Macbeth - Paul Leonard Murray 2020-04-20

First Witch: Welcome to the Scottish play
Second Witch: It's "Scottish" 'cos it rains all day
Third Witch: It's cold enough to see your breath
First Witch: We're waiting here to see Macbeth.
Second Witch: Hanging out in bogs and ditches
Third Witch: Yes you've guessed it; we're the witches!
First witch: We're here to guide you all the way
Second witch: Because we know the end of the play
The Silly Shakespeare for Students edition of Shakespeare's Macbeth simplifies the famous tragedy without dumbing it down. It's perfect for introducing students to the Bard and helping English Language Learners practice speaking and oracy skills while grappling with the classics. Author Paul Leonard Murray, director of the Belgrade English Language Theater, has cut the play down to an hour or so and made the language more accessible. But he's kept all the tragic parts while adding some jokes. And if you think jokes in a version of Macbeth is weird, the whole thing is also written in rhyming couplets. Production notes and a summary of the play make putting on Shakespeare easy and fun, even if you've never done drama in class before! Looking for something different for drama club, student theater, or speaking class? Want to spice up your literature or reading class and give students a new appreciation for Shakespeare? This is the series for you.

Shakespeare's Macbeth Made Super Super Easy -

Evelyn Samuel 2020-03-18

Macbeth is one of Shakespeare's most compelling and alluring plays. It reflects the rise and fall of a tragic hero, *Macbeth*. He meets the witches and receives a prophecy that he will become King. Consumed by ambition and his wife prods him into action, he decides to kill King Duncan. When Duncan visits him, *Macbeth* kills him with a dagger, and becomes King. *Macbeth* is restless about the witches' prophecy that Banquo's heirs will be kings. He hires three murderers to kill Banquo and his son Fleance. Luckily, Fleance escapes but sadly Banquo dies. He then goes back to the witches who tell him to beware Macduff. Now, this revelation sets him off again. He becomes threatened by Macduff and he kills his family whilst Macduff flees to England. Meanwhile, Lady *Macbeth* commits suicide because of her guilt. Macduff joins forces with Malcolm, Duncan's son, and march towards *Macbeth*'s castle. Macduff confronts *Macbeth* and

asks him to surrender, but *Macbeth* refuses and vows to fight to the end. Macduff kills *Macbeth* and peace is once more restored to Scotland. Malcolm is crowned King of Scotland.

Macbeth for Kids - Lois Burdett 1996

Text and children's art present the story of William Shakespeare's *Macbeth*.

Macbeth -

William Shakespeare 2015-10-28 Here are the books that help teach Shakespeare plays without the teacher constantly needing to explain and define Elizabethan terms, slang, and other ways of expression that are different from our own. Each play is presented with Shakespeare's original lines on each left-hand page, and a modern, easy-to-understand "translation" on the facing right-hand page. All dramas are complete, with every original Shakespearian line, and a full-length modern rendition of the text. Helpful background information that puts each play in its historical perspective. Discussion questions that teachers can use to spark student class participation, and which students can use as springboards for their own themes and term papers. Fact quizzes, sample examinations, and other features that improve student comprehension of what each play is about.

Shakespeare and Youth Culture - J. Hulbert

2009-12-14

This book explores the appropriation of Shakespeare by youth culture and the

expropriation of youth culture in the manufacture and marketing of 'Shakespeare'. Considering the reduction, translation and referencing of the plays and the man, the volume examines the confluence between Shakespop and rock, rap, graphic novels, teen films and pop psychology.

Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

An Actor's Edition of Shakespeare Revisited

- James R. Hartman 2007-07-26

An Actor's Edition of Shakespeare Revisited is a book for actors, directors, professors of theatre and the general public. Each of the plays has been edited for more understandability and length. The intent of the book was to make the

works more accessible without making the language modern. When audiences see a Shakespeare play, they have only one time to grasp the words as they are spoken. Audience members do not have time to look at lengthy explanations or notes about words or expressions. Therefore, this edition of these five plays, presents the plays so that audience members as well as actors can follow the plays with little difficulty. Some words have been changed to accomplish this. In certain speeches, subjects or verbs were supplied for understandability. Because Shakespeare used many pronouns, these plays make use of more nouns so that the meaning of who or what is being spoken about becomes more clear. The book also has some useful tools for the director and actors. A chart has been provided for each play that lists each character by act and scene. This can be very useful when there is a need to double cast actors. In addition, a "combination roles" page has also been added which gives suggestions for doubling parts for a smaller company. To help at rehearsals, page numbers for the beginning of each act and scene is provided on a single page for each play. Finally, each play has been broken into "beats" for the actor and the director. It is the hope of the author of this book that more people will find excitement in reading, performing, staging, or viewing Shakespeare because of the edited versions for understandability. Enjoy the plays---either reading or performing.

El-Hi Textbooks & Serials in Print, 2005 - 2005

Shakespeare Made Easy - Tanya Grosz 2004

Macbeth (Collins Classics) - William

Shakespeare 2021-10-26

In 1603, James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. He found a spectacle of violence and stories of traitors advised by witches and wizards, echoing James's belief in a connection between treason and witchcraft. In depicting a man who murders to become king, Macbeth teases us with huge questions. Is Macbeth tempted by fate, or by his or his wife's ambition? Why does their success turn to ashes?

Like other plays, Macbeth speaks to each generation. Its story was once seen as that of a hero who commits an evil act and pays an enormous price. Recently, it has been applied to nations that overreach themselves and to modern alienation. The line is blurred between Macbeth's evil and his opponents' good, and there are new attitudes toward both witchcraft and gender. The authoritative edition of Macbeth from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -Freshly edited text based on the best early printed version of the play -Newly revised explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language - An essay by a leading Shakespeare scholar providing a modern perspective on the play - Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An up-to-date annotated guide to further reading

Macbeth - William Shakespeare 1985
Presents the original text of Shakespeare's play side by side with a modern version, discusses the author and the theater of his time, and provides quizzes and other study activities.

Macbeth - William Shakespeare 2008
"This full colour graphic novel presents "The Scottish Play" just as Shakespeare intended: in its original and unabridged format. Ideal for purists, students and readers who will appreciate the unaltered text." "Macbeth is probably the most dramatic of Shakespeare's tragedies and this version will give you a brand new and totally fulfilling view of the sheer genius of Shakespeare's story telling. Featuring stunning artwork, and full of action, atmosphere and intrigue from start to finish, this new treatment of The Bard's tragedy will have you on the edge of your seat."--BOOK JACKET.

Hamlet Translated Into Modern English - William Shakespeare 2020-05-22
Now You Too Can Understand Shakespeare. Modern English side-by-side with original text includes study notes and stage directions. For the first time collected in one volume, Shakespeare's original play side-by-side with an accurate line-by-line modern English translation, along with stage directions, study notes and historical facts

to aid understanding. The original innuendos, political satire, puns and bawdy humour are retained, bringing the work to life for scholars, students, actors prepping for a performance, or lovers of the work to enjoy today without flicking back and forth for lengthy explanations. Additional study notes by former QI researcher and translation verified by historical consultant to the BBC and major movie companies. As an eight year old boy, SJ Hills read the first part of a simplified version of Macbeth in a children's comic. He rushed to the library to finish the story only to learn he couldn't understand the original work. So began a lifelong dream of making Shakespeare understandable for all, down the smallest detail, enlisting the help of the world's most renowned researchers from BBC TV series, QI, to aid him. Please note - this work may not be suitable for readers under 12 years old due to bawdy innuendo. See also Macbeth Translated, Romeo and Juliet Translated and A Midsummer Night's Dream by SJ Hills.

The Third Witch - Rebecca Reisert 2002-03-02
Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly

ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage.

The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Romeo and Juliet - Anna Claybourne 2014-11-13

Macbeth - Tanya Grosz 2003

Teaching Reading Shakespeare - John Haddon 2009-05-07

Teaching Reading Shakespeare is warmly and clearly communicated, and gives ownership of ideas and activities to teachers by open and explicit discussion. John Haddon creates a strong sense of community with teachers, raising many significant and difficult issues, and performing a vital and timely service in doing so. - Simon

Thomson, Globe Education, Shakespeare's Globe John Haddon offers creative, systematic and challenging approaches which don't bypass the text but engage children with it. He analyses difficulty rather than ignoring it, marrying his own academic understanding with real sensitivity to the pupils' reactions, and providing practical solutions. - Trevor Wright, Senior Lecturer in Secondary English, University of Worcester, and author of 'How to be a Brilliant English Teacher', also by Routledge. Teaching Reading Shakespeare is for all training and practising secondary teachers who want to help their classes overcome the very real difficulties they experience when they have to 'do' Shakespeare. Providing a practical and critical discussion of the ways in which Shakespeare's plays present problems to the young reader, the book considers how these difficulties might be overcome. It provides guidance on: confronting language difficulties, including 'old words', meaning, grammar, rhetoric and allusion; reading the plays as scripts for performance at Key Stage 3 and beyond; using conversation analysis in helping to read and teach Shakespeare; reading the plays in contextual, interpretive and linguistic frameworks required by examinations at GCSE and A Level. At once practical and principled, analytical and anecdotal, drawing on a wide range of critical reading and many examples of classroom encounters between Shakespeare and young readers, Teaching Reading Shakespeare encourages teachers to develop a more informed, reflective and exploratory approach to Shakespeare in schools.
