Light from Old Paths: An Anthology of Puritan Quotations, Volume 1 - C. Matthew McMahon 2014-05-02

This book is a masterful selection of almost 1000 quotations drawn from a wide range of Puritan works. These quotes have been chosen with great care, and arranged under topical headings from "belief" to "worship". This work forms an ideal introduction to the writings of the godly men of the 17th century, and will prove to be rich devotional reading of the highest caliber. For those being introduced to the writings of the Puritans, or those who are already familiar with them, this devotional work will be a treasure to read again and again. The reading of Puritan works has brought great benefit to the people of God across barriers of culture and time. Christians owe a great debt of gratitude to those faithful

theologians, pastors and preachers who continue to speak through their writings even though they have long since entered into their heavenly rest in Christ. In these pages, the reader will find that the Puritans knew how to teach and apply God's Word in the power of the Holy Spirit, and for the glorification of Jesus Christ, while maintaining a solid biblical orthodoxy needed in our day and age. The purpose of this book is to open a door to the vast stores of biblical treasure and wisdom to be found in the writings of the Puritans and that it will stimulate further reading from our Reformed and spiritual heritage. Authors cited include: Nathaniel Vincent, George Walker, Francis Whiddon, William Perkins, Christopher Love, Thomas Hooker, Jeremiah Burroughs, Thomas Case, Jonathan Edwards, Matthew Mead, John Owen, Richard Sibbes, Samuel Ward, Thomas Watson, Thomas Mocket, Ephraim Pagitt, Edmund Calamy, John Arrowsmith, Cuthbert Sydenham, John Beart, Richard Rawlin, Nicholas Byfield, and dozens more. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

## **World's End, Vol. 1 of 3** - Richard Jefferies 2015-07-05

Excerpt from World's End, Vol. 1 of 3: A Story in Three Books; Facts Sheet of paper, without a trace of subsoil or any kind of earth in which so much as a blade of grass could grow. It was utterly dry and sterile - not a tree nor a shrub to shelter a cow or a horse, and all men avoided it as a waste and desolate place. It was the very abomination of desolation, and no one would have been surprised to have seen satyrs and other strange creatures diverting themselves thereon. Around one edge of this plain there flowed a brook, so small that one could hardly call it by that name. A dainty lady from Belgravia could have easily stepped across it without soiling the sole of her boot. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
