin, fine lines and D. H. Lawrence's artful letters, and becomes a part of Wilde-Menozzi's examination of the ever-changing self. COVID-19 thrusts itself into the unbounded narrative, and isolation brings with it a new kind of stillness. As Wilde-Menozzi writes, "Reading a book is a way of withdrawing into silence. It is a way of seeing and listening, of pulling back from what is happening at that very moment." The author has created a record of how we tell ourselves stories, how we think and how we know. Above all, she has made silence a presence as rich as time on the page and given readers space to discover what that means to a life.

Breaking the Veil of Silence - Leanne Goff
2014-07-08

Mark Twain said, "The two most important days in your life are the day you are born and the day you found out why." Why were YOU born? What is YOUR God Designed Destiny? Romans 8:19 states, "For the anxious longing of the creation waits eagerly for the revealing (unveiling) of the (mature) sons of God." It's time for believers to know who they are and Whose they are! It's time for God's sons and daughters to step into their place of maturity, be unveiled, and steward the inheritance God longs to give them on this earth. This book contains 15 stories of ones who have broken through their Veil of Silence and are now walking out their Designed Destiny as Father God's mature sons and daughters. Each story will inspire you to maturity as His son or daughter. They also contain a prayer and/or declaration to you, the reader, that will encourage you to break through the veil of shame, guilt, embarrassment, generational curses, etc. that have kept you silent far too long!
