The Far Side of Eden - James
Conaway 2015-10-22

In the tradition of his New York
Times bestseller, Napa, James
Conaway picks up the story he
began a decade ago. The Far
Side of Eden offers "a
fascinating look at the political
side of the wine revolution that
put California's Napa Valley on
the world map" (Miami
Herald). Now, Conaway
reveals, Napa is awash in
dollars generated by the boom
economy and the social
ambitions it inspired. The
valley is beset by new arrivals
determined to have vineyards
of their own and by cult-wine
producers in thrall to
fabulously expensive "rocket
juice" (cabernet sauvignon)
that few locals can afford -
while established families wish

to hold on to the old ways, and camp followers get caught up in the glamour of it all. Conaway, long known for his controversial, compulsively readable social reporting, here "indicts the wave of new-money millionaires from Silicon Valley, who have brought with them gaudy displays of wealth - - building so-called 'McMansions' and planting 'vanity vineyards'" (Los Angeles Times). "A cautionary tale . . . [with] a seductive pull" (San Francisco Chronicle), The Far Side of Eden takes us to the frontlines of America's ongoing conflicts over money, land, and power to tell a story that has ramifications for us all.

Tensions of opposites in America's oldest Chinatown
Following up his award-winning book on San Francisco's Mission District, Dick Evans turns his attention to the fifth of a square mile that attracts more tourists than the Golden Gate Bridge but where the median household income is a quarter of the citywide average--Chinatown. From delicious dim sum to wok-filled shops, from iconic red lanterns to elaborate parade floats, from inside single-room occupancy apartments to outdoor games of Chinese chess in Portsmouth Square, Evans captures a place filled with diverse residents and a unique mélange of American and Chinese architecture, cuisine, and culture. Vibrant images are interspersed with sidebars highlighting particular people

and institutions, deepening viewers' immersion into this community. Kathy Chin Leong's lucid text introduces readers to the history of the neighborhood, as well as to themes of tourism, daily life, and celebrations. At the heart of the book is a tight-knit community and a thriving neighborhood, which welcomes immigrants with supportive institutions and entices tourists to experience a wide array of Chinese traditions. Evans's photos highlight a place undergoing visible progress but, unlike other San Francisco neighborhoods that are gentrifying, maintaining its unique character and authenticity.

The Cadillac That Followed Me Home - Christopher W. Cummings 2006-09-21

The Cadillac V-16 was conceived in secrecy in the middle of the Roaring Twenties, when incomes were rising, prosperity seemed endless and the car business was beginning to break from a traditional emphasis on

function over form. But by the time the Cadillac V-16 reached showrooms in 1930, the nation was falling headlong into the Great Depression, and it soon became a rare relic of the boom before the crash. That is why in the mid-1960s, when Christopher Cummings was an adolescent car enthusiast, the oldest Cadillac V-16s were a dream just out of reach. This memoir tells the story of a boy who grew up loving cars, learned everything he could about them, and acquired quite a few impressive models for himself, while always looking forward to the day he would, by surprising circumstance, find the automobile of his dreams. Early chapters reveal the adventure Cummings underwent renovating his first car at age 13. Over the course of his teenage years he would work to acquire three classic Cadillacs: a 1941 Cadillac Series 7523 seven-passenger touring sedan, a 1941 Cadillac Series 61 coupe, and a 1931 Cadillac Series 355A Fleetwood Cabriolet. Later chapters recount the painstaking effort

he put into renovating and maintaining those coveted vehicles. The story culminates with Cummings' unexpected acquisition of the car that earned the motto "Standard of the World," the 1930 V-16 Imperial Sedan limousine. In all, this memoir bears witness to an elegant sample of the best that the Classic era of automotive history had to offer.

Snowflakes in the Sahara -
Alan Winter 2000

Set in the backdrop of the ever-
worsening global warming,
Snowflakes in the Sahara is the
story of a Svengali-like mind-
manipulator (Lute Aurum) who
teams up with an American
Business icon (Jeremy Steel) to
take over the White House.
When their puppet is installed
as president, Aurum and Steel
are poised to pull off the
greatest heist in history:
Canada. And they almost pull it
off, if it weren't for Carly
Mason, the Big Apple's tooth
sleuth...A Kay Scarpetta-like
forensic dentist. One terrible
day, two disasters strike
America at the same time: the
president's helicopter carrying
him to Camp David crashes,

and a bomb explodes in Rockefeller Center leaving three bodies unidentified. Carly is by turns tough and inquisitive, clever and cunning. She will need all her skills to discover the victims' names. As she gets closer to the truth, a killer is dispatched to silence her. What follows is a gripping

tale of heroism against all odds. What's frightening is that Snowflakes in the Sahara is a tale that is only a presidential election away.
