Fluent Forever - Gabriel Wyner 2014-08-05
NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly

modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-

repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. *Schaum's Outline of Russian Grammar, Second Edition* - James Levine 2009-05-01 The guide that helps students study faster, learn better, and get top grades More than 40 million students have trusted Schaum's to help them study faster, learn better, and get top grades. Now Schaum's is better than ever—with a new look, a new format with hundreds of practice problems, and completely updated information to conform to the latest developments in every field of study. Master the Russian Alphabet, a Handwriting Practice Workbook - Lang Workbooks 2019-09-11

Do you want to perfect your handwriting? Do you need a trustworthy resource to teach your small children to trace the Russian alphabet? Then this workbook is the perfect companion for your studies. In it, you'll find all the modern Russian consonants and vowels, including upper and lower case variations in both the print and cursive handwriting styles. Your benefits: Clear large letters make it easy to recognize even the most detailed of the Russian characters. Detailed stroke order instructions provide you with a strong foundation to build your skills. Dedicated "Trace and Learn" sections are designed to imprint proper stroke technique unto your

muscle memory. Font variations in both the print and cursive form of each letter train your brain to recognize alternative character styles easily. Simple pronunciation guidelines prevent you from feeling overwhelmed while helping you to understand the basic sound of each letter. As a bonus, for each character, you'll find extra 8.5 x 11 inches pages fully dedicated to the handwriting practice of that letter, in both print and cursive, uppercase and lowercase, with and without a guiding background light-gray letter. Feel free to photocopy these pages as you wish to extend the lifetime value of your workbook. Special information: As with all Lang Workbooks, this work is a labor of love. Accordingly, if you are a teacher, a student of Russian, or homeschooling your children, then you can photocopy any part of this workbook for your own, or your students, personal use.

Learning to write the Russian script by heart has never been made easy.
