Jack and Rochelle - Jack Sutin 2015-07-14

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942-43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is

celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today

Quest for Justice - Richard Jaffe 2020-03-23

Richard Jaffe's explosive second edition of Quest for Justice: Defending the Damned affirms the vital role criminal defense lawyers play in the balance between life and death, liberty and lockup. It is a compelling journey into the legal and human drama of life or death criminal cases that often reads more like hard to imagine fiction, yet these cases are real. Quest for Justice invites readers into the courtroom and into the field with Richard Jaffe, a powerhouse Alabama defense attorney with more than four decades of experience, who has successfully defended hundreds of individuals accused of murder, including more than seventy cases where the defendant faced the death penalty, including the Olympic bomber Eric Robert Rudolph. According to the Equal Justice Initiative, in Alabama, nine people have been exonerated from death row- Jaffe represented four of them: James Willie "Bo" Cochran, Randal Padgett, Gary Drinkard, and Wesley Quick. Though every chapter reveals more alarming, gut-wrenching cases, and impediments to justice, Jaffe's unwavering determination, hope, and strategies in the courtroom yield

many momentous victories for his clients and the cause of justice. In *Quest for Justice: Defending the Damned*, Richard Jaffe offers all audiences an accessible, page-turning perspective borne out of a life representing the damned in America's criminal justice system.
