**Basic Blues Harmonica Method Level 1** - DAVID BARRETT 2015-08-20

Basic Blues Harmonica Method is geared toward getting you playing blues harmonica as fast as possible. The songs and exercises have been designed to get you comfortable with moving around the instrument and allow you to take full advantage of the great sounding patterns available on your harmonica, without first having to learn advanced techniques such as bending. The basic techniques covered are single hole embouchure, tongue block embouchure and octaves. You'll be able to achieve that bluesy feel, without bending notes, by learning how to play in 3rd position. You'll also learn single note patterns and rhythms that will

help you develop your motor skills and tone. This book is packed with song examples that sound great, even at this beginning stage. The online audio download that accompanies the book contains eight jam tracks for you to play along with. These jam tracks use harmonica-friendly keys and a wide variety of tempos and grooves to fit whatever mood you're in. The instruction portion of this book/audio set teaches phrasing within the 12 bar structure. Includes access to online audio

**Complete Classic Chicago Blues Harp** - DAVID BARRETT 2011-08-18

This book is meant to take an instrument and musical style and teach it to the people who made it so popular, the blues listening public. A comprehensive lesson and study book for the intermediate and advanced diatonic harmonica player, Classic Chicago Blues Harp presents techniques, progressive examples and accompanying twelve bar blues exercise and examples. Special attention is given to the accurate reading of blues rhythms and each notated tune is carefully marked with tablature indicating precisely where to find individual notes. Each chapter concludes with a chapter review of what was taught in that section.

This book is best suited to the intermediate player rather than the beginner, and will appeal strongly to those with a genuine desire to learn the Chicago blues harmonica style. The book is excellent for self-teaching, yet is comprehensive enough to be used in a private instruction format.

The downloadable audio available online insures accuracy of

interpretation and ease in learning. Most of the exercises and examples are included in the audio with split-tracked back-up music. Each song is played once with harmonica and then without. A great all-around study book for blues harmonica players at any level

#### **Minor Blues Harmonica** - David Barrett 2019-03-21

Minor Blues Harmonica includes introductory material for new players on holding the harmonica, achieving a single note, and common techniques that sound great on the instrument. Not-so-new players will enjoy learning new songs at their current skill levels. Intermediate players will benefit from learning to play in 3rd Position to broaden their options while performing. Players at a more advanced level will learn to play in minor keys—a challenge for harmonica players, but less difficult in 3rd Position. In this book we'll explore the killer sounds that 3rd Position has to offer, focusing on the following areas: 1) New players will learn to play single notes and moving around the harmonica with good tone. 2) Learning to improvise in 3rd Position in an intuitive way, even for beginners. 3) Learning "study" songs to play by yourself and at blues jams. These songs also provide valuable licks to help develop your own improvisational vocabulary. 4) An overview of music theory to help you understand what's technically going on. (This is at the end of the book, so it's not required in order to play the examples.) 5) A chapter for the more advanced players to learn how to play the lower octave of the harmonica in 3rd Position (requires good bending skills). You'll need a C Major Diatonic Harmonica for this book and recording. Recordings of all the examples are played by author David Barrett. Includes access to online audio.
