**Joint Declaration on the Doctrine of Justification** - Lutheran World Federation 2000

This volume presents in English the official Joint Declaration on the Doctrine of Justification, confirmed by the Lutheran World Federation and the Roman Catholic Church in Augsburg, Germany, in October 1999. The result of decades of Lutheran-Roman Catholic dialogue, this primary document represents an ecumenical event of historical significance. Included in the volume are the Joint Declaration on the Doctrine of Justification and the Official Common Statement with its Annex. These texts are recommended for careful study in seminaries and parishes and for reading by individual Christians. It is hoped that the Joint Declaration will deepen understanding of the biblical message of justification and also serve to further reflection within the wider ecumenical movement.

**Culture Wars** - Marie Castle 2013-04-01

Boldly stated and passionately supported, this argument against religious influence on the American government and legal system analyzes the impact that religion has on culture in the United States. The book makes the claim that many laws based on religious beliefs, specifically theology promoted in the Middle Ages, are misattributed as long-standing social values and that changing the theology itself threatens the religious institution supporting it—igniting a cultural war engulfed in fear and resulting in political dysfunction. It reveals that from sexuality to family planning and the tax system, religious doctrines permeate and direct American life without accounting for the differing views of individuals, and in response, the author provides strategies for overcoming the imposition of external religious views and demonstrates the value in standing up for a secular nation where morality is not tied to one particular religious group.

**The Late Great Planet Earth** - Hal Lindsey 2016-10-11

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Strange Fire - John MacArthur 2013-11-19

In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

A New Political Imagination - Tony Fry 2020-11-12

The book presents the case for the making of a new political imagination by offering a critique of existing political institutions, philosophy and practices that are unable to provide the thinking, means and leadership to deal with the complexity and crises of specific locales and the world at large. The authors make clear that there is a fundamental disjuncture between the complexity of the combined critical conditions that are now putting life on Earth at risk, and the divisions and theories of knowledge that are dominantly and instrumentally trying to understand the situation. In response, this work makes the case for the need for a new political imagination that rejects the sufficiency of existing political ideologies (including democracy) being the end point of politics. The book tackles the political underpinnings of social and economic life in a world still embedded in the inequities of the afterlife of colonialism and state socialism. Thereafter it engages narratives of change, rethinks imagination and critical practices, to finally present a relationally connected way to move forward. This trans-disciplinary volume is directed at those working in political philosophy and epistemology, critical global and security studies, decoloniality and postcolonial studies, design, critical anthropology and the post humanities. It is accessible to both academic audiences and activists and practitioners.

**Divided We Fall** - MarieAlena Castle 2018-04-17

A lifelong political activist gives an insiders view of how the political system works so opponents of President Donald Trump can use their knowledge to end the culture war and set a progressive agenda in *Divided We Fall*. In the book an updated edition of *Culture Wars: The Threat to Your Family and Your Freedom* Marie Alena Castle openly challenges the harm done in the name of religion, which she says is at the heart of our culture war. The book examines how religious extremists elected Trump and takes them to task for not caring who gets hurt as long as their religious ideology or social fantasy that pushes some primal button in their psyche is validated. Unlike other books critical of the role religion plays in politics, this one reveals how to counter the danger based on the authors long history of political activism. She has a been-there, done-that perspective and knows what works and what doesn't. Whether you're a believer, atheist, or fall somewhere else on the spiritual spectrum, you'll want to learn how religion is changing the political landscape. This is an engaging, compelling and important book. The public is so unaware how fragile our constitutional rights are. The book reminds me of our military men and women who return to the states as amputees and then speak strongly against intolerance because they understand that's what the fight was all about. Andrew Dawkins, Minneapolis MN. Attorney, former Minnesota state legislator. The authors grasp of theology and understanding of its irrelevance to how we live are impressive. This is rare in books about religion, making this a valuable contribution to discussions of the role of religion in public life. Kirk Buchanan, Yucca Valley CA. Former Roman Catholic priest. We have to stop Marie from writing!! Panic attack by Roll over and play dead advocate, reacting to authors fearless opposition to religious-right assaults on our liberties.

**Peace with God** - Billy Graham 2017-03-21

Billy Graham shares God's gentle, reassuring promise of spiritual calm—of authentic personal peace—amidst a personal life wracked with too much stress, too many burdens, too great a heartache. In *Peace with God* Billy Graham asks God to help this book “find its way into the hands and hearts of a lost, confused, and searching world . . . men, women, and young people everywhere [who] thirst for peace with God.” In spite of a life drenched with responsibilities and rewards, are you thirsting? Searching for some nameless thing that is more important than anything in life? You are not alone. All mankind is seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. All humanity is crying out for guidance, for comfort . . . for peace. Reverend Graham shares God's gentle, reassuring promise of spiritual calm—of authentic personal peace—amidst a personal life wracked with too much stress, too many burdens, too great a heartache.

A Hunger for God - John Piper 2013-04-23

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.
