Be Loved for Who You Really Are - Judith Sherven 2014-10-14

Based on their 14 years together as relationship trainers working with over 100,000 singles and couples, Judith Sherven and James Sniechowski have developed a truly new and original way to approach relationships. *Be Loved for Who You Really Are* describes how differences between partners can be a source of understanding and intimacy, enhancing rather than destroying a relationship. Readers learn to recognize the process of understanding differences, and what is necessary to keep lovemaking and romance alive for a lifetime. *Be Loved for Who You Really Are* outlines a natural and predictable path that love requires, called the arc of love. Within this arc are four inevitable passages that enable the reader to better understand the challenges and pitfalls they will encounter, and to not confuse conflicts and tough times with disaster or failure. The idea of a "passage" is used because as love evolves between two people it requires that they face into and grow through a number of challenges. Those challenges are necessary for them to mature in the wisdom of their love and intimacy and in the day-to-day relationship they are co-creating. The four passages are: *A Glimpse of What Is Possible, the wonderful time of falling in love when you actually see the perfection of your partner. *The Clash of Differences, when your love is tested through the inevitable conflicts that emerge from your differences. *The Magic of Differences, when those very same differences allow you to be respected and loved for the person you truly are. *And The Grace of Deep Intimacy, when the passionate wonder of the beginning is now yours, through and through, and your love touches everyone you encounter. Unlike most relationship books, which are written primarily for women, *Be Loved for Who You Really Are* speaks to women and men equally. Judith & Jim underscore the fact that men are just as hungry for this kind of life-changing information. Throughout *Be Loved for Who You Really Are*, Judith and Jim provide inspiring examples that show how love lives between people, and that differences can actually be the key to the deepest connection being together has to offer.

Hey, I Love You - Kelly Sopp 2021-11-02

From the author and illustrator behind the perennial bestseller *SAFE BABY HANDLING TIPS* comes this cleverly-designed book that helps couples express their affection and vulnerability in a fun way. Despite all the modern ways we have to communicate, why is it still so tough to talk to each other sometimes? *Hey, I Love*

You shares ten principles to creating a loving, lasting relationship. But more importantly, it's a device for implementing those principles, each and every day. The book is a conversation. Simply place the bookmark on the page that expresses what you want to say, or speaks the words you wish you had the courage to. Then leave the book in an obvious place for your partner to discover. With dozens of thoughtfully written expressions, you can say just about anything your heart desires: whether that's a compliment, something to cheer them up, apologize, or flag an issue you've been avoiding. In our hectic and distracted world, sometimes we need a simple, dare we say analog way to help us communicate. Hey, I Love You can be that delightfully unexpected conduit that can get you really talking again and on the way to a more loving, happy marriage.

Love Busters - Willard F. Jr. Harley 2016-10-04

A Classic Resource from Dr. Harley--Now Revised and Repackaged to Highlight Six Changes in Habits That Will Save Your Marriage According to relationship expert and bestselling author Dr. Willard F. Harley, Jr., after couples get married, they often develop habits that slowly undermine the love they have for each other. If tolerated, these Love Busters--selfish demands, disrespectful judgments, angry outbursts, dishonesty, annoying habits, and independent behavior--will destroy a couple's love for each other. The solution, however, isn't merely to avoid these negative behaviors and attitudes. Rather, it's to cultivate Love Builders--positive habits that will strengthen the relationship. With Dr. Harley's expert guidance, couples will be able to avoid the major causes of marital unhappiness and disappointment. Instead of tearing their marriage apart, they will learn to build it into the marriage they had needed and wanted. This book is a perfect companion to His Needs, Her Needs and will be useful to pastors, counselors, and couples.

He Wins, She Wins Workbook - Willard F. Jr. Harley 2015-01-27

When you get married, you expect your relationship to be a partnership in which you make decisions and face the world together, united. But often a husband's perspective and a wife's perspective on the same issue can be very different and unity in decision making can be tough. Should spouses take turns getting their way? Should they compromise? Can they avoid making decisions altogether? Dr. Harley says there's a better way--a way in which both partners get what they want and believe is best every time. In He Wins, She Wins, Dr. Harley introduces the revolutionary concept of joint agreement in marriage that keeps both husband and wife on equal footing and equally satisfied. This win-win model for negotiation starts with a simple rule: Never do anything without enthusiastic agreement between you and your spouse. Dr. Harley walks couples through the five most common sources of conflict in marriage, (friends and family, career and time management, finances, children, and sex), applying the joint agreement rule in every situation. And he teaches readers how to resolve conflicts the right way, so that not only are those conflicts resolved once and for all but the couple's love for one another actually grows and is sustained for the rest of their lives. Anyone who has been married long enough to have a disagreement will benefit from this unique new book from everyone's favorite marriage doctor.

Buyers, Renters & Freeloaders - Willard F. Harley Jr. 2002-09-01

Willard F. Harley, Jr. is the highly successful author of many books on marriage, including the best-selling His Needs, Her Needs. In his latest book, Buyers, Renters, and Freeloaders, he turns his attention for the first time to singles who are tired of revolving-door romances and are looking for a lasting, meaningful relationship. The key to starting a successful, lifelong relationship, according to Dr. Harley, lies in discovering whether you (and your partner) are Freeloaders, Renters, or Buyers. Much like freeloading roommates who won't pay their fair share, relationship freeloaders are unwilling to put much effort into caring for someone. Renters are people who view a relationship as tentative and are only willing to provide care as long as terms are fair or until they find something better. The ideal partner, a Buyer, is someone who regards a relationship as he or she does a home--permanent and exclusive. Buyers, Renters, and Freeloaders shows readers how to measure their Romantic Relationship Attitude and offers practical advice for transforming Freeloaders and Renters into fully committed Buyers. It also includes a Personal History Questionnaire to help readers better understand themselves and their partner and Four Guidelines for Successful Negotiation to assist couples in maintaining Buyer behavior. Together these tools will help singles create a satisfying, exclusive, and permanent romantic union destined to last a lifetime.

The Marriage Builder - Larry Crabb 2009-08-08

Psychologist Larry Crabb cuts to the heart of the biblical view of marriage: the 'one-flesh' relationship. He argues convincingly that the deepest needs of human personality -- security and significance -- ultimately cannot be satisfied by a marriage partner. We need to turn to the Lord, rather than our spouse, to satisfy our needs. This frees both partners for 'soul oneness,' a commitment to minister to our spouse's needs rather than manipulating them to meet our own needs. With 'soul oneness' comes renewed 'body oneness,' where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship. *The Marriage Builder* also identifies three building blocks essential to constructing marriage: the grace of God, true marriage commitment, and acceptance of one's mate. Now for the first time, discussion questions have been added to aid couples who want to come to deeper understanding of marriage. Helpful to counselors and laypersons alike, *The Marriage Builder* is for anyone who longs to transform marriage from trial to triumph.
