Adventure Guide Barbados - Keith L.

Whiting 2007-12

Annotation We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. Barbados is unique and fascinating, a mélange

of Africa and Britain in the Caribbean. The easternmost of all the Caribbean islands, Barbados is uniquely situated so as to avoid virtually all hurricanes. Its 166 square miles of forests, cliffs, fishing villages, wildlife, nightlife, and, of course beaches are surrounded by miles of coral reef teeming with an incredible array of sea life and shipwrecks. Some of the best sailing in the Caribbean is here, with southeasterly trade winds to carry you across the water. This is a land rich in history and culture, with an abundance of wildlife, beauty and nature. There are only four guidebooks on the island and most are badly out-of-date. With 500,000 tourists visiting per year, Barbados is a major attraction with very little guidebook

competition. Details the best diving spots, all types of accommodations, dining, tours, local lore and festivals, services. Extensive background on the history, government and economy of the island. The author has been a regular visitor for over 20 years. Filled with inside information on which festivals are worth your time, where to find the best Bajan music, classes that will teach you the local cooking and artistic styles, Other guides are mostly out of date. None takes the Adventure Guide perspective that we do, immersing you in the local culture and in the active things to do on the island. Today's traveler is eager to explore--not just sit on a beach. [Adventure Guides] aim to deliver content ... Moderately-priced and truly user-friendly, they are

packed with information that other series rarely cover. Library Journal Bursting with relevant and exciting information ... Booklist Highly recommended ... Library Journal. The most eastern of the Caribbean islands, Barbados is a relatively flat island with sloping plains, sporadic rolling hills and even areas of marshes and mangroves. With 60 miles of coastline, the island is an ideal place to enjoy the seaside. The highest point on the

island is Mount Hillaby, which peaks 340 meters above sea level. Historical traces can be found throughout Barbados, from 18th century homes to the residual presence of colonial and Christian influences. Social activities center around the western and southern coasts, where tourists can enjoy waterfront pubs, nightclubs and more. To see more of the map, widen your browser. Attractions: In the area encompassing Bridgetown and the surrounding southwest coast, tourists will find engaging attractions like the Tyrol Cot House and Heritage Village. This site provides excellent insight into Barbados' history, complete with the Chattel House Museum, a slave hut replica, an operational blacksmith's shop and more. Likewise, at the George

Washington House, guests can take a peak into the house where the famous Washington spent his time on the island. On the west coast of the island, known as the "Platinum Coast," guests will be enticed by crystal clear water that gently crashes onto pristine stretches of sand. There are countless beaches to choose from in this area, including Paynes Bay, Sandy Lane, Batts Rock and more. Other recommended beaches include Cattlewash Beach on the east coast, Carlisle Bay located near Bridgetown, and the southern coast destinations of Crane Beach and Accra Beach. The interior of Barbados is equally attractive, with stunning sites like the Flower Forest. Located directly in the center of the map, this former plantation features numerous paths that traverse

extensive gardens, which are home to flora from around the globe. At the Farley Hill National Park in the northern interior of the island, patrons will be enchanted by ruins of the former Farley Hill house, which was become a retreat for picnickers and nature enthusiasts. Likewise, the Barbados Wildlife Reserve located directly across from Farley Hill, and offers a marvelous glimpse into the natural wonder of Barbados. For a great day of hiking, check out the Welchman Hall Gully, which sits a bit south of Flower Forest
