Why War Is Never a Good Idea - Alice Walker 2007-09-18

Though War is Old It has not Become wise. Poet and activist Alice Walker personifies the power and wanton devastation of war in this evocative poem. Stefano Vitale's compelling paintings illustrate this unflinching look at war's destructive nature and unforeseen consequences.

Hills Like White Elephants - Ernest Hemingway 2023-01-01

A couple's future hangs in the balance as they wait for a train in a Spanish café in this short story by a Nobel and Pulitzer Prize-winning author. At a small café in rural Spain, a man and woman have a conversation while they wait for their train to Madrid. The subtle, casual nature of their talk masks a more complicated situation that could endanger the future of their relationship. First published in the 1927 collection *Men Without Women*, "Hills Like White Elephants" exemplifies Ernest Hemingway's style of spare, tight prose that continues to win readers over to this day.

Looking Closer 5 - Michael Bierut 2010-06-29

The final installment in this acclaimed series offers astute and controversial discussions on contemporary graphic design from 2001 to 2005. This collection of essays takes stock of the quality and profundity of graphic design writing published in professional and general interest design magazines, as well as on blogs and Internet journals. Prominent contributors include Milton Glaser, Maud Lavin, Ellen Lupton, Victor Margolin, Mr. Keedy, David Jury, Alice Twemlow, Steven Heller, Jessica Helfand, William Drenttel, Michael Bierut, Michael Dooley, Nick Curry, Emily King, and more. Among the important themes discussed: design as popular culture, design as art, politics, aesthetics, social responsibility, typography, the future of design, and more. Students, graphic designers beginning their careers, and veterans seeking fresh perspective will savor this anthology gathered from some of today's top graphic design writers and practitioners, as well as commentators from outside the profession. From the series that helped launch the design criticism movement

and was the first to anthologize graphic design criticism from key sources, this volume promises to be the most provocative of all! Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

Strengthening Forensic Science in the United States - National Research Council 2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed

to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Lottery - Shirley Jackson 2008

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The Art of Detection - Laurie R. King 2006-05-30

In this thrilling new crime novel that ingeniously bridges Laurie R. King's Edgar and Creasey Awards-winning Kate Martinelli series and her bestselling series starring Mary Russell, San Francisco homicide detective Kate Martinelli crosses paths with Sherlock Holmes—in a spellbinding dual mystery that could come only from the “intelligent, witty, and complex” mind of New York Times bestselling author Laurie R. King... Kate Martinelli has seen her share of peculiar things as a San Francisco cop, but never anything quite like this: an ornate Victorian sitting room straight out of a Sherlock Holmes story—complete with violin, tobacco-filled Persian slipper, and gunshots in the wallpaper that spell out the initials of the late queen. Philip Gilbert was a true Holmes fanatic, from his antiquated décor to his vintage wardrobe. And no mere fan of fiction's great detective, but a leading expert with a collection of priceless memorabilia—a collection some would kill for. And perhaps someone did: In his collection is a century-old manuscript purportedly written by Holmes himself—a manuscript that eerily echoes details of Gilbert's own murder. Now, with the help of her partner, Al Hawkin, Kate must follow the convoluted trail of a killer—one who may have trained at the feet of the greatest mind of all times.

Everyday Use - Hephzibah Roskelly 2008

Brief and accessible, this rhetoric teaches students to read closely, critically, and rhetorically, and to write effectively to achieve their rhetorical goals. *Everyday Use* answers the basic question, "What is rhetoric?" It shows rhetoric as set of activities-reading, writing, speaking, listening-that all intellectually engaged people participate in every day. And it shows that a knowledge of rhetoric is essential in understanding how written and spoken texts influence thought and action every day, in private and in public forums, for good or ill. By demystifying rhetoric and rescuing it from common public misconceptions, *Everyday Use* equips students to be effective communicators in the academic world and in everyday life.

Designing Writing Assignments - Traci Gardner 2008

Traci Gardner offers practical tips, starting points, and a companion website to help secondary and college teachers design effective writing assignments. Effective student writing begins with well-designed classroom assignments. In *Designing Writing Assignments*, veteran educator Traci Gardner offers practical ways for teachers to develop assignments that will allow students to express their creativity and grow as writers and thinkers while still addressing the many demands of resource-stretched classrooms. She explores how to balance pedagogical and curricular goals with the needs of multiple learners while managing everyday challenges such as mandates, testing, and the paper load. Gardner uses her classroom experience to provide ideas on how to effectively define a writing task, explore the expectations for a composition activity, and assemble the supporting materials that students need to do their best work. This book includes dozens of starting points that teachers can customize and further develop for the students in their own classrooms.

The Challenge of Counseling in Middle Schools - Edwin R. Gerler 1990

This book of readings presents 33 articles that address topics of importance to counselors who serve middle school students. It was written for counselors already working in middle schools and for individuals who are preparing for careers as middle school counselors. The book will also benefit both elementary school counselors who help children make the transition from elementary to middle school and high school counselors who work with adolescents making the transition from middle school into high school. It deals with how counselors in middle schools can help early adolescents face the challenges of adolescence, noting that middle school counseling programs should focus on preparing students for the increased independence of high school life that is typically accompanied by more social pressures and increased stress. The chapters in this book offer many ideas for helping young people improve their sense of self, their decision-making capabilities, their interpersonal relationships, their academic skills, and their abilities to deal with stress. Chapters contain articles that have been invited for the book in addition to articles that have been published in various counseling journals. Each chapter contains an introduction by the editors and a collection of articles on a particular topic. Individual chapters focus on: (1) self-discovery; (2) family relationships; (3) peer pressure and drug abuse; (4) stress and suicide; (5) sexual maturation; (6) academic achievement; (7) career exploration; and (8) organizing a middle school counseling program. (NB)

The Skirt - Gary Soto 2012-11-28

For fans of Gary Soto and Matt de la Peña comes a tale of a contemporary Mexican-American family with a "spunky and imaginative heroine" (Publishers Weekly). Miata Ramirez is scared and upset. The skirt she brought to show off at school is gone. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are supposed to go to dance forklorico, or traditional Mexican folk dances; and that kind of dancing requires a skirt like the one Miata lost. It's Friday afternoon. Miata doesn't want her parents to know she's lost something again. Can she find a way to rescue the precious skirt in time? With its focus on family ties, friendship, and ethnic pride and includes an afterword from its acclaimed author, *The Skirt* is a story that children everywhere will relate to and be inspired by, no matter their background. "A light, engaging narrative that successfully combines information on Hispanic culture with familiar and recognizable childhood themes.... A fine read-aloud and discussion starter, this story blends cultural differences with human similarities to create both interest and understanding."—SLJ "Light, easy reading . . . offering readers a cast

and situations with which to identify, whatever their own ethnic origins."—The Bulletin "Soto's light tale offers a pleasant blend of family ties, friendship and ethnic pride...[and Miata is] a spunky and imaginative heroine."—Publishers Weekly

Free Culture - Lawrence Lessig 2015-11-13

How big media uses technology and the law to lock down culture and control creativity. "Free Culture is an entertaining and important look at the past and future of the cold war between the media industry and new technologies." - Marc Andreessen, cofounder of Netscape. "Free Culture goes beyond illuminating the catastrophe to our culture of increasing regulation to show examples of how we can make a different future. These new-style heroes and examples are rooted in the traditions of the founding fathers in ways that seem obvious after reading this book. Recommended reading to those trying to unravel the shrill hype around 'intellectual property.'" - Brewster Kahle, founder of the Internet Archive. The web site for the book is <http://free-culture.cc/>.

Seedfolks - Paul Fleischman 2013-07-30

ALA Best Book for Young Adults · School Library Journal Best Book · Publishers Weekly Best Book · IRA/CBC Children's Choice · NCTE Notable Children's Book in the Language Arts A Vietnamese girl plants six lima beans in a Cleveland vacant lot. Looking down on the immigrant-filled neighborhood, a Romanian woman watches suspiciously. A school janitor gets involved, then a Guatemalan family. Then muscle-bound Curtis, trying to win back Lateesha. Pregnant Maricela. Amir from India. A sense of community sprouts and spreads. Newbery-winning author Paul Fleischman uses thirteen speakers to bring to life a community garden's founding and first year. In Love & Trouble - Alice Walker 2011-11-22

Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, “one of the best American writers of today” (The Washington Post). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers

who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *InLove & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.
