**The Ethical School** - Felicity Haynes 2002-01-04

Conflicts often arise between regulations, making it difficult for school management teams and teachers to resolve situations with appropriate dignity and respect for all concerned. This book discusses provocative actual case studies to help teachers to reflect on their own ethics, guiding them to make more reasonable decisions in their schools, and thereby gradually transforming schools into more cohesive and caring communities. A model of consequences, consistency and caring, each aspect based on traditional ethical theories provides a scientific base - a rational and a responsive base for ethical decision-making. This work covers such everyday problems as censorship, inclusivity, school uniform, punishment, personal gain and confidentiality, and argues that care and respect for others, equity, rational autonomy and concern for long-term benefits are more important for a school community than short-term power and control.

Everyone's Guide to Labour Law in South Africa - Clive Gibson 2015-01-13

THE ONE GUIDE NO EMPLOYER OR EMPLOYEE CAN DO WITHOUT! South African labour legislation prescribes to employers and employees what they are able to do, when they are allowed to do it, and how. It is, in reality, a potential minefield. But help is now at hand with Everyone's Guide to Labour Law, which aims to assist employers and employees in respect of their rights, duties and obligations in most labour-related matters. It deals simply with the relevant legislation and the most common pitfalls, as well as the processes and procedures that must be followed. This comprehensive, current and informative book makes complex Acts accessible and easy to understand, while practical examples provide clarity and better understanding.
