Poppies of Iraq - Brigitte Findakly 2021-04-22

A personal account of an Iraqi childhood Poppies of Iraq is Brigitte Findakly's nuanced tender chronicle of her relationship with her homeland Iraq, co-written and drawn by her husband, the acclaimed cartoonist Lewis Trondheim. In spare and elegant detail, they share memories of her middle class childhood touching on cultural practices, the education system, Saddam Hussein's state control, and her family's history as Orthodox Christians in the arab world. Poppies of Iraq is intimate and wide-ranging; the story of how one can become separated from one's homeland and still feel intimately connected yet ultimately estranged. Signs of an oppressive regime permeate a seemingly normal life: magazines arrive edited by customs; the color red is banned after the execution of General Kassim; Baathist militiamen are publicly hanged and school kids are bussed past them to bear witness. As conditions in Mosul worsen over her childhood, Brigitte's father is always

hopeful that life in Iraq will return to being secular and prosperous. The family eventually feels compelled to move to Paris, however, where Brigitte finds herself not quite belonging to either culture. Trondheim brings to life Findakly's memories to create a poignant family portrait that covers loss, tragedy, love, and the loneliness of exile. Poppies of Iraq has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to Drawn & Quarterly since the early days, her translations include acclaimed titles such as the Aya series by Marguerite Abouet and Clément Oubrerie, Hostage by Guy Delisle, and Beautiful Darkness by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

In the Bar of a Tokyo Hotel - Tennessee

Williams 1969

THE STORY: As described by New York critic Clive Barnes: Superficially the play is about the painter--famous, rich and lost--and his wife, who find themselves in a Tokyo hotel. The wife, wildly promiscuous, tries to seduce the Japanese barman in the

The Gravedigger's Son and the Waif Girl - Sam Feuerbach 2020-06-06

This is one secret he's keeping to himself. And anyway - who would believe him? Finally available in English: Sam Feuerbach's best-selling saga, winner of the well-respected Fantasy Prize 2018 and Kindle Storyteller Finalist garnered 15.000 enthusiastic reviews (Amazon/Audible). Farin, the gravedigger's son, lives in the medieval village of Heap. The eighteen-year-old is an outsider, bullied and ostracised by the villagers. His father has succumbed to a life of drinking, and so the young man has no option but to take over the job of gravedigger. Farin's life takes a dramatic

twist when the village witch dies and he prepares her for burial. He finds an amulet hanging around the deceased preparer of poisons neck. And he can't resist trying the trinket on...

The Last Word in Astronomy - Misha Feigin 2004

Born and raised in Moscow, Misha Feigin left behind an established position in the local arts scene highlighted by his four albums on the ?Melodia? label, features on major radio and television shows, and national and international tours when he immigrated to the US in 1990. Since his move to the West, Misha has performed in concerts in 47 US States and around the world in countries such as Canada, England, Scotland, Israel, Germany, Sweden, Switzerland, Norway, Denmark, and others. It was not until last year, however, that his reputation as a multifaceted entertainer has been ?officially? confirmed by the release of *Searching for Irina*, a powerful story of the era

when the political trials showed signs of Stalin's horrors, while sex, drugs, and rock'n'roll penetrating the Iron Curtain clashed with the seemingly impervious system. Now, following the success of Misha's first sold-out printing of prose, Fleur Publishing proudly presents *The Last Word in Astronomy*, Mr. Feigin's collection of poems with material spanning the last decade of creativity of this impressive author, winner of the Thomas Merton Prize for Poetry in 2000.

33 Moments of Happiness - Ingo Schulze
2007-12-18

An intriguing, fabulously bizarre debut collection of short stories by prize-winning German writer Ingo Schulze, author of *Simple Stories*. These thirty-three macabre, often comical short pieces revolve around moments of odd bliss-moments seized by characters who have found ways to conquer the bleakness of everyday life in the chaotic world of post-communist Russia. Peopled by Mafia gunmen, desperate young prostitutes, bewildered foreign businessmen, and even a trio

of hungry devils, the stories are by turns tragic and bleakly funny. From a sly retelling of the legend of St. Nicholas featuring a rich American named Nick, to a lavish gourmet feast in which the young female cook ends up as the main dish, these stories are above all playful and even surreal—and many of them are masterful tributes to Russian writers from Gogol to Nabokov.

Phantom Empires - Robert Dassanowsky 1996
A former Austro-Hungarian officer and a nobleman, Alexander Lernet-Holenia (1897-1976) was a writer obsessed with the related concepts of postimperial Austrian national identity, Central European regionalism, and monarchism. Throughout most of his wide-ranging oeuvre, which includes novels, novellas, historical and biographical studies, short stories, essays, poetry, plays, and film scripts, he conveyed the image of an Austria inescapably haunted by the sociocultural elements of the lost Austro-Hungarian Empire. Reevaluation of

Lernet-Holenia's work is overdue, because his fiction, previously understood only as imperial nostalgia, offers a significant representation of twentieth-century Austrian history from a conservative viewpoint. Using a sociopolitical approach, the present study analyzes the author's critical evaluations of post-imperial Austrian problems of national identity. Ten of Lernet-Holenia's works published between 1931 and 1969 - nine novels and one novella which deal specifically with Austrian society - are examined.

The Summer of Your Life - Lucy Morton

2017-08-12

You really need to experience this story. It's a sweet, friendly, nice, entertaining and special one. A romantic novel based on real event that will captivate you forever. The Book of Whispers - Varujan Vosganian
2017-10-24

A harrowing account of the Armenian Genocide documented through the stories of those who managed to survive and descendants who refuse to forget The grandchild of Armenians who escaped widespread massacres during the Ottoman Empire a century ago, Varujan Vosganian grew up in Romania hearing firsthand accounts of those who had witnessed horrific

killings, burned villages, and massive deportations. In this moving chronicle of the Armenian people's almost unimaginable tragedy, the author transforms true events into a work of fiction firmly grounded in survivor testimonies and historical documentation. Across Syrian desert refugee camps, Russian tundra, and Romanian villages, the book chronicles individual lives destroyed by ideological and authoritarian oppression. But this novel tells an even wider human story. Evocative of all the great sufferings that afflicted the twentieth century—world wars, concentration camps, common graves, statelessness, and others—this book belongs to all peoples whose voices have been lost. Hailed for its documentary value and sensitive authenticity, Vosganian's work has become an international phenomenon.

Lulu Anew - Étienne Davodeau 2015-04-01

At the end of yet another unproductive job interview, Lulu, on a whim, takes off for the shore just to get away from it all. She's got a

husband and kids left bewildered but it's nothing against them. This is just her time, getting away from the grind and with no other plan than savoring it. Surprised at her own temerity, she meets other people on the edge of the world. It wasn't meant to be for long. It wasn't meant to be anything but in the end thrilling, fun, and possibly dangerous, this improvised experience will make of Lulu a different woman.

Pigeons on the Grass - Wolfgang Koeppen
2020-10-06

Wolfgang Koeppen's postwar masterpiece in a luminous new translation by the poet Michael Hofmann *Pigeons on the Grass* is told over a single day in Munich in 1948. The first new cinemas and insurance offices are opening atop the ruins, Korea and Persia are keeping the world in panic, planes rumble in the sky (but no one looks up), newspaper headlines announce war over oil and atomic bomb tests. Odysseus Cotton, a black man, alights at the station and hires a porter; Frau Behrend disowns her

daughter; with their interracial love affair, Carla Behrend and Washington Price scandalize their neighbors—who still expect gifts of chocolate and coffee; a boy hustles to sell a stray dog; Mr. Edwin, a visiting poet, prepares for a reading; Philipp gives himself up to despair; Emilia sells the last of her jewelry; Alexander stars as the Archduke in a new German Super-production; and Susanne seeks out a night to remember. In Michael Hofmann's words, "in their sum, they are the totality of existence." Koeppen spares no one and sees all in this penetrating and intense novel that surveys those who remain, and those who have just arrived, in a damaged society. As inventive as Joyce and as compulsively readable as Dickens, *Pigeons on the Grass* is a great lost classic.

The Arbogast Case - Thomas Hettche
2003-11-01

A compelling international thriller that explores the terrain between erotic love and death On a warm September evening in 1953 Hans

Arbogast, a young travelling salesman, picks up a hitchhiker, a refugee from East Germany. As dusk falls they make passionate love in a meadow. And then she is dead, her body found nestled against blackberry brambles. Even though the evidence is inconclusive, Arbogast is tried for murder, convicted, and sentenced to life imprisonment, all the while protesting his innocence. But Germany during the postwar years has no tolerance for scandal; all appeals are denied. For the next fourteen years he grows to inhabit his cell like a second skin, until finally a journalist, lawyer, and forensic pathologist from East Berlin set out to reexamine the evidence and have the case reopened. Inspired by an actual criminal case that caused a furor at the time, *The Arbogast Case* elegantly weaves dramatic courtroom scenes with detailed forensic descriptions and authentic details of the grim postwar era. The result is a compelling legal thriller in which erotic love and death are intimately intertwined, by a young German

writer whose lyrical style and utter originality have brought him renown throughout Europe and is now being published in English for the first time.

Storm Still - Peter Handke 2014

Peter Handke, a giant of Austrian literature, has produced decades of fiction, poetry, and drama informed by some of the most tumultuous events in modern history. But even as these events shaped his work, the presence of his mother--a woman whose life spanned the Weimar Republic, both world wars, and the postwar consumer economy--loomed even larger. In *Storm Still*, Handke's most recent work, he returns to the land of his birth, the Austrian province of Carinthia. There on the Jaunfeld, the plain at the center of Austria's Slovenian settlement, the dead and the living of a family meet and talk. Composed as a series of monologues, *Storm Still* chronicles both the battle of the Slovene minority against Nazism and their love of the land. Presenting a panorama that extends back

to the author's bitter roots in the region, Storm Still blends penetrating prose and poetic drama to explore Handke's personal history, taking up themes from his earlier books and revisiting some of their characters. In this book, the times of conflict and peace, war and prewar, and even the seasons themselves shift and overlap. And the fate of an orchard comes to stand for the fate of a people. "Numerous pleasures await the reader who delves into the fabric of Peter Handke's prose. . . A subtle writer of unostentatious delicacy, Handke excels at fiction that, as it grows, coils around itself like wisteria. . . This is where the French New Novel might have gone if pushed."--Paul West, Washington Post Book World

Briefwechsel - Richard Strauss 1964

Mr. Mee - Andrew Crumey 2002-03-06

Mr. Mee, a reclusive British book collector, tries to track down a copy of a long-vanished Rosier's Encyclopedia, while Dr. Petrie, a professor of French literature, falls in love with one of his

students, and 18th century copyists Ferrand and Minard are charged with reproducing Rosier's original manuscript.

Delta-v - Daniel Suarez 2019-04-23

The bestselling author of *Daemon* returns with a near-future technological thriller, in which a charismatic billionaire recruits a team of adventurers to launch the first deep space mining operation--a mission that could alter the trajectory of human civilization. When itinerant cave diver James Tighe receives an invitation to billionaire Nathan Joyce's private island, he thinks it must be a mistake. But Tighe's unique skill set makes him a prime candidate for Joyce's high-risk venture to mine a near-earth asteroid--with the goal of kick-starting an entire off-world economy. The potential rewards and personal risks are staggering, but the competition is fierce and the stakes couldn't be higher. Isolated and pushed beyond their breaking points, Tighe and his fellow twenty-first century adventurers--ex-soldiers, former astronauts, BASE jumpers,

and mountain climbers--must rely on each other to survive not only the dangers of a multi-year expedition but the harsh realities of business in space. They're determined to transform humanity from an Earth-bound species to a space-faring one--or die trying.

Along the Trenches - Navid Kermani 2019-11-11

Between Germany and Russia is a region strewn with monuments to the horrors of war, genocide and disaster - the bloodlands where the murderous regimes of Hitler and Stalin unleashed the violence that scarred the twentieth century and shaped so much of the world we know today. In September 2016 the German-Iranian writer Navid Kermani set out to discover this land and to travel along the trenches that are now re-emerging in Europe, from his home in Cologne through eastern Germany to the Baltics, and from there south to the Caucasus and to Isfahan in Iran, the home of his parents. This beautifully written travel diary,

enlivened by conversations with the people Kermani meets along the way, brings to life the tragic history of these troubled lands and shows how this history leaves its traces in the present. It will be of great interest to anyone concerned with current affairs and with the events that have shaped, and continue to shape, the world in which we live today.

I Was Jack Mortimer - Alexander Lernet-Holenia
2013-08-29

A taxi-driver in 1930s Vienna impersonates a murder victim-with unsettling consequences "One doesn't step into anyone's life, not even a dead man's, without having to live it to the end." A man climbs into Ferdinand Sponer's cab, gives the name of a hotel, and before he reaches it has been murdered: shot through the throat. And though Sponer has so far committed no crime, he is drawn into the late Jack Mortimer's life, and might not be able to escape its tangles and intrigues before it is too late... Twice filmed, *I Was Jack Mortimer* is a tale

of misappropriated identity as darkly captivating and twisting as the books of Patricia Highsmith. Alexander Lernet-Holenia was born in Vienna in 1897. He served in the Austro-Hungarian army in the First World War and became a protégé of Rainer Maria Rilke. During his life he wrote poetry, novels, plays and was a successful screenwriter. His uneasy relationship with the National Socialist Party resulted in his removal from prominence in 1944, but after the end of the Second World War, he again became a vital figure in Austrian cultural life. He died in 1976.

Wife 22 - Melanie Gideon 2012-05-29

“A skillful blend of pop-culture references, acidic humor, and emotional moments. It will take its rightful place . . . alongside Helen Fielding’s *Bridget Jones’s Diary*, Anna Maxted’s *Getting*

Over It, and Allison Pearson’s *I Don’t Know How She Does It.*”—*Library Journal* (starred review)

Alice has been married to her husband, William, for twenty years. Though she can still remember the first time they met like it was yesterday, these days she finds herself posting things on Facebook that she used to confide to him. So when she’s invited to participate in an anonymous online survey on marriage and love, she finds that all her longings come pouring out as she dutifully answers questions under the name “Wife 22.” Evaluating her responses is “Researcher 101,” who seems to listen to her in a way that William hasn’t in a very long time, and before she knows it, she finds herself trying hard not to e-flirt with him. Meanwhile, her elderly father is chatting on Facebook, her fifteen-year-old daughter is tweeting, and everything in her life is turning upside down. *Wife 22* is a hilariously funny, profoundly moving, and deeply perceptive novel about the ways we live and love in this technological age,

from a dazzling new voice in fiction. "An LOL Instagram about love in a wired world."—People "Vibrant, au courant, and hilarious . . . brilliant!"—Adriana Trigiani BONUS: This edition includes a Wife 22 discussion guide.

Mars in Aries - Alexander Lernet-Holenia 2003
Although this story of a romance between an aristocratic Wehrmacht officer and a mysterious woman in Vienna set against the 1939 invasion of Poland was deemed unacceptable fare for Third Reich readership due to its ambiguity, lack of heroic military images, and the sympathetic portrayal of a suffering Poland, the novel's actual purpose and highly subversive quality were hardly suspected by the Ministry of Propaganda."--Jacket.

Irmina - Barbara Yelin 2023-01-05
In the mid-1930s, Irmina, an ambitious young German, moves to London. At a cocktail party, she meets Howard Green, one of the first black students at Oxford, who, like Irmina, is working towards an independent existence. However,

their relationship comes to an abrupt end when Irmina, constrained by the political situation in Hitler's Germany, is forced to return home. As war approaches and her contact with Howard is broken, it becomes clear to Irmina that prosperity will only be possible through the betrayal of her ideals. In the award-winning Irmina, Barbara Yelin presents a troubling drama about the tension between integrity and social advancement. Based on a true story, this moving and perceptive graphic novel perfectly conjures the oppressive atmosphere of wartime Germany, reflecting with compassion and intelligence on the complicity that results from the choice, conscious or otherwise, to look away.

A Logic Named Joe - Murray Leinster 2005

As the years pass on, both Nelson and Jonathan find their notions of loyalty and bravery tested to the limit, and each will be forced to ask himself what it really means to be a good man . . .

War as an Inner Experience - Ernst Jünger
2021-01-17

Originally published in 1922, after the defeat of the German Empire, *War as an Inner Experience* (Der Kampf als inneres Erlebnis) is Ernst Jünger's second book. In it, Jünger analyzes his experiences of the First World War in an abstract and reflective way. Written in touching, poetic prose, Jünger describes the material and spiritual consequences of the war, allowing us to understand the horror of trench warfare in its many facets. This is an English translation of *Der Kampf als inneres Erlebnis*, published by E. S. Mittler & Son, Berlin, Germany, 1922.

My New York Diary - Julie Doucet 1999

One Hundred Days - Lukas Bärfuss 2012-10-04

When Swiss aid worker David Hohl arrives in Rwanda in 1990, he wants to know what it feels like to make a difference. Instead, he finds himself among expats, living a life of postcolonial privilege and boredom, and he begins to suspect that the agency is more concerned with political expedience than improving lives. But are his own motives any more noble? When civil war breaks out and David goes into hiding, he is forced to examine his own relationship to the country he wants to help and to the cosmopolitan Rwandan woman he wants

to possess. As the genocide rages over the course of one hundred desperate days, the clear line David has always drawn between idealism and complicity quickly begins to blur.

What We are Made of - Thomas Hettche 2008

Your wife in return for the secrets you never knew - A powerful literary thriller in the vein of David Lynch It is early September 2002 and Niklas Kalf, a German writer, is in New York for the first time. He has just published a biography of a Jewish-German physicist named Eugen Meerkaz, who emigrated to the USA in the late 1930s. Niklas is accompanied by his wife Liz, who is several months pregnant. The hot NY summer and the first anniversary of the World Trade Center catastrophe weigh heavily on the city. On the morning of their third day in the place, Liz is kidnapped. In return for her release

her anonymous captor demands information on secret experiments that Meerkaz has supposedly conducted - information Niklas does not have. In desperation, he re-examines every fact about the scientist and every document in his possession and comes up with one faint lead - a letter addressed to Meerkaz's widow Elsa by a German soldier and postmarked in Marfa, TX. Niklas embarks on an unpredictable journey to this reclusive part of Texas, where he discovers secret links to an occultist group. Fearless, the young writer digs deeper and deeper, but nothing can prepare him for what he is going to find and the real identity of his enemies - who know no mercy . . . Runner-up for the German Book Prize 2006, What We Are Made Of is a palpable literary thriller that will hit you with the intensity and relentlessness of David Lynch and Quentin Tarantino.
