The Vault of Walt - Jim Korkis 2013-09-10
In this second volume of the best-selling Vault of

Walt series, Disney historian Jim Korkis reveals even more forgotten tales of Walt Disney and the

Disney Company to entertain and enlighten Disney fans.

The Disney Revolt - Jake S. Friedman 2022-07-05

An essential piece of Disney history has been unreported for eighty years. Soon after the birth of Mickey Mouse, one animator raised the Disney Studio far beyond Walt's expectations.

That animator also led a union war that almost destroyed it. Art Babbitt animated for the Disney studio throughout the 1930s and through 1941, years in which he and Walt were jointly driven to elevate animation as an art form, up through Snow White, Pinocchio, and Fantasia. But as America prepared for World War II, labor unions spread across Hollywood. Disney fought the unions while Babbitt embraced them. Soon, angry Disney cartoon characters graced picket signs as hundreds of animation artists went out on strike. Adding fuel to the fire was Willie Bioff, one of Al Capone's wiseguys who was seizing control of Hollywood workers and vied for the animators' union. Using never-before-seen

research from previously lost records, including conversation transcriptions from within the studio walls, author and historian Jake S. Friedman reveals the details behind the labor dispute that changed animation and Hollywood forever. The Disney Revolt is an American story of industry and of the underdog, the golden age of animated cartoons at the world's most famous studio.

Secret Stories of Walt Disney World - Jim Korkis 2015-11-08

The Rosetta Stone of Disney Magic. Warning! There be secrets ahead. Disney secrets. Mickey doesn't want you to know how the magic is made, but Jim Korkis knows, and if you read Jim's book, you'll know, too. Put the kids to bed. Pull those curtains. Power down that iPhone. Let's keep this just between us...

Trisha will take you to the parks and beyond, giving you dozens of ways to experience the movies you love, including: Character Meet & Greets Attractions & Shows Special Events & Festivals Resorts, Shops, Dining, and so much more Take a magical trip and see your favorite stories come alive

Disney's Land - Richard Snow 2020-12-01

A propulsive and “entertaining” (The Wall Street Journal) history chronicling the conception and creation of the iconic Disneyland theme park, as told like never before by popular historian Richard Snow. One day in the early 1950s, Walt Disney stood looking over 240 acres of farmland in Anaheim, California, and imagined building a park where people “could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or (if the visitor is slightly mad) forever.” Despite his wealth and fame, exactly no one wanted Disney

to build such a park. Not his brother Roy, who ran the company's finances; not the bankers; and not his wife, Lillian. Amusement parks at that time, such as Coney Island, were a generally despised business, sagging and sordid remnants of bygone days. Disney was told that he would only be heading toward financial ruin. But Walt persevered, initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps. Disney assembled a talented team of engineers, architects, artists, animators, landscapers, and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park. The catch was that they had only a year and a day in which to build it. On July 17, 1955, Disneyland opened its gates...and the first day was a disaster. Disney was nearly suicidal with grief that he had failed on a grand scale. But the curious masses kept coming, and the rest is entertainment history. Eight hundred

million visitors have flocked to the park since then. In Disney's Land, "Snow brings a historian's eye and a child's delight, not to mention superb writing, to the telling of this fascinating narrative" (Ken Burns) that "will entertain Disneyphiles and readers of popular American history" (Publishers Weekly).

Gremlin Trouble! - Jim Korkis 2017-02-25
Blame It on Gremlins? In the 1940s, Walt Disney had his hands on a new film franchise involving gremlins, little creatures that caused mischief, mostly of the mechanical kind. But no gremlins film was ever made. Walt himself cancelled the project. This is the story of what went wrong. (And it wasn't gremlins.)

The Nightmare Before Christmas: The Official Cookbook & Entertaining Guide - Kim Laidlaw
2021-08-31

Throw the spookiest soiree of the season with this delightful cookbook and entertaining guide inspired by Tim Burton's iconic film *The Nightmare Before Christmas*. Brimming with

scary good fun, *The Nightmare Before Christmas Cookbook & Entertaining Guide* has everything you need to plan the perfect party. Is it Halloween? Christmas? Your birthday? No matter the occasion, this book will help you take your next dinner or event from routine to inspired--with a little help from Jack Skellington, Sally, Sandy Claws, and all their friends in Halloween Town. This book is divided into two parts. Part one includes over fifty mouthwatering recipes for appetizers, entrees, desserts, and drinks inspired by the movie--with options for sugar-free, gluten-free, and vegetarian guests. Part two includes detailed blueprints and planning instructions for several complete *The Nightmare Before Christmas*-themed parties, including creative crafts for DIY decorations, amusing activities, frightful favors, and more. Replicate these events exactly or mix and match ideas to create your own custom event. Make it stylish and scary or charming and full of cheer--either way your guests are

guaranteed to have a screaming good time. Bursting with vibrant photography and free downloadable templates for invitations, decorations, and other printable ephemera, this book will make every party frighteningly fun. It's a true must-have for *The Nightmare Before Christmas* fans everywhere.

[Disney Villains: Devilishly Delicious Cookbook](#) - Julie Tremaine 2021-07-20

Being bad has never tasted so good with this delightfully evil cookbook featuring over 50 tasty, easy-to-follow recipes inspired by the dastardly Disney Villains. From bewitching appetizers to delectable entrees and delightful desserts, this official cookbook includes all manners of fun Disney Villain-themed treats. Witches, sorcerers, and potion brewers of all skill levels will enjoy recipes such as Spinning Wheel Potatoes, Dalmatian Pancakes, Horrible Wholesome Sunshine Salad, and more. Dishes inspired by iconic villains like Maleficent, Captain Hook, and Jafar are perfect for your

next Halloween party or Disney watch party. Featuring full-color photography, healthy tips, and helpful cooking advice, this all-ages cookbook is the perfect way to bring friends and family together for a little Disney trickery. Book jacket.

How to Be a Disney Historian - Jim Korkis
2016-03-08

Disney History - Written by You. Who writes the Disney history you love to read? A select group, immersed in the history and culture of Disney, from films to theme parks. Now these authors reveal their inspirations, their methods, and their secrets. Why just read Disney history when you can write it yourself!

The Revised Vault of Walt - Jim Korkis 2012-12

"Includes five new unofficial, unauthorized, uncensored Disney stories never told"--Cover.

Once Upon YOUR Time - Randy Crane
2017-08-07

Time Waits for No Mouse. We "spend" our time like there's no tomorrow. A few minutes here,

maybe an hour there, and the day is gone, often with little to show for it. Time management is *hard*. Let Randy Crane's easy, unique system for managing your time put Disney magic to work for you.

Eat Like Walt - Marcy Carriker Smothers
2017-09-19

Eat Like Walt, explores the lore of each land, beginning with Main Street, U.S.A., an homage to Walt's childhood home of Marceline, Missouri, to Tomorrowland, set in futuristic 1986, a year Disney would not live long enough to see. Although Disneyland opened in 1955, its culinary history dates back to 1923 when Walt Disney first arrived in Hollywood. Walt was a simple eater yet a big dreamer. By 1934, four years before his first feature film, Snow White and the Seven Dwarfs, would be released, Mickey Mouse had made him famous enough to have a recipe published in Better Homes & Gardens magazine. Ask fans what Walt's favorite food was and most will say, "Chili." Chili has a cult status at

Disneyland. People want to eat what Walt ate, the way he ate, where he ate it.

The Magic and Mystery of Walt Disney World - Karen Chase 2021-11

The Hidden Magic of Walt Disney World - Susan Veness 2015-04-03

Your guide to Disney's hidden treasures--including Fantasyland and Storybook Circus secrets! Whether this is your first or fiftieth visit, you'd be surprised at how much you miss during your trip to Walt Disney World. From where to find hidden Imagineer signatures to the secrets behind the carriage numbers in the Casey Jr. Splash 'N' Soak play area, learn all about the hidden magic that permeates these fabulous resorts in this tell-all handbook. You will also get the insider's take on: The Disney family coat of arms standing guard at the entrance to Cinderella Castle The surprise song that plays in the Seven Dwarfs Mine Train queue area The mysterious concentric circles in the Temple of

Heaven in Epcot's China pavilion The lipstick stain on the champagne glass sitting on the table in the Tower of Terror Complete with a whole new section on the Fantasyland and Storybook Circus expansion, The Hidden Magic of Walt Disney World, 2nd Edition will inspire you to relive the magic year after year!

Call Me Walt - Jim Korkis 2017-11-12

Finally ... The Real Walt Disney. In the half century since his death, Walt Disney has picked up a lot of biographical baggage. Fans see him as a saint, critics as a fraud. Was he kindly Uncle Walt, or a racist, rapacious tycoon? Disney historian Jim Korkis puts the rumors to rest. *Secret Stories of Extinct Disneyland* - Jim Korkis 2019-05

Excavating the Magic In over eighty individual chapters, each filled with facts, quotes, and anecdotes, Disney historian Jim Korkis chronicles the very best of a Disneyland that no longer exists, taking us back in time to "Walt's park" and revealing how it has changed between

then and now. Live mermaids swimming in the Submarine Lagoon. ... Pack mules nipping at the shoes of children. ... Flying saucers hovering inches in the air over a circular floor. For many people this was the Disneyland of their youth, but over the years dozens of shows, attractions, and experiences have disappeared forever from the Happiest Place on Earth. In this latest volume of his best-selling Secret Stories series, Korkis shares behind-the-scenes information--much of it never before in print--about what used to delight guests at Disneyland. From Main Street's Intimate Apparel Shop and Frontierland's Mineral Hall, to Fantasyland's Pirate Ship restaurant and Adventureland's Barker Bird, Korkis excavates, unearths, and discovers a Disneyland past that will be sweetly nostalgic to some, and a unique glimpse into a forgotten past for others. Who knows what we'll find!

[Harry Potter: The Wand Collection \(Book\)](#) -
Monique Peterson 2017-11-14

Discover the wands of your favorite Harry Potter characters. In the Harry Potter films, each wand is as unique as the witch or wizard who wields it. From Hermione Granger's elegant, vine-wrapped wand to the bone-inlaid wands of the Death Eaters, each was designed and crafted by the filmmakers to reflect its owner's identity. Harry Potter: The Wand Collection is a visual guide to these magical wands, their makers, and the characters who mastered them. Profiles of each wand feature stunning new photography of the original props, wand statistics, insights from the cast and crew, and other filmmaking secrets from the Warner Bros. archive. This collectible volume is an ideal resource for both wand-wielding veteran fans seeking to learn the history behind these beloved items and a new generation just beginning their journey into the wizarding world.

Disney Never Lands - Jim Korkis 2019-08
What If Walt Had... For every project that Disney has produced, there are hundreds more that

never happened despite significant investments of time, talent, and money. But what if you could see them anyway... Jim Korkis enters the limbo of Disney Never Lands to report on new theme parks, new lands in existing parks, television shows, and animation that were left unbuilt and unfilmed. Over the decades, he interviewed Imagineers and animators who worked on these projects as well as researching contemporary newspaper accounts and official publicity releases. Korkis details the usual suspects like WestCot, Mineral King, Roger Rabbit feature sequels, and Epcot's Africa pavilion as well as surprises like Jim Henson's television series about Ariel the Little Mermaid and the Disney Channel's series that would have featured Dreamfinder and Figment as well as the animation Disney had Ub Iwerks do for Danny Kaye's first feature film. Korkis shares the surprises that he discovered in the deepest vaults of Disney history. For the first time, these stories are gathered together in one book to

inspire Disney fans' imaginations of what might have been and to document in great detail these lost dreams.

Mistletoe and the Mouse - Elsa Simonetti
2020-09

COVID-19 Sneak peeks: Learn about the upcoming Epic Universe theme park

The Vault of Walt: Volume 10: Final Edition
- Jim Korkis 2021-08

The Vault Closes Vault of Walt Volume 10: Final Edition brings to a close the best-selling decade-long series of books that showcased the rarely told and out-of-the-ordinary stories of Disney history that never appear in any other books. The books are each divided into four distinct sections devoted to Walt Disney, Disney films, Disney theme parks and oddball niche material. All of these tales are based on decades of research, dozens of exclusive interviews with people who worked at Disney and obscure, long out-of-print magazines and articles. These stories have helped to fill in many gaps in Disney history as well as being praised by Walt Disney's oldest daughter, Diane Disney Miller. Disney historian Jim Korkis has tried to squeeze in even more stories that usual for this final volume. This particular edition highlights how a young Walt

Disney survived a virus pandemic that took the lives of millions of Americans, the complete story of every project comedian Robin Williams did at the Walt Disney Company, how Walt Disney World handles the threat of hurricanes, and a detailed look behind the creation of Jessica Rabbit. That's only the beginning! Stories about Walt's personal adventures in Hawaii, the true story behind Disneyland's Indian Village, a lengthy overview of Disney postage stamps and the behind-the-scenes information on films like Enchanted, Dick Tracy and Condorman as well as much, much more fill these pages to overflowing. With the recent flood of Disney related books and the ever-increasing difficulty in finding and verifying obscure information, it is now an appropriate time to conclude this popular series of ten books that will all remain in print to inform and entertain Disney fans as well as provide valuable and accurate research material for future scholars.

The Unofficial Walt Disney World Drinking

Companion - Christopher Schmidt 2017-10-11
Disney Under the Influence. The *real* magic starts with a Walt Disney World cocktail. From wine flights and craft beer, to special concoctions like the Gullywhumper, the Dorma Nesmond Martini, and Viking Coffee, you can fly higher than Dumbo. This is your guide to the good stuff.

Disneyland on the Mountain - Greg Glasgow
2023-09-13

Disneyland on the Mountain is an in-depth look at Walt Disney's last, unfinished project—Mineral King, a Disneyland-like ski resort—and the controversy that surrounded it, including the budding environmental movement that made sure the resort never saw the light of day.

Secret Stories of Extinct Walt Disney World - Jim Korkis 2020-10-20

Excavating the Magic To celebrate the 50th anniversary of Walt Disney World, Disney historian Jim Korkis, who has written five

previous books on WDW, takes a nostalgic look at the dozens and dozens of things that have disappeared at the vacation destination over the decades. Recent years have seen a rapid and massive demolition of much of Disney's Hollywood Studios and Epcot to make room for new additions, from a mythological galaxy far, far away to an ambitious rat who became a renowned chef. However some things even disappeared within the first year to be replaced by others that have also vanished. Jim was fortunate to personally experience many of the shows and attractions included in this book so that helped with providing an accurate perspective of these long-forgotten treasures. The chapters are filled to overflowing with quotes from Imagineers and show producers, facts, anecdotes, and behind-the-scenes stories that have rarely if ever been told. ExtraTERRORestrial Alien Encounter, Cranium Command, Skyleidoscope, Catastrophe Canyon, Diamond Horseshoe Revue, Pocahontas, Fort

Wilderness Railroad, Walt Disney World Speedway, DisneyQuest, the Disney Inn Resort, and eighty more things that only still exist in the memories of past WDW guests are documented. The book brings back fond memories for those who experienced these shows and attractions but is also designed to tantalize the curiosity of others who might have only briefly heard about them if they knew they had ever existed at all.

The Disney Interviews - Lou Mongello 2020-11
The Disney Interviews is a collection of one-on-one conversations with Imagineers, artists, actors, musicians, magic-makers, and Mousketeers who worked for and with Walt Disney and the Walt Disney Company in the creation of the Disney parks, movies, television series, and legacy, or were instrumental in helping to preserve his legacy and history, including: Julie Andrews, Marty Sklar, George McGinnis, Lonnie Burr, Alice Davis, Dave Smith, Al Konetzni, Bill "Sully" Sullivan, Richard M. Sherman, and more! This book is a compilation of

just some of the interviews conducted by Lou Mongello since he started podcasting in early 2005 for his WDW Radio show (WDWRadio.com). Lou carefully selected these interviews to be included in this book, not only because they were some of his personal favorites, or true Disney Legends, but also because each of them personally knew and worked for or with Walt Disney. They all share individual stories of how Walt influenced their lives, through his trust, guidance, and friendship. About the Author: Lou Mongello is a former attorney who left the practice to pursue his passion for Disney. He is the author of multiple books and audio tours about the Disney Parks, and is the host of WDWRadio.com, an award-winning podcast, live video and community about the Disney Parks, Marvel, and Star Wars. He is a speaker who also provides mentoring and consulting to individuals and organizations looking to build their businesses and brands by sharing the magic of Disney, as well as social media, podcasting, live

video, and community.

From Hollywood to Disneyland - Robert Neuman 2022-10-31

From its beginnings, Disneyland was destined to be something entirely different from the standard mid-century amusement park. To sell his dream park to investors and the public, Walt Disney recruited Hollywood art directors and sketch artists to design the grounds around the mythic settings and high-minded ideals commonly expressed on the silver screen. This book focuses on the initial planning of Disneyland and its first year of operation, a time when Walt personally oversaw every detail of the park's development. Divided into chapters by park zone, it reveals how the five sectors were constructed using illusionistic tricks of stage design. Reaching beyond structure and design, chapters also explore how the sectors--Main Street, U.S.A., Frontierland, Tomorrowland, Adventureland and Fantasyland--represented themes found in Disney stories, familiar movie

genres and American culture at large.

Delicious Disney: Walt Disney World - Pam

Brandon 2022-04-19

Walt Disney World honors its fiftieth anniversary with "The World's Most Magical Celebration," an incredible 18-month event that begins October 1, 2021. As part of the festivities, Delicious Disney: Walt Disney World is a holistic look at the Florida resort's culinary past, present, and future—all organically woven around diverse recipes from the Disney Chefs and fit for home chefs of varying skill levels. After the success of Disneyland, Walt Disney wanted to build something more elaborate and with more room. Ultimately, it was Walt's brother and business partner, Roy O. Disney, who brought forth his sibling's dream—and made it a reality—when the Magic Kingdom opened in 1971. More than fifty years later, we still celebrate Walt's dream, Roy's vision and commitment, plus the dedication of those who serve up a world of magic. And all of it is deliciously Disney. Filled

with a heartfelt narrative and behind-the-scenes anecdotes, mouth-watering food photos, gorgeous Walt Disney Imagineering concept artwork, nostalgic restaurant menus and ephemera, and a little Disney magic, this cookbook-meets-culinary-history coffee table book enchants with more than sixty recipes. Including an assortment of appetizers, main courses, sides, desserts, and even joyful libations, these dishes come from fine-dining and quick-service establishments across the resort. Each has been tested by home chefs to help you bring your cherished vacation memories to life . . . and inspire new ones for years to come. Here's just a sampling of what awaits inside:
BREAKFAST LASAGNA FROZEN PINEAPPLE
TREAT INSPIRED BY DOLE WHIP®
HANDWICH 3.0 IMPOSSIBLE™ MEATLOAF
TONGA TOAST CANADIAN CHEDDAR CHEESE
SOUP GOBI MANCHURIAN BATUUAN RONTO
WRAP ORANGE BIRD FLIP
The Unofficial Walt Disney World 1971

Companion - Jim Korkis 2019-05

How the Magic Was Born Once upon a time, the swampy flatlands of central Florida were home to oranges, cattle, and alligators. Then a man came and said, "lo, there shall be a theme park." A few years later, swampland turned to fantasyland, as Walt Disney World arose. This is the story of how it happened. Jim Korkis, the world's premiere Disney historian, weaves a compelling, organized tale from the thousands of details, reports, and eyewitness accounts--some of them never before in print-- about the early days of the most magical place on earth. As with his companion book, *The Unofficial Disneyland 1955 Companion*, Korkis delivers a top-down history, from the perspective of high-level Disney executives to that of front-line Disney cast members. Korkis begins with the initial surveys of the Disney World site in 1958 and takes the story through 1972, telling the complete and definitive story of how the park was designed and built, and how it was run during its first

year. As Walt Disney stood on a swampy marsh in central Florida not long before his death in 1966, he did not see a wilderness, he saw a bright city of tomorrow, a towering castle, innovative hotels, and above all, families having fun in themed lands of wonder. We know how the story turned out, but now you can stand alongside Walt and experience it all over again, from the very beginning.

Mickey's Gourmet Cookbook - Disney Book Group 1994-08-01

Gathers recipes for appetizers, soups, breads, salads, eggs, seafood, poultry, meats, vegetables, desserts, and sauces served at Disneyland and Walt Disney World

Walt Before Mickey - Timothy S. Susanin 2011
The untold story of ten critical, formative years in the great producer's life

Cool Cats and a Hot Mouse - Matthew Hodge 2020-09

All That Disney Jazz What does a King, a Queen, a Duke, and a talking mouse have in common?

They are all part of the intricate tapestry that helped define American entertainment, built by two different, yet connected pioneering industries: jazz music and Disney. *Cool Cats and a Hot Mouse: A History of Jazz and Disney* is a first of its kind. Award-winning composer, professor, and author Matthew Hodge offers this unique book as the first to entirely dedicate its pages to exploring the vast histories of these two worlds. While rising in popularity and importance during the same decades, jazz and Disney spent more than a century consistently intertwining in ways that are remarkable, inspiring, surprising, complicated, controversial, and everything in between. Whether a jazz listener, a Disney lover, a fan of both, or unknowledgeable of either, this book will navigate readers through many fascinating stories. With nearly 300 significant jazz artists and Disney properties referenced in these pages, *Cool Cats and a Hot Mouse* guarantees to entertain and educate readers of all ages as they

journey through America's jazzy landscapes--sprinkled along the way with plenty of Disney magic.

Red, White, and Disney - Brittany DiCologero 2018-04-21

Patriotism in the Parks. Walt Disney World is an *American*> theme park. If it had a color palette, it would be red, white, and blue. As you wander through Magic Kingdom, Epcot, Hollywood Studios, and even Animal Kingdom,

take this book as your guide to spotting the apple pie behind the animatronics.

The Vault of Walt - Jim Korkis 2015-09-26

"No one knows Disney history, or tells it better, than Jim Korkis, and he's back with a new set of 20 stories from his Vault of Walt. Whether it's Disney films, Disney theme parks, or Walt himself, Jim's stories will charm and delight Disney fans of all ages."--Back cover

Who's Afraid of the Song of the South? - Jim Korkis 2012

Brer Rabbit. Uncle Remus. Song of the South. Racist? Disney thinks so. And that's why it has forbidden the theatrical re-release of its classic film *Song of the South* since 1986. But is the film racist? Are its themes, its characters, even its music so abominable that Disney has done us a favor by burying the movie in its infamous Vault, where the Company claims it will remain for all time? Disney historian Jim Korkis does not think so. In his newest book, *Who's Afraid of the Song of the South?*, Korkis examines the film from

concept to controversy, and reveals the politics that nearly scuttled the project. Through interviews with many of the artists and animators who created *Song of the South*, and through his own extensive research, Korkis delivers both the definitive behind-the-scenes history of the film and a balanced analysis of its cultural impact. What else would Disney prefer you did not know? Plenty. Korkis also pulls back the curtain on such dubious chapters in Disney history as: Disney's cinematic attack on venereal disease Ward Kimball's obsession with UFOs Tim Burton's depressed stint at the Disney Studios Walt Disney's nightmares about his stomping an owl to death Wally Wood's Disneyland Memorial Orgy poster J. Edgar Hoover's hefty FBI file on Walt Disney Little Black Sunflower's animated extinction Plus 10 more forbidden tales that Disney wishes would go away. Whether you're a film buff, an armchair academic, or a Disney fan eager to peek behind Disney's magical (and tightly controlled) curtain, you'll discover lots

you never knew about Disney. With a foreword by Disney Legend Floyd Norman, *Who's Afraid of the Song of the South?* is both authoritative and entertaining. Jim Korkis is the best-selling

author of *Vault of Walt*, and has been researching and writing about Disney for over three decades. The Disney Company itself uses his expertise for special projects. Korkis resides in Orlando, Florida.
