Rain Rider - B. F. Harrolle 2010-11-15

As time passed and gray hair had filtered into his temples, David Stone

longed for a woman he had loved for more than half of his life. He had made the mistake of walking away from her. As for Martha, she kept away from him; she never wanted to be heartbroken again. She never felt that she needed another man; she figured they were all the same. Years would pass by without them even seeing each other. However, Dave ventures out to change that, as he sets out to recover a relationship that should have never ended in the first place.

The Hero, the Protector, the Healer, and the Lover - Carol Brannin
2020-08-24

At a graduation ceremony at a large Midwestern high school in 1964, three fine young men from different walks of life and a kind young woman formed a friendship that would last for many years. They loved and cared for one another through hardships and shared their strengths and hearts. Gene Sandusky-popular and admired by all. He was gentle and sensitive yet exceptionally charismatic. Gene was a football quarterback and magic on the basketball court. He was class president, graduation speaker, and recipient of scholarships and awards. To Carol, he was the kindest, most handsome man, but somewhat sad. Gene was highly respected, and he was the hero. Mike McVary-brilliant, athletic, and wealthy. He could have gone to the best college, but he chose to go to Vietnam instead. He was generous to a fault and helped veterans and his friends although there

were some things his money couldn't buy. He was extremely protective, especially of Carol. Mike had an infectious, pleasant personality, and he was the protector. Carol Sullivan-kind, pretty, and smart. Alongside Mike, she was considered rebellious and denied honors and scholarships. She was a generous girl who gave of her heart. When her friends were ill or injured, she knew how to help and heal them. She carried many secrets locked within her heart. Carol was very strong, and she was the healer. John Kelley-abused as a child and handicapped, but he always smiled. His three friends tried to make his life easier. Even though growing up in extreme poverty, John had a sweet nature and loved everyone. No matter how many times he was knocked down, he always got up and tried again. John was a survivor, and he was the lover.

Our Kindred Spirits - Hattie Foster Soil 2011-11-28

Our Kindred Spirits takes place in the early 1960's in the Deep South, and tells the story of two families; rich and white, the Connolly's and poor African Americans, the Halls. These lifelong families weaved together by love and are suddenly hit by the eye of the storm which has reared its worst impact on everyone's lives. Will the ties that bind, persevere the Connolly's wavering willingness to fight for what is right? Can the Hall's personal struggles with life's hardships be overcome while maintaining values and beliefs? Trust in both families will be tested by trials, disloyalty and sacrifice.

The Least of These - Kathleen Neely 2019-05-31

The Tragedy of Strangers brought Him Face-to-face with His Past Journalist Scott Harrington sets out to write a documentary on the lives of three homeless men. He hopes to win a prestigious award and his father's respect. In the process, he uncovers stories of heartbreak, trauma, and rejection, causing him to revisit his own tragic past and the guilty secret

that he holds. Claire Bassett has been searching for her husband who went missing a year ago. The attentions of another man cause her to question if she should continue to search or move on with her life. As Scott and Claire's stories overlap, will there be restoration or rejection?

A Zombie Nation - Charlie (Chawtoma) Davis 2017-06-08

A Zombie Nation: Walking with the Dead unveils the anatomy of radicalization and how a radical ideology can inspire young minds to become an extremist people. Randy Oakley comes face-to-face with gangsters who threaten freedom and democracy. He must choose how he will live his life—in fear or freedom. Randy struggles against the pressure to adopt a radical view of the world or accept his identity as an American citizen. He finds the most dangerous people are ones who walk among us, who are educated in the best universities, but who hate the freedom that America stands for. Randy must decide if he will stay loyal to his country and keep his freedom or be enslaved to a radical identity.

The Biography of a Mental Muscle - Cornell F. Evans Jr. 2021-05-19

The Biography of a Mental Muscle is true story of the pathway and experiences of a man who grew up in the streets of Washington, DC, although he was surrounded by a positive family. This book depicts a young man who somehow became wayward in his conduct and behavior and landed in some form of serious detention more than one time during his youth. Before turning his life around, Cornell Evans Jr. was a boxer, hustler, a father, a husband, a military man, an inmate, and a barber. Evans took all of those things and filled the book to showcase loyalty, honor, integrity, respect, betrayal, pain, deceit, and triumph. The Biography of a Mental Muscle is truly about how important using your

brain is in making decisions that not only affect you but those around you, as Cornell learned through his stint in jail, in which he left behind his wife and kids. While there, he sought a higher power and found one that turned his life around. Throughout the book, you can feel his ups and downs and read what made him continue on and to continue to grow as a man today. The biggest down was his wife's illness while he was in jail. His biggest high was writing this book. His story is not unlike many hard-knock stories, but the significance of Evans's life is about being strong enough to use your mental muscle to fight to make the right decisions in your life so that you can get back up when knocked down—like he did.

[Very Good Lives](#) - J. K. Rowling 2015-04-14

J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, VERY GOOD LIVES presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

[Minority Tech](#) - Anjuan Simmons 2013-07-28

The technology field has become a key driver of the world economy. Companies like Apple, Google, Microsoft, and Facebook are not only iconic organizations, but their founders are often legends in their own right. However, the ethnic and gender make-up of these companies are overwhelmingly reflections of their founders: white males. Anjuan Simmons has worked in the technology industry for 20 years as a software developer, infrastructure architect, and software project manager. His experiences as a minority in the technology industry inspired him to describe them on his blog. Minority Tech is a curated, edited, and augmented selection of those blog entries. The titles covered include: The New Negro Problem, America and the Loss of the Black Genius, A Code of Conduct for Black Men, Why I Believe in Affirmative Action, What the world Needs from Trayvon Martin, 3 Reasons Why the Technology Industry Needs More Diversity, What Facebook Taught Me about Rape Prevention, and more.

U.S. Presidents and Foreign Policy - Carl C. Hodge 2006-12-13

This work is a unique single source for information on the foreign policy—wars, treaties, initiatives, and doctrines—of all 43 presidents of the United States. From George Washington's isolationism to the Monroe Doctrine of hemispheric right to domination to Teddy Roosevelt's imperialism through George W. Bush's global war against terror, U.S. foreign policy has charted a varied course. As the area where the president has the most freedom of action, foreign policy can, and often does, change precipitously, according to the incumbent's view of the world. No other branch of government rivals the president's role in America's rise from liberal republic to global superpower. This work brings together the scholarship of leading historians and political scientists to present in-depth examination of the foreign policy of each president of the United States. This thorough presentation covers all aspects of international relations; although the work is not primarily interpretive, it does not shy from pointing out both notable successes and failures. The book's 43 essays present quick access to the whole of the history of American foreign policy.

Use Your Head to Get Your Foot in the Door - Harvey Mackay 2010-02-18
New York Times, Wall Street Journal, and USA Today bestseller "You can have the finest moves in the talent contest, you can boast a trophy speed-dial list on your iPhone, you can possess the single-mindedness of Paul Revere and be as self-assured as Muhammad Ali . . . and you still won't nail the job unless you know how to mold and merchandise your personal pitch. If this is true when times are booming-and it is-you can only imagine how true it is in times like these." Harvey Mackay, Fortune magazine's "Mr. Make- Things-Happen," has written five New York Times bestsellers, including one of the most popular business books of all time- Swim with the Sharks Without Being Eaten Alive. Now he returns with the ultimate book on how to get, and keep, a job you truly love whether you're twenty-one, fifty-one, or seventy-one. The average person will have at least three career changes and ten different jobs by age thirty-eight. In this era of downsizing and outsourcing, you can never be sure your job will still exist in five years- or five weeks. So you'd better think of your

career as a perpetual job search. That demands a passion for lifetime learning and the skills for relentless and effective networking. Mackay shows you how to be at your best when things are at their worst. His hard-hitting topics include: - beating rejection before it beats you - warning signals that you might be losing your job - acing interviews - negotiating the job you want not the job they offer - taking advantage of the way bosses make hiring decisions - blending the latest contact tools with old-fashioned face-to-face networking Uplifting, amusing, and jam-packed with proven tips, Use Your Head to Get Your Foot in the Door will guide you through the toughest job market in decades. It's also the definitive A-to-Z career resource for the rest of your life.

Complex Puzzle is a Coming to Age Historical Fiction of a trusting black girl growing up in a family of 7 children to a single Mother. Her mother, having experienced many hardships, feels Kimberly is a target to those who have negative intentions. Kimberly's mother, The Queen as she calls her, is hard on the youngster as she tries to prevent the streets from absorbing her. It's evident that Kimberly fails to understand the hardships faced by blacks in the late 1960's so the Queen tries in the only way she knows to get Kim to toughen up. Kimberly, being a teenager, fights her mother, as she believes she is not loved. At the same time her eyes open to the racial problems in Baltimore city and the country.

Complex Puzzle - R.C. McDonald 2018-08-15

14-year-old Kimberly Carter was not sure why she was forced to endure the hardships faced before her 14th birthday. There were times she wanted to end it all and there were times she wanted to end the lives of those who made her life a living hell. Kimberly wondered if she deserved to live the life she was given, she wondered why those responsible for protecting her were the very people causing the hell in which she lived. Racial tensions have plagued the black community for decades. Black adults have expressed their dissatisfaction with the treatment of black Americans. This inhumane treatment, in cases, has led to the deaths of everyday black citizens as well as powerful black leaders such as Dr. Martin Luther King Jr. As blacks suffered tremendously as slaves we continue to suffer even today as free people. Black adults have felt the impact of the color of their skin as they have been denied employment to high paying jobs, given a substandard education and are forced to live in

inferior housing. While Black American Adults believe they have a good ideal of the world and how it impacts the black community the young Black teen is not so sure what to make of the turmoil. As a child growing up in Baltimore 1968 life was rough for 13-year-old Kimberly Carter. It was during the tumultuous times leading to the death of Dr. King and the great riots of Baltimore City when the young teenager began to realize the world as it stood. Complex Puzzle is a Coming to Age Historical Fiction of a trusting black girl growing up in a family of 7 children to a single Mother. Her mother, having experienced many hardships, feels Kimberly is a target to those who have negative intentions. Kimberly's mother, The Queen as she calls her, is hard on the youngster as she tries to prevent the streets from absorbing her. It's evident that Kimberly fails to understand the hardships faced by blacks in the late 1960's so the Queen tries in the only way she knows to get Kim to toughen up. Power in Words - Mary Frances Berry 2010-10-12

Whatever his ratings, Obama remains personally popular, widely acknowledged for his soaring oratory. His words were one of the lasting legacies of his presidential campaign and are proving to be among his most effective governing weapons. In Power in Words, distinguished historian and civil rights activist Mary Frances Berry and former presidential speechwriter Josh Gottheimer introduce Obama's most memorable speeches, from his October 2002 speech against the war in Iraq and his November 2008 election-night victory speech to "A More Perfect Union," his March 2008 response to the Reverend Wright controversy, and lesser-known but revealing speeches, such as one given in Nairobi, Kenya, in August 2006. For each speech, Berry and Gottheimer add a rich introduction that includes political analysis, provides insight and historical context, and features commentary straight from the speechwriters themselves—including Jon Favreau, Obama's chief speechwriter, and several other Obama campaign writers. Compelling and enduring, Power in Words delivers the behind-the-scenes account of

Obama's rhetorical legacy and is a collection to relish for years to come.

Hey, Dad - Sean Nguyen 2010-09-02

Hey, Dad! is an incredible novel of a single father of three kids. His wife left him with three young kids. He stayed single to raise his kids. He also tried to find the other child he fathered when he was in high school at age fifteen. A few years later, he met a rich woman. At first, her family didn't agree with her decision to marry a single father of three kids. Her parents

thought that he married her for money, but she truly loved him and he truly loved her. They married and had two sets of twins. He also found his other child after seventeen years. His three sons graduated from high school. His older son joined in military. His other two sons went to college. His life was going so good with a happy life as he had wished for. A few years later, his wife was diagnosed with breast cancer. She passed away and left him with two sets of twins. His older son went to Iraq. His son ended up missing in Iraq. His life became a miserable. He lost his wife, and his son could die in Iraq.
