The Making of the Modern Refugee - Peter Gatrell 2013-09-12

The Making of the Modern Refugee proposes a new approach to a fundamental aspect of twentieth-century history by bringing the causes, consequences and meanings of global population displacement within a single frame. Its broad chronological and geographical coverage, extending from Europe and the Middle East to South Asia, South-East Asia and sub-Saharan Africa, makes it possible to compare crises and how they were addressed. Wars, revolutions and state formation are invoked as the main causal explanations of displacement, and are considered alongside the emergence of a twentieth-century refugee regime linking governmental practices, professional expertise and humanitarian relief efforts. How and for whom did refugees become a "problem" for organizations such as the League of Nations and UNHCR and for non-

governmental organizations (NGOs)? What solutions were entertained and implemented, and why? What were the implications for refugees? These questions invite us to consider how refugees engaged with the myriad ramifications of enforced migration, and thus the significance that they attached to the places they left behind, to their journeys and destinations--in short, how refugees helped interpreted and fashioned their own history. The Making of the Modern Refugee rests upon scholarship from several disciplines and draws upon oral testimony, eye-witness accounts and cultural production, as well as extensive unpublished source material.

Night Passage - Robert B. Parker 2001-07-01
Robert B. Parker introduces readers to police chief Jesse Stone in the first novel in the beloved mystery series—a New York Times bestseller. After a busted marriage kicks his drinking problem into overdrive

and the LAPD unceremoniously dumps him, thirty-five-year-old Jesse Stone's future looks bleak. So he's shocked when a small Massachusetts town called Paradise recruits him as police chief. He can't help wondering if this job is a genuine chance to start over, the kind of offer he can't refuse. Once on board, Jesse doesn't have to look for trouble in Paradise: it comes to him. For what is on the surface a quiet New England community quickly proves to be a crucible of political and moral corruption—replete with triple homicide, tight Boston mob ties, flamboyantly errant spouses, maddened militiamen and a psychopath-about-town who has fixed his violent sights on the new lawman. Against all this, Jesse stands utterly alone, with no one to trust—even he and the woman he's seeing are like ships passing in the night. He finds he must test his mettle and powers of command to emerge a local hero—or the deadest of dupes.

Starcraft - Simon Furman 2011
"Betrayed by Tamsen Cauley, the man who let them out of prison, the War Pigs split up and thought to live out their days separately, hiding from friends and foes alike. Two years later they get an offer: if they kill Jim Raynor, Cauley will wipe the War Pigs' slates clean. They know they can't trust him, but sticking together offers a slim chance of survival now that they've been found. And the Dominion may hate Raynor, but that doesn't make him a hero-- does it?"--Jacket

The Craft of Interviewing - John Brady
2011-02-02

John Brady, editor of *Writer's Digest* and himself an accomplished interviewer, has put together an indispensable guide to the art of questioning. In a lively, down-to-earth manner, "The Craft of Interviewing" covers

all aspects of the interview process -- getting the interview, doing research, handling the subject face-to-face, hurdling hazards, getting tough, taking notes (on the sly, if need be), taping, dealing with off-the-record types, concluding the interview, verifying it, and writing it up. Brady has also filled the book with a myriad of anecdotes revealing the experiences of some of the best known interviewers of our times. A noteworthy appendix on the history of the interview is included.

Food, Agri-Culture and Tourism - Katia Laura Sidali 2011-02-09

This book will be a valuable source of information for those concerned with rural and farm tourism, sustainable tourism and the marketing of "Calibri">local gastronomy. It presents cases with an international and interdisciplinary approach in order to provide ideas for strategic perspectives in tourism studies.

Furthermore, for the first time the complex fields of rural and food tourism are examined from an international (Italy and Germany) viewpoint. This book explores ways in which gastronomical heritage (i.e., regional food, organic food) can be incorporated in rural tourism (above all farm tourism) and development policies as well as in new avenues of research e.g., sensory marketing, online marketing) in order to

enhance sustainable practices both in the tourism and in the agri-food sector. Overall, the book presents an overview of benchmark practices for professionals (associations of rural tourism, farmers, etc.), while offering scholars a well-founded source to refer to in order to gain up-to-date insights into the state of the art of studies on rural and food tourism.

The Hidden History of Elves and Dwarfs

- Claude Lecouteux 2018-10-23

A comprehensive examination of the intertwined mythology, folklore, and literary history of the little people • Explores the pagan roots of dwarfs and elves and their evolution in myth and literature • Reveals the role the church played in changing them from fearless, shape-shifting warriors with magical powers into cheerful helpmates and cute garden gnomes • Traces their history from ancient Celtic and Germanic lore

through their emergence in the literature of the Middle Ages to their modern popularization by the Brothers Grimm and Walt Disney Most people are familiar with the popular image of elves as Santa's helpers and dwarfs as little bearded men wearing red caps, who are mischievous and playful, helpful and sly, industrious and dexterous. But their roots go far deeper than their appearance in fairy tales and popular stories. Elves and dwarfs are survivors of a much older belief system that predates Christianity and was widespread throughout Western Europe. Sharing his extensive analysis of Germanic and Norse legends, as well as Roman, Celtic, and medieval literature, Claude Lecouteux explores the ancient, intertwined history of dwarfs and elves. He reveals how both were once peoples who lived in wild regions as keepers of the secrets of nature. They were able to change their size at will and had

superhuman strength and healing powers. They were excellent smiths, crafting swords that nothing could dull as well as magical jewelry, and often entered into the service of lords or heroes. They were a part of the everyday life of our ancestors before they were transformed by fairy tales and church texts into the mythical creatures we know today. Lecouteux shows how, in earlier folklore, elves and dwarfs were interchangeable, gradually evolving over time to express very different kinds of beings. "Dwarf," "giant," and even "elf" did not necessarily connote size but referred to races with different skills. Elves were more ethereal, offering protection and kindness, while dwarfs reflected a more corporeal form of spirit, often appearing as messengers from the underworld. Yet dwarfs and elves could be bargained with, and our ancestors would leave a broken object outside the door at night with the

hope that a dwarf or elf (or other local spirit) would repair it. Revealing the true roots of these helpful and powerful beings, including an in-depth exploration of one of the most famous dwarf/elf/fairy beings of the Middle Ages, Auberon or Oberon, also known as Alberich, Lecouteux shows how the magic of dwarfs and elves can be rekindled if we recognize their signs and invite them back into our world.

Ashantee - Peter Altenberg 2007

This collection of thirty-eight impressionist episodes describes a white man's friendship with a group of Ashanti tribespeople from the Gold Coast of Africa (the former British colony known today as Ghana), who in 1896 were put on display as living objects in a popular ethnographic exhibit in the Vienna Zoological Garden, then still located in Vienna's famous amusement park called

Prater. The exhibit caused a veritable "Ashanti fever" as the show attracted five to six thousand visitors per day. Altenberg, barely disguised as Ashantee's autobiographical character Sir Peter, shows a genuine curiosity about the cultural Other and paints a critical picture of his Austrian contemporaries' prejudices, revealed as they were experienced by the Africans. In "Ashantee", beautiful, sensual, childlike, and wholesome African "paradise people" provide inspiration for the tormented civilised soul of the fin-de-siècle European. Eccentric coffeehouse writer Altenberg is famous for his unique telegram style. Critic Karl Kraus claimed, "One sentence by Peter Altenberg is equal to an entire Viennese novel". "Ashantee" introduces the reader to a little-known facet of vibrant Vienna around 1900. Combining cross-cultural sympathy with colonial stereotyping, the book has gained new popularity as current debates

about the challenges of cultural coexistence in the global society have renewed interest in the literature about encounters between people of different ethnic and cultural backgrounds. In this edition, Peter Altenberg's literary text is illustrated with reprints of original drawings and photographs of Altenberg and the Ashanti in Vienna.

Harry's ABC of Mixing Cocktails - Harry MacElhone 2017-04-25

2017 Reprint of Undated Edition from the 1920's. Originating from a legendary haunt of the rich and famous who have passed through the French capital, this collection provides cocktail recipes that served a clientele that included Ernest Hemingway, Marlene Dietrich, Jean-Paul Sartre, Noel Coward and Quentin Tarantino. Featuring the vintage mixtures that were created there, such as the White Lady, the Sidecar, and the Blue Lagoon, this compact edition

includes over 300 drink suggestions. Publisher's Note: This Edition reprints only the actual recipes from the Dean and Son Edition of circa 1920. Preliminary material, advertising, illustrations and information regarding the operation of a bar are not included. Only the 300 plus recipes are reprinted in their entirety. The recipes have been reformatted to correct broken type and other defects in the text. No liberties have been taken with the actual recipes, which are reproduced in their entirety.

Oskar Schlemmer - Ina Conzen 2014
Oskar Schlemmer (1888 - 1943) was one of the most versatile all - rounders of the last century and as unusual as a painter as he was as a sculptor, draughtsman, graphic artist, stage designer, wall designer, creator of epochal dance projects and author. His vision was the "new" man living in

functional architecture, thinking clearly and acting clearly in the modern age which would never again sink into the chaos of war. The catalogue accompanying the first comprehensive Schlemmer retrospective for almost forty years presents over 250 high - quality works, in particular the seven original costumes of the Triadisches Ballett (Triadic Ballet) together with rare documents of the time. The connection between the all - encompassing attempts at reform of the Bauhaus are discussed as well as Schlemmer's vain attempts to reconcile his "unpolitical" art with the Nazi dictatorship's ideas of state - controlled art. The focus will be directed towards Schlemmer's lofty ethical demands, which always regarded man, typified as a "Kunstfigur" (artist ic figure) as the "measure of all things".

There is widespread concern amongst consumers about the safety and acceptability of food, and there are clearly communication gaps between consumers, many food professionals and food industry.

This book offers accounts of the two-way nature of this difficult communication process and steps that can be made to bridge these communication gaps in a variety of social and cultural environments. Individual chapters of the book analyze the roles of science, culture, and risk perception, and of mass media and attitudes towards eating. An additional section describes the interface between scientists and lay people with regard to policy-making and agricultural practice.

Diamanten im Staub - Charmaine Pauls 2021-10-21

Männer wie wir sehen Dinge. Wir tun Dinge, die uns gefühllos machen. Das ist der Preis für Macht und Geld, dafür, dass wir la belle vie leben und die französische Mafia leiten. Dann tauchte sie auf wie eine hübsche

Wildblume, die durch die Ritzen eines schmutzigen Pflasters wächst – zerbrechlich und doch unverwüstlich, ein Hauch von Schönheit inmitten des Schmutzes. Sie sollte nur ein weiterer Job sein, eine namenlose Person, die ich aus ihrem Leben reißen und meinem Bruder übergeben sollte, nichts weiter als ein Pfand in unserem Diamantengeschäft. Für Männer wie uns gibt es einen psychologischen Stempel. Uns fehlt es an Empathie und Schuldgefühlen. Wir tun Dinge, um zu bekommen, was wir wollen, Dinge, die Blumen verwelken lassen.

Mexico from the Inside Out - Enrique Olvera 2015-10-19

The debut book from Mexico's best chef, Enrique Olvera of Pujol, pioneer of contemporary, authentic Mexican food and global gourmet influencer. As featured on Good Morning America. Enrique Olvera is the most famous and celebrated Mexican chef working today. Olvera's restaurant

Pujol was ranked #1 in Mexico and #20 in the world at the World's 50 Best Restaurant Awards. This is his first book and the first ever high-end chef cookbook in English on Mexican cuisine. It captures and presents a new contemporary Mexican style of food, rooted in tradition but forward thinking in its modern approach. Olvera has pioneered and defined this new way of cooking and belongs to a global group of gourmet influencers that includes Noma's René Redzepi, Dom's Alex Attala, Osteria Francescana's Massimo Bottura and elBulli's legendary Ferran Adrià. Olvera rethinks how to use traditional, authentic local ingredients using unusual flavor combinations to create a reinvented way of cooking and eating. Mexico from the Inside Out includes both sophisticated and more accessible recipes to explain Enrique's philosophy, vision, and process. He is fueled by a constant exploration of Mexico's ingredients and

culinary history, and inspired by his early family memories about food. This book goes beyond stereotypes to reveal new possibilities of Mexican cuisine, which is now an essential part of the international conversation about gastronomy. Features: -Over 65 recipes, each with an elegant photograph, from the sophisticated dishes served at Pujol to more accessible casual dishes that he enjoys with his family at home. -More than 100 atmospheric photographs capture the vivid mosaic of the Mexican landscape while tip-in pages bring the reader up close to Enrique's vision and philosophy about food. Mexico from the Inside Out is the latest addition to Phaidon's bestselling and influential collection of cookbooks by the world's most exciting chefs.

Budapest Diary: In Search of the Motherbook - Susan Rubin Suleiman
2019-08-10

Can you forget the place you once called home? What does it take to make you recapture it? In this moving memoir, Susan Rubin Suleiman describes her returns to the city of her birth — where she speaks the language like a native but with an accent. Suleiman left Budapest in 1949 as a young child with her parents, fleeing communism; thirty-five years later, she returned with her two sons for a brief vacation and began to remember her childhood. Her earliest memories, of Nazi persecution in the final year of World War II, came back to her in fragments, as did memories of her first school years after the war and of the stormy marriage between her father, a brilliant Talmudic scholar, and her mother, a

cosmopolitan woman from a more secular Jewish family. In 1993, after the fall of communism and the death of her mother, Suleiman returned to Budapest for a six-month stay. She recounts her ongoing quest for personal history, interweaving it with the stories of present-day Hungarians struggling to make sense of the changes in their individual and collective lives. Suleiman's search for documents relating to her childhood, the lives of her parents and their families, and the Jewish communities of Hungary and Poland takes her on a series of fascinating journeys within and outside Budapest. Emerging from this eloquent, often suspenseful diary is the portrait of an intellectual who recaptures her past and comes into contact with the vital, troubling world of contemporary Eastern Europe. Suleiman's vivid descriptions of her encounters with a proud, old city and its people in a time of historical change remind

us that every life story is at once unique and part of a larger history. "I recommend this autobiographical narrative because it is grave and beautiful. Better still, it is shatteringly truthful." — Elie Wiesel "Susan Rubin was a little girl when her parents fled through darkened fields to escape the Communist regime in Hungary in 1949... [This] is a poignant piece of self-revelation, sprinkled with some trenchant observations on the way the dead hand of history has weighed down the former Warsaw Pact countries." — Kirkus "[A] fascinating, revealing journal... brutally honest." — Publishers Weekly "This pensive, forthright journal records Suleiman's efforts to reconnect with a long-forgotten homeland." — Booklist "Suleiman lyrically describes her quest and the complex interaction of the Eastern Europe of the past and present." — Boston Globe "A tale of survival, adaptation and pure luck, whose darker side reveals

the linguistic and emotional cost of emigration and exile, the feeling of permanent displacement, of being nowhere at home." — Forward "This story must speak to all those who have fled and who have ever dreamed of a return." — Independent Jewish Women's Magazine "[A] thoughtful and sophisticated memoir... You don't have to be Hungarian or Jewish to appreciate writing like this." — Montreal Gazette
