1970

**Putting It Together** - James Lapine 2021-08-03  
A NEW YORK TIMES  
BESTSELLER A behind-the-scenes look at the making of the iconic musical Sunday in the Park with George Putting It Together chronicles the two-year odyssey of creating the iconic Broadway musical Sunday in the Park with George. In 1982, James Lapine, at the beginning of his career as a playwright and director, met Stephen Sondheim, nineteen years his senior and

already a legendary Broadway composer and lyricist. Shortly thereafter, the two decided to write a musical inspired by Georges Seurat's nineteenth-century painting A Sunday Afternoon on the Island of La Grande Jatte. Through conversations between Lapine and Sondheim, as well as most of the production team, and with a treasure trove of personal photographs, sketches, script notes, and sheet music, the two Broadway icons lift the curtain on their beloved musical. Putting It Together is a deeply personal remembrance of their

collaboration and friend - ship and the highs and lows of that journey, one that resulted in the beloved Pulitzer Prize-winning classic.

**The Music Theatre International Study Guide for *Company*, a Musical Comedy** - Sarah Schlesinger 1996

*The World of Musical Comedy* - Stanley Green 1960

Acclaimed through three editions for its uniquely informative and entertaining style, this fourth edition of Stanley Green's *World of Musical Comedy* updates and enlarges the theatrical scope to include such recent shows as *A Chorus Line*, *Barnum*, *They're Playing Our Song*, and *Annie*. In a format that provides biographies of all the leading figures in the musical's development, Stanley Green manages to convey the spirit of the Broadway stage, its musical make-believe, and yet remain objective about the creative

swings in its history and the careers of its individual creators. Everyone is here: Victor Herbert, Sigmund Romberg, Jerome Kern, Irving Berlin, Rodgers and Hart, the Gershwins, Cole Porter, Harold Arlen, Frank Loesser, Lerner and Loewe, Stephen Sondheim, Cy Coleman, Marvin Hamlisch, and many others--not in a quick run-through but in vivid detail accompanied by pertinent interviews and

photographs. This latest edition contains an expanded appendix that lists the casts, credits, songs, and recordings of every Broadway musical written by these illustrious and industrious composers and librettists. As always in a Stanley Green book, the research is exhaustive and impeccable, the presentation enjoyable, the judgments fair. From America's foremost theater historian, here is another edition of a classic theater chronicle.

*America's Musical Stage* - Julian Mates 1987-08-14  
[This book is] a comprehensive illustrated history of the U.S. musical from its colonial origins to the present, tracing the connections and influences of the minstrel show, operetta, burlesque, melodrama, revues, circus, dance, musical comedy, the Broadway opera, the book musical and other forms. . . . Further, Mates introduces readers to inside stuff--the various types of musical performers. Variety American musical theatre has developed as an idigenous art form, with a long history, amazing vitality, and a variety of expression. Julian Mates is the first to show the musical stage in all its guises--from burlesque to musical comedy to grand opera--from its beginning in pre-Revolutionary America to the present day. In addition, this book is the first to explore the relationships between the various forms of musical theatre.

**The Oxford Handbook of The  
American Musical** - Raymond  
Knapp 2011-11-04

The Oxford Handbook of The American Musical offers new and cutting-edge essays on the most important and compelling issues and topics in the growing, interdisciplinary field of musical-theater and film-musical studies. Taking the form of a "keywords" book, it introduces readers to the concepts and terms that define the history of the musical as a genre and that offer ways to reflect on the specific creative choices that shape musicals and their performance on stage and screen. The handbook offers a cross-section of essays written by leading experts in

the field, organized within broad conceptual groups, which together capture the breadth, direction, and tone of musicals studies today. Each essay traces the genealogy of the term or issue it addresses, including related issues and controversies, positions and problematizes those issues within larger bodies of scholarship, and provides specific examples drawn from shows and films. Essays both re-examine traditional topics and introduce underexplored areas. Reflecting the concerns of scholars and students alike, the authors emphasize critical and accessible perspectives, and supplement theory with concrete examples that may be accessed through links to the handbook's website. Taking into account issues of composition, performance, and reception, the book's contributors bring a wide range of practical and theoretical perspectives to bear on their considerations of one of America's most lively, enduring artistic traditions. The Oxford Handbook of The American Musical will engage

Playbook.

Time Steps - Donna McKechnie  
2006

A personal memoir by the Tony Award-winning dancer and choreographer describes her struggles with depression and rheumatoid arthritis, and her experiences with such figures as Bob Fosse, Stephen

Sondheim, and Fred Astaire.  
Stephen Sondheim and the Reinvention of the American Musical - Robert L. McLaughlin  
2016-08-11

From West Side Story in 1957 to Road Show in 2008, the musicals of Stephen Sondheim and his collaborators have challenged the conventions of American musical theater and expanded the possibilities of what musical plays can do, how they work, and what they

mean. Sondheim's brilliant array of work, including such musicals as Company, Follies, Sweeney Todd, Sunday in the Park with George, and Into the Woods, has established him as the preeminent composer/lyricist of his, if not all, time. Stephen Sondheim and the Reinvention of the American Musical places Sondheim's work in two contexts: the exhaustion of the musical play and the postmodernism that, by the 1960s, deeply influenced all the American arts. Sondheim's musicals are central to the transition from the Rodgers and Hammerstein-style musical that had dominated Broadway stages for twenty years to a new postmodern musical. This new style reclaimed many of the self-aware, performative techniques of the 1930s musical comedy to develop its themes of the breakdown of narrative knowledge and the fragmentation of identity. In his most recent work, Sondheim, who was famously mentored by Oscar Hammerstein II, stretches toward a twenty-first-century

musical that seeks to break out of the self-referring web of language. Stephen Sondheim and the Reinvention of the American Musical offers close readings of all of Sondheim's musicals and finds in them critiques of the operation of power, questioning of conventional systems of knowledge, and explorations of contemporary identity.

**Stage It with Music** - Thomas S. Hischak 1993-06-30

A one-stop, up-to-date source for information on the history of the American musical theatre, *Stage It with Music* packs an astonishing quantity and variety of facts as well as insights and anecdotes into a convenient dictionary format. Coverage extends from the genre's nineteenth century beginnings to the present day, from *The Black Crook* (1866) to *Jelly's Last Jam* (1992). Included are entries on over 300 individual shows, musical series, performers, composers, lyricists, librettists, directors, designers, music directors, orchestrators, choreographers, producers, producing companies and other theatrical institutions, and on other subjects and genres relating to musical theatre. Among the latter are entries on British Imports, Dance in Musicals, Flop Musicals, Locations of Musicals, Operetta, Pastiche Musicals, and Tony Awards. As fascinating as its subject, *Stage It with Music* will serve the researcher seeking a specific

fact, but he or she may find it hard to stop there. Extensive cross-referencing will lead to masses of related material, and most researchers will not be able to resist browsing well beyond the original quest. Thoroughly indexed, the volume also includes a chronology of the musicals covered as separate entries and a bibliography of general works on musical theatre.

**Time Steps** - Donna  
McKechnie 2006-10-31  
A poignant and revealing  
memoir from a legendary  
entertainer. Donna McKechnie  
began her love affair with  
dance as a child in Detroit. At  
fifteen, she ran away from  
home to join a touring dance  
troupe, and in 1961, she was  
cast in the Broadway smash hit  
How to Succeed in Business  
Without Really Trying. She soon  
won acclaim as Michael  
Bennett's show-stopping muse  
in Promises, Promises and  
Company. In 1975, with her  
Tony-winning performance in  
Michael Bennett's masterpiece,  
A Chorus Line, McKechnie  
vaulted to stardom as a unique  
Broadway "triple threat" who  
could do it all -- dance, sing,  
and act. Moving among the  
circles of artists, dancers, and  
musicians who inspired and  
challenged her in myriad ways,  
McKechnie writes about the  
trajectory of her career as it  
intertwined with and influenced  
her personal life and the lives of  
those around her. Recounting

Downloaded from [id-  
blockchain.idea.gov.vn](https://id-blockchain.idea.gov.vn) on  
by guest

her dazzling career, McKechnie also reveals the dark side of fame: from her parents' troubled relationship to a searing account of her own marriage to Michael Bennett and her inspiring triumphs over depression and the rheumatoid arthritis that nearly ended her career. With affectionate reminiscences of Bob Fosse, Gwen Verdon, Stephen Sondheim, Fred Astaire, and many other well-known friends, McKechnie exhibits all the warmth, sensitivity, and verve that have endeared her to legions of fans over the years. Filled with behind-the-scenes stories and anecdotes, *Time Steps* is a candid, funny, and deeply personal memoir by a vivacious woman with an

indomitable spirit and an illustrious, ongoing career.

**Harold Prince & Richard Pilbrow in Association with Ruth Mitchell Present ... Company, the Musical Comedy, Music and Lyrics by Stephen Sondheim, Book by George Furth : Her Majesty's Theatre - 1972 Broadway Musicals - David H. Lewis 2002-09-23**

It also profiles some of the theater world's leading composers, writers, and directors; considers the elusive fragility of the libretto and the compensating nature of production elements; and examines representative shows from every decade. An extensive discography offers a brief critique of over 300 show cast albums."--BOOK JACKET.
