*Developing the Leader Within You* - John C. Maxwell 2005-08-20

*Developing the Leader Within You* is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a

group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and Leadership. "Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. *Developing the Leader Within You* will equip you to improve your leadership and inspire others.

*In the Eye of the Wild* - Nastassja Martin  
2021-11-16

After enduring a vicious bear attack in the Russian Far East's Kamchatka Peninsula, a French anthropologist undergoes a physical and spiritual transformation that forces her to confront the tenuous distinction between animal and human. In the Eye of the Wild begins with an account of the French anthropologist Nastassja Martin's near fatal run-in with a Kamchatka bear in the mountains of Siberia. Martin's professional interest is animism; she addresses philosophical questions about the relation of humankind to nature, and in her work she seeks to partake as fully as she can in the lives of the indigenous peoples she studies. Her violent encounter with the bear, however, brings her face-to-face with something entirely beyond her ken—the untamed, the nonhuman, the animal, the wild. In the course of that encounter something in the balance of her world shifts. A change takes place that she must somehow reckon with. Left severely mutilated, dazed with pain, Martin undergoes multiple operations in a

provincial Russian hospital, while also being grilled by the secret police. Back in France, she finds herself back on the operating table, a source of new trauma. She realizes that the only thing for her to do is to return to Kamchatka. She must discover what it means to have become, as the Even people call it, medka, a person who is half human, half bear. In the Eye of the Wild is a fascinating, mind-altering book about terror, pain, endurance, and self-transformation, comparable in its intensity of perception and originality of style to J. A. Baker's classic *The Peregrine*. Here Nastassja Martin takes us to the farthest limits of human being. *Imagined Communities* - Benedict Anderson 2006-11-17

What are the imagined communities that compel men to kill or to die for an idea of a nation? This notion of nationhood had its origins in the founding of the Americas, but was then adopted and transformed by populist movements in nineteenth-century Europe. It became the

rallying cry for anti-Imperialism as well as the abiding explanation for colonialism. In this scintillating, groundbreaking work of intellectual history Anderson explores how ideas are formed and reformulated at every level, from high politics to popular culture, and the way that they can make people do extraordinary things. In the twenty-first century, these debates on the nature of the nation state are even more urgent. As new nations rise, vying for influence, and old empires decline, we must understand who we are as a community in the face of history, and change.

[The House of Sleep](#) - Jonathan Coe 2016-11-23  
A dream of a novel." --Erica Wagner, The Times (London) Following The Winshaw Legacy--Coe's ecstatically reviewed American debut, winner of the John Lewellyn Rhys Prize in England and France's coveted Prix du Meilleur Livre Étranger--comes this beguiling, eccentric entertainment. Ashdown--a vast clifftop manor on the English coast--was once a university residence, where a group of students met briefly

before going their separate ways. Twelve years later, it has been transformed into a clinic for sleep disorders, and a series of strange coincidences and ostensible synchronicities draws the same group of people together once again, each of them in different ways plagued by sleep. Sarah is narcoleptic, and her inability to distinguish between dreams and waking reality gives rise to a great many misunderstandings--one of which is to change Robert's life forever, as he persists for years (and then some) in his attempt to win her love. For Terry, a disillusioned film critic whose career has been derailed by Sarah's affliction, sleep is merely a memory, for his insomnia is complete and he can only yearn for the tantalizing dreams he enjoyed in youth. And for the increasingly deranged Dr. Dudden, who has made the subject the focus of his medical practice, sleep is nothing less than a global disease. With panache worthy of Nabokov, and with the heart to match his sophistication, Jonathan Coe has written a

breath-takingly original comedy about the powers we acquire--and those we relinquish--when we fall asleep, or fall in love. "This is a remarkable book, most impressive for its subtle narrative patterning, like a dapple of light and shade, allowing us to indulge the illusion of understanding its characters, until, all at once, the darkness, the isolation and the mystery return. Perhaps most strange of all, for a novel about insomniacs, *The House of Sleep* is a wonderful bedtime read." --David Nokes, Sunday Times

### **Ulysses** - James Joyce 2022-11-13

*Ulysses* is a novel by the Irish writer James Joyce. It is considered to be one of the most important works of Modernist literature, it has been called "a demonstration and summation of the entire movement". "Before Joyce, no writer of fiction had so foregrounded the process of thinking." However, even proponents of *Ulysses* such as Anthony Burgess have described the book as "inimitable, and also possibly mad".

There have been at least 18 different "Ulysses" editions (Joyce's handwritten manuscripts were typed by a number of amateur typists). This eBook is a faithful reproduction of the notable first book edition published in Paris on 2 February 1922 by Sylvia Beach at Shakespeare and Company (only 1000 copies were printed). James Augustine Aloysius Joyce (2 February 1882 - 13 January 1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection *Dubliners* (1914), and the novels *A Portrait of the Artist as a Young Man* (1916) and *Finnegans Wake* (1939). His complete oeuvre also includes three books of poetry, a play, occasional

journalism, and his published letters.

**Spiritual Intelligence** - Danah Zohar

2012-04-12

At the beginning of the twentieth century psychologists discovered ways and means to measure intelligence that developed into an obsession with IQ. In the mid 1990's, Daniel Goleman popularised research into emotional intelligence, EQ, pointing out that EQ is a basic requirement for the appropriate use of IQ. In this century, there is enough collective evidence from psychology, neurology, anthropology and cognitive science to show us that there is a third 'Q', 'SQ' or Spiritual Intelligence. SQ is uniquely human and, the authors argue, the most fundamental intelligence. SQ is what we use to develop our longing and capacity for meaning, vision and value. It allows us to dream and to strive. It underlies the things we believe in, and the role our beliefs and values play in the actions that we take and the way we shape our lives.

**The Wheel of Life** - Elisabeth Kübler-Ross 1997

Autobiography of the world's foremost expert on death, dying and life after death.

El Tunel - Ernesto Sabato 1992-04

For those interested in South American literature, this is a "tour-de-force". Clever and gripping from beginning to end, "El Tunel" reveals how an intelligent and educated man can be driven to insanity and even crime by his own doubts and the obsessive drive for the love of a woman.

**Macaronic Sermons** - Siegfried Wenzel

1994-09-07

Siegfried Wenzel's groundbreaking study seeks to describe and analyze the linguistically mixed, or macaronic, sermons in late fourteenth-century England. Not only are these works of considerable religious interest, they provide extensive information on their literary, linguistic, and cultural milieux. Macaronic Sermons begins by offering a typology of such works: those in which English words offer glosses, or offer structural functions, or offer neither of the two

but yet are syntactically integrated. This last group is then examined in detail: reasons are given for this usage and for its origins, based on the realities of fourteenth-century England. Siefriend Wenzel draws valuable conclusions about the linguistic status quo of the era, together with the extent of education, the audiences' expectations, and the ways in which the authors' minds worked. Obviously of interest to scholars and students of early English literature, Macaronic Sermons also contains much valuable information for specialists in language development or oral theory, and for those interested in multicultural societies.

**Untie the Strong Woman** - Clarissa Pinkola Estés, Ph.D. 2013-09-01

style="font-size:20px;line-height:20px;">“Have You Forgotten? I Am Your Mother. You Are Under My Protection.” “There is a promise Holy Mother makes to us,” proclaims Dr. Clarissa Pinkola Estés, “that any soul needing comfort, vision, guidance, or strength can cry out to her,

flee to her protection, and Blessed Mother will immediately arrive with veils flying. She will place us under her mantle for refuge, and give us the warmth of her most compassionate touch, and strong guidance about how to go by the soul's lights.” Untie the Strong Woman is Dr. Estés invitation to come together under the shelter of The Mother—whether she appears to us as the Madonna, Our Lady of Guadalupe, or any one of her countless incarnations. In this unforgettable collection of stories, prayers, and blessings, Dr. Estés shares: “The Drunkard and the Lady”—a story of unexpected miracles that arise from the mud and soil • “Guadalupe is a Girl Gang Leader in Heaven”—a poem of resistance and hope • “No One Too Bad, Too Mean, or Too Hopeless”—the fierce Mother that never gives up on us • “The Shirt of Arrows”—a love that is invincible no matter how many times we are wounded • “The Black Madonna”—she who stands at the juncture between two worlds and protects us as we enter the dark places Why

does the face of Our Lady appear in the most humble and unexpected places? Why does she burst forth into every culture no matter how hard authority tries to suppress her? It is because no bonds can restrain the power of her love, nor prevent her from returning to those who need her most. With Untie the Strong Woman, Dr. Estés invites you to encounter the force of Immaculate Love—“So that your memory of Her is renewed, or that the knowledge of her miraculous, fierce, enduring ways is drawn into your heart for the very first time.”

Nightmare At 20,000 Feet - Richard Matheson  
2007-04-01

Remember that monster on the wing of the airplane? William Shatner saw it on The Twilight Zone, John Lithgow saw it in the movie-even Bart Simpson saw it. "Nightmare at 20,000 Feet" is just one of many classic horror stories by Richard Matheson that have insinuated themselves into our collective imagination. Here are more than twenty of Matheson's most memorable tales of fear and paranoia, including: "Duel," the nail-biting tale of man versus machines that inspired Steven Spielberg's first film; "Prey," in which a terrified woman is stalked by a malevolent Tiki doll, as chillingly captured in yet another legendary TV moment; "Blood Son," a disturbing portrait of a strange little boy who dreams of being a vampire; "Dress of White Silk," a seductively sinister tale of evil

and innocence. Personally selected by Richard Matheson, the bestselling author of I Am Legend and What Dreams May Come, these and many other stories, more than demonstrate why he is rightfully regarded as one of the finest and most influential horror writers of our generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Images of the Mother of God** - Maria Vassilaki  
2017-03-02

Fully illustrated in colour and black and white, Images of the Mother of God complements the successful exhibition catalogue of the 'Mother of God' exhibition at the Benaki Museum in Athens. It brings together the work of leading international authorities and younger scholars to provide a wide-ranging survey of how the Theotokos was perceived in the Byzantine world. It embraces the disciplines of art historians, archaeologists, traditional and feminist historians, as well as theologians, philologists

and social anthropologists. Images of the Mother of God will appeal not just to those interested in Byzantine art and culture, but also to scholars of Western Europe in the Middle Ages who are looking for comparative materials in their own work.

**The Moral Imagination** - John Paul Lederach  
2010

Originally published in hardcover in 2005.

**Strike Your Heart** - Amélie Nothomb  
2018-09-11

This coming of age novel by the acclaimed Belgian author is “a disarmingly simple yet deeply complex study of a mother-daughter relationship” (The Washington Post). One of the Washington Post’s 50 Notable Works of fiction in 2018 Marie is the prettiest girl in her provincial high school, and dating the most popular boy in town. She is the envy of all her peers—and she

loves it. But when she gives birth to Diane, things begin to change. Diane steals the hearts of all who meet her, inciting nothing but jealousy in her mother. This is Diane’s story. Young and brilliant, she grows up learning about life through her relationships with other women: her best friend, the sweet Élisabeth; her mentor, the selfish Olivia; her sister, the beloved Célia; and, of course, her mother. It is a story about the baser sentiments that often animate human relations: rivalry, jealousy, distrust. Revered throughout Europe, Belgian novelist Amélie Nothomb has won numerous prizes, including the French Academy’s Grand Prix. In *Strike Your Heart*, she offers a telling adult fable about womanhood and the mother-daughter bond.

## **Humanists and Holy Writ** - Jerry H. Bentley

2012-06-24

Focusing on the work of Lorenzo Valla, the Spanish Complutensian scholars, and Erasmus of Rotterdam, this book examines the New Testament studies of the Renaissance humanists rather than their more frequently studied religious, moral, and political thought. Jerry H. Bentley shows that the humanists brought about a thorough reorientation in the Western tradition of New Testament studies. He finds that the humanists' methods both anticipated and influenced later New Testament scholarship. The humanists rejected the medieval practice of studying the New Testament only in Latin translation and interpreting it in accordance with preconceived theological criteria. Instead, they insisted that New Testament studies be based on the original Greek text, and they employed linguistic, historical, and philological criteria in explaining the scriptures. This study rests on an analysis of the New Testament

manuscripts that the humanists consulted and of the New Testament editions, translations, annotations, and commentaries that they prepared.

## Everyone Leaves - Wendy Guerra 2012

## **Things the Grandchildren Should Know** -

Mark Oliver Everett 2009

How does one young man survive the deaths of his entire family and manage to make something worthwhile of his life? In *Things The Grandchildren Should Know* Mark Oliver Everett tells the story of what it's like to grow up the insecure son of a genius in a wacky Virginia Ice Storm-like family. Left to run wild with his sister, his father off in some parallel universe of his own invention, Everett's upbringing was 'ridiculous, sometimes tragic and always unsteady'. But somehow he manages to not only

survive his crazy upbringing and ensuing tragedies; he makes something of his life, striking out on a journey to find himself by channelling his experiences into his, eventually, critically acclaimed music with the Eels. But it's not an easy path. Told with surprising candour, Things The Grandchildren Should Know is an inspiring and remarkable story, full of hope, humour and wry wisdom.

**The Count of Monte Cristo** - Alexandre Dumas  
2020-09-28

On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been built, rigged,

and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the

spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaoh, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

*Of Love and Other Demons* - Gabriel García Márquez 2014-10-15

AVAILABLE FOR THE FIRST TIME IN eBook!

On her twelfth birthday, Sierva Maria - the only child of a decaying noble family in an eighteenth-century South American seaport - is bitten by a rabid dog. Believed to be possessed, she is brought to a convent for observation. And

into her cell stumbles Father Cayetano Delaura, who has already dreamed about a girl with hair trailing after her like a bridal train. As he tends to her with holy water and sacramental oils, Delaura feels something shocking begin to occur. He has fallen in love - and it is not long until Sierva Maria joins him in his fevered misery. Unsettling and indelible, *Of Love and Other Demons* is an evocative, majestic tale of the most universal experiences known to woman and man.

### **The Outsider (Fantasy and Horror Classics)**

- H. P. Lovecraft 2020-05-26

After spending more time than he can remember on his own inside a castle, an enigmatic man resolves to finally escape and seek human contact and daylight, both of which he has never experienced before. However, dissatisfied with what he finds on the outside, he hastens back to his old world inside his castle—to which he is now barred entry. First published in 1926, "The Outsider" is a short story by American horror

writer H. P. Lovecraft that explores the concepts of loneliness and the Gothic ab-human. A fantastic example of Lovecraftian supernatural literature not to be missed by fans and collectors of his seminal work. Howard Phillips Lovecraft (1890–1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Other notable works by this author include: “The Call of Cthulhu”, “The Rats in the Walls”, and “The Shadow Over Innsmouth”. Read & Co. is publishing this classic work now as part of our “Fantasy and Horror Classics” imprint in a new edition with a dedication by George Henry Weiss.

The Tunnel - Ernesto Sabato 2011-04-28

Infamous for the murder of Maria Iribarne, the artist Juan Pablo Castel is now writing a detailed account of his relationship with the victim from

his prison cell: obsessed from the first moment he saw her examining one of his paintings, Castel had become fixated on her over the next months and fantasized over how they might meet again. When he happened upon her one day, a relationship was formed which swiftly convinced him of their mutual love. But Castel's growing paranoia would lead him to destroy the one thing he truly cared about... Sabato's first novel *El Túnel* (translated as 'The Outsider' or 'The Tunnel'), written in 1948, is framed as the confession of the painter Juan Pablo Castel, who has murdered the only woman capable of understanding him. Sabato's novels were praised by authors such as Albert Camus and Graham Greene.

**Caliban and the Witch** - Silvia Federici  
2021-07-29

'A groundbreaking work . . . Federici has become a crucial figure for . . . a new generation of feminists' Rachel Kushner, author of *The Mars Room* A cult classic since its publication in the

early years of this century, Caliban and the Witch is Silvia Federici's history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages through the European witch-hunts, the rise of scientific rationalism and the colonisation of the Americas, it gives a panoramic account of the often horrific violence with which the unruly human material of pre-capitalist societies was transformed into a set of predictable and controllable mechanisms. It is a study of indigenous traditions crushed, of the enclosure of women's reproductive powers within the nuclear family, and of how our modern world was forged in blood. 'Rewarding . . . allows us to better understand the intimate relationship between modern patriarchy, the rise of the nation state and the transition from feudalism to capitalism' Guardian

**A History of Reading in the West** - Guglielmo Cavallo 2003-08-15

An international team of leading historians examine the technical innovations which change physical aspects of books and other texts, as well as the changing forms of reading and the growth and transformation of the reading public.

Contributors include: Robert Bonfil, Guglielmo Cavallo, Roger Chartier, Jean-Francois Gilmont, Anthony Grafton, Jacqueline Hamesse, Dominique Julia, Martyn Lyons, M.B. Parkes, Armando Petrucci, Paul Saenger, Jesper Svenbro and Reinhard Wittmann. This path-breaking study has been highly successful in hardback and is now available in paperback for the first time.

**The Call of Cthulhu** - H. P. Lovecraft  
2023-08-31

The Call of Cthulhu by H. P. Lovecraft is a short

story by American writer H. P. Lovecraft. Written in the summer of 1926, it was first published in the pulp magazine *Weird Tales* in February 1928. Plot: The story consists of three interconnected parts, and is presented as notes belonging to Francis Thurston, a Boston resident investigating the ancient deity Cthulhu. The first part, "The Horror in Clay", concerns a mysterious clay bas-relief depicting Cthulhu. Thurston finds the bas-relief among the belongings of his great-uncle Professor Angell. The bas-relief was created by sculptor Henry Wilcox in March 1925 while half-asleep. At the time Wilcox was haunted by mysterious visions of Cyclopean cities. Angell also discovered reports of local residents — primarily artists, sculptors, architects, and others of a sensitive psyche — experiencing similar nightmares during that period. The next morning, Wilcox was amazed by his creation and took it to Angell, who noted that the bas-relief was reminiscent of a figurine seized by police from members of a

New Orleans religious sect in 1907. In the second chapter, "The Tale of Inspector Legrasse", police officer John Legrasse reports at an archaeological society's symposium on his participation in a raid of a sect worshipping Cthulhu, from which the figurine was confiscated. The sect's actions were described as depraved and blasphemous. Local residents feared the sect's orgies, and claimed that human sacrifices were made at these orgies. A team of officers led by Legrasse arrived at the scene in search of several missing squatters. The police detained several sect members, but interrogation yielded little result, as the degraded and insane members stubbornly defended the truth of their cult. One sectarian, Old Castro, proclaimed that Cthulhu's time would come when the stars take a certain position. A phrase chanted by the sect turns out to have been previously used by a tribe of Eskimos, as revealed by one of the symposium's participants.

*Seven Nights* - Jorge Luis Borges 2009

The incomparable Borges delivered these seven lectures in Buenos Aires in 1977; attendees were treated to Borges' erudition on the following topics: Dante's *The Divine Comedy*, *Nightmares*, *Thousand and One Dreams*, *Buddhism*, *Poetry*, *The Kabbalah*, and *Blindness*.

**Our Mother's House** - Julian Gloag 2012-04-16  
"Mother died at five fifty-eight." So begins this story of seven extraordinary children who, faced with the unknown terrors of an orphanage, decide not to report their mother's death. They bury her in the garden, telling people only that she's too sick to have visitors. Then a menacing stranger appears, claiming to be their father. He agrees to keep their secret-and from that moment the story moves relentlessly to its mesmerizing climax.

**The House of the Spirits** - Isabel Allende

The Trueba family embodies strong feelings. This family saga starts at the beginning of the

20th century and continues through the assassination of Allende in 1973.

**The Selfish Gene** - Richard Dawkins 1989  
Science need not be dull and bogged down by jargon, as Richard Dawkins proves in this entertaining look at evolution. The themes he takes up are the concepts of altruistic and selfish behaviour; the genetical definition of selfish interest; the evolution of aggressive behaviour; kinship theory; sex ratio theory; reciprocal altruism; deceit; and the natural selection of sex differences. 'Should be read, can be read by almost anyone. It describes with great skill a new face of the theory of evolution.' W.D. Hamilton, *Science*

*A Manual for Cleaning Women* - Lucia Berlin  
2015-10-08

The New York Times bestseller. 'This selection of 43 stories should by all rights see Lucia Berlin as lauded as Jean Rhys or Raymond Carver' - Independent Introduced by Lydia Davis, Lucia Berlin's stories in *A Manual for Cleaning Women*

make for one of the most remarkable unsung collections in twentieth-century American fiction. With extraordinary honesty and magnetism, Lucia Berlin invites us into her rich, itinerant life: the drink and the mess and the pain and the beauty and the moments of surprise and of grace. Her voice is uniquely witty, anarchic and compassionate. 'With Lucia Berlin we are very far away from the parlours of Boston

and New York and quite far away, too, from the fiction of manners, unless we are speaking of very bad manners . . . The writer Lucia Berlin most puts me in mind of is the late Richard Yates.' - LRB, 1999
