Home Tree Home - Peter Nelson 1997-08-01

Remember the view from atop a tree? You could survey the landscape like a monarch, escape your parents' watchful eye, and let your imagination run wild. Well, just because you've grown up, it doesn't mean you can't enjoy the sense of liberation a tree provides. Here is the most comprehensive guide ever to building your own castle in the air, be it a simple child's playhouse or an adult's cozy retreat with all the modern conveniences, including electricity. Peter Nelson, the nation's foremost authority on treehouses, tells you everything you need to know about designing and building the house that's right for you and your family. He gives you information on site selection (why some trees provide better homes than others), safety issues, tree care, advice on styles and materials, and other essential rules of thumb that will save time and money. Nelson walks you through the construction of four actual projects: a children's playhouse, a vacation home, an office, and a full-time residence. Whether you'd like to build your children a safe and fun place to play and dream, or you're contemplating your own retreat from the drudgeries of earthbound living, this practical,

wildly fanciful guide will show you how to make your tree fantasies come true.

Galaxies and Oceans - N.R. Walker

Seizing his one chance to escape, Ethan Hosking leaves his violent ex-boyfriend, leaves his entire life, and walks into the path of a raging bushfire. Desperate to start over, a new man named Aubrey Hobbs walks out of the fire-ravaged forest, alive and alone. With no ID and no money, nothing but his grandfather's telescope, he goes where the Southern Cross leads him. Patrick Carney is the resident lighthouse keeper in Hadley Cove, a small town on the remote Kangaroo Island off the coast of South Australia. After the tragic death of his lover four years ago, he lives a solitary life; just him, a tabby cat, the Indian and Southern Oceans, and a whole lot of loneliness. He's content with his life until a stranger shows up in town and turns Patrick's head.

Patrick never expected to be interested in anyone else. Aubrey never expected to be happy. Between Aubrey's love of the stars and Patrick's love of the ocean, these two fragile hearts must navigate new waters. If they can weather the storm of their pasts, they could very well have a love that eclipses everything.

Tiller: As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night--every night-but actually touching him would be a serious personal foul. And falling for him? That's completely out of bounds. Mikey: I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town. Suddenly, there's not much to do but look at each other. And talk. And hopefully, hopefully touch. But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

**Les ennuis riment avec Tony** - Eli Easton 2022-12-28

Pour mener à bien son enquête sur le meurtre d'une jeune femme, Tony DeMarco, détective privé à Seattle, se fait passer pour un patient du

docteur Jack Halloran, le thérapeute ayant traité la victime dans une clinique de sexe de la même ville. Ce n'est pas la première fois que Tony passe sous couverture, mais c'est la première fois qu'il veut passer sous les couvertures de l'un de ses suspects. Il ne peut pas s'en empêcher : Jack Halloran est exactement le genre de héros au regard d'acier pour qui Tony craque. Mais avant de pouvoir jouer les Roméo, il devra prouver l'innocence de Halloran et faire en sorte que le médecin ne découvre pas sa ruse. Le docteur a ses propres problèmes, y compris un bras droit endommagé dans l'exercice de son devoir en tant que chirurgien de guerre en Irak et le stress post-traumatique qui en découle. Il ne comprend pas pourquoi il se sent attiré par son nouveau patient, cet Italien grand et drôle au regard de chien battu, dont l'humour s'infiltré à travers ses défenses pour lui faire ressentir des choses qu'il pensait depuis longtemps enfouies. Mais le médecin et le détective pourront-ils trouver un chemin vers leur amour en dépit des secrets qui existent entre eux ? #MM #Enquête #handicap

**The Sexuality of Christ in Renaissance Art and in Modern Oblivion** - Leo Steinberg 2014-12-10

Originally published in 1983, Leo Steinberg's classic work has changed the viewing habits of a generation. After centuries of repression and censorship, the sexual component in thousands of revered icons of Christ is restored to visibility. Steinberg's evidence resides in the imagery of the overtly sexed Christ, in Infancy and again after death. Steinberg argues that the artists regarded the deliberate exposure of Christ's genitalia as an affirmation of kinship with the human condition. Christ's lifelong virginity, understood as potency under check, and the first offer of blood in the circumcision, both required acknowledgment of the genital organ. More than exercises in realism, these unabashed images underscore the crucial theological import of the Incarnation. This revised and greatly expanded edition not only adduces new visual evidence, but deepens the theological argument and engages the controversy aroused by the book's first

publication.

**The V Unit** - Max Vos 2014-05-25

Only a select few in the human world knew of the existence of the V-Unit, a small group of highly trained Marines - who happened to be vampires. And it would have stayed that way. But when events in the vampire world, threatened the stability of the human world, the powers that be called for the unit's specialized services. An intrepid war correspondent, Bronson Rudan, who'd seen more than his fair share of fighting, stumbles across the unit by accident, and is drawn into their world. Bronson has no problem with that, given that he gets to spend time with a hunky Marine Lieutenant, Sarge. Although he won't remember any of this when they're through. At least, that was the plan...

*Twelve Years A Slave, Illustrated Edition* -

Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

*Misfits* - Garrett Leigh 2018-03-27

Restaurant owner Tom Fearnese has loved his partner Cass for as long as he can remember, but their work often keeps them apart. When he meets a striking young man named Jake on the vibrant streets of Camden Town, their heady first encounter takes an unexpected turn. Jake Thompson can hardly believe his luck when he wakes up in Tom's bed. Tom is gorgeous, kind, and . . . taken. Tom's explanation of his open relationship leaves Jake cold, but Tom is too tempting, and

when hard times force Jake to accept Tom's helping hand, he finds himself between two men who've lost their way. Cass Pearson is a troubled soul. He loves Tom with all he has, but some days it feels like he hasn't much to give. Jake seems like the perfect solution. Cass risks everything to push Jake and Tom together, but Jake resists, wary, until the darkness of Cass's past comes to call. Then Jake finds himself the last man standing, and it's time to dig deep and shine a light for the men he's grown to love.

### **Charmed by the Viking** - AJ Tipton

Michael's a small town guy, trying to keep his diner afloat. Sigvard is a big city event planner with a 1,000 year old secret. Can these two unlikely lovers save an entire town before it's too late?

Michael Wallace is perfectly content with his predictable routine. He's lived in the same town his whole life, waited on the same customers every day, and read the same book over and over again.

But his routine is thoroughly shaken when Sigvard Tandoh blows into town with a wicked smile and a mysterious past. Sigvard Tandoh is a cursed Viking who has wandered the Earth for 1,000 years. He thinks he's done it all, been everywhere and knows everything. But when he meets Michael, Sigvard finds himself questioning everything he thought he knew. When Sigvard's curse puts Michael in mortal peril, Sigvard must decide between staying with the man he loves, and keeping him safe. This short, M-M paranormal romance is a quick, steamy and heart-warming read for small town folk and big city readers alike! If you like knitting puns, irresistible charm, and a love stronger than a hurricane, then you'll adore AJ Tipton's latest story. *A Second Harvest* - Eli Easton 2020-08-12

David Fisher has lived by the rules all his life. Born to a Mennonite family, he obeyed his father and took over the family farm, married, and had two children. Now with both his kids in college and his wife deceased, he runs his farm alone and without joy, counting off the days of a life half-lived. Christie Landon, graphic designer, Manhattanite, and fierce

gay party boy, needs a change. Now thirty, he figures it's time to grow up and think about his future. When his best friend overdoses, Christie resolves to take a break from the city. He heads to a small house in Lancaster County, Pennsylvania, to rest, recoup, and reflect. But life in the country is boring despite glimpses of the hunky silver fox next door. When Christie's creativity latches on to cooking, he decides to approach his widower neighbor with a plan to share meals and grocery expenses. David agrees, and soon the odd couple finds they really enjoy spending time together. Christie challenges the boundaries of David's closed world and brings out feelings he buried long ago. If he can break free of the past, he might find a second chance at happiness.

*The Challenge of Crime in a Free Society* - United States. President's Commission on Law Enforcement and Administration of Justice 1967

This report of the President's Commission on Law Enforcement and Administration of Justice -- established by President Lyndon Johnson on July 23, 1965 -- addresses the causes of crime and delinquency and recommends how to prevent crime and delinquency and improve law enforcement and the administration of criminal justice. In developing its findings and recommendations, the Commission held three national conferences, conducted five national surveys, held hundreds of meetings, and interviewed tens of thousands of individuals. Separate chapters of this report discuss crime in America, juvenile delinquency, the police, the courts, corrections, organized crime, narcotics and drug abuse, drunkenness offenses, gun control, science and technology, and research as an instrument for reform. Significant data were generated by the Commission's National Survey of Criminal Victims, the first of its kind conducted on such a scope. The survey found that not only do Americans experience far more crime than they report to the police, but they talk about crime and the reports of crime engender such fear among citizens that the basic quality of life of many Americans has eroded. The core conclusion of the Commission, however, is that a significant reduction in crime can be achieved if the Commission's recommendations (some 200) are implemented. The recommendations call for a cooperative attack on crime by the Federal Government, the States, the counties, the cities, civic organizations, religious institutions, business groups, and individual citizens. They propose basic changes in the operations of police, schools, prosecutors, employment agencies, defenders, social workers, prisons, housing

authorities, and probation and parole officers.

**Derek Walcott** - Edward Baugh 2006-03-09

Nobel Laureate Derek Walcott is one of the Caribbean's most famous writers. His unique voice in poetry, drama and criticism is shaped by his position at the crossroads between Caribbean, British and American culture and by his interest in hybrid identities and diaspora. Edward Baugh's Derek Walcott analyses and evaluates Walcott's entire career over the last fifty years. Baugh guides the reader through the continuities and differences of theme and style in Walcott's poems and plays.

Walcott is an avowedly Caribbean writer, acutely conscious of his culture and colonial heritage, but he has also made a lasting contribution to the way we read and value the western literary tradition. This comprehensive 2006 survey considers each of Walcott's published books, offering a guide for students, scholars and readers of Walcott. Students of Caribbean and postcolonial studies will find this a perfect introduction to this important writer.

**How to Howl at the Moon** - Eli Easton 2015-05-28

Sheriff Lance Beaufort is not going to let trouble into his town, no sir. Tucked away in the California mountains, Mad Creek has secrets to keep, like the fact that half the town consists of 'quickened'-dogs who have gained the ability to become human.

Descended on both sides from border collies, Lance is as alert a guardian as they come. Tim Weston is looking for a safe haven. After learning that his boss patented all of Tim's work on vegetable hybrids in his own name, Tim quit his old job. A client offers him use of her cabin in Mad Creek, and Tim sees a chance for a new start. But the shy gardener has a way of fumbling and sounding like a liar around strangers, particularly gorgeous alpha men like Sheriff Beaufort. Lance's hackles are definitely raised by the lanky young stranger. He's concerned about marijuana growers moving into Mad Creek, and he's not satisfied with the boy's story. Lance decides a bit of undercover work is called for.

When Tim hits a beautiful black collie with his car and adopts the dog, its love at first sight for both Tim and Lance's inner dog. Pretending to be a pet is about to get Sheriff Beaufort in very hot water.

*Handbook of Translation Studies* - Yves Gambier

2010-10-28

As a meaningful manifestation of how institutionalized the discipline has become, the new Handbook of Translation Studies is most welcome.

The HTS aims at disseminating knowledge about translation and interpreting to a relatively broad audience: not only students who often adamantly prefer user-friendliness, researchers and lecturers in Translation Studies, Translation & Interpreting professionals; but also scholars, experts and professionals from other disciplines (among which linguistics, sociology, history, psychology).

Moreover, the HTS is the first handbook with this scope in Translation Studies that has both a print edition and an online version. The HTS is variously searchable: by article, by author, by subject. Another benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography (TSB). Many items in the reference lists are hyperlinked to the TSB, where the user can find an abstract of a publication. All articles are written by specialists in the different subfields and are peer-reviewed

*Boy Shattered* - Eli Easton 2019-08-13

Popular athlete Brian had everything until a school shooter nearly killed him. He survived the massacre with the help of a hero—his classmate Landon, who faced death to help others—and who is openly gay. Brian might be alive, but he can't face his fears or move on, especially since the shooters were never caught. He's falling apart, and he can only reach for Landon and hope Landon will take his hand a second time. Landon did what anyone would do when he found Brian dying on the cafeteria floor. He doesn't think of himself as a hero, but he's ready to take a stand against the gun violence tearing apart the lives of young people—people like Brian, who returned to school a shadow of the happy, outgoing quarterback Landon used to admire. Brian still needs him, and as their friendship grows and deepens, wounds might begin to heal. The bond they share could lead a new start for them both. Only the terror that visited Jefferson Waller High School isn't over yet.
