One of the few surviving plays by Sophocles, and one of the most frequently performed of classical Greek dramas of all time, Antigone raises issues of law and

morality that are just as relevant today as in ancient times. Antigone will move you as few pieces of literature can. With its passionate speeches and sensitive probing of moral and philosophical issues, this powerful drama continues to enthrall us today as it did its ancient Athenian audiences. In Antigone, Sophocles reveals the fate that befalls the children of Oedipus. Polynices, son of Oedipus, has led a rebellious army against his brother, Eteocles, ruler of Thebes. Both have died in single combat. When Creon, their uncle, assumes rule, he commands that the body of the rebel Polynices be left unburied and unmourned, and warns that anyone who tampers with his decree will be put to death. Antigone, sister of Polynices, defies Creon's order and buries her brother, claiming that she honors first the laws of the gods. Enraged, Creon condemns her to be sealed in a cave and left to die. How the gods take their revenge on Creon provides the gripping denouement to this compelling tragedy. The curse placed on Oedipus lingers and haunts a younger generation. The daughter of Oedipus and Jocasta, Antigone is an unconventional heroine who pits her beliefs against the King of Thebes in a bloody test of wills that leaves few unharmed. Emotions fly as she challenges the king for the right to bury her own brother. Determined but doomed, Antigone shows her inner strength throughout the play.

**Sophocles' Antigone: Text** - Sophocles 1988

Bryn Mawr Commentaries provide clear, concise, accurate, and consistent support for students making the transition from introductory and intermediate texts to the direct experience of ancient Greek and Latin literature. They assume that the student will know the basics of grammar and vocabulary and then provide the specific grammatical and lexical notes that a student requires to begin the task of interpretation.

Written around 442 BC, Antigone is one of the tragedies of the Sophocles's Oedipus Trilogy. Oedipus's family is trapped by fate and doomed for three generations. Creon, the new ruler of Thebes, has declared that Polyneices's body may not be buried because he was a traitor. Antigone, his sister, must choose whether to bury him and face the consequences or to let his body be eaten by savage dogs.

Antigone ist eine Tragödie des antiken griechischen Dichters Sophokles. Ihre namensgebende Hauptfigur ist Antigone, die Tochter des Ödipus. Uraufgeführt im Jahr 442 v. Chr., ist es das zuerst aufgeführte Stück von Sophokles "Thebanischer Trilogie", zu der außerdem König Ödipus und Ödipus auf Kolonos gehören. (Zitat aus wikipedia.de)
