The Complete Works of Swami Vivekananda - Volume 6 -

Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this is Volume 6 of the nine volume series constituting 'The Complete Works of Swami Vivekananda'. In these volumes we have not only a gospel to the world at large, but also, to its own children, the Charter of the Hindu faith. For the first time in history, Hinduism itself forms here the subject of generalization of a Hindu mind of the highest order. What Hinduism had needed was the organizing and consolidating of its own idea, a rock where she could lie at anchor, and an authoritative utterance in which she might recognise herself. What the world had needed was a faith that had no fear of truth. Both are found in the words and writings of Swami Vivekananda. It is the latest gospel of a modern Prophet of religion and spirituality to the mankind.

I am Mitchell, the grandson of the Reverend Dr. Matlin DeMarco. But you already know that. Meet Charlie and me—who we are, how we met, and what we have become to each other. Call me Pastor Mitch, as my congregation does. I will fill you in on all the unknown answers that have come up throughout the Twin Memoirs saga that were briefly dwelled upon. My thesis, before ordination by the seminary, will tell you of my belief system. I am a Gnostic Christian. I am a seeker of truth and knowledge and a follower of Jesus. I use the Bible as a reference book, not a statute of limitations as many Christians put upon themselves. Stay with me as the truth be told. In book 12 is the twenty lost years of Michael DeMarco's life after death. I had finally met my granduncle as he shared with me story after story of how he came to terms with his new life in God after becoming a vampire of light. Yes, it is true. Michael, my granduncle, is the last of his kind. He will become the new superhero. Meet Salvatore. Was my grandfather ever lost in space? His spirit never came around to me. And neither did my granduncle and my great-great-grandmother. Why? The last book called Resurrection will answer that question concerning my grandfather. Are you still waiting to hear what took place at Grandad's fiftieth high school reunion and its theme? And what about the urn I found in Granddad's destroyed cabin north of Eagleton? Whose ashes did they belong to?
