The Watch - Alexander Barter 2019-10-15

Discover the stylistic evolution of the watch in this unparalleled guide to the greatest timepieces of the 20th century. Offering the perfect blend of high-quality imagery and impeccable research, this magnificent book takes readers through the 20th century to show how the watch, in all its forms, evolved. It charts the early rise of the wristwatch, shows how the cataclysmic events of the 1929 Wall Street Crash unexpectedly led to a golden age of watch production, and demonstrates how the electronic watch, which almost destroyed the traditional industry, led to a mechanical watch renaissance in the last two decades of the 20th century. Each decade opens with an introduction to the era's stylistic and design highlights and then examines the development of specific genres of watches within each period. Hundreds of color photographs in this book feature full page close ups that reveal intricate details of form, texture, and design. Author Alexander Barter's vast knowledge of the 20th-century watch informs his texts which discuss the major technological and design breakthroughs in a chronological format. This book also includes vintage advertisements and other promotional materials, helping to give a sense of the eras in which they were created. The perfect gift for watch aficionados, this beautiful and informative volume presents the world's finest watches with an elegance and depth befitting its subject.

Chanel Eternal Instant - Natasha Fraser-Cavassoni 2021-03-01

A rich celebration of the dynamic spirit and beauty of Chanel's modern classic J12 watch. Chanel's J12 watch revolutionized the standards of watches for women, combining technical sophistication with the allure of modern design. The J12 has evolved into a classic watchmaking icon of the twenty-first century. Since its arrival twenty years ago, the J12 has drawn its inspiration from Chanel's drive to shake up the codes by combining a daring artistic approach with superlative technical finesse. The J12 watch transformed ceramic into a precious material, and rewrote two hundred years of watchmaking with the innovative brilliance of its

design. A text by noted watch connoisseur Nicholas Foulkes explores the extraordinary conception, execution and history of the Chanel J12. Enhanced by a strikingly original selection of fine photographs, this volume celebrates twenty years of the most beautiful and technically refined watches ever worn on the wrist.

Sea Time - PUB. CANCELLED - A. Sigmond 2018-10-30

The first watch connoisseur's guide to explore a century of high-performing, stylish chronometers for watersports adventures above and below the waves--sailing, yachting and diving. From the Rolex Submariner, Omega Seamaster and Blancpain Fifty Fathoms to dive watches by DOXA, Tudor, IWC, Patek Philippe and TAG Heuer, SEA TIME: Watches Inspired by Sailing, Yachting and Diving takes a pinpoint-periscope look at more than 100 contemporary and vintage nautical-inspired mechanical timepieces. With a foreword by best-selling adventure novelist Clive Cussler and images by fine-art photographer Peter Eaton Gurnz, SEA TIME--written by Aaron Sigmond and Mark Bernardo--interweaves history, the sailing-countdown chronographs and dive watches' classic style in a comprehensive, first-of-its-kind monograph. A detailed look at the development and history of these oceanic- and coastal-inspired chronometers is followed by an encyclopedic index: chapters include "The Icons" (the dozen most classic dive watches ever made), "Sailing and Regatta Watches," "Dive Watches" and--for those merely lounging instead of plunging into the briny deep--"By the Pool and At the Shore." Informative and visually striking, this captivating guide is the ideal gift for watch collectors and timepiece devotees, as well as all those who have a timeless appreciation for rakish, sporty style. SEA TIME, a sequel to the much-lauded DRIVE TIME: Watches Inspired by Automobiles, Motorcycles and Racing, is, like its predecessor, the first book of its kind.

Cartier: The Tank Watch - Franco Cologni 2012-09-04

This handsome monograph charts the evolution of one of the most coveted items of modern style, showcasing the extraordinary craftsmanship of the House of Cartier. The Tank Watch, designed by Louis Cartier in 1917, is an icon of modern timepiece design. One of the world's first square wristwatches, its functionality is rivaled only by its elegance; it represents a perfect combination of fine watchmaking and the jeweler's art. The Tank has been creatively reinterpreted by Cartier in many models--from the Chinese Tank to the Crash Watch to the recent Tank Anglaise--while always remaining faithful to Louis Cartier's original concept. Through designs from Cartier's rich archives, historical models, and photographs of famous clients from Clark Gable to Andy Warhol, this volume celebrates one of Cartier's greatest masterpieces.

American Wristwatches - Edward Faber 1996

Original research brings life to some of the persons who

influenced its development. Current prices make this a valuable collector's reference.

The Book of Rolex - J. Hoy 2018-11-20

- An exhaustive appraisal of the Rolex watch, including studies of vintage models, current designs and special editions- Learn how to spot fakes using the same clues as the experts- Invaluable to any watch-lover, especially aspiring Rolex collectorsHorological trends flit by faster than ever in today's fast-paced society. But Rolex does not rely on gimmicks; theirs is a more perennial allure, with a reputation built on traditions and hard-earned skill. A company that innovates while paying homage to their roots, every Rolex is the cumulation of centuries of watchmaking expertise. Within this book you will find explanations of the making process, descriptions of the materials involved and expert commentary on what makes each Rolex wristwatch unique. The Book of Rolex demonstrates how each model fits its social milieu, present and past. It also addresses the multitude of fakes on the market, including the so-called 'Frankensteins' - watches made from a mixture of real parts and forgeries, which are notoriously hard to spot - imparting all the skills needed to pick counterfeits out of a line-up. A holistic view of Rolex watches, this book promises to be as timeless as the brand itself. Should you be considering a Rolex, this book will convince you of its worth as an investment.
