Essays on Nominal Determination -
Henrik Høeg Müller 2008

This volume brings together scholars of diverse theoretical persuasions who all share an interest in capturing the role that nominal determination and reference assignment play in the complicated interplay between thought, language and communication. The articles can be divided roughly into five main areas of concern: the conceptual level of determination; the emergence and function of articles; their semantic contribution to nominal interpretation; the morphology and syntax of determiners; and the interplay and contrasts between articles, demonstratives and

possessives. Thus, linguistic and philosophical issues in the subject field of nominal determination are addressed at all interface levels between morphology, syntax, semantics and pragmatics. This volume shows that different theoretical frameworks may be brought fruitfully together in the effort to formulate new analyses of well-known problems, but also to raise new questions and point to new areas which may prove interesting topics for future research both in functional and formal paradigms.

Through Paediatrics to Psychoanalysis

- Donald W. Winnicott 2018-04-19

The value of Winnicott's work has become more and more widely recognized not only among psychoanalysts but also psychologists, educators, social workers, and men and women in every branch of

medicine; indeed, all whose work or practice involves the care of children in health or sickness. An important part of the value of these writings lies in the uniquely binocular view with which the author regards the subjects of his investigation. With him, pediatrics informs psycho-analysis; psycho-analysis illuminates pediatrics. This book is not concerned with innovation in basic psychoanalytic concepts or techniques, but with the formulation and testing-out of ideas whose origin was in the challenge of day-to-day clinical work that was the staple of Winnocott's medical experience throughout his professional life. This book is arranged in three sections. The first represents Winnicott's attitudes as a pediatrician prior to training in psycho-analysis, and

demonstrates the degree to which a purely formal pediatric approach requires as an effective complement a deeper understanding of the emotional problems of child development.

Nouveau Paris match - 1991

Wind Drinkers - Franck Bouysse
2023-01-17

A thrilling mix of French noir and American Western that charts a family's struggle for freedom and justice in a hostile mountain community. In the godforsaken valley of the Black Rimstone, four siblings meet by the viaduct, a place of their own away from home and daily life, which hold so little for them: Mark, who reads in secret against his father's orders; Matthew, who understands the forest, the river, and all their creatures; Mabel, who

wields her stunning beauty in pursuit of pleasure and independence; and Luke, so often pitied and dismissed as simpleminded, but whose fantastic dreams reveal an uncommon wisdom. Together they live as one, bound by an unshakable bond. Hanging over them, and the rest of the valley, is the bleak prospect of work in the power plant, constructed and controlled by the fearsome Joyce. Having arrived a stranger, he owned the entire town within ten years, and now keeps a stranglehold on it through money and violence. But after generations are used and spit out in service of one man's greed, there comes a breaking point. Winner of the Prix Jean Giono, this masterful, parable-like novel bears witness to the power of nature and the promise of rebellion.

Life, a User's Manual - Georges Perec 1987

Set in a Paris apartment block, this novel describes in minute detail the lives of the inhabitants and the apartments they inhabit at a specific moment in time.

The Mystery of the Yellow Room: Extraordinary Adventures of Joseph Rouletabille, Reporter - Gaston Leroux 2018-02-03

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. La Gaudriole - 1899

Girl on Paper - Guillaume Musso 2012
#1 French Bestselling author of The Reunion 'It's no wonder that Guillaume Musso is one of France's most loved, bestselling authors' Harlan Coben Just a few months ago, Tom Boyd was a multi-million-selling author living in LA, in love with a world-famous pianist. But after a very public break-up he's shut himself away, suffering from total writer's block, with only drink and drugs for company. One night, a beautiful, naked stranger appears in Tom's house. She claims to be Billie, a character from his novels, who has fallen into the real world because of a printer's error in his latest book. Crazy as her story sounds; Tom comes to see that this must be the real

Billie. And she wants to strike a deal with him: if he writes his next novel she can go back to the world of fiction; in return she will help him win back his beloved Aurore. What does he have to lose?

Beauty and the Beast - Gabrielle-Suzanne Barbot de Villeneuve 2017-03
This is the first published version of Beauty and the Beast, written by the French author Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planch . It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's

parentage, which fail to appear in subsequent versions of the now classic fairy tale.

Severe - Régis Jauffret 2012-11-01
Inspired by a tragic event - the murder of banker Edouard Stern - Regis Jauffret imagines how the story unfolds in the mind of the murderess. She had met the banker at an exclusive business dinner: together with other call girls, she was the dessert. Their love was based on sadomasochistic games, including money and firearms. Murder was the orgasmic supreme achievement. Every sentence carries her rough, tortuous and greedy personality. Severe is an explosive blend of violence, passion and crime.

Arresting Citizenship - Amy E. Lerman
2014-06-06

The numbers are staggering: One-third

of America's adult population has passed through the criminal justice system and now has a criminal record. Many more were never convicted, but are nonetheless subject to surveillance by the state. Never before has the American government maintained so vast a network of institutions dedicated solely to the control and confinement of its citizens. A provocative assessment of the contemporary carceral state for American democracy, *Arresting Citizenship* argues that the broad reach of the criminal justice system has fundamentally recast the relation between citizen and state, resulting in a sizable—and growing—group of second-class citizens. From police stops to court cases and incarceration, at each stage of the criminal justice system individuals

belonging to this disempowered group come to experience a state-within-a-state that reflects few of the country's core democratic values. Through scores of interviews, along with analyses of survey data, Amy E. Lerman and Vesla M. Weaver show how this contact with police, courts, and prisons decreases faith in the capacity of American political institutions to respond to citizens' concerns and diminishes the sense of full and equal citizenship—even for those who have not been found guilty of any crime. The effects of this increasingly frequent contact with the criminal justice system are wide-ranging—and pernicious—and Lerman and Weaver go on to offer concrete proposals for reforms to reincorporate this large group of citizens as active participants in

American civic and political life.
Blood & Sugar - Laura Shepherd-
Robinson 2019-01-24
'A page-turner of a crime thriller .
. . This is a world conveyed with
convincing, terrible clarity' – C. J.
Sansom, author of Dissolution. Winner
of the HWA Debut Crown Winner of the
Specsavers Debut Crime Novel Award
Blood & Sugar is the thrilling debut
historical crime novel from Laura
Shepherd-Robinson for fans of C. J.
Sansom and Andrew Taylor. June, 1781.
An unidentified body hangs upon a
hook at Deptford Dock, London –
horribly tortured and branded with a
slaver's mark. Some days later,
Captain Harry Corsham – a war hero
embarking upon a promising
parliamentary career – is visited by
the sister of an old friend. Her
brother, passionate abolitionist Tad

Archer, had been about to expose a
secret that he believed could cause
irreparable damage to the British
slaving industry. He'd said people
were trying to kill him, and now he
is missing . . . To discover what
happened to Tad, Harry is forced to
pick up the threads of his friend's
investigation, delving into the heart
of the conspiracy Tad had unearthed.
His investigation will threaten his
political prospects, his family's
happiness, and force a reckoning with
his past, risking the revelation of
secrets that have the power to
destroy him. And that is only if he
can survive the mortal dangers
awaiting him in Deptford . . . 'A
brilliant book . . . Absolutely
superb' – James O'Brien Shortlisted
for the CWA New Blood Dagger
Shortlisted for the CWA Historical

Dagger Longlisted for the Theakston's Crime Novel of the Year

Paroles - Jacques Prevert 1958-06-01

In the years immediately following World War II, Jacques Prevert spoke directly to and for the French who had come of age during the German Occupation. First published in 1946 by Les Editions de Minuit, a press with its origins in the Underground...

Beauty and the Beast (Illustrated by Walter Crane) - Gabrielle-Suzanne

Barbot De Villeneuve 2011-12-29

The classic fairy tale of Beauty and the Beast illustrated by Walter Crane.

Murambi, The Book of Bones - Boubacar Boris Diop 2006-04-04

"[W]hat is true of Rwanda is true in each of us; we all share in Africa."

-- L'Harmattan "[This novel] comes

closer than have many political scientists or historians to trying to understand why this small country... sank in such appalling violence." -- Radio France International In April of 1994, nearly a million Rwandans were killed in what would prove to be one of the swiftest, most terrifying killing sprees of the 20th century. In *Murambi, The Book of Bones*, Boubacar Boris Diop comes face to face with the chilling horror and overwhelming sadness of the tragedy. Now, the power of Diop's acclaimed novel is available to English-speaking readers through Fiona Mc Laughlin's crisp translation. The novel recounts the story of a Rwandan history teacher, Cornelius Uvimana, who was living and working in Djibouti at the time of the massacre. He returns to Rwanda to try to

comprehend the death of his family and to write a play about the events that took place there. As the novel unfolds, Cornelius begins to understand that it is only our humanity that will save us, and that as a writer, he must bear witness to the atrocities of the genocide. From the novel: "If only by the way people are walking, you can see that tension is mounting by the minute. I can feel it almost physically. Everyone is running or at least hurrying about. I meet more and more passersby who seem to be walking around in circles. There seems to be another light in their eyes. I think of the fathers who have to face the anguished eyes of their children and who can't tell them anything. For them, the country has become an immense trap in the space of just a few hours. Death is

on the prowl. They can't even dream of defending themselves. Everything has been meticulously prepared for a long time: the administration, the army, and the [militia] are going to combine forces to kill, if possible, every last one of them."

Schooling the Daughters of Marianne - Linda L. Clark 1984-06-30

This first book-length study of girls' primary education in France gives a concrete picture of how Frenchwomen were, and are, prepared for their roles in society. Until the 1960s, the primary school provided the only formal education for the majority of French children. Long recognized as a major inculcator of patriotic and moral values, the French primary school also played the vital role of preparing girls for their expected adult lives. Linda L.

Clark describes in detail this socialization process. By analyzing a wide variety of documents from 1870 to the present—textbooks, curriculum materials, students' notebooks, examination questions, inspectors' reports, and teachers' memoirs—she has uncovered not only what was taught to girls, but the social and political assumptions that lay behind the primary school's messages about feminine personalities and activities. The book goes on to establish the relationship of feminine images to important aspects of French social, economic, and political life. A chapter on the preparation of girls for the world of work, for example, reveals the discrepancy between formal teaching about "femininity" and women's actual participation in society.

L'année de la fiction ... polar, S.-F., fantastique, espionnage - 1998

The Reunion - Guillaume Musso
2019-07-09

A glamorous prep school girl goes missing after a love affair with a teacher in this "immensely satisfying" thriller from France's #1 bestselling novelist (Harlan Coben). Twenty-five years ago, on a campus paralyzed by a snowstorm, beautiful 19-year-old Vinca Rockwell ran away with her philosophy teacher after they began a secret affair. For Vinca, "love is everything or nothing." She is never seen again. The once inseparable Manon, Thomas and Maxime -- Vinca's best friends -- have not spoken since graduation. Twenty-five years earlier, under terrible circumstances, the three of

them committed a murder and buried the body in the gymnasium wall, the same wall that is about to be demolished to make way for an ultramodern new building. Now, the three friends are about to meet again at their reunion. Will decades of lies unravel to reveal what really happened on that deadly winter night? Taut, suspenseful, and addictive, *The Reunion* will grip you until its haunting final page.

Problems in General Linguistics,

Volume 1 - Emile Benveniste

2021-08-15

First published fifty years ago, Émile Benveniste's two-volume *Problèmes de linguistique générale* revolutionized the study of linguistics and remain among the most influential texts in the field. This expanded edition of the first volume

presents the original English translation by Mary Elizabeth Meek, produced in close collaboration with Benveniste himself, along with his hitherto untranslated articles on play, translation, singular and plural forms, and Indigenous North American languages. These works are contextualized by an introduction by editor Jordan K. Skinner and a preface by Roland Barthes. This new edition will delight linguists and philosophers already familiar with Benveniste and introduce his work to a new generation of students. Benveniste studies are going through an enthusiastic revival in Europe; after reading this book, readers elsewhere will understand why. **The Great American Novel** - Philip Roth 2010-12-23
The Ruppert Mundys, once the greatest

baseball team in America, are now in a terminal decline, their line-up filled with a disreputable assortment of old men, drunks and even amputees. Around them baseball itself seems to be collapsing, brought down by a bizarre mixture of criminality, stupidity, and The Great Communist Conspiracy, aimed at the very heart of the American way of life. In this hilarious and wonderfully eccentric novel Philip Roth turns his attention to one of the most beloved of all American rituals: baseball. Players, tycoons and the paying public are all targets as Roth satirises the dense tapestry of myths and legends that have grown up around The Great American Pastime.

Germinal - Emile Zola 2020-11-11
Over the open plain, beneath a starless sky as dark and thick as

ink, a man walked alone along the highway from Marchiennes to Montsou, a straight paved road ten kilometres in length, intersecting the beetroot fields. He could not even see the black soil before him, and only felt the immense flat horizon by the gusts of March wind, squalls as strong as on the sea, and frozen from sweeping leagues of marsh and naked earth. No tree could be seen against the sky, and the road unrolled as straight as a pier in the midst of the blinding spray of darkness.

Livres de France - 2007

Includes, 1982-1995: Les Livres du mois, also published separately.

Working with Alienated Children and Families - Amy J. L. Baker 2013

This guidebook pulls together for the first time the best thinking in the field today about different

approaches for working with these families. It is written by and for mental health professionals who work directly with alienated children, targeted parents, and families affected by parental alienation.

Frangipani - Célestine Vaite

2008-12-14

In Tahiti, it's a well-known fact that women are wisest, mothers know best, and Materena Mahi knows best of all -- or so everyone except for her own daughter thinks. Soon enough, mother and daughter are engaged in a tug-of-war that tests the bonds of their love.

Amoris Laetitia - Pope Francis

2016-04-22

"All of us are called to keep striving towards something greater than ourselves and our families, and every family must feel this constant

impulse. Let us make this journey as families, let us keep walking together." Pope Francis, Amoris Laetitia In his groundbreaking work on modern family life, Amoris Laetitia: On Love in the Family, Pope Francis continues to guide and lead the Church, calling us to be a sign of mercy and encouragement for families of all shapes and sizes. The Our Sunday Visitor edition includes exclusive reflection and discussion questions, to help Catholics grow in our understanding of this call, and act upon it. In Amoris Laetitia: On Love in the Family the Holy Father expands on the topics and considerations of the two Synods on the family, and adds his own considerations to help us provide pastoral guidance to support and strengthen today's families. On Love

in the Family guides us through:
Scripture – what we can learn from
Biblical families and relationships
with God and each other Reality – the
experiences and challenges we face in
today's world Tradition – essential
aspects of Church teaching on
marriage and families Love – what it
means for all our relationships
Ministry – Pope Francis offers
pastoral perspectives for helping
build strong families Spirituality –
the expression of the Gospel message
in our relationships

Against Our Will - Susan Brownmiller
2013-09-24

DIVDIV Susan Brownmiller's
groundbreaking bestseller uncovers
the culture of violence against women
with a devastating exploration of the
history of rape—now with a new
preface by the author exposing the
undercurrents of rape still present
today/divDIV Rape, as author Susan
Brownmiller proves in her startling
and important book, is not about sex
but about power, fear, and
subjugation. For thousands of years,
it has been viewed as an acceptable
“spoil of war,” used as a weapon by
invading armies to crush the will of
the conquered. The act of rape
against women has long been cloaked
in lies and false
justifications./divDIV It is ignored,
tolerated, even encouraged by

governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to “blame the victim,” and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States./divDIV Against Our Will is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages./divDIV Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library’s Books of the Century, Against Our Will remains an essential

work of sociological and historical importance./divDIV/div/div **Sacrifice** - Henri Hubert 1981-12-15 Marcel Mauss was the nephew and most distinguished pupil of mile Durkheim, whose review L'Ann e sociologique he helped to found and edit. Henri Hubert was another member of the group of sociologists who developed under the influence of Durkheim. The present book is one of the best-known essays pulbished in L'Ann e sociologique and has been regarded as a model for method and mode of interpretation. Its subject is at the very center of the comparative study of religion. The authors describe a basic sacrifice drawn from Indian sources and show what is fundamental and constant, comparing Indian and Hebrew practices in particular, then Greek and Roman, then additional

practices from many eras and cultures.

The Rift - Nina Allan 2017-07-11
Selena and Julie are sisters. As children they were closest companions, but as they grow towards maturity, a rift develops between them. There are greater rifts, however. Julie goes missing at the age of seventeen. It will be twenty years before Selena sees her again. When Julie reappears, she tells Selena an incredible story about how she has spent time on another planet. Selena has an impossible choice to make: does she dismiss her sister as a damaged person, the victim of delusions, or believe her, and risk her own sanity in the process? Is Julie really who she says she is, and if she isn't, what does she have to gain by claiming her sister's

identity? The Rift is a novel about the illusion we call reality, the memories shared between people and the places where those memories diverge, a story about what might happen when the assumptions we make about the world and our place in it are called into question.

La Bête humaine - Émile Zola
2009-01-29

Did possessing and killing amount to the same thing deep within the dark recesses of the human beast? *La Bête humaine* (1890), is one of Zola's most violent and explicit works. On one level a tale of murder, passion and possession, it is also a compassionate study of individuals derailed by atavistic forces beyond their control. Zola considered this his 'most finely worked' novel, and in it he powerfully evokes life at

the end of the Second Empire in France, where society seemed to be hurtling into the future like the new locomotives and railways it was building. While expressing the hope that human nature evolves through education and gradually frees itself of the burden of inherited evil, he is constantly reminding us that under the veneer of technological progress there remains, always, the beast within. This new translation captures Zola's fast-paced yet deliberately dispassionate style, while the introduction and detailed notes place the novel in its social, historical, and literary context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment

to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Collected Poetry - Aime Cesaire
1983-10-03

The surrealist poetry of the noted Martinican author, Aime Cesaire, portrays Africa's fight for freedom from colonialism

Waiting For The Wild Beasts To Vote -

Ahmadou Kourouma 2011-01-25

Ahmadou Kourouma's remarkable novel is narrated by Bingo, a West African sora - storyteller and king's fool. Over the course of five nights he

tells the life story of Koyaga, President and Dictator of the Gulf Coast. Orphaned at the age of seven, Koyaga grows up to be a terrible hunter; he fights mythical beasts, and is a shape-shifter, capable of changing himself into beasts and birds. He fights in the French colonial armies, in Vietnam and Algeria, but on his return he mounts a coup and becomes ruler and dictator of the Gulf Coast. For thirty years he runs a corrupt but 'clean' state, surviving repeated assassination attempts and gaining support and investment from abroad. But when the 'First World' decides it no longer want to support dictatorships and call for democracy, he needs another ruse to maintain himself in power... Part magic, part history, part savage satire, Waiting for the Wild Beasts

to Vote is nothing less than a history of post-colonial Africa itself.

Les Miserables; Volume 3 - Victor Hugo 2022-10-27

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
