How to Draw 30 Popular Characters from Harry Potter - Melody Love 2020-05-15

If you have been looking for a book that will help you learn how to draw color then you have found the right book. This book is amazing for kids and adults. It is the best way to have fun together and at the same time to learn about the easier ways to draw. Is it hard for you to get your child's attention to draw and color? Have you tried everything? Have you bought even expensive sets and still nothing? It is not about the type of colors and pencils he will use. It is about the simplicity of the lesson. It needs to be fun and at the same time easy to follow. That is why the drawings in this book are accepted and loved by many children in the world. Actually, adults love them too. Every single step is shown for each drawing, even for the smallest one. But also many drawing use just simple shapes that when put together make wonderful art. Art skills are important for every child. It helps in shaping his imagination, helps with motor skills and coordination. It is fun too.

The 'Evil Child' in Literature, Film and Popular Culture - Karen J. Renner 2013-10-18

The 'evil child' has infiltrated the cultural imagination, taking on prominent roles in popular films, television shows and literature. This collection of essays from a global range of scholars examines a fascinating array of evil children and the cultural work that they perform, drawing upon sociohistorical, cinematic, and psychological approaches. The chapters explore a wide range of characters including Tom Riddle in the Harry Potter series, the possessed Regan in William Peter Blatty's The Exorcist, the monstrous Ben in Doris Lessing's The Fifth Child, the hostile fetuses of Rosemary's Baby and Alien, and even the tiny terrors featured in the reality television series Supernanny. Contributors also analyse various themes and issues within film, literature and popular culture including ethics, representations of evil and critiques of society. This book was originally published as two special issues of Literature Interpretation Theory.

Children's Literature and British Identity - Rebecca Knuth 2012-04-12

For more than 250 years, English children's literature has transmitted values to the next generation. The stories convey to children what they should identify with and aspire to, even as notions of "goodness" change over time. Through reading, children absorb an ethos of Englishness that grounds personal identity and underpins national consciousness. Such authors as Lewis Carroll, J. R. R. Tolkien, and J. K. Rowling have entertained, motivated, confronted social wrongs, and transmitted cultural mores in their works—functions previously associated with folklore. Their stories form a new folklore tradition that provides social glue and supports a love of England and English values. In *Children's Literature and British Identity: Imagining a People and a Nation*, Rebecca Knuth follows the development of the genre, focusing on how stories inspire children to adhere to the morals of society. This book examines how this tradition came to fruition, exploring the works of several authors, including: Robert Baden-Powell Robert Ballantyne J. M. Barrie Enid Blyton Angela Brazil Frances Hodgson Burnett Randolph Caldecott Lewis Carroll Roald Dahl Daniel Defoe Charles Dickens Maria Edgeworth Kenneth Grahame Kate Greenaway G. A. Henty Thomas Hughes Charles Kingsley Rudyard Kipling C.S. Lewis A. A. Milne Hannah More E. Nesbit John Newbery George Orwell Beatrix Potter Arthur Ransome Frank Richards J. K. Rowling Anna Sewell Robert Louis Stevenson J. R. R. Tolkien P. L. Travers Sarah Trimmer Charlotte Yonge Evaluating the connection between children's literature and the dissemination and formation of identity, this book will appeal to both general readers and academics who are interested in librarianship, English culture, and children's literature.

[Supporting Children with DLD](#) - Kate Kempton 2022-02-06

For effective use, this book should be purchased alongside the illustrated picture book Harry's Story. Both books can be purchased together as a set, Supporting Children with DLD: A Picture Book and User Guide to Learn About Developmental Language Disorder [978-0-367-70920-4]. Supporting Children with DLD, has been developed to help raise awareness of Developmental Language Disorder, and to highlight the impact of the condition from the child's point of view. With activities, prompts and sample questions, this is an essential resource to enable adults to understand the reality of living with DLD, helping children feel heard and respected, as well as providing a solid foundation for tailoring support to individual needs. Drawing on specific examples from Harry's Story, the book does not assume any prior knowledge of DLD and is designed to offer the reader accessible information and practical advice, teaching as you go. This book: Highlights the link between spoken and written language, addressing the need to recognise the literary difficulties faced by children with DLD Provides practical activities and worksheets that can be used to help children express themselves and ask for help Offers strategies for supporting children's understanding of language, based on common situations and experiences explored in Harry's Story Written to be an accessible introduction to DLD and its effect on children's lives, this is an essential resource for parents and professionals looking to understand the condition.

[Development & Learning for Very Young Children](#) - Hilary Fabian 2009-03-05

'[T]his book has been well planned and provides information which is

relevant for students and teachers alike in supporting teaching and learning. In particular, the practical aspects of group tasks and discussion points enable the reader to develop their reflective skills through the knowledge gained' - ESCalate 'This informative and thought-provoking collection of essays brings together theory, policy and practice for practitioners working with children aged from birth to three years old...It would be a great resource for students' - Nursery World 'This is a very well edited collection easily accessible to everyone involved in the early years, with the common thread being the holistic nature of very young children's learning. Using the contents of the different chapters for reflection and analysis, those implementing the new Early Years Foundation Stage will be able to promote and enhance children's development and learning experiences and certainly their own practices...This book powerfully reminds readers of what is at the heart of their care and learning interactions with babies and young children' - Professor Emeritus Janet Moyles, Play Consultant With a focus on the most critical years in a young child's development, this book brings together the essential theory, policy and practice for everyone working with young children. Concentrating on the 0 to 3 age range, the book considers all relevant legislation such as Every Child Matters and the new Early Years Foundation Stage. The content is organized into four sections: - development and learning; - policy to practice; - leadership and management; - establishing effective relationships. Examining the influence of policy on practice, issues covered include the stages of child development, observing young children, making partnerships with parents, building relationships within and between teams, working in a multi-agency way and creating a caring and stimulating environment. To illustrate practice and aid reflection, the chapters have: - chapter objectives; - case studies; - group tasks; - discussion points; - recommendations for further reading; - useful websites. Suitable for all early years students and practitioners, it is a must-have resource.

How to Draw Characters from Harry Potter - Vincent Van den Berg 2018-06-27

Childhood is an exciting time, during which your budding young artist will constantly be seeing new things and having new experiences. One of

the most rewarding experiences as a parent is watching your child react to these experiences and learn valuable skills - teaching them to draw is the perfect way to do this. Drawing is a valuable talent for any child. It improves their hand-to-eye co-ordination, which is important for many other disciplines - not just art but also writing and learning to play instruments. Through drawing, a child begins to understand the world around them. Without even knowing it, they learn about color, form, perspective and much more. However, being a good artist doesn't happen overnight, and your child can only learn to draw with the appropriate guidance. That is why this book breaks down the process in simple, child-friendly and easy to follow steps. Often, learning to draw can be frustrating but with clear and fun instructions, you can rest assured that they will enjoy their introduction to the exciting world of art. Let their imagination run wild! Once they have perfected the techniques in this book, their creative juices are sure to be flowing. Practice makes perfect, and with a little help your child will be creating perfect drawings which you can cherish.

Teaching with Harry Potter - Valerie Estelle Frankel 2013-02-06

The Harry Potter phenomenon created a surge in reading with a lasting effect on all areas of culture, especially education. Today, teachers across the world are harnessing the power of the series to teach history, gender studies, chemistry, religion, philosophy, sociology, architecture, Latin, medieval studies, astronomy, SAT skills, and much more. These essays discuss the diverse educational possibilities of J.K. Rowling's books. Teachers of younger students use Harry and Hermione to encourage kids with disabilities or show girls the power of being brainy scientists. Students are reading fanfiction, splicing video clips, or exploring Rowling's new website, Pottermore. Harry Potter continues to open new doors to learning.

Garfield Drawing Book Step-By-Step - Leonardo Ricci 2018-08-05

Why teach your kid to draw? There are so many reasons. Not only is it a relaxing and enjoyable experience for a child, but it improves their skills. Many children assume that you can either draw or you can't, but of

course this isn't true. All great artists start somewhere - by observing instructions and practicing. The idea of this book is to provide an easily accessible starting point. Often, seeing an elaborate drawing is intimidating for kids. It is important to break down the process into smaller steps, so that they can learn that the finished product is made up of different elements. Through doing this, they understand that creating impressive art is a journey in itself. Like all skills, it doesn't happen immediately. However, with the right amount of practice and encouragement, your child will improve. It takes weeks, months or even years but the path will be exciting and rewarding for both you and your child. Who knows where it may lead? Maybe there is a budding painter, photographer or sculptor waiting to shine. The only way to find out is to allow them to express themselves and enjoy the process. Use this book to encourage them, amuse them and most importantly let them explore the possibilities that learning to draw has to offer!

[Harry Potter's World Wide Influence](#) - Diana Patterson 2009-10-02

The Harry Potter series forms a single epic story that has been published in nearly 70 languages, and has been examined in a large number of disciplines. This collection of essays contributes to the scholarly discourse that forms Potter Studies. These essays take on the consideration of Rowling's work as being worthy of study as a phenomenon and influence, as well as a work of literary value. They add genuine statistical information about the reasons for the books' popularity, consider their effects on child readers, and examine some deep-rooted reasons for their having been manipulated in American publishing, in film adaptations, in musical complements, and in their thingification in popular culture around the world. Some of these essays take on the critics of the books' religion and considerations of psychological, as well as philosophical good and evil, and well as some stylistic anomalies. The fact that scholars from China, Germany, Poland, Romania, and Israel, in addition to English-speaking nations, have felt compelled to examine these books in detail testifies in part to Harry Potter's world-wide influence.
