**The Negro Baseball Leagues** - Bob Motley 2020-11-10

Celebrating the 100th Anniversary of the Negro Leagues with updates and additions throughout! The Kansas City Monarchs, the Chicago American Giants, the St. Louis Stars, the Birmingham Black Barons, the Homestead Grays, and the Indianapolis Clowns; for over fifty years, they were the Yankees, Cardinals, and Red Sox of black baseball in America. And for over a decade beginning in the late 1940s, umpire Bob Motley called balls and strikes for many of their games, working alongside such legends as Satchel Paige, Hank Aaron, Ernie Banks, and Willie Mays. Today, Motley is the only living arbiter from the Negro Leagues. His personal account of the Negro Leagues is a revealing, humorous, and unforgettable memoir celebrating a long-lost league and a remarkable group of baseball players. In this brand new 100-year anniversary edition of Ruling Over Monarchs, Giants, and Stars, Motley and his son Byron share the characters, adventures, and challenges faced by these amazing men as they enthusiastically embraced

America's pastime and made it their own. Filled with stories of talented heroes, small miracles, and downright fun, this unique memoir is a must-read for any baseball fan.

A Forest of Stars - Kevin J. Anderson 2007-11-01

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

*Merchant Kings* - Stephen R. Bown  
2009-12-01

Commerce meets conquest in this swashbuckling story of the six merchant-adventurers who built the modern world, as told by "Canada's Simon Winchester" (Globe and Mail). Through the Age of Heroic Commerce, from the 17th to the 19th centuries, a rogue's gallery of larger-than-life merchant kings ruled vast tracts of the globe and expanded their far-flung monopolies to generate revenue for their shareholders, feather their own nests and satisfy their vanity and curiosity. Their exploits changed the world during an age of unfettered globalization, mirroring a world we know today. *Merchant Kings* looks at each ruling monopoly through its greatest merchant king and considers their stories together for the first time: Jan Pieterszoon Coen of the Dutch East India Company Pieter Stuyvesant of the Dutch West India Company Robert Clive of the English East India Company Alexandr Baranov of the Russian-American Company George Simpson of the Hudson's Bay Company Cecil John Rhodes of the British South Africa Company  
*Kings of the Wyld* - Nicholas Eames  
2017-02-21

A retired group of legendary mercenaries get the band back together for one last impossible mission in this award-winning debut epic fantasy. "Fantastic, funny, ferocious." -- Sam Sykes Clay Cooper and his band were once the best of the best, the most feared and

renowned crew of mercenaries this side of the Heartwyld. Their glory days long past, the mercs have grown apart and grown old, fat, drunk, or a combination of the three. Then an ex-bandmate turns up at Clay's door with a plea for help -- the kind of mission that only the very brave or the very stupid would sign up for. It's time to get the band back together.

*The Way of Kings* - Brandon Sanderson  
2010-08-31

From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded

his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called The Way of Kings. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, The Way of Kings is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. **Fall of Giants** - Ken Follett  
2011-06-29

The first in Ken Follett's bestselling Century Trilogy, *Fall of Giants* is a captivating novel that follows five families through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for votes for women. A world in chaos. 1911, a thirteen-year-old boy, Billy Williams, begins working down the mines as George V is crowned king. The escalating arms race between the empire nations will put not only the king but this young boy in grave danger. A terrible war. Billy's family is inextricably linked with the Fitzherberts, the aristocratic owners of the coal mine where he works. And when Maud Fitzherbert falls in love with Walter von Ulrich, a spy at the German embassy in London, their destiny also becomes entangled with that of Gus Dewar, an ambitious young aide to Woodrow Wilson, and two orphaned Russian brothers, the Peshkovs, whose plan to emigrate to America falls foul of conscription, revolution and imminent war. A revolution that will change everything. When Russia convulses in bloody revolution and the Great War unfolds, the five families' futures are entwined forever, love bringing them closer even as conflict takes them further apart. What seeds will be sown for further tragedy in the twentieth century and what role will each play in what is to come? Continue the captivating Century Trilogy with *Winter of the World* and *Edge of Eternity*.

*Oscar Charleston* - Jeremy Beer  
2021-04

The biography of Oscar Charleston, a Negro Leagues legend and one of baseball's greatest and most unjustifiably overlooked players. **The Saturday Review of Politics, Literature, Science, Art, and Finance** - 1875

**The Ancient Giants Who Ruled America** - Richard J. Dewhurst 2013-12-17

A study of the substantial evidence for a former race of giants in North America and its 150-year suppression by the Smithsonian Institution • Shows how thousands of giant skeletons have been found, particularly in the Mississippi Valley, as well as the ruins of the giants' cities • Explores 400 years of giant finds, including newspaper articles, first person accounts, state historical records, and illustrated field reports • Reveals the Stonehenge-era megalithic burial complex on Catalina Island with over 4,000 giant skeletons, including kings more than 9 feet tall • Includes more than 100 rare photographs and illustrations of the lost evidence Drawing on 400 years of newspaper articles and photos, first person accounts, state historical records, and illustrated field reports, Richard J. Dewhurst reveals not only that North America was once ruled by an advanced race of giants but also that the Smithsonian has been actively suppressing the physical evidence for nearly 150 years. He shows how thousands of giant skeletons have been unearthed at Mound Builder sites across the continent, only to disappear from the historical record. He examines other concealed giant discoveries, such as the giant mummies found in Spirit Cave, Nevada, wrapped in fine textiles and dating to 8000 BCE; the hundreds of red-haired bog mummies

found at sinkhole "cenotes" on the west coast of Florida and dating to 7500 BCE; and the ruins of the giants' cities with populations in excess of 100,000 in Arizona, Oklahoma, Alabama, and Louisiana. Dewhurst shows how this suppression began shortly after the Civil War and transformed into an outright cover-up in 1879 when Major John Wesley Powell was appointed Smithsonian director, launching a strict pro-evolution, pro-Manifest Destiny agenda. He also reveals the 1920s' discovery on Catalina Island of a megalithic burial complex with 6,000 years of continuous burials and over 4,000 skeletons, including a succession of kings and queens, some more than 9 feet tall--the evidence for which is hidden in the restricted-access evidence rooms at the Smithsonian.

My Life, as I See It - Dionne Warwick  
2011-11-22

For the first time, music legend and humanitarian activist Dionne Warwick reflects on 50 years in showbusiness and the lessons she has learned from being an artist, a mother and a global icon. From her rise to superstardom to raising millions of dollars for AIDS research, she gives readers a glimpse into her dazzling, inspiring life. 'If you think you can do it, you can do it' was the advice she got from her grandfather as a young girl - words she has never forgotten. Like her music and humanitarian work, her story is guaranteed to give hope and inspiration to people across the world.

*Star Trek II Short Stories* - William Rotsler 1982

**King David** - Jonathan Kirsch

2009-07-22

David, King of the Jews, possessed every flaw and failing a mortal is capable of, yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses. His sexual appetite and prowess were matched only by his violence, both on the battlefield and in the bedroom. A charismatic leader, exalted as "a man after God's own heart," he was also capable of deep cunning, deceit, and betrayal. Now, in *King David: The Real Life of the Man Who Ruled Israel*, bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility. In a taut, dramatic narrative, Kirsch brings new depth and psychological complexity to the familiar events of David's life--his slaying of the giant Goliath and his swift challenge to the weak rule of Saul, the first Jewish king; his tragic relationship with Saul's son Jonathan, David's cherished friend (and possibly lover); his celebrated reign in Jerusalem, where his dynasty would hold sway for generations. Yet for all his greatness, David was also a man in thrall to his passions--a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband; a merciless warrior who triumphed through cruelty; a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection. Weaving together biblical texts with centuries of interpretation and commentary, Jonathan Kirsch brings King David to life in these pages with extraordinary freshness, intimacy, and vividness of detail. At the center of this inspiring narrative stands a hero of flesh and blood--not the cartoon giant-slayer of sermons and Sunday school stories or the

immaculate ruler of legend and art but a magnetic, disturbingly familiar man--a man as vibrant and compelling today as he has been for millennia.

**God Almighty Hissself** - Mitchell Nathanson 2016-04

Dick Allen is considered by some to be the best baseball player not in the Hall of Fame and by others to be the game's most destructive and divisive force--ever. *God Almighty Hissself: The Life and Legacy of Dick Allen* unveils the strange and maddening career of a man who fulfilled and frustrated expectations all at once.

**Frank Grant** - Richard Bogovich 2022-10-19

Widely considered the best black player of the 19th century, Hall-of-Famer Frank Grant challenged baseball's color barrier in the 1880s to play for all-white professional teams--two of which fought a legal battle for his services. This first full-length biography documents Grant's career highlights, including

successful games against Major League teams and at-bats against Hall-of-Fame pitchers. Stories overlooked for more than a century are examined, including a falsified anecdote that obscured one of Grant's best games from history. New light is shed on the early years of the Cuban Giants, the first black pro ball club.
