The Shades of Time and Memory - Storm Constantine 2005-07-01

Hailed as "a literary fantasist of outstanding power and originality" by Michael Moorcock and "a mythmaking Gothic queen" by Neil Gaiman, Storm Constantine is one of the most exciting and innovative fantasy writers of her generation. The author of many acclaimed works of science fiction and fantasy, she is best known for her daring, stylish and provocative "Wraeththu" trilogy (*The Enchantments of Flesh and Spirit*, *The Bewitchments of Love and Hate*, *The Fulfilments of Fate and Desire*). The series, which chronicled the rise of a new race of seductive androgynous beings, with awesome powers, was hailed as a modern fantasy masterpiece, winning an avid international following of devoted

readers. In her current series of work, Constantine has returned to the world of the Wraeththu, and the history of the first ruling dynasty in Immanion. *Shades of Time and Memory* continues the story of the emotional struggle between the triad of Pellaz, the Tigrion of all the Wraeththu; Caeru, the Tigrina chosen for him by Thiede, and hostling of Pellaz's heir; and Calanthe, the Tigrina of Pellaz' heart -- Cal who incepted Pellaz, murdered Thiede, and whose wild seductive nature captivates all who know him. But while these three struggle for mortal political power, others are discovering that the psychic abilities of the Wraeththu and their sisters, the Kamagrian, are far greater, and far stranger, than any of them had ever supposed. The Ambassadors (Diversion Classics) - Henry James 2016-04-19

Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. An intelligent man, though not worldly, Lewis Lambert Strethers leaves from Massachusetts to Paris devoted to a very serious goal. He is to rescue his formidable fiancée's wayward son, Chad, from the bankrupt influence the city has surely taken on him. Determined to bring him home, Strethers instead finds himself falling under the spell of Paris and the people he meets. Maria Gostrey, a remarkable, though forward woman, shows him Paris as no tour ever could. Bewitched by the charm and intellect of those he encounters, he begins to wonder if Paris does not corrupt but transform its people. Meeting Chad once more confirms his deepest suspicions. Chad, though living unconventionally, is all the better for his stay. Kinder, smarter, and more brilliant than ever before, the change in Chad stirs fear in Strethers about the man ever returning to Massachusetts. Worse still, Strethers wonders if he can leave a city he's fallen in love with—or the woman who introduced him to it. From the canonical author of *The Turn of*

the Screw and *The Portrait of a Lady*, *The Ambassadors* continues to cement James's place at the forefront of literary realism.

Shades - Stephanie Esther Fam 2022

It's certainly common knowledge that different colours make up a rainbow. It is in a similar fashion that I believe it takes many different shades of colours to clearly define an individual from any one else. I am no exception to my very own analogy. At first glance, the public sees what is perhaps the most obvious shade of me that makes me the unique individual I am. They see me on a pushchair, they see my physical disability known as Cerebral Palsy. My eyes keenly watch. As she flies with carefree grace. Her beautiful wings flutter. As she goes from flower to flower. All of which bear magnificent beauty and colour. ~ Excerpt from *Shades* ~ Life with Cerebral Palsy has vastly limited my physicality, leaving me with minimum control of my limbs, hands and feet. This sole reason makes it understandable why strangers might sometimes view me as weak or fragile, and try to encourage me by telling me how brave I am to be stepping out into the world, with as much normalcy as possible despite obvious challenges. While I am thankful for their kind intentions, my one and only reply will always be that I'm not brave, I'm merely doing my best at living my life. These very words, perhaps, are the reason the other two shades I'm about to mention hold the key to the depths that encompass the core of my individuality... My knack for public speaking was discovered thanks to the Toastmasters International which provided me with opportunities and the freedom to discover and harness all related skills. Contrary to popular belief in today's society, not every child's talent or call is discovered at a young age, as was the case with my passion for public speaking. I started off as someone whom others found difficult to understand when I read aloud, and emerged as a woman who tugs at the heartstrings of others through my words. I wish for my experience to resonate with my readers and inspire them to endlessly work on their passion. It is in moments like these. That one can't help but wonder why. Why does this world seem to be in a never-ending race? Is life nothing but a ridiculous paper chase? ~ Excerpt from *Shades* ~ The second of the

other two shades that act as the catalyst for putting together this book is the fact that I'm a writer. My love affair with words started at the tender age of 10... I'm not certain if it was my physical circumstances or some other unseen force that sparked my interest in reading, but it didn't take long for interest to morph into a kind of obsession. With time, it dawned on me that as much as the words from books told me of people, places and events they wanted to share with me, I too could do the same with my own words and much more. Although an obvious route of writing was to emulate what I loved the most, i.e. to write a novel of my own, I eventually found that I favoured and expressed myself best in poetry. Take a minute to step away from this madness. The shortness of life. Often unknown to our awareness. How long can fame and money last? Must the pursuit of happiness be such a tedious task? ~ Excerpt from *Shades* ~ With so much said, many who know of my flair for writing often ask where my inspiration for my poems lay. The truth is... I have no specific root for it but if I really have to pinpoint an answer, I would say my personal experiences, unspoken thoughts and unique views on societal norms are the cornerstones to my poems. As you come upon each poem in this book, I hope you get to see different shades of me as a writer, a woman and most of all, realize that 'differences' are nothing more than extras in the human experiences we all share. In the craziness of our lives. We must not forget Sometimes, it is the simplest things That make us smile. Such as watching a pretty butterfly! ~ Excerpt from *Shades* ~

The Complete Novels of Henry James - All 24 Books in One Edition -

Henry James 2017-11-15

The Portrait of a Lady is one of James's most popular long novels, and is regarded by critics as one of his finest. The Portrait of a Lady is the story of a spirited young American woman, Isabel Archer, who in "affronting her destiny", finds it overwhelming. She inherits a large amount of money and subsequently becomes the victim of Machiavellian scheming by two American expatriates. "The Wings of the Dove" tells the story of Milly Theale, an American heiress stricken with a serious disease, and her effect on the people around her. Some of these people befriend Milly with honorable motives, while others are more self-interested. "The American" is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe. Table of Contents: Confidence Roderick Hudson The Ambassadors The American The Awkward Age The Bostonians The Europeans The Golden Bowl The Other House The Outcry The Portrait of a Lady The Princess Casamassima The Reverberator The Sacred Fount The Spoils of Poynton The Tragic Muse The Whole Family The Wings of the Dove Washington Square Watch and Ward What Maisie Knew The Ivory Tower (Unfinished) The Sense of the Past (Unfinished) Henry James (1843–1916) was an American-British writer who spent most of his writing career in Britain. He is regarded as one of the key figures of 19th-century literary realism.

Hard-Core Romance - Eva Illouz 2014-05-22

From its beginnings in Twilight fan-fiction to its record-breaking sales as an e-book and paperback, the story of the erotic romance novel Fifty Shades of Grey and its two sequels is both unusual and fascinating. Having sold over seventy million copies worldwide since 2011, E. L. James's lurid series about a sexual ingénue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness. But why have these particular novels—poorly written and formulaic as they are—become so popular, especially among women over thirty? In this concise, engaging book, Eva Illouz subjects the Fifty Shades cultural phenomenon to the serious scrutiny it has been begging for. After placing the trilogy in the context of best-seller publishing, she delves into its remarkable appeal, seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today. Fifty Shades, Illouz argues, is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their

reconciliation. As for the novels' notorious depictions of bondage, discipline, and sadomasochism, Illouz shows that these are as much a cultural fantasy as a sexual one, serving as a guide to a happier romantic life. The Fifty Shades trilogy merges romantic fantasy with self-help guide—two of the most popular genres for female readers. Offering a provocative explanation for the success and popularity of the Fifty Shades of Grey novels, *Hard-Core Romance* is an insightful look at modern relationships and contemporary women's literature.
