Just exercise just what we come up with the money for below as capably as evaluation **Humans Of New York English Edition** what you similar to to read!

How You Say It - Katherine D. Kinzler 2020

"We gravitate toward people like us; it's human nature. Race, class, and gender affect this social identity, but one overlooked factor can be even more powerful: the way we speak. As pioneering psychologist Katherine Kinzler reveals in *How You Say It*, that's because our speech largely reflects the voices we heard as children. We can change how we speak to some extent, whether by "code-switching" between dialects or learning a new language. But for the most part we are forever marked by our native tongue-and are hardwired to prejudge others by theirs, often with serious consequences. Your accent alone can determine the economic opportunity or discrimination you encounter in life, making speech one of the most urgent social-justice issues of our day. Ultimately, Kinzler shows, our linguistic differences can also be a force for good. For her research reveals that exposure to different languages is beneficial-a paradox that hints at the benefits we can reap from mastering this ancient source of tribalism"--

[Temporary People](#) - Deepak Unnikrishnan 2017-03-14

Winner of the Restless Books Prize for New Immigrant Writing "Guest

workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship. Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called "guest workers" of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked

stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who've fallen from buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don't, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review "Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine* "Inaugural winner of the Restless Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those known euphemistically as 'guest workers.' VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended."

—Henry Bankhead, *Library Journal*, Starred Review "Unnikrishnan's debut novel shines a light on a little known world with compassion and keen insight. The Temporary People are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter." —Susan Hans O'Connor, Penguin Bookshop (Sewickley, PA) "Deepak Unnikrishnan uses linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a set of circumstances, and the circumstances themselves." —Ru Freeman, author of *On Sal Mal Lane* "Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped." —Deb Olin Unferth, author of *Revolution* "From the strange Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I've ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice." —Hilary Gustafson, *Literati Bookstore* (Ann Arbor, MI) "Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers, brought to the United Arab Emirates to do menial and everyday

jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in Temporary People are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious." —Becky Milner, Vintage Books (Vancouver WA)

Humans - Brandon Stanton 2020-10-06

'Just when we need it, Humans reminds us what it means to be human . . . one of the most influential art projects of the decade' - Washington Post
Brandon Stanton's Humans is a book that connects readers as global citizens at a time when erecting more borders is the order of the day. It shows us the entire world, one story at a time . . . Brandon Stanton's Humans - his most moving and compelling book to date - shows us the world. After five years of traveling the globe, the creator of Humans of New York brings people from all parts of the world into a conversation with readers. He ignores borders, chronicles lives and shows us the faces of the world as he saw them. His travels took him from London, Paris and Rome to Iraq, Dubai, Ukraine, Pakistan, Jordan, Uganda, Vietnam, Israel and every other place in between. His interviews go deeper than before. His chronicling of peoples' lives shows the experience of a writer who has traveled widely and thought deeply about the state of our world. Including hundreds of photos and stories of the people he met and talked with in over forty countries, Humans is classic Brandon Stanton - a full colour illustrated book that includes many photos and stories never seen before. For the first time for a HONY title, Humans will contain several of the essays Brandon's posted online which have been read, loved and enthusiastically shared by his followers.

The Mole People - Jennifer Toth 1995-10-01

This book is about the thousands of people who live in the subway, railroad, and sewage tunnels of New York City.

Humans of New York - Brandon Stanton 2020-10-06

Based on the blog with more than four million loyal fans, a beautiful, heartfelt, funny, and inspiring collection of photographs and stories capturing the spirit of a city Now an instant #1 New York Times

bestseller, Humans of New York began in the summer of 2010, when photographer Brandon Stanton set out to create a photographic census of New York City. Armed with his camera, he began crisscrossing the city, covering thousands of miles on foot, all in an attempt to capture New Yorkers and their stories. The result of these efforts was a vibrant blog he called "Humans of New York," in which his photos were featured alongside quotes and anecdotes. The blog has steadily grown, now boasting millions of devoted followers. Humans of New York is the book inspired by the blog. With four hundred color photos, including exclusive portraits and all-new stories, Humans of New York is a stunning collection of images that showcases the outsized personalities of New York. Surprising and moving, printed in a beautiful full-color, hardbound edition, Humans of New York is a celebration of individuality and a tribute to the spirit of the city. With 400 full-color photos and a distinctive vellum jacket

The Federalist Papers - Alexander Hamilton 2009-04-28

This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women's rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

The Bridge to Brilliance - Nadia Lopez 2016-08-30

Be inspired by the magnetic young principal who "stands on the front line of the fight to educate America's children." (Brandon Stanton, author of Humans of New York) and the book that Essence calls "Essential

reading." In 2010, Nadia Lopez started her middle-grade public school, Mott Hall Bridges Academy, in one of America's poorest communities, in a record heat wave—and crime wave. Everything was an uphill battle—to get the school approved, to recruit faculty and students, to solve a million new problems every day, from violent crime to vanishing supplies—but Lopez was determined to break the downward spiral that had trapped too many inner-city children. The lessons came fast: unengaged teachers, wayward students, and the educational system itself, rarely in tune with the already disadvantaged and underprepared. Things were at a low ebb for everyone when one of her students told a photographer that his principal, "Ms. Lopez," was the person who most influenced his life. The posting on Brandon Stanton's Humans of New York site was the pebble that started a lucky landslide for Lopez and her team. Lopez found herself in the national spotlight and headed for a meeting with President Obama, as well as the beneficiary of a million-dollar campaign for the school, to fund her next dream: a field trip for her students to visit another school—Harvard. *The Bridge to Brilliance* is a book filled with common sense and caring that will carry her message to communities and classrooms far from Brooklyn. As she says, modestly, "There are hundreds of Ms. Lopezes around this country doing good work for kids. This honors all of them."

New Yorkers: A City and its People in Our Time - Craig Taylor
2021-03-23

Winner of the 2021 Brooklyn Public Library Literary Prize A symphony of contemporary New York through the magnificent words of its people—from the best-selling author of *Londoners*. In the first twenty years of the twenty-first century, New York City has been convulsed by terrorist attack, blackout, hurricane, recession, social injustice, and pandemic. *New Yorkers* weaves the voices of some of the city's best talkers into an indelible portrait of New York in our time—and a powerful hymn to the vitality and resilience of its people. Best-selling author Craig Taylor has been hailed as "a peerless journalist and a beautiful craftsman" (David Rakoff), acclaimed for the way he "fuses the mundane truth of conversation with the higher truth of art" (Michel Faber). In the

wake of his celebrated book *Londoners*, Taylor moved to New York and spent years meeting regularly with hundreds of New Yorkers as diverse as the city itself. *New Yorkers* features 75 of the most remarkable of them, their fascinating true tales arranged in thematic sections that follow Taylor's growing engagement with the city. Here are the uncelebrated people who propel New York each day—bodega cashier, hospital nurse, elevator repairman, emergency dispatcher. Here are those who wire the lights at the top of the Empire State Building, clean the windows of Rockefeller Center, and keep the subway running. Here are people whose experiences reflect the city's fractured realities: the mother of a Latino teenager jailed at Rikers, a BLM activist in the wake of police shootings. And here are those who capture the ineffable feeling of New York, such as a balloon handler in the Macy's Thanksgiving Day Parade or a security guard at the Statue of Liberty. Vibrant and bursting with life, *New Yorkers* explores the nonstop hustle to make it; the pressures on new immigrants, people of color, and the poor; the constant battle between loving the city and wanting to leave it; and the question of who gets to be considered a "New Yorker." It captures the strength of an irrepressible city that—no matter what it goes through—dares call itself the greatest in the world.

Very Cold People - Sarah Manguso 2022-02-08

The masterly debut novel from "an exquisitely astute writer" (The Boston Globe), about growing up in—and out of—the suffocating constraints of small-town America. "Compact and beautiful . . . This novel bordering on a novella punches above its weight."—The New York Times "Very Cold People reminded me of My Brilliant Friend."—The New Yorker ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, NPR, Los Angeles Times, The Guardian, Good Housekeeping "My parents didn't belong in Waitsfield, but they moved there anyway." For Ruthie, the frozen town of Waitsfield, Massachusetts, is all she has ever known. Once home to the country's oldest and most illustrious families—the Cabots, the Lowells: the "first, best people"—by the tail end of the twentieth century, it is an unforgiving place awash with secrets. Forged in this frigid landscape Ruthie has been dogged by feelings of inadequacy her whole life. Hers is

no picturesque New England childhood but one of swap meets and factory seconds and powdered milk. Shame blankets her like the thick snow that regularly buries nearly everything in Waitsfield. As she grows older, Ruthie slowly learns how the town's prim facade conceals a deeper, darker history, and how silence often masks a legacy of harm—from the violence that runs down the family line to the horrors endured by her high school friends, each suffering a fate worse than the last. For Ruthie, Waitsfield is a place to be survived, and a girl like her would be lucky to get out alive. In her eagerly anticipated debut novel, Sarah Manguso has written, with characteristic precision, a masterwork on growing up in—and out of—the suffocating constraints of a very old, and very cold, small town. At once an ungilded portrait of girlhood at the crossroads of history and social class as well as a vital confrontation with an all-American whiteness where the ice of emotional restraint meets the embers of smoldering rage, *Very Cold People* is a haunted jewel of a novel from one of our most virtuosic literary writers.

The Code Breaker - Walter Isaacson 2021-03-09

A Best Book of 2021 by Bloomberg BusinessWeek, Time, and The Washington Post The bestselling author of *Leonardo da Vinci* and *Steve Jobs* returns with a “compelling” (The Washington Post) account of how Nobel Prize winner Jennifer Doudna and her colleagues launched a revolution that will allow us to cure diseases, fend off viruses, and have healthier babies. When Jennifer Doudna was in sixth grade, she came home one day to find that her dad had left a paperback titled *The Double Helix* on her bed. She put it aside, thinking it was one of those detective tales she loved. When she read it on a rainy Saturday, she discovered she was right, in a way. As she sped through the pages, she became enthralled by the intense drama behind the competition to discover the code of life. Even though her high school counselor told her girls didn't become scientists, she decided she would. Driven by a passion to understand how nature works and to turn discoveries into inventions, she would help to make what the book's author, James Watson, told her was the most important biological advance since his codiscovery of the structure of DNA. She and her collaborators turned a curiosity of nature

into an invention that will transform the human race: an easy-to-use tool that can edit DNA. Known as CRISPR, it opened a brave new world of medical miracles and moral questions. The development of CRISPR and the race to create vaccines for coronavirus will hasten our transition to the next great innovation revolution. The past half-century has been a digital age, based on the microchip, computer, and internet. Now we are entering a life-science revolution. Children who study digital coding will be joined by those who study genetic code. Should we use our new evolution-hacking powers to make us less susceptible to viruses? What a wonderful boon that would be! And what about preventing depression? Hmm...Should we allow parents, if they can afford it, to enhance the height or muscles or IQ of their kids? After helping to discover CRISPR, Doudna became a leader in wrestling with these moral issues and, with her collaborator Emmanuelle Charpentier, won the Nobel Prize in 2020. Her story is an “enthraling detective story” (Oprah Daily) that involves the most profound wonders of nature, from the origins of life to the future of our species.

Revelation - 1999-01-01

The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Tanqueray - Brandon Stanton 2022-07-12

“A deeply touching memoir . . . A beautiful, sometimes shocking NC-17 story, kept out of the lily-white, upper crust canon of literature—until now.” —The Washington Post The storytelling phenomenon *Humans of New York* and its #1 bestselling books have captivated a global audience of millions with personal narratives that illuminate the human condition. But one story stands apart from the rest... She is a woman as fabulous, unbowed, and irresistible as the city she lives in. Meet TANQUERAY. In 2019, *Humans of New York* featured a photo of a woman in an outrageous fur coat and hat she made herself. She instantly captured the attention of millions. Her name is Stephanie Johnson, but she's better

known to HONY followers as “Tanqueray,” a born performer who was once one of the best-known burlesque dancers in New York City. Reeling from a brutal childhood, immersed in a world of go-go dancers and hustlers, dirty cops and gangsters, Stephanie was determined to become the fiercest thing the city had ever seen. And she succeeded. Real, raw, and unapologetically honest, this is the full story of Tanqueray as told by Brandon Stanton—a book filled with never-before-told stories of Tanqueray's struggles and triumphs through good times and bad, personal photos from her own collection, and glimpses of New York City from back in the day when the name “Tanqueray” was on everyone’s lips.

New York City Like a Local - DK Eyewitness 2023-05-04

Keen to explore a different side of New York City? Like a Local is the book for you. This isn't your ordinary travel guide. You won't find the Met or the Statue of Liberty in these pages, because that's not where New Yorker's hang out. Instead, you'll meet the locals at off-broadway theatres putting on quirky productions, old Ukrainian diners serving up family recipes, and speakeasies hosting secret parties - and that's where this book takes you. Turn the pages to discover: - The small businesses and community strongholds that add character to this vibrant city, recommended by true locals. - 6 themed walking tours dedicated to specific experiences such as flea markets and movie theatres. - A beautiful gift book for anyone seeking to explore New York City. - Helpful 'what3word' addresses, so you can pinpoint all the listed sights. Compiled by proud locals, this stylish travel guide is packed with New York's best experiences and hidden spots, handily categorised to suit your mood and needs. Whether you're a restless New Yorker on the hunt for a new hangout, or a visitor keen to discover a side you won't find in traditional guidebooks, New York City Like A Local will give you all the inspiration you need. About Like A Local: These giftable and collectable guides from DK Eyewitness are compiled exclusively by locals. Whether they're born-and-bred or moved to study and never looked back, our experts shine a light on what it means to be a local: pride for their city, community spirit and local expertise. Like a Local will inspire readers to celebrate the secret as well as the iconic - just like the locals who call the

city home. Looking for another guide to New York City? Explore further with our DK Eyewitness or Top 10 guides to New York City.

[Millennials of New York](#) - Connor Toole 2016-10-04

For fans of both the irreverent *Stuff White People Like* and the lauded *Humans of New York* comes the perfect send-up: *Millennials of New York*, a hilarious satire of the millennial generation, from the creators of the viral Facebook sensation and senior writers at *Elite Daily*. Discover the voice of a generation—self- and selfie-absorbed as it may be—in *Millennials of New York*. With over two hundred pictures, lists, graphs, and charts, authors Connor Toole and Alec Macdonald brilliantly parody this generation with their smart and witty captures of young people from all over New York. Covering everything from how hard it is to wait for a brunch table to the intricacies of Netflix-and-chill, from what constitutes the perfect selfie to how to ask your parents for rent money, *Millennials of New York* is the ideal gift for millennials and the people who love them—even if they don’t quite understand them.

Humans of New York - Brandon Stanton 2015-01-01

A Number One New York Times bestseller, *Humans of New York* began in the summer of 2010, when photographer Brandon Stanton set out on an ambitious project: to single-handedly create a photographic census of New York City. Armed with his camera, he began crisscrossing the city, covering thousands of miles on foot, all in his attempt to capture ordinary New Yorkers in the most extraordinary of moments. The result of these efforts was *Humans of New York*, a vibrant blog in which he featured his photos alongside quotes and anecdotes. The blog has steadily grown, now boasting nearly a million devoted followers. *Humans of New York* is the book inspired by the blog. With four hundred colour photos, including exclusive portraits and all-new stories, and a distinctive vellum jacket it is a stunning collection of images that will appeal not just to those who have been drawn in by the outsized personalities of New York, but to anyone interested in the breathtaking scope of humanity it displays. Heartfelt and moving, *Humans of New York* is a celebration of individuality and a tribute to the spirit of a city.

People Walk on Their Heads - Moses Weinberger 1982

Sapiens - Yuval Noah Harari 2014-09-04

In just a fraction of that time, one species among countless others has conquered it: us. In this bold and provocative book, Yuval Noah Harari explores who we are, how we got here and where we're going. The perfect gift for curious readers this Christmas. _____ PRAISE FOR SAPIENS: 'Jaw-dropping from the first word to the last... It may be the best book I've ever read' Chris Evans 'Sweeps the cobwebs out of your brain... Radiates power and clarity' Sunday Times 'It altered how I view our species and our world' Guardian 'Startling... It changes the way you look at the world' Simon Mayo 'I would recommend Sapiens to anyone who's interested in the history and future of our species' Bill Gates ****ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY****

We the Corporations: How American Businesses Won Their Civil Rights - Adam Winkler 2018-02-27

A landmark exposé and “deeply engaging legal history” of one of the most successful, yet least known, civil rights movements in American history (Washington Post). In a revelatory work praised as “excellent and timely” (New York Times Book Review, front page), Adam Winkler, author of *Gunfight*, once again makes sense of our fraught constitutional history in this incisive portrait of how American businesses seized political power, won “equal rights,” and transformed the Constitution to serve big business. Uncovering the deep roots of *Citizens United*, he repositions that controversial 2010 Supreme Court decision as the capstone of a centuries-old battle for corporate personhood. “Tackling a topic that ought to be at the heart of political debate” (Economist), Winkler surveys more than four hundred years of diverse cases—and the contributions of such legendary legal figures as Daniel Webster, Roger Taney, Lewis Powell, and even Thurgood Marshall—to reveal that “the history of corporate rights is replete with ironies” (Wall Street Journal).

We the Corporations is an uncompromising work of history to be read for years to come.

Transnational Connections - Ulf Hannerz 2002-01-04

This work provides an account of culture in an age of globalization. Ulf Hannerz argues that, in an ever-more interconnected world, national understandings of culture have become insufficient. He explores the implications of boundary-crossings and long-distance cultural flows for established notions of “the local”, “community”, “nation” and “modernity” Hannerz not only engages with theoretical debates about culture and globalization but raises issues of how we think and live today. His account of the experience of global culture encompasses a shouting match in a New York street about Salman Rushdie, a papal visit to the Maya Indians; kung-fu dancers in Nigeria and Rastafarians in Amsterdam; the nostalgia of foreign correspondents; and the surprising experiences of tourists in a world city or on a Borneo photo safari.

The Weirdest People in the World - Joseph Henrich 2020-09-10

'A landmark in social thought. Henrich may go down as the most influential social scientist of the first half of the twenty-first century' MATTHEW SYED Do you identify yourself by your profession or achievements, rather than your family network? Do you cultivate your unique attributes and goals? If so, perhaps you are WEIRD: raised in a society that is Western, Educated, Industrialized, Rich and Democratic. Unlike most who have ever lived, WEIRD people are highly individualistic, nonconformist, analytical and control-oriented. How did WEIRD populations become so psychologically peculiar? What part did these differences play in our history, and what do they mean for our collective identity? Joseph Henrich, who developed the game-changing concept of WEIRD, uses leading-edge research in anthropology, psychology, economics and evolutionary biology to explore how changing family structures, marriage practices and religious beliefs in the Middle Ages shaped the Western mind, laying the foundations for the world we know today. Brilliant, provocative, engaging and surprising, this landmark study will revolutionize your understanding of who - and how - we are now. 'Phenomenal ... The only theory I am aware of that attempts

to explain broad patterns of human psychology on a global scale'
Washington Post 'You will never look again in the same way at your own
seemingly universal values' Uta Frith, Professor of Cognitive
Development, University College London

Fahrenheit 451 - Ray Bradbury 1968

A fireman in charge of burning books meets a revolutionary school
teacher who dares to read. Depicts a future world in which all printed
reading material is burned.

The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide
not only of the Hotels and Tourist Homes in all of the large cities, but
other classifications that will be found useful wherever he may be. Also
facts and information that the Negro Motorist can use and depend upon.
There are thousands of places that the public doesn't know about and
aren't listed. Perhaps you know of some? If so send in their names and
addresses and the kind of business, so that we might pass it along to the
rest of your fellow Motorists. You will find it handy on your travels,
whether at home or in some other state, and is up to date. Each year we
are compiling new lists as some of these places move, or go out of
business and new business places are started giving added employment
to members of our race.

Activist New York - Steven H. Jaffe 2018-05

Activist New York surveys New York City's long history of social activism
from the 1650's to the 2010's. Bringing these passionate histories alive,
Activist New York is a visual exploration of these movements, serving as
a companion book to the highly-praised Museum of the City of New York
exhibition of the same name. New York's primacy as a metropolis of
commerce, finance, industry, media, and ethnic diversity has given it a
unique and powerfully influential role in the history of American and
global activism. Steven H. Jaffe explores how New York's evolving
identities as an incubator and battleground for activists have made it a
"machine for change." In responding to the city as a site of slavery,
immigrant entry, labor conflicts, and wealth disparity, New Yorkers have
repeatedly challenged the status quo. Activist New York brings to life the

characters who make up these vibrant histories, including David
Ruggles, an African American shopkeeper who helped enslaved fugitives
on the city's Underground Railroad during the 1830s; Clara Lemlich, a
Ukrainian Jewish immigrant who helped spark the 1909 "Uprising of
20,000" that forever changed labor relations in the city's booming
garment industry; and Craig Rodwell, Karla Jay, and others who forged a
Gay Liberation movement both before and after the Stonewall Riot of
June 1969. Permanent exhibition: Puffin Foundation Gallery, Museum of
the City of New York, USA.

Little Humans - Brandon Stanton 2016-02-25

When Brandon Stanton started a photography project in 2010 to capture
the extraordinary in everyday New Yorkers, he didn't realize it would
take off almost overnight. He now has millions of dedicated followers
from all over the world who can't get enough of Humans of New York. In
this heartwarming photographic picture book, Brandon's lens is trained
on the littlest humans of New York - the ones who get back up when they
fall, who have an impeccable taste in fashion, and who love with all their
hearts. With spare text and a mix of exclusive photos and fan favourites,
Little Humans is sure to appeal to fans of HONY and those who have yet
to discover it.

Streets of New York - 1855

Humans of New York - Brandon Stanton 2015

"In the summer of 2010, photographer Brandon Stanton began an
ambitious project--to single-handedly create a photographic census of
New York City. The photos he took and the accompanying interviews
became the blog Humans of New York. His audience steadily grew from
a few hundred followers to, at present count, over twelve million. In
2013, his book Humans of New York, based on that blog, was published
and immediately catapulted to the top of the NY Times Bestseller List
where it has appeared for over forty-five weeks. Now, Brandon is back
with the Humans of New York book that his loyal followers have been
waiting for: Humans of New York: Stories. Ever since Brandon began
interviewing people on the streets of New York, the dialogue he's had

with them has increasingly become as in-depth, intriguing and moving as the photos themselves. Humans of New York: Stories presents a whole new group of people in stunning photographs, with a rich design and, most importantly, longer stories that delve deeper and surprise with greater candor. Let Brandon Stanton and the Humans of New York he's photographed astonish you all over again next fall"--

Humans of London - Cathy Teesdale 2016-10-27

A vibrant celebration of humanity and everyday life in this incredibly multicultural and multi-faceted capital city.

Global Environment Outlook - GEO-6: Healthy Planet, Healthy People - UN Environment 2019-05-31

Published to coincide with the Fourth United Nations Environmental Assembly, UN Environment's sixth Global Environment Outlook calls on decision makers to take bold and urgent action to address pressing environmental issues in order to protect the planet and human health. By bringing together hundreds of scientists, peer reviewers and collaborating institutions and partners, the GEO reports build on sound scientific knowledge to provide governments, local authorities, businesses and individual citizens with the information needed to guide societies to a truly sustainable world by 2050. GEO-6 outlines the current state of the environment, illustrates possible future environmental trends and analyses the effectiveness of policies. This flagship report shows how governments can put us on the path to a truly sustainable future - emphasising that urgent and inclusive action is needed to achieve a healthy planet with healthy people. This title is also available as Open Access on Cambridge Core.

A Little Life - Hanya Yanagihara 2015-03-10

NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame

and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, To Paradise.

Dogopolis - Chris Pearson 2021-08-31

Dogopolis presents a surprising source for urban innovation in the history of three major cities: human-canine relationships. Stroll through any American or European city today and you probably won’t get far before seeing a dog being taken for a walk. It’s expected that these domesticated animals can easily navigate sidewalks, streets, and other foundational elements of our built environment. But what if our cities were actually shaped in response to dogs more than we ever realized? Chris Pearson’s Dogopolis boldly and convincingly asserts that human-canine relations were a crucial factor in the formation of modern urban living. Focusing on New York, London, and Paris from the early nineteenth century into the 1930s, Pearson shows that human reactions to dogs significantly remolded them and other contemporary western cities. It’s an unalterable fact that dogs—often filthy, bellicose, and sometimes off-putting—run away, spread rabies, defecate, and breed wherever they like, so as dogs became a more and more common in nineteenth-century middle-class life, cities had to respond to people’s fear of them and revulsion at their least desirable traits. The gradual integration of dogs into city life centered on disgust at dirt, fear of crime and vagrancy, and the promotion of humanitarian sentiments. On the other hand, dogs are some people’s most beloved animal companions, and human compassion and affection for pets and strays were equally powerful forces in shaping urban modernity. Dogopolis details the complex interrelations among emotions, sentiment, and the ways we manifest our feelings toward what we love—showing that together they can actually reshape society.

Normal People - Sally Rooney 2019-04-16

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

Extra Life - Steven Johnson 2021-05-11

“Offers a useful reminder of the role of modern science in fundamentally transforming all of our lives.” —President Barack Obama (on Twitter)
“An important book.” —Steven Pinker, The New York Times Book Review
The surprising and important story of how humans gained what amounts to an extra life, from the bestselling author of *How We Got to Now* and *Where Good Ideas Come From* In 1920, at the end of the last major pandemic, global life expectancy was just over forty years. Today, in many parts of the world, human beings can expect to live more than eighty years. As a species we have doubled our life expectancy in just one century. There are few measures of human progress more astonishing than this increased longevity. *Extra Life* is Steven Johnson’s attempt to understand where that progress came from, telling the epic story of one of humanity’s greatest achievements. How many of those extra years came from vaccines, or the decrease in famines, or seatbelts? What are the forces that now keep us alive longer? Behind each breakthrough lies an inspiring story of cooperative innovation, of brilliant thinkers bolstered by strong systems of public support and collaborative networks, and of dedicated activists fighting for meaningful reform. But for all its focus on positive change, this book is also a reminder that meaningful gaps in life expectancy still exist, and that new threats loom on the horizon, as the COVID-19 pandemic has made clear. How do we avoid decreases in life expectancy as our public health systems face unprecedented challenges? What current technologies or interventions that could reduce the impact of future crises are we somehow ignoring? A study in how meaningful change happens in society, *Extra Life* celebrates the enduring power of common goals and public resources, and the heroes of public health and medicine too often ignored in popular accounts of our history. This is the sweeping story of a revolution with immense public and personal consequences: the doubling of the human life span.

The World Without Us - Alan Weisman 2012-08-31

Revised Edition with New Afterword from the Author Time #1 Nonfiction Book of the Year Finalist for the National Book Critics Circle Award Over 3 million copies sold in 35 Languages "On the day after humans disappear, nature takes over and immediately begins cleaning house - or houses, that is. Cleans them right off the face of the earth. They all go." What if mankind disappeared right now, forever... what would happen to the Earth in a week, a year, a millennium? Could the planet's climate ever recover from human activity? How would nature destroy our huge cities and our myriad plastics? And what would our final legacy be? Speaking to experts in fields as diverse as oil production and ecology, and visiting the places that have escaped recent human activity to discover how they have adapted to life without us, Alan Weisman paints an intriguing picture of the future of Earth. Exploring key concerns of our time, this absorbing thought experiment reveals a powerful - and surprising - picture of our planet's future.

The New York Times Book of the Dead - William McDonald 2016-10-18
The obituary page of The New York Times is a celebration of extraordinary lives. This groundbreaking package includes 300 obits in the book with exclusive online access to 10,000 more of the most important and fascinating obituaries the Times has ever published. The obituary page is the section many readers first turn to not only see who died, but to read some of the most inspiring, insightful, often funny, and elegantly written stories celebrating the lives of the men and women who have influenced on our world. William McDonald, The Times' obituary editor who was recently featured in the award-winning documentary *Obit*, selected 320 of the most important and influential obits from the newspaper's archives. In chapters like "Stage and Screen," "Titans of Business," "The Notorious," "Scientists and Healers," "Athletes," and "American Leaders," the entries include a wide variety of newsmakers from the last century and a half, including Annie Oakley, Theodore Roosevelt, Joseph Stalin, Marilyn Monroe, Coco Chanel, Malcolm X, Jackie Robinson and Prince. Also included is a web-key which allows instant access to an exclusive website featuring 10,000 selected obituaries which are easily searchable by name, theme, dates, and more.

Designed with more than 150 black-and-white photographs, this tomb-sized book plus website package is the perfect gift.

Riding for Deliveroo - Callum Cant 2019-11-11
What is life like for workers in the gig economy? Is it a paradise of flexibility and individual freedom? Or is it a world of exploitation and conflict? Callum Cant took a job with one of the most prominent platforms, Deliveroo, to find out. His vivid account of the reality is grim. Workers are being tyrannised by algorithms and exploited for the profit of the few - but they are not taking it lying down. Cant reveals a transnational network of encrypted chats and informal groups which have given birth to a wave of strikes and protests. Far from being atomised individuals helpless in the face of massive tech companies, workers are tearing up the rulebook and taking back control. New developments in the workplace are combining to produce an explosive subterranean class struggle - where the stakes are high, and the risks are higher. *Riding for Deliveroo* is the first portrait of a new generation of working class militants. Its mixture of compelling first-hand testimony and engaging analysis is essential for anyone wishing to understand class struggle in platform capitalism.

The Five People You Meet In Heaven - Mitch Albom 2009-06-11
THE INSPIRATIONAL CLASSIC FROM THE MASTER STORYTELLER WHOSE BOOKS HAVE TOUCHED THE HEARTS OF OVER 40 MILLION READERS 'Mitch Albom sees the magical in the ordinary' Cecilia Ahern
_____ To his mind, Eddie has lived an uninspiring life. Now an old man, his job is to fix rides at a seaside amusement park. On his eighty-third birthday, Eddie's time on earth comes to an end. When a cart falls from the fairground, he rushes to save a little girl's life and tragically dies in the attempt. When Eddie awakens, he learns that the afterlife is not a destination, but a place where your existence is explained to you by five people - some of whom you knew, others who were ostensibly strangers. One by one, from childhood to soldier to old age, five individuals revisit their connections to Eddie on earth, illuminating the mysteries of his 'meaningless' life and revealing the haunting secret behind the eternal question: 'Why was I here?' _____ WHAT

READERS SAY ABOUT THE FIVE PEOPLE YOU MEET IN HEAVEN
