The Routledge Handbook of Architecture, Urban Space and Politics, Volume I - Nikolina Bobic 2022-10-28

For architecture and urban space to have relevance in the 21st Century, we cannot merely reignite the approaches of thought and design that were operative in the last century. This is despite, or because of, the nexus between politics and space often being theorized as a representation or by-product of politics. As a symbol or an effect, the spatial dimension is depoliticized. Consequently, architecture and the urban are halted from fostering any systematic change as they are secondary to the event and therefore incapable of performing any political role. This handbook explores how architecture and urban space can unsettle the unquestioned construct of the spatial politics of governing. Considering both ongoing and unprecedented global problems - from violence and urban warfare, the refugee crisis, borderization, detention camps, terrorist attacks to capitalist urbanization, inequity, social unrest and climate change - this handbook provides a comprehensive and multidisciplinary research focused on the complex nexus of politics, architecture and urban space. Volume I starts by pointing out the need to explore the politics of spatialization to make sense of the operational nature of spatial oppression in contemporary times. The operative and active political reading of space is disseminated through five thematics: Violence and War Machines; Security and Borders; Race, Identity and Ideology; Spectacle and the Screen; and Mapping Landscapes and Big Data. This first volume of the handbook frames cutting-edge contemporary debates and presents studies of actual theories and projects that address spatial politics. This Handbook will be of interest to anyone seeking to meaningfully disrupt the reduction of space to an oppressive or neutral backdrop of political realities.

Schütz-Jahrbuch / Schütz-Jahrbuch 2020, 42. Jahrgang - Jürgen Heidrich 2021-09-29

Das Schütz-Jahrbuch 2020 enthält Vorträge, die auf dem Symposium "Repräsentationsmusik in Residenzen der Schütz-Zeit" im Rahmen des Internationalen Heinrich-Schütz-Festes Karlsruhe 2019 gehalten wurden. Der thematische Bogen umfasst Musik als Medium der Repräsentation in theologischen (Frank Kurzmann) wie politischen Kontexten (Elisabeth Natour, Arno Paduch, Derek

Stauff), hinzu kommen ein Beitrag zu aktuellen Forschungsdiskursen (Harriet Rudolph) und einer zum Typus des Hofsängers (Thomas Seedorf). Ergänzt wird dieser Komplex durch freie Beiträge zur Kasseler Hofkapelle (Gerhard Aumüller) sowie zu Johann Grabbe (Vera Lüpkes), außerdem durch zwei Texte von Joshua Rifkin: einer zu Schütz' Notensendung an den Kasseler Hof von 1635, ein weiterer mit grundlegenden Überlegungen zur Datierung und zur Quellenlage von Schütz Osterdialog SWV 443. Die Präsentation von sieben neuen Schütz-Dokumenten Jörg Brückner rundet den Band ab.

Five Months in Berlin - Werner Breunig 2020-01-20

In 1946, Edgar N. Johnson, later Professor of European History at the University of Nebraska, served as a political advisor for the American military government in Berlin. In diary-like letters, he described his meetings with important actors in American occupation politics such as General Lucius D. Clay, many representatives of the other occupying powers, and leading German political and cultural figures.

Industrial Revolutions - Cort MacLean Johns 2021-05-23

With reference to artefactual archaeological evidence and surviving manuscript documentation of

the Hydraulis, I find that a new dialectical discussion might better analyze and address the underlying understanding of the Steam Engines' longitudinal provenance, and therefore, requires a redefinition the origins of Industrial Revolutions themselves from Ctesibius to the exploration of Mars.

Popular Polish Electronic Music, 1970-2020 - Ewa Mazierska 2020-12-31

Popular Polish Electronic Music, 1970-2020 offers a cultural history of popular Polish electronic music, from its beginning in the late 1960s/early 1970s up to the present day, in the context of Polish economic, social and political history, and the history of popular music in this country. From the perspective of production, scene, industry and consumption, the volume considers the issue of access to electronic instruments in the 1970s and 1980s, and the variety of inspirations, such as progressive rock and folk music, that have contributed to the development of Polish electronic music as it is known today. The widespread contribution of Polish electronic music to film is also considered. This is a valuable resource for scholars and researchers of electronic music, popular music and (Eastern) European music and culture.
