International Directory of Company Histories - Tina Grant 1997

This reference text provides detailed information on the world's 2000 largest and most influential companies. Each entry contains details such as: company's legal name; mailing address; ownership; sales and market value; stock index; and principal subsidiaries. Each two-to-four page entry is detailed with facts gathered from popular magazines, academic periodicals, books, annual reports and the archives of the companies themselves. Information is also provided about founders, expansions and losses, and labour/management actions. Entries are arranged alphabetically by industry name, and there is an index to companies and personal names.
