**Brave Surrender** - Kim Walker-Smith 2019-04-02

A firsthand look into Kim Walker-Smith's journey from a place of shame and fear to stages around the world where she boldly proclaims the unconditional love of God. Kim Walker-Smith's passionate performance of "How He Loves" helped transform Jesus Culture into a global worship movement. But she wasn't always so confident of God's unrelenting, powerful love. Coming from a painful childhood, Kim struggled to believe that God could heal her heart or bring any sense from her past. Yet when she chose to hand her struggles over to God and receive His love, freedom, and healing in return, everything began to change. On the other side of surrender, Kim began a journey of looking at one painful memory at a time with God and exchanging her perspective for His truth--a journey in which God rewrote her story of pain into a story of redemption and hope. If you are longing to experience God more than the shame or hurts of your past, the pressures of your present, or the fear of your future, Brave Surrender offers a soul-healing path forward. As Kim learned in her own life, the first step--and the bravest step--is letting go. Once we let go of anything that gets between us and God, we are freed to take hold of the life that truly matters. As Kim writes, "When we encounter God's love, it changes the way we see. And

when we learn to see what He sees, we will never be the same again."

Readers can work through heart issues on their own or with a friend or counselor.

**A Life Redone** - Laura Eve Harding 2013-11-14

Unlike most people, it took just a moment and everything in my life was changed forever, teaching me a valuable lesson. That choices are inevitable and that I'd better make the best one I can because they are sure to bring both ~~the highest of consequences~~ the highest of consequences. Some that can be dealt with easily and others that are irreversible, hold much weight, and can be life altering. Take a riveting journey through the pages of my life and experience a story of many battles in the "school of hard knocks," as well as the provision of many second chances. Through it all find what hope is and where it's found no matter the circumstance. As the words lift from the page and paint a picture in your head and your heart, let them encourage you to seek out that hope.
