Secrets of Successful Stripping -

The Business of Sex - William Miller 2019-04-18

This is a story of 15 girls from ages 19 to 25. They are actual recordings made during the year 2010, or nine years ago, and sealed until their release at this time. This book will point out how these young girls came to be strippers. As strippers it was an easy choice. Get naked and get money. They could also get sex and get more money. They used the system, and men always made easy marks when it came to sex. Once in the strip club environment the girls grew up quickly. They became sex experts like the reader has never seen. Through the girls experiences the reader will learn a variety of sexual techniques. For many couples, it's a how-to manual for increased sexual pleasure. Oral sex for men is described in detail. It becomes obvious that most men have never experienced a blow job like the ones described herein. You will see how easily it is for young girl to earn \$50,000-\$60,000 and a more as a stripper. This book does not recommend this, as the money is too easy and far too addicting. The book also explores an area known as sex for fun. Wild and crazy, the chances are you've never experienced fully the episodes that the girls consider routine. Vanessa will tell you in detail how she became a porn star. Performing in Los Angeles and Miami she made 10 films. She describes in detail her sexual activities with multiple men with the camera filming at all. Annabel, only 22 years old, describes in detail her New Year's Eve at a sex club along with other wild sexual experiences. Annabel wanted to become the Prima Donna of Sex. Eleanor came out of an abusive marriage. She was well educated with two college degrees. She discovered there was no future in teaching English and perfected the art of seduction and oral sex. She became wealthy. The narrative of the book is in the form of Harold Beasley, a furniture salesman who always wanted to be a journalist. He is introduced to the club Mirage by his friend, Sid Cohen. He sees a story of young girls and can look behind the façade of the stripper to the real girl, or so he thinks. He befriends the girls and records the statements of their lives and sexual activity. He falls in love with Annabel until she leaves him suddenly to move to another town. The book ends with Harold going back to being a furniture salesman and speculating on what happened to him during his year at the Club Mirage. His life was changed forever.

Stripper Shared - Max Goo

When my mates took me to see a strip show for my birthday, I recognised the woman as a lifelong family friend. I was twenty years of age and I'd never seen a stripper. I saw a lot more than I could've expected when she invited six of us to go home with her. A short erotica story of almost 4000 words
Extract: Somehow I missed the sign outside, so I thought it was just a normal midweek pub night. The guys ushered me to a table. It wasn't long before I noticed a woman moving around the place, approaching groups of friends and people standing alone. She shook a pint mug half full of rattling change; that noise first drew my attention. From behind, her stocking tops and lacy lingerie were visible through her barely-there sheer short dress. The fellas had remembered the time I let it slip that I hadn't ever seen a stripper, and they thought threat me. They laughed and commented when they saw I'd sussed the type of entertainment offered there. Oh well, we had drinks on the table. When I glanced over at her again, she turned around in readiness to approach our table without noticing my eyes fixed on her. She had an incredible hourglass figure. Plus, impossible-to-ignore magnificent baps, and I had to force myself not to stare at them....

I'm Not Even a Stripper! - Regina Walters 2015-09-22

The local strip club, Teasers, wanted to hire more strippers, and it was just a matter of time before one of us was dared into doing it. That's just how my friends and I operated—the more outlandish the dare, the better. Wouldn't you know it...this time, the dare was mine and I was the friend who had to audition for the position. Position...now that's a great word. I sure as hell ended up auditioning for a position, only it was a bent over position.

The Stripper's Pocketbook - Lars Mundi 2017-08-16

This book is intended as a breath of fresh air for those who think your relationship needs something extra. It may be you have an acquaintance, a friend or girlfriend you think would like to have a fun experience. When you choose to do a strip show, always remember others' limits. That they must be respected, just as he or she must respect your boundaries. Whoever we are as a people, whether we are men or women, so we enjoy how others think of us and put us in the center of their lives. The same joy goes when we are talking about getting a strip show or doing one. I

am about to make sure that the person you have chosen to get the experience to be in the center of this experience. People will love that is being done something extra for them as you give them this experience. My desire with this book is to give an insight into, what it means to be a stripper and what underlies into a strip show. It is not intended that you should throw yourself into this profession, but more as something to refresh your relationship with. And you'll even get experience of being the star of the evening with the magic associated with it.

Strip Club Mastery - Stro Diggs 2017-05-05

Have you ever been to a strip club and noticed that some guys seem to get all the attention from the strippers? If you're like most men, you probably assume that these guys are spending a lot of money, offering illicit drugs, or are some kind of "alpha males" that you either can't or don't want to compete with. What if I told you that this was an illusion... a MIRAGE to help separate you from your money? Nothing in a strip club is as it appears... don't be fooled! Sure, there will always be the guy who throws money around strip clubs and dominates the strippers' time (after all, it's their job to take their money), but do you think these guys are actually going home with them and having any kind of sexual relations with them? Hell no, they aren't! If you think all it takes is deep pockets and good looks to attract strippers then prepare to have your mind blown... I'm going to show you a simple and flawless way to walk into any strip club in the world and pull any stripper you want, night after night, without spending ANY of your hard-earned money. I'm going to show you how to be the guy who DOES go home with strippers and experiences the thrill and validation of being chosen by women who have a vast selection of men to choose from. But, it gets WAY better than that... I'm going to show you how to get the hottest strippers to come over to your place, night after night, without you even having to go into the club anymore! But, before I get too far ahead, let me to introduce myself. My name is Stro Diggs (Twitter), but most people just call me Stro, or Diggs (PUA Forum). I've spent a ridiculous amount of time in strip clubs over the last 15 years. I know just about everything there is to know about how strip clubs operate. I know the who, what, where, when, and why of the strip club game. I can get VIP status (or its equivalent) at strip clubs in days and weeks, instead of months and years, and I can do it without spending hardly any money at all. I've been to strip clubs all around the globe and I've learned the ONE weakness they all have. They can all be played using simple social and psychological tactics that ANYONE can learn. But, there's a catch! Strip clubs are designed and operated to give the clubs, dancers, and staff an unfair advantage over the customers who walk in the door. Much like a casino, the odds are stacked against you. Here's where I come in... I've been in the middle of the strip club game for so long that I'm willing to bet that I can teach you how to master it just like me. It doesn't matter what you look like or how much money you spend in the club. (Actually, spending a lot of money in the club makes it HARDER to seduce strippers, but more on that later.) It's all about having the right attitude and working a solid game plan! Over the years I have developed and perfected word-for-word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort. I have perfected them through rigorous testing and tweaking, finally reducing them to their purest form, and made them incredibly easy to learn. I have helped many men experience some of the best nights of their lives in strip clubs. After compiling all of my strip

club secrets, advice, tips, tactics, and techniques into an informative ebook, I am making it available online for the first time. Take a look inside my book and see why it's the ultimate guide to stripper seduction and VIP status...

Tales of a Male Stripper - Tim Duzan 2008-01-09

When one thinks of transformation, it usually signifies change on a

multiplicity of levels, which is what this book represents to me on a personal level. It is not meant to be an autobiography, but rather the view of life from the perspective of a male stripper reflecting on the events that played a significant role in the development of me as a person. I have learned over time that everything happens for a reason. We are not always privileged to know the why or even see that reason, but somehow it is always there. I have worked very hard to get to where I am now, and let me tell you that nothing came easy. I faced many challenges and made many mistakes along the way. Through much drive and determination, as well as a host of fortuitous occurrences, I wish to pass along to you, my reader, how I overcame adversity, became a successful member of society, and basically beat the odds. What a transformation of life I never thought possible and I thank GOD every day for what I have!

Initiated - Amanda Yates Garcia 2019-10-24

An initiation signals a beginning: a door opens and you step through Amanda Yates Garcia's mother initiated her into the goddess-worshipping practice of witchcraft when she was thirteen years old, but Amanda's true life as a witch only began when she underwent a series of spontaneous initiations of her own. Descending into the underworlds of poverty, sex work and misogyny, Initiated describes Amanda's journey to return to her body, harness her natural power, and finally reclaim her witchcraft to create the magical world she envisioned. Peppared with mythology, tales of the goddesses and magical women throughout history, Initiated stands squarely at the intersection of witchcraft and

feminism. Amanda shows that practising magic is about more than spells and potions; magic is nothing less than claiming power for oneself and taking back our planet in the name of Love. Initiated is both memoir and manifesto, calling the magical people of the world to take up their wands, be brave, and create the enchanted world they long to live in. 'Goddesses, ecstasies, fairy tales: Initiated is full of my favourite things, told with savage grace. This book will change your life.' FRANCESCA LIA BLOCK **Sex, Feminism and Lesbian Desire in Women's Magazines** - Kate Farhall 2020-09-15

This book examines evolving pop culture representations of sex and relationships from the 1970s onwards, to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality. In charting changes in the sex and relationship content of women's magazines over time, this analysis reveals that despite surface-level changes in sexual and relationship content, the underlying paradigm of hetero-monogamy remains unchanged. Despite a seemingly more diverse, empowered and liberated sexuality for women in contemporary magazines, in reality, such feminist rhetoric masks an enduring model of sexuality, which rests on women's sexual and emotional maintenance of male partners and their own self-objectification and self-surveillance. Where substantive changes can be identified, they rise and fall in tandem with feminism. By demonstrating this empirical relationship between cultural products and feminist organising, the book validates an assumption that has rarely been tested: that a feminist social milieu improves cultural narratives about sexuality for women. Sex, Feminism and Lesbian Desire builds on ground-breaking feminist texts such as Susan Faludi's Backlash to present an empirically focused, comprehensive study interrogating changes in content over the lifetime of women's magazines. By charting the representation of sex and relationships in two women's magazines—Cosmopolitan and Cleo—since the 1970s through an analysis of over 6,500 magazine pages and 1,500 articles, this timely work interrogates—and ultimately complicates—the apparent linear progression of feminism. This book is suitable for researchers and students in women's and gender studies, queer studies, LGBT studies, media studies, cultural studies and sociology.

For the past two decades, Mark Danner has reported from Latin America, Haiti, the Balkans, and the Middle East. His perceptive, award-winning dispatches have not only explored the real consequences of American engagement with the world, but also the relationship between political violence and power. In Stripping Bare the Body, Danner brings together his best reporting from the world's most troubled regions—from the fall of the Duvalier dictatorship in Haiti to the tumultuous rise of Aristide; from the onset of the Balkan Wars to the painful fragmentation of Yugoslavia; and finally to the disastrous invasion of Iraq and the radical, destructive legacy of the Bush administration. Shattered but Not Broken - Kathryn Lena Rhodes Mims 2021-10-27
An extraordinary true story about how love doesn't hurt. In this story,

you will discover how those three words, I Love you, lead to being shot multiple times at gunpoint and left for dead. The purpose for this book is to relate to men and women, young and old, concerning the seriousness of domestic violence. An act of domestic violence can happen to anyone. Statistics show that domestic violence is rapid and most times, silent. Many people have lost their lives by the very hand that fed them. Please, let this not be you. You will unfold many warning signs as you read my book. It is my prayer that you will take heed and control. Love is powerful and is the very force that connect us. In addition, love doesn't hurt; in fact, it nurtures, protects, believes, endures, hopes, and most of all, never fails! Do you know anyone can be a victim of domestic violence? Domestic violence does not discriminate. It will destroy you if you let it. Its purpose is to steal, kill, and destroy you and whatever stands in its way. Don't be a victim of domestic violence; understand what love is. I'm writing this book to save someone's life.
