Promise at Dawn - Romain Gary
2017-10-31

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. **Promise at Dawn** begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

I Walk with Vanessa - Kerascoët
2018-04-24

This simple yet powerful picture book--from a New York Times bestselling husband-and-wife team--tells the story of one girl who inspires a community to stand up to bullying. The perfect back-to-school read for every kid, family and classroom! Inspired by real events, **I Walk with Vanessa** explores the feelings of helplessness and anger that arise in the wake of seeing a classmate treated badly, and shows how a single act of kindness can lead to an entire community joining in to help. By choosing only pictures to tell their story, the creators underscore the idea that someone can be an ally without having to say a word. With themes of acceptance, kindness, and strength in numbers, this timeless and profound feel-good story will resonate with readers young and old. A New York Public Library Best Book of the Year "This beautifully illustrated story shows young readers how to become caring

and supportive upstanders. Love it!"

**Global Education Monitoring Report
2020** - UNESCO 2020-07-07

This publication assesses progress
towards Sustainable Development Goal
4 (SDG 4) on education and its ten
targets, as well as other related
education targets in the SDG agenda.
It addresses inclusion in education,
drawing attention to all those
excluded from education, because of
background or ability. The report is
motivated by the explicit reference
to inclusion in the 2015 Incheon
Declaration, and the call to ensure
an inclusive and equitable quality
education in the formulation of SDG
4, the global goal for education. It
reminds us that, no matter what
argument may be built to the
contrary, we have a moral imperative
to ensure every child has a right to
an appropriate education of high
quality.

Moral Education - Émile Durkheim
2012-04-30

The great French sociologist and philosopher Emile Durkheim is best known for his classic book *Suicide* (1897), a landmark in social psychology. Among his other major works is this study in the sociology of education, which features 18 lectures by an influential theorist who discusses his ideas on the school as the appropriate setting for moral education. The first element in developing a moral being, he maintains, is instilling a sense of discipline, followed by a willingness to behave in terms of the group's collective interest, and a sense of autonomy. Durkheim also examines discipline and the psychology of the child, discipline of the school and the use of punishment, altruism in the child, the influence of the school environment, and the teaching of science, aesthetics, and history. Perceptive and provocative, this volume abounds in valuable insights for teachers and others involved in education.

Учим французский вместе-2 - Ольга Пименова 2022-04-20

Книга, которую вы держите в руках, является продолжением учебного пособия О. В. Пименовой и Л. И. Шафрановской «Учим французский вместе» и предназначена для учащихся средних классов школ с углубленным изучением французского языка, а также для тех, кто изучает французский факультативно или индивидуально с преподавателем. Система изучения предлагаемых тем – а это «Учеба в школе», «Досуг», «Путешествия», «Наша планета Земля» – выстроена с использованием разговорных моделей: от предтекстовых упражнений, аудирования, изучения картинок – к практическому применению в творческих заданиях. В упражнениях и текстах использована лексика современного французского языка. Грамматический материал поэтапно, от простого к сложному, формирует языковые навыки. Стихи и песни, активизирующие процесс закрепления, а также развивающие творческие способности учащихся, помогут им овладеть предложенным грамматическим и лексическим материалом. Прослушивание аудиозаписи, подготовленной издательством, поможет развить навыки аудирования и правильного французского произношения, а учитель с ее помощью сможет сделать уроки более интересными. Аудиозапись можно найти на сайте karo.spb.ru.

Anna Karenina - Leo Tolstoy
2015-01-01

The beautiful, intelligent Anna Karenina arrives in Moscow to counsel her sister-in-law, Dolly, whose husband, Stiva, has been cheating on her. Anna arrives on the same train as the military officer Count Alexey Vronsky, who falls in love with her, even though he is courting someone else and she is married and has a child. When Alexey and Anna begin a romantic relationship, Anna is rejected from society. Leo Tolstoy's Anna Karenina, a novel of adultery and social politics, reveals the changing Russian culture of the 1870s. It was first published in book form in 1878 in Russia. This is an unabridged version of the English translation by Constance Garnett, published in 1901.

The Motherhood Complex - Melissa Hogenboom 2021-05-27

'THE MOTHERHOOD COMPLEX does for mothers in particular what INVISIBLE WOMEN did for women as a whole: exposes the myriad ways in which the system is stacked against us, while celebrating the strengths and successes we achieve in spite of it all' Leah Hazard 'A welcome, refreshing and clear-eyed look at the twenty-first century expectations of motherhood' Gina Rippon Enriched with discoveries from biology, psychology and social science, THE MOTHERHOOD COMPLEX is a journey to the heart of what it means to become a mother. Melissa Hogenboom examines how the suite of changes we experience during pregnancy and motherhood influence our sense of self, both physically and from the wider world. From the way our brain changes during pregnancy and the psychological impact of our changing body, to the true cost of the motherhood workplace penalty and the intrusion of technology on family life, Hogenboom reveals how external events and

society at large shape the way we see ourselves and impacts upon the choices we make. Interweaving her personal experience as a mother of two young children with the latest research, Hogenboom confronts the modern myth of maternal perfection and highlights the importance of understanding how and why we change for our physical and emotional health.
