The Library of Congress World War II Companion - David M. Kennedy 2007-10-02

The noted historian John Keegan called World War II "the largest single event in human history." More than sixty years after it ended, that war continues to shape our world. Going far beyond accounts of the major battles, The Library of Congress World War II Companion examines, in a unique and engaging manner, this

devastating conflict, its causes, conduct, and aftermath. It considers the politics that shaped the involvement of the major combatants; military leadership and the characteristics of major Allied and Axis armed services; the weaponry that resulted in the war's unprecedented destruction, as well as debates over the use of these weapons; the roles of resistance groups and underground fighters; war crimes; daily life during wartime; the uses of propaganda; and much more. Drawn from the unparalleled collections of the institution that has been called "America's Memory," The Library of Congress World War II Companion includes excerpts from contemporary letters, journals, pamphlets, and other documents, as well as first-person accounts recorded by the Library of Congress Veterans History Project. The text is complemented by more than 150 illustrations. Organized into topical

chapters (such as "The Media War," "War Crimes and the Holocaust," and two chapters on "Military Operations" that cover the important battles), the book also include readers to navigate through the rich store of information in these pages. Filled with facts and figures, information about unusual aspects of the war, and moving personal accounts, this remarkable volume will be indispensable to anyone who wishes to understand the World War II era and its continuing reverberations.

Person Centered Astrology - Dane Rudhyar 1983

Lucid and inspiring material on the purpose and value of Astrology in New Age Guidance, and the difference between an event-oriented approach, and a person-centred view. Topics covered include: Event Oriented vs. Person Centred; Planetary Patterns; Aspect Patterns; Birth Charts as a Whole; Astrology in New Age Guidance;

Astrology as Karma Yoga; Planetary & Lunar Nodes; The Moment of Interpretation. Sample horoscopes of well-known people, Assagioli, Freud, Nietzsche and others illustrate clearly the techniques described. Two complete detailed case histories are given, enabling the reader to concretely experience Rudhyar's holistic approach in action. This book represents the harvest of Rudhyar's innovative astrological and philosophical thinking, practically applied to individual birth charts.

Racism Explained to My Daughter - Tahar Ben Jelloun 2003

Days of Delusion - Clara Endicott Sears 1924

On the great religious excitement of 1843, the year that William Miller predicted the end of the world

A Practical Guide to the Prophecies, with

reference to their interpretation and fulfilment ... Fourth edition, much enlarged. With a bibliography - Edward Bickersteth 1839

Bilychnis -

Towards World Order - Alí Nakhjavání 2005

This book is the transcript of six presentations made by Mr Ali Nakhjavani for a week-long course on the study of various aspects of the World Order of Bahá'u'lláh in Europe in 2004. The questions asked and the answers given have been sorted according to themes of the presentation and appear at the end of the text of each talk. Shoghi Effendi has warned the friends that the future will witness attacks on the Administrative Order. It is hoped that the themes presented in this book and the conclusions drawn in these notes will assist the readers

to defend the Cause against attacks in the days to come.

The Novellino of Masuccio - Edward Robert Hughes 2017-05

The Novellino of Masuccio is an unchanged, high-quality reprint of the original edition of 1895. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. Studies in Modern Religions, Religious Movements and the Bābī-Bahā'ī Faiths - Moshe Sharon 2018-08-14

Twelve comprehensive studies dedicated to messianism, milleniarism and eschatological thought in Judaism Christianity and Islam that underlies the birth of Hassidism, "Mormonism" and the Bahā'ī Faith introduced by the editor's study of the underlying common source of this religious activity.

The Unity of the Nations - Pope Benedict XVI 2015-03-20

What did ancient Christians and pagans believe makes the unity of the nations? Just as he began serving as a major adviser at the Second Vatican Council in 1962, Joseph Ratzinger (the future Pope Benedict XVI) studied this question in lectures delivered at Austria's University of Salzburg. These lectures, originally published in German, are now made available in English in this volume.

World Peace Through World Law - Grenville Clark 2013-10

Good People in an Evil Time - Svetlana Broz 2020-09-22

In the 1990s Svetlana Broz, granddaughter of former Yugoslav head of state Marshal Tito, volunteered her services as a physician in war-torn Bosnia. She discovered that her patients were not only in need of medical care, but that they urgently had a story to tell, a story suppressed by nationalist politicians and the mainstream media. What Broz heard compelled her to devote herself over the next several years to the collection of firsthand testimonies from the war. These testimonies show that ordinary people can and do resist the murderous ideology of genocide even under the most terrible historical circumstances. We are introduced to Mile Plakalovic, a magnificent humanist, who drove his taxi through the streets of Sarajevo, picking the wounded up off the sidewalk and delivering food and clothing

to young and old, even when the bombing was at its worst. We meet Velimir Milosevic, poet, who traveled with an actor and entertained children as they hid in basements to avoid the bombing and gunfire, and we hear the stories of countless others who put themselves in grave danger to help others, regardless of ethnic background. Faced with a world in which unspeakable crimes not only went unpunished but were rewarded with glory, profit, and power, the Bosnians of all faiths who testify in this book were starkly confronted with the limits and possibilities of their own ethical choices. Here, in their own words they describe how people helped one another across ethnic lines and refused the myths promoted by the engineers of genocide. This book refutes the stereotype of inevitable natural enmities in the Balkans and reveals the responsibility of individual actions and

political manipulations for the genocide; it is a searing portrait of the experience of war as well as a provocative study of the possibilities of resistance and solidarity. The testimonies reverberate far beyond the frontiers of the former Yugoslavia. This compelling book is essential reading for anyone who wants to understand the reality on the ground of the ethnic conflicts of the late twentieth and the twenty-first centuries.

The Paradox of Liberation - Michael Walzer
2015-03-01

Many of the successful campaigns for national liberation in the years following World War II were initially based on democratic and secular ideals. Once established, however, the newly independent nations had to deal with entirely unexpected religious fierceness. Michael Walzer, one of America's foremost political thinkers, examines this perplexing

trend by studying India, Israel, and Algeria, three nations whose founding principles and institutions have been sharply attacked by three completely different groups of religious revivalists: Hindu militants, ultra-Orthodox Jews and messianic Zionists, and Islamic radicals. In his provocative, well-reasoned discussion, Walzer asks why these secular democratic movements have failed to sustain their hegemony: Why have they been unable to reproduce their political culture beyond one or two generations? In a postscript, he compares the difficulties of contemporary secularism to the successful establishment of secular politics in the early American republic—thereby making an argument for American exceptionalism but gravely noting that we may be less exceptional today.

Gate of the Heart - Nader Saiedi
2010-03-31

In 1844 a charismatic young Persian

merchant from Shiraz, known as the Báb, electrified the Shí'ih world by claiming to be the return of the Hidden Twelfth Imam of Islamic prophecy. But contrary to traditional expectations of apocalyptic holy war, the Báb maintained that the spiritual path was not one of force and coercion but love and compassion. The movement he founded was the precursor of the Bahá'í Faith, but until now the Báb's own voluminous writings have been seldom studied and often misunderstood. *Gate of the Heart* offers the first in-depth introduction to the writings of the Báb. Taking an interdisciplinary approach, the author examines the Báb's major works in multifaceted context, explaining the unique theological system, mystical world view, and interpretive principles they embody as well as the rhetorical and symbolic uses of language through which the Báb radically transforms traditional concepts. Arguing

that the Bábí movement went far beyond an attempt at an Islamic Reformation, the author explores controversial issues and offers conclusions that will compel a re-evaluation of some prevalent assumptions about the Báb's station, claims, and laws. Nader Saiedi's meticulous and insightful analysis identifies the key themes, terms, and concepts that characterize each stage of the Báb's writings, unlocking the code of the Báb's mystical lexicon. *Gate of the Heart* is a subtle and profound textual study and an essential resource for anyone wishing to understand the theological foundations of the Bahá'í religion and the Báb's significance in religious history. Co-published with the Association for Bahá'í Studies
Ethics of Writing - Carlo Sini 2010-07-02
First English translation of Sini's important work on the influence of writing and the alphabet on Western rationality.

An Introduction to the Comparative Grammar of the Semitic Languages - 1969

Rough Animals - Rae DelBianco

The 25 Best Thriller Books of the Summer—New York Post Best New Books Coming Out Summer 2018 —Southern Living 46 Great Books to Read This Summer—Nylon Dazzling Debuts"—WYPR, "The Weekly Reader" Summer Thrillers That Will Have You at the Edge of Your Chaise Lounge—Refinery29 8 New Books You Should Read This June—vulture.com What We Read, Watched, and Listened to in May—Outside "Furious and electric . . . a fever dream."—Publishers Weekly, *Starred Review!* Breaking Bad meets No Country for Old Men... Ever since their father's untimely death five years before, Wyatt Smith and his inseparably close twin sister,

Lucy, have scraped by alone on their family's isolated ranch in Box Elder County, Utah. That is until one morning when, just after spotting one of their steers lying dead in the field, Wyatt is hit in the arm by a hail of gunfire that takes four more cattle with it. The shooter: a fever-eyed, fearsome girl-child with a TEC-9 in her left hand and a worn shotgun in her right. They hold the girl captive, but she breaks loose overnight and heads south into the desert. With the dawning realization that the loss of cattle will mean the certain loss of the ranch, Wyatt feels he has no choice but to go after her and somehow find restitution for what's been lost. Wyatt's decision sets him on an epic twelve-day odyssey through a nightmarish underworld he only half understands; a world that pitches him not only against the primordial ways of men and the beautiful yet brutally unforgiving landscape, but also against himself. As he

winds his way down from the mountains of Box Elder to the mesas of Monument Valley and back, Wyatt is forced to look for the first time at who he is and what he's capable of, and how those hard truths set him irrevocably apart from the one person he's ever really known and loved. Steeped in a mythic, wildly alive language of its own, and gripping from the first gunshot to the last, *Rough Animals* is a tour de force from a powerful new voice.

Primo catalogo collettivo delle biblioteche italiane - Centro nazionale per il catalogo unico delle biblioteche italiane e per le informazioni bibliografiche 1962

Jude - Julian Gough 2007

With his face reconstructed into the spitting image of Leonardo DiCaprio (apart from the small matter of an erectile nose) Jude travels on foot to the inferno of Dublin, in hot pursuit of Angela, ex-Galway chip-shop

employee and his True Love. A spectacular chase through the city of Ulysses ensues, transformed by Gough's talent into a dazzling metaphor of 21st century violence, alienation and progress.

The Chosen Highway - Sara Lady Blomfield 2018-11-25

'I am walking my chosen highway. I know the destination.' 'Abdu'l-Bahá Sara, Lady Blomfield began to take written notes of the 'spoken chronicles' of the ladies of the Family of Bahá'ú'lláh during her first visit to Haifa in 1922.

Holy People of the World [3 volumes] -

Phyllis G. Jestice 2004-12-15

A cross-cultural encyclopedia of the most significant holy people in history, examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired. The first reference on the subject to span all the world's major religions, *Holy People of the World: A Cross-Cultural Encyclopedia* examines the impact of individuals who, through personal charisma and inspirational deeds, served both as glorious examples of human potential and as envoys for the divine. *Holy People of the World* contains nearly 1,100 biographical sketches of venerated men and women. Written by religious studies experts and historians, each article focuses on the basic question: How did this person come to be regarded as

holy? In addition, the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam, Buddhism, and African religions, as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences, heredity, gender, asceticism, and persecution. Whether exploring by religion, culture, or historic period, this extensively cross-referenced resource offers a wealth of insights into one of the most revealing—and least explored—common denominators of spiritual traditions.

La saggezza di 'Abdùl-Bahà - Abdul'l-Bahà 2010

The Divine Art of Living - Mabel Hyde Paine 2006

This collection of gems from the Baha'i writings is a much-loved classic that has been familiar to generations of Baha'is for over 60 years. Now available to the general

public for the first time, the book is a guide to the spiritual development and walking a spiritual path with practical feet. Among the wealth of subjects the book explores are learning to know, love, and trust God; the purpose of life; the importance of prayer and meditation; developing faith and certitude; learning to cope with life's difficulties with patience and confidence; and the importance of service to humanity- to name only a few. Spiritual seekers of any faith tradition will find here timeless wisdom and inspiration that can help them better understand and appreciate the divine art of living.

Persia religiosa - Alessandro Bausani 1999

Mysticism - F. C. Happold 1967

Cyrus the Great - Harold Lamb 2018-07-10

Cyrus the Great Harold Lamb Cyrus the

Great (c. 600 BC or 576 BC to December 530 BC), also known as Cyrus II or Cyrus of Persia, was the founder of the Persian Empire. It was under his own rule that the empire embraced all previous civilized states of the ancient Near East, expanded vastly and eventually conquered most of Southwest Asia and much of Central Asia, parts of Europe and Caucasus, from the Mediterranean sea and the Hellespont in the west to the Indus River in the east, to create the largest empire the world had yet seen. The reign of Cyrus lasted between 29 and 31 years. Cyrus built his empire by fighting and conquering first the Median Empire, then the Lydian Empire and the Neo-Babylonian Empire. Either before or after Babylon, he led an expedition into central Asia, which resulted in major campaigns that brought "into subjection every nation without exception." Cyrus did not venture into Egypt, as he himself died

in battle, fighting the Massagetae along the Syr Darya in December 530 BC. He was succeeded by his son, Cambyses II, who managed to add to the empire by conquering Egypt, Nubia, and Cyrenaica during his short rule. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to

provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
