**The Owl Who Liked Sitting on Caesar** - Martin Windrow 2014-02-27

'Perched on the back of a sunlit chair was something about 9 inches tall and shaped rather like a plump toy penguin with a nose-job. It appeared to be wearing a one-piece knitted jumpsuit of pale grey fluff with brown stitching, complete with an attached balaclava helmet. From the face-hole of the fuzzy balaclava, two big, shiny black eyes gazed up at me trustfully. Kweep, it said quietly.' When author Martin Windrow met the tawny owlet that he christened Mumble, it was love at first sight. Raising her from a fledgling, through adolescence and into her prime years, Windrow recorded every detail of their time living together (secretly) in a south London tower block, and later in a Sussex village. This is the touching, intriguing and eccentric story of their 15-year relationship, complete with photographs and illustrations of the beautiful Mumble. Along the way, we are given fascinating insight into the ornithology of owls – from their evolution and biology to their breeding habits and hunting tactics. *The Owl Who Liked Sitting on Caesar* is a witty, quirky and utterly charming account of the companionship between one man and his owl.

*Mean High Tide* - James Hall 1995-01-01

Beneath the still blue waters off Key Largo a woman dives into a dazzling array of color. But behind the shimmering schools of fish, somewhere in the shadows of the reef, a death trap awaits. In minutes one life will be expertly, brutally taken, and another plunged into a mean season of fury, obsession, and revenge... His name is Thorn, his world is mangrove islands, open waters, and the ghosts of a too-violent past. Darcy Richards was everything to him. Now, finding her killer is. Wading into a seething mystery, Thorn is catapulted into a nightmare of violence and deception. There lurks a sensual young woman with a hard come-on, an aging former mobster, and a diabolical ex-CIA man. What they all have in common is each other's mad ruthlessness -- and a little red fish that will make some people very rich, and others very dead...

*The Owl in the Hall* - Winfield Townley Scott 1965

**Piranesi** - Susanna Clarke 2020-09-15

WINNER OF THE 2021 WOMEN'S PRIZE FOR FICTION A Sunday Times & New York Times bestseller The spectacular new novel from the bestselling author of JONATHAN STRANGE & MR NORRELL, 'one of our greatest living authors' (NEW YORK MAGAZINE)

\_\_\_\_\_ Piranesi lives in the House. Perhaps he always has. In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food to the Dead. But mostly, he is alone. Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims? Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous. The Beauty of the House is immeasurable; its Kindness infinite.

\_\_\_\_\_ 'What a world Susanna Clarke conjures into being ... Piranesi is an exquisite puzzle-box' DAVID MITCHELL 'It subverts expectations throughout ... Utterly otherworldly' GUARDIAN 'Piranesi astonished me. It is a miraculous and luminous feat of storytelling' MADELINE MILLER 'Brilliantly singular' SUNDAY TIMES 'A gorgeous,

spellbinding mystery ... This book is a treasure, washed up upon a forgotten shore, waiting to be discovered' ERIN MORGENSTERN 'Head-spinning ... Fully imagined and richly evoked' TELEGRAPH

*The Last Wild* - Piers Torday 2014-03-18

"A hugely inventive adventure." —Eoin Colfer, New York Times bestselling author of the Artemis Fowl series In a world where animals are slowly fading into extinction, twelve-year-old Kester Jaynes feels as if he hardly exists either. He's been locked away in a home for troubled children and is unable to speak a word. Then one night, a flock of talking pigeons and a bossy cockroach come to help him escape, and he discovers that he can speak—to them. And the animals need him. Only Kester, with the aid of a stubborn, curious girl named Polly, can help them survive. The animals saved Kester. But can he save them? "When ninety-nine pigeons smash through the windows of Kester's prison and carry him North to the last of the animals... it's a moment as thrilling as when James flies off in the Giant Peach. Highly recommended" —The Times (UK) "Combines a great fondness for animals with an appreciation of the freakish.... The reserved narrative tone and tender yet peculiar view of animals give this piece its own offbeat flavor." —Kirkus Reviews "Alternately somber, thrilling, and silly." —Publishers Weekly

*The Boreal Owl* - Erkki Korpimäki 2012-09-27

Widespread in North American forest regions including the Rocky Mountains, the Boreal Owl (*Aegolius funereus*) was once the most numerous predatory bird in Eurasian boreal forests. Synthesising the results of unique long-term studies of Boreal Owls, this book explores hunting modes, habitats and foods, prey interactions, mating and parental care, reproduction, dispersal, survival and mortality, population regulation and conservation in boreal forests. Providing a detailed introduction to the species, the authors study the complex interactions of Boreal Owls with their prey species. They examine the inter-sexual tug-of-war over parental care, and the behavioural and demographic adaptations to environmental conditions that predictably and markedly fluctuate both seasonally and multi-annually. They also question whether Boreal Owls are able to time their reproductive effort to maximise lifetime reproductive success. Discussing the effect of modern forestry practices on owl populations, the book also examines how Boreal Owls could be managed to sustain viable populations.

*The Owls of Thunder Hollow* - Dan Barnwell 2005-09-12

The Owls of Thunder Hollow have a perfect teaching system for teaching their young. The young owls learn to fly, hunt, and survive within this perfect system. There never has been a problem with the system.

Everything changes when the owls accidentally hatch a strange egg. The young bird is not an owl. It does not fit into their perfect teaching system. This is a story about an honest effort that was made by both teacher and student. After months of frustration and failure, it appears that they have parted with bitter feelings. The young bird is banished from the presence of his friends. The teacher has been denied the affection that she should have received from the young owls that she taught. Many teachers and students have lived through the sadness of a story like this one. If you had hoped for a happy ending, but never were able to find one, you really need this book. The Owls of Thunder Hollow were able to find an end to the story that is seldom achieved in the world of people.

The Rise of a Legend (Guardians of Ga'Hoole) - Kathryn Lasky 2013-07-30  
Bestselling author Kathryn Lasky takes flight once more with a brand-new Guardians of Ga'Hoole novel! An owlet hatches out onto Stormfast Island and into a world torn by war. For one hundred years, his people have fought off enemy owls from the Ice Talons, but the tide has turned. An invasion is coming, one the Kielian League won't have the strength to resist. Soon the tyrant owl Bylyric will rule over everything, and no honorable owl will be safe. Only the small owl from Stormfast stands between Bylyric and total victory. Lyze is not very impressive to look at, but he has a wild idea for a snake and owl strike unit that just might give the soldiers of the Kielian League the edge they need. This is his story, the story of an ordinary owl who rose to become Ezylyrb of the Great Tree. This is the story of what it takes to make a Guardian of Ga'Hoole.

*Impossible Owls* - Brian Phillips 2018-10-02  
NEW YORK TIMES BESTSELLER. SEMI-FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR ART OF THE ESSAY. One of Amazon, BuzzFeed, ELLE, Electric Literature and Pop Sugar's Best Books of 2018. Named one of the Best Books of October and Fall by Amazon, BuzzFeed, TIME, Vulture, The Millions and Vol. 1 Brooklyn. "Hilarious, nimble, and thoroughly illuminating." —Colson Whitehead, author of *The Underground Railroad* A globe-spanning, ambitious book of essays from one of the most enthralling storytellers in narrative nonfiction In his highly anticipated debut essay collection, *Impossible Owls*, Brian Phillips demonstrates why he's one of the most iconoclastic journalists of the digital age, beloved for his ambitious, off-kilter, meticulously reported essays that read like novels. The eight essays assembled here—five from Phillips's Grantland and MTV days, and three new pieces—go beyond simply chronicling some of the modern world's most uncanny, unbelievable, and spectacular oddities (though they do that, too). Researched for months and even years on end, they explore the interconnectedness of the globalized world, the consequences of history, the power of myth, and the ways people attempt to find meaning. He searches for tigers in India, and uncovers a multigenerational mystery involving an oil tycoon and his niece turned stepdaughter turned wife in the Oklahoma town where he grew up. Through each adventure, Phillips's remarkable voice becomes a character itself—full of verve, rich with offhanded humor, and revealing unexpected vulnerability. Dogged, self-aware, and radiating a contagious enthusiasm for his subjects, Phillips is an exhilarating guide to the confusion and wonder of the world today. If John Jeremiah Sullivan's *Pulphhead* was the last great collection of New Journalism from the print era, *Impossible Owls* is the first of the digital age.

*The Owl* - 1916

**Awful Auntie** - David Walliams 2014-09-25

From number one bestselling author David Walliams comes another heartfelt but hilarious hoot of an adventure.

**Into the Outdoors** - Susan Gal 2011-10-11

In Susan Gal's delightful young-concept book, a family travels up a mountain, over a bridge, and under a canopy of trees to reach their campsite in the great outdoors. A forest hike offers more opportunities to showcase words that describe spacial relationships and show young readers where they are in the world. Beside a lake! Next to a waterfall! On top of a mountain! Then after the sun slips behind the hills, they'll snuggle alongside each other and dream sweet dreams inside their tent among the trees. Gal's pictures capture all the beauty of the natural world. And she's included a humorous cast of animal characters on a parallel journey of their own, so the art is full of funny things to spot. This is a gem of a story for parents and teachers to share with their happy campers.

**Owl at Home** - Arnold Lobel 2014

**Red** - Michael Hall 2015-02-03

A blue crayon mistakenly labeled as "red" suffers an identity crisis in this

picture book by the New York Times–bestselling creator of *My Heart Is Like a Zoo*. This funny, heartwarming, colorful picture book about finding the courage to be true to your inner self can be read on multiple levels, and it offers something for everyone. Funny, insightful, and colorful, *Red: A Crayon's Story* is about being true to your inner self and following your own path despite obstacles that may come your way. Red will appeal to fans of Lois Ehlert, Eric Carle, and *The Day the Crayons Quit*, and makes a great gift for readers of any age! Red has a bright red label, but he is, in fact, blue. His teacher tries to help him be red (let's draw strawberries!), his mother tries to help him be red by sending him out on a playdate with a yellow classmate (go draw a nice orange!), and the scissors try to help him be red by snipping his label so that he has room to breathe. But Red is miserable. He just can't be red, no matter how hard he tries! Finally, a brand-new friend offers a brand-new perspective, and Red discovers what readers have known all along. He's blue!

**Downtown Owl** - Chuck Klosterman 2008-09-16

New York Times bestselling author of *The Nineties* and “one of America’s top cultural critics” (*Entertainment Weekly*) Chuck Klosterman’s debut novel brilliantly captures the charm and dread of small-town life—soon to be a major motion picture starring Ed Harris, Vanessa Hudgens, and Henry Golding! Somewhere in rural North Dakota, there is a fictional town called Owl. They don’t have cable. They don’t really have pop culture, but they do have grain prices and alcoholism. People work hard and then they die. But that’s not nearly as awful as it sounds; in fact, sometimes it’s perfect. Mitch Hrlicka lives in Owl. He plays high school football and worries about his weirdness, or lack thereof. Julia Rabia just moved to Owl. A history teacher, she gets free booze and falls in love with a self-loathing bison farmer. Widower and local conversationalist Horace Jones has resided in Owl for seventy-three years. They all know each other completely, except that they’ve never met. But when a deadly blizzard—based on an actual storm that occurred in 1984—hits the area, their lives are derailed in unexpected and powerful ways. An unpretentious, darkly comedic story of how it feels to exist in a community where local mythology and violent reality are pretty much the same thing, *Downtown Owl* is “a satisfying character study and strikes a perfect balance between the funny and the profound” (*Publishers Weekly*).

**Hoot** - Carl Hiaasen 2002-09-10

This Newbery Honor winner and #1 New York Times bestseller is a beloved modern classic. *Hoot* features a new kid and his new bully, alligators, some burrowing owls, a renegade eco-avenger, and several extremely poisonous snakes. Everybody loves Mother Paula's pancakes. Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter?

Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!
