Once upon a time, there was a nice boy and his name was Gideon. He lived in a nice house, and he had nice parents and lots of toys. But Gideon wasn't satisfied. He wanted to be a hero. You know, a hero, with his name on the front page of the newspaper. That sort of thing. So how does anyone get to be a hero, anyway? Heroes have to be strong. Heroes have to be brave. Heroes have to be clever. Don't they? With wry humor, Florence Parry Heide and Chuck Groenink explore how we choose our idols in a witty story that leaves it to readers to decide the real nature of heroism. Plus, this is the fixed

The Soul of a Hero - Stephen Arterburn 2021-06-08

If you are a man who is stuck and empty and ready for change, this is the book for you. If you are someone who would love to see the man in your life with the spark you used to see in his eyes, this book is a superb gift for him. When people hear the word hero these days, the movie cliché of a superhero rescuing a desperate woman instantly comes to mind. But answering the call to be a godly hero is far from that mistaken scenario. The lives of too many guys are full of pain and frustration and an aimless desire to either medicate the pain or find another victim to rescue the furthest thing from being a hero. The world needs men who are

running on all cylinders, passionate about what they do. In *The Soul of a Hero*, bestselling authors and respected counselors Stephen Arterburn and David Stoop guide men to a better, hope-filled life by helping them rediscover their true God-given calling: to be a hero. When men live into their true identity as heroes, temptations lose their allure and depression gives way to energy. Men who once felt as if their best years were behind them find a second wind to help them live every moment to its fullest. This book calls and equips men to become the heroes their wives, sons, daughters, friends, and coworkers want and need them to be. In *The Soul of a Hero*, you will learn how to start from empty and transform yourself into a man who is thriving with purpose, joy, and true grit.

**The Heart Has Many Chambers** - Camila John 2013-12-17

This collection of stories covers the various facets of love: the way we feel for the different people we encounter, and the way in which love evolves for spouses, parents, children, and friends. God gave mankind the ability to love; however, life gives us changes and challenges. The things which test us throughout our lives also sway the depth of our devotion. As if it came from the

separate, yet connected, chambers in our hearts, love is different for every person and every circumstance. We are a compilation of events, and the memories we carry affect our choices and ability to feel and express love. Most of us will find it; some of us may embrace it, and others might never know love at all. As varied as the locales, the main characters in each story speak for themselves. Some are rich, and some are poor, but most of them are simply common people. They are young and old, male and female. If you look closely, you may even find a spirit or a pixie hiding betwixt the pages. [Colton 911: Target In Jeopardy \(Mills & Boon Heroes\) \(Colton 911, Book 3\)](#) - Carla Cassidy 2019-08-08

This book is about heroes. They are regular people like you and me who reacted with extraordinary courage in the face of great danger. They never planned to be heroes, but to have done otherwise would have been unthinkable to them. The first story is about a rough and tumble disaster relief worker who defies the bureaucracy and eludes death to help people who can't help themselves. The second story, narrated by an expatriate eco-tourism guide, takes place in Honduras following the devastation wrought by Hurricane Mitch. He tells the story of a man who lost everything but his life and who risks that time and again to save a village isolated by the storm's destruction. The last story is about a professional football player who got into trouble with prescription

drugs and lost everything. Then he found it again thanks to a motor home dealership owner who takes in strays, perhaps to assuage his guilt about the life he once led. While his original intention was to get the girl, the ex-jock's reaction to the danger he faced sprang from a much deeper sense of right and wrong.

Home is no longer the place he left... but it's all he's got. John Roster is flying to his childhood home in Maine after a medical discharge from the Army. No one will be there to welcome him home other than his cranky grandfather... a personality trait the two men share. No job. No friends. And with a storm canceling all flights at the moment, no plane to

catch. Killing time at the USO in the airport, he bonded with a few fellow servicemen also waiting out the storm, as well as the irrepressible hostess who offered a suggestion... find a purpose by thanking someone who'd helped while he was stationed overseas. Lucy Carrington's special project for her history class has come to an end. The letters they had written to a fellow-Maine soldier had stopped now that he was leaving the military. Staring at the picture of the handsome soldier with the haunted eyes, she wished they could meet in person. One day, in the middle of their lesson, he appeared. He's much more gorgeous in person... and just as haunted. John expected a matronly teacher to greet him, not the bright-eyed, friendly-smile, knock-out that made up the whole package of Lucy.

Sparks fly, but he's got a long way to go to have more to offer than a beat-up former soldier, so he'll settle for friendship. A new job offer with a prestigious security firm might lead him to the future he wants. A threat against her thrusts him into the role of protector. Keeping her safe is his mission... earning her love is his goal. And a soldier never quits.
