*Mad Magpie* - Gregg Dreise 2016-05-01

Age range 3 to 6 Mad Magpie is the third book in this successful series of morality tales from Gregg Dreise. Inspired by wise sayings and the knowledge of his Elders, Mad Magpie tells the story of Guluu, an angry magpie who is being teased by a gang of butcher birds. The more he is teased, the angrier he becomes. When Guluu seeks advice, his Elders tell him to stay calm like the river, ignore the butcher birds and to be strong on the inside. Guluu tries this, but the cheeky birds just laugh at him. One day, when Guluu is at the river looking for worms, the butcher birds arrive and steal his food. He remembers the words of his Elders and he tries again – and this time Guluu has a different outcome. He stands proudly at the riverbank and remembers how he used to sing when he was having a bad day. Guluu sings so loud he cannot hear the birds laughing at him and they eventually give up and fly away. From that time on, the animals learnt to use music to create a happy mood and they worked together to stop

bullying.

*Pittsburgh Dog & Frog* - Annette Hostoffer 2021

*I Don't Want to Be a Frog* - Dev Petty 2015-02-10

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father.

Perfect for fans of Mo Willems's Don't Let the Pigeon Drive the Bus! and Jon Klassen's I Want My Hat Back! Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels—I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. ★ "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus Reviews "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin of the Center for Children's Books

**Fairy Tale Architecture** - Andrew Bernheimer 2020-10

Fairy Tale Architecture is a ground-breaking book, the first study to bring architects in conversation with fairy tales in breathtaking designs. Little Red Riding Hood, Baba Yaga, Rapunzel, Jack and the Beanstalk, The Snow Queen: these and more than fifteen other stories designed by Bernheimer Architecture, Snøhetta, Rural Studio, LEVENBETTS, and LTL Architects and many other international vanguards have created stunning works for this groundbreaking collection of architectural fairy tales. Story by story, Andrew Bernheimer and Kate Bernheimer—a brother and sister team as in an old fairy tale—have built the ultimate home for lovers of fiction and design. Snow girls and spinning houses. Paper capes and engineered hair braids. Resin bee hives and infinite libraries. Here are futuristic structures made from traditional stories, inspired by everything from Hans

Christian Andersen's The Snow Queen and The Little Match Girl to the Brothers Grimm's Rapunzel and The Juniper Tree to fairy tales by Jorge Luis Borges and Joy Williams and from China, Japan, Russia, Nigeria, and Mexico. A desire for story and shelter counts as among our most ancient instincts, and this dual desire continues to inspire our most imaginative architects and authors today. Fairy Tale Architecture invites the reader into a space of wonder, into a new form that will endure ever after.

**Silly Birds** - Gregg Dreise 2014

Age range 5 to 8: In this humble, charming and humorous morality tale, Maliyan is a proud eagle who always looks, listens and sees things from a long way away. One day he meets the turkey Wagun, who is a silly bird, and together these two new friends begin to do silly-bird

things. The Elders and Maliyan's parents become very disappointed and soon the local billabong becomes a mess. The silly birds do not care for anyone and seem to have eaten all the food. Maliyan begins to see the error of his ways and tries to talk to Wagun and the other birds about their actions. No one listens. So Maliyan flies away and begins the journey of listening again. Maliyan soon becomes a proud leader and all the silly birds begin to follow his example. They all help clean up the messes they have made. All except one ... In this quintessential Australian fable, Silly Birds combines richly textured and striking illustrations of Australian animals with the gentle humour of an Aussie truism that it is hard to soar like an eagle when you are, in fact, surrounded by turkeys.

**Ebook: Talk for Writing Across the Curriculum, How to Teach Non-Fiction Writing to 5-12 Year Olds (Revised Edition)** - Pie Corbett 2020-08-26

This bestselling resource has been fully updated, putting formative assessment at the heart of the Talk for Writing process and showing how to help children love writing across the curriculum. By helping children speak the language of non-fiction in a fun engaging way before they attempt to write, the Talk for Writing approach builds children's confidence and linguistic ability enabling them to craft their own writing. In the new edition, this practical resource offers:

- Fully worked, tried and tested examples of how to apply Talk

- for Writing to each non-fiction text type
- A wide range of fun activities helping children internalise how to express and link text effectively
- A process that co-constructs learning so that children learn how to structure text and create toolkits of key ingredients
- Guidance for teachers in England on how to apply the approach across the primary curriculum
- An OLC including new footage of Pie Corbett demonstrating Talk for Writing and new footage of classes engaged in the approach
- Advice on how to use the DVD and handouts to train all staff in the approach
- Evidence of impact from cold to hot tasks

Designed for busy teachers, Talk for Writing across the Curriculum, second edition, will help transform children's writing and attainment across the curriculum. "This book celebrates the importance of talk in becoming and growing as a writer: talk to share ideas; talk to analyse text; talk to co-construct writing; and to talk to evaluate writing. Throughout the book constantly underlines the importance of talk for learning and the many creative and rich ways talk can be used to help young writers internalise the rhythms and patterns of text. Full of practical ideas and activities, the teaching combines being creative and being critical in a wholly integrated way. An invaluable resource for primary school teachers!" Debra Myhill, Professor of Education at the University of Exeter, UK

"The teaching of reading has always taken priority in policy and practice in literacy. Pie Corbett and Julia Strong have produced a very welcome counterweight to that dominance in their Talk for Writing Across the Curriculum. It is so refreshing to see suggestions for teaching to bring elements of language together, especially when done in such an entertaining and engaging way as this. This new edition makes a 'classic'

even better." David Wray, Emeritus Professor, University of Warwick, UK "This latest update of Pie and Julia's best-selling book reflects changes in the curriculum, strengthening the T4W approach, using cold and hot tasks, showing new worked examples of how to apply T4W to each non-fiction type and placing formative assessment at the heart of the process. It is exciting to see how all the best ideas and findings in education are converging, evidenced in this latest 'up to the minute' excellent publication." Shirley Clarke, Formative Assessment Expert
