

The Expatriates

Eventually, you will categorically discover a additional experience and ability by spending more cash. still when? realize you undertake that you require to acquire those every needs as soon as having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more just about the globe, experience, some places, when history, amusement, and a lot more?

It is your categorically own become old to decree reviewing habit. in the middle of guides you could enjoy now is **The Expatriates** below.

The Paris Diversion - Chris Pavone 2019-05-07

'Smart, sophisticated and suspenseful.' HARLAN COBEN 'Sleek, cunning and breakneck.' MEGAN ABBOTT 'Thriller writing at its absolute best.' JEFFREY DEAVER 'Top-tier.' New York Times From the top ten bestselling author of *The Expats*: Kate Moore is back in a pulse-pounding thriller which takes place over the course of one nail-biting day. Kate Moore - a mother with an interesting past - is living the quiet life in another European city, or trying to. On her way to drop her children off at school in the city centre, the cafes and streets of Paris start to come alive around her. Kate's husband Dex, meanwhile, charged with finding a particular present for their son's birthday, is struggling to focus on the job in hand as a financial matter at work seems to be playing on his mind. As worrying reports begin to circulate from key locations around the city, and the sound of wailing sirens becomes increasingly hard to ignore, could their day and, indeed, their lives be about to change forever?

Expatriate Adventures - Fred Richardson 2012-10

As a boy, the author lived with his parents in Shanghai during the Japanese occupation of that region of China in the early 1930s. He recalls scenes from that long-ago prelude to World War II: the Chinese wounded being trucked to a hospital through the French quarter where he lived, the silver Japanese biplanes with their red rising-sun markings lined up at the airport after their aerial attacks, the sight of a burning Shanghai railway station. As a married adult, Fred resumed his expatriate life as an insurance executive in Latin America. He shares accounts of work at the office and family life with friends in countries where Marxist terrorists and revolutions fill life with problems of a unusual and exciting nature.

Expats and the Labor Force - G. Naufal 2012-10-31

An investigation into the labor force in the Gulf Cooperation Council (GCC) countries primarily focusing on labor migration and remittances. The GCC countries have the highest share of foreign labor in the world. The authors examine the multidimensional aspects of such a large foreign population.

What We Were Promised - Lucy Tan 2018-07-10

Set in modern Shanghai, a debut by a Chinese-American writer about a prodigal son whose unexpected return forces his newly wealthy family to confront painful secrets and unfulfilled promises. After years of chasing the American dream, the Zhen family has moved back to China. Settling into a luxurious serviced apartment in Shanghai, Wei, Lina, and their daughter, Karen, join an elite community of Chinese-born, Western-educated professionals who have returned to a radically transformed city. One morning, in the eighth tower of Lanson Suites, Lina discovers that a treasured ivory bracelet has gone missing. This incident sets off a wave of unease that ripples throughout the Zhen household. Wei, a marketing strategist, bows under the guilt of not having engaged in nobler work. Meanwhile, Lina, lonely in her new life of leisure, assumes the modern moniker *taitai* - a housewife who does no housework at all. She is haunted by the circumstances surrounding her arranged marriage to Wei and her lingering feelings for his brother, Qiang. Sunny, the family's housekeeper, is a keen but silent observer of these tensions. An unmarried woman trying to carve a place for herself in society, she understands the power of well-kept secrets.

When Qiang reappears in Shanghai after decades on the run with a local gang, the family must finally come to terms with the past and its indelible mark on their futures. From a silk-producing village in rural China, up the corporate ladder in suburban America, and back again to the post-Maoist *nouveaux riches* of modern Shanghai, *What We Were Promised* explores the question of what we owe to our country, our families, and ourselves.

The Expats - Chris Pavone 2012-03-06

Kate Moore is an expat mum, newly transplanted from Washington D.C. In the cobblestoned streets of Luxembourg, her days are filled with play dates and coffee mornings, her weekends spent in Paris or skiing in the Alps. Kate is also guarding a secret - one so momentous it could destroy her neat little expat life - and she suspects that another American couple are not who they claim to be; plus her husband is acting suspiciously. As she travels around Europe, she finds herself looking over her shoulder, terrified her past is catching up with her. As Kate begins to dig, to uncover the secrets of those around her, she finds herself buried in layers of deceit so thick they threaten her family, her marriage and her life. A thrilling debut-to-remember, Chris Pavone's *The Expats* will keep you guessing until the very end.

Expatriate Management - Benjamin Bader 2016-12-14

This book provides state-of-the-art research on expatriate management from a European perspective. Considering issues related to the different phases of expatriation and comprehensive contemporary topics of expatriate management, the chapters present a long overdue holistic approach to the field. Rather than just publishing a counterweight to the predominant North American literature, *Expatriate Management* includes critical analyses of each chapter written by a number of renowned North American scholars to review and contribute to the trans-Atlantic dialogue.

The Piano Teacher - Janice Lee 2009

ng, this is a truly transporting - and indeed irresistible - work of fiction.' Chang-rae Lee, author of 'Aloft'.

The Expatriates - Janice Y. K. Lee 2016

A traumatized college graduate, a lonely housewife, and a burned-out mother of three endure the challenges of their respective demons and families in the face of unexpected consequences within their American expat community in Hong Kong.

The Expatriates - Paul Brody 2014-07-21

Their lavish lifestyle have inspired movies; their awarding winning books have inspired thousands of writers. What was it like to be a Lost Generation writer living in Europe? This book takes you inside to give you a glimpse. It includes biographies on T.S. Eliot, Gertrude Stein, Ezra Pound, Ernest Hemingway, F. Scott Fitzgerald as well as an essay on the Lost Generation. Each of the biographies can also be purchased separately.

Managing Expatriates in China - Ling Eleanor Zhang 2017-11-28

Providing fresh perspectives on managing expatriates in the changing host country of China, this book investigates expatriate management from a language and identity angle. The authors' multilingual and multicultural backgrounds allow them to offer a solid view on the best practices

towards managing diverse groups of expatriates, including Western, Indian, and ethnic Chinese employees. With carefully considered analysis which incorporates micro and macro perspectives, together with indigenous Chinese and Western viewpoints, this book explores topics that include the importance of the host country language, expatriate adjustment, ethnic identity confirmation, acceptance and identity. The book presents a longitudinal yet contemporary snapshot of the language, culture, and identity realities that multinational corporation subsidiary employees are facing in China in the present decade (2006-2016). It will thus be an invaluable resource for International Management scholars, those involved in HRM and other practitioners, as well as business school lecturers and students with a strong interest in China.

International Migrants in China's Global City - James Farrer 2019-01-24

Long a source of migrants, China has now become a migrant destination. In 2016, government sources reported that nearly 900,000 foreigners were working in China, though international migrants remain a tiny presence at the national level. Shanghai is China's most globalized city and has attracted a full quarter of Mainland China's foreign resident population. This book analyzes the development of Shanghai's expatriate communities, from their role in the opening up of Shanghai to foreign investment in the early 1980s through to the explosive growth after China joined the World Trade Organization in 2000. Based on over 400 interviews and 20 years of ethnographic fieldwork in Shanghai, it argues that international migrants play an important qualitative role in urban life. It explains the lifestyles of Shanghai's skilled migrants; their positions in economic, social, sexual and cultural fields; their strategies for integration into Chinese society; their contributions to a cosmopolitan urban geography; and their changing symbolic and social significance for Shanghai as a global city. In so doing, it seeks to deal with the following questions: how have a generation of migrants made Shanghai into a cosmopolitan hometown, what role have they played in making Shanghai a global city, and how do foreign residents now fit into the nationalistic narrative of the China Dream? Addressing a gap in the market of critical expatriate studies through its focus on China, this book will be of interest to academics in the field of international migration, skilled migration, expatriates, urban studies, urban sociology, sexuality and gender studies, international education, and China studies.

Self-initiated Expatriation - Maike Andresen 2013

Globalization and the development of multinational organizations have led to an increase in the number of people spending part of their lives living and working in foreign countries. While the contemporary literature has focused on organizational expatriates sent overseas by their employers, self-initiated expatriation is becoming an important area of study in its own right. This edited volume offers a holistic picture of self-initiated expatriation and the groups that pursue it, emphasizing many reasons for departure including career development and career capital.

Managing Expatriates - Yvonne McNulty 2013-07-10

Expatriation is a big topic, and is getting bigger. Over 200 million people worldwide now live and work in a country other than their country of origin. Tens of billions of dollars are spent annually by organizations that move expatriates around the world. Yet, despite the substantial costs involved, expatriation frequently results in an unsatisfactory return on investment (ROI), with little or no knowledge as to how to improve it. Why is this so? Drawing on more than a decade of expertise, research, and publications in top journals, the authors provide you real solutions to achieve more than a satisfactory ROI from expatriates—with rule number one being: Understand expatriates themselves. This book provides a practical “insider's” guide that reveals why expatriates seek and accept international assignments; how they feel impacted by new forms of remuneration and other working conditions; how international assignments fit in with their longer-term career aspirations; and what complications arise in terms of their families. Whether you're a manager or consultant, inside you'll learn what modern-day global mobility is like (based on the authors' decade-long study with nearly four hundred expatriates and their managers, as well as over a hundred who were interviewed personally), how it is changing, and why now, more than ever, a hard-nosed ROI approach is necessary.

The Expatriates - Janice Y. K. Lee 2016-01-12

The inspiration for *Expats*, a new series starring Nicole Kidman coming soon to Prime Video. “Devastating and heartwarming, and exquisite in every way, this is a book you'll fall deeply in love with and never want to put down.” —Kevin Kwan, author of *Crazy Rich Asians* From the New York Times bestselling author of *The Piano Teacher*, a searing novel of marriage, motherhood, and the search for connection far from home. In the glittering city of Hong Kong, expats arrive daily for myriad reasons—to find or lose themselves in a foreign place, and to forget or remake themselves far from home. Amidst this hothouse atmosphere, a tragic incident causes three American women's lives to collide in ways that will rewrite every assumption of their privileged world: Mercy, a young Korean American and recent Columbia graduate, once again finds herself compromised and adrift, trying to start her life anew; Hilary, a wealthy housewife, is haunted by her struggle to have a child, hoping to save her uncertain marriage; meanwhile, Margaret, once the enviable mother of three, tries to negotiate an existence that has become utterly unrecognizable after a catastrophic event. Faced with unthinkable choices, these three women form a profound connection that defies the norms of the sequestered community—finding in each other a strength borne of need, forgiveness, and ultimately hope. Atmospheric and utterly compelling, *The Expatriates* showcases Lee's exceptional talent as one of our keenest observers of women's inner lives.

Managing Expatriates - Brenton M Wiernik 2017-12-18

This volume provides in-depth examinations of a variety of individual, social, and environmental factors that contribute to the success of expatriate employees. Using data from numerous large-scale studies from both the public and private sectors, this volume provides valuable insights into expatriate success with implications for both theoretical understanding and practical management. The authors explore factors that influence employees to pursue expatriation, contribute to expatriate adjustment and satisfaction, and ultimately drive expatriate performance, well-being, and success. The chapters in this book consider the role of sociodemographic characteristics, personality and individual differences, training and preparation, and social and organizational support in contributing to each of these outcomes. Using findings from diverse countries and sectors and data-focused analytic techniques, this volume provides novel insights into factors promoting expatriate success.

Writing Back - Susan Winnett 2012-12-15

As both Americans and expatriates, these writers gained a unique perspective on American culture, particularly in terms of gender roles, national identity, artistic self-conception, mobility, and global culture.

The Expatriates - Janice Y. K. Lee 2016-01-12

I raced through this enthralling story' Liane Moriarty 'Brilliantly plotted and written, utterly absorbing' Daily Mail 'An emotionally gripping page-turner' Elle Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. *The Expatriates* is an atmospheric, moving, and utterly compelling story of motherhood and family set against the unforgettable backdrop of Hong Kong.

[Expat's Guide to Singapore](#) - 2018

Self-Initiated Expatriates in Context - Maike Andresen 2020-10-01

This edited volume builds on the previously published *Self-Initiated Expatriation: Individual, Organizational, and National Perspectives*, which served to give in-depth insights into the concept and the processes of self-initiated expatriation and presented different groups undertaking self-initiated foreign career moves. While more than a hundred articles on self-initiated expatriation

(SIE) have been published in the meanwhile, an examination of the research questions and samples of SIEs in published SIE research shows that the role of context and its impact on SIEs' career-related decisions and behaviors has not been explored sufficiently. This raises the question in how far existing research results are comparable. The aim of this follow-up volume is to deepen the understanding of SIEs' careers, focusing on the contextual influences of space, time, and institutions on the heterogeneous SIE population. More specifically, the editors aim to shed light on spatial conditions in terms of the home and host country conditions on the self-initiated expatriation experience and examine developments over time in terms of temporality of conditions and SIEs' life-course. Moreover, the influence of the institutional context in terms of occupational, organisational, and societal specificities will be analysed. All chapters are based on strong theoretical foundations that serve to conceptualise "context" and are written by both established and emerging global academics and researchers. *Self-Initiated Expatriates in Context* contributes to conceptual clarity in the burgeoning field of SIE research by drawing attention to the importance of exploring context and, thus, boundary conditions to careers. It offers specific guidance for an improvement of future SIE-related research in order to enhance the validity of future empirical studies as well as for an improvement of managerial practice. It will be of interest to researchers, academics, practitioners, and students in the fields of international business, human resource management, organisational studies, and strategic management.

Transnational Lives - Anne-Meike Fechter 2016-02-24

Privileged migrants, such as expatriates living abroad, are typically associated with lives of luxury in exotic locations. This fascinating and in-depth study reveals a more complex reality. By focusing on corporate expatriates the author provides one of the first book length studies on 'transnationalism from above'. The book draws on the author's extended research among the expatriate community in Jakarta, Indonesia. The findings, which relate to expatriate communities worldwide, provide a nuanced analysis of current trends among a globally mobile workforce. While acknowledging the potentially empowering impact of transnationalism, the author challenges current paradigms by arguing that the study of elite migration shows that transnational lives do not always entail fluid identities but the maintenance of boundaries - of body, race and gender. The rich ethnographic data adds a critical dimension to studies of migration and transnationalism, filling a distinct gap in terms of theory and ethnography. Written in an engaging and accessible style the book will be of interest to academics and students, particularly in anthropology, migration studies and human geography.

The Expatriates - Martin Edmond 2017-11-09

The connection between a colony and its founder, centre and margin, is always paradoxical. Where once Britain sent colonists out into the world, now the descendents of those colonists return to interrogate the centre. This is a book about four of these returners: Harold Williams, journalist, linguist, Foreign Editor of *The Times*; Ronald Syme, spy, libertarian, historian of ancient Rome; John Platts-Mills, radical lawyer and political activist; and Joseph Burney Trapp, librarian, scholar and protector of culture. These were men, born in remote New Zealand, who achieved fame in Europe—even as they were lost sight of at home. Men who became, from the point of view of their country of origin, expatriates. A writer of penetrating insight, Martin Edmond explores the intersections of past and present in the lives of these four extraordinary individuals. Their stories combine, in the hands of this award-winning writer, to a moving reflection upon New Zealand's place in the world, then and now.

The Expatriates - Lilian Lida Bell ("Mrs. A. H. Bogue, ") 1902

The Expats - Chris Pavone 2012-03-06

NEW YORK TIMES BESTSELLER • EDGAR AWARD WINNER • ANTHONY AWARD WINNER Can we ever escape our secrets? In the cobblestoned streets of Luxembourg, Kate Moore's days are filled with playdates and coffee mornings, her weekends spent in Paris and skiing in the Alps. But Kate is also guarding a tremendous, life-defining secret—one that's become so unbearable that it

begins to unravel her newly established expat life. She suspects that another American couple are not who they claim to be; her husband is acting suspiciously; and as she travels around Europe, she finds herself looking over her shoulder, increasingly terrified that her own past is catching up with her. As Kate begins to dig, to uncover the secrets of the people around her, she finds herself buried in layers of deceit so thick they threaten her family, her marriage, and her life. Stylish and sophisticated, fiercely intelligent, and expertly crafted, *The Expats* proves Chris Pavone to be a writer of tremendous talent. Now with an excerpt from Chris Pavone's latest novel, *The Accident* Also features Extra Libris material, including a reader's guide and bonus content Praise for *The Expats* "Sly . . . Pavone strengthens this book with a string of head-spinning revelations in its last pages. . . . The tireless scheming of all four principals truly exceeds all sane expectations."—*The New York Times* "Bombshell-a-minute . . . Pavone creates a fascinating, complicated hero."—*Entertainment Weekly* "A gripping spy drama and an artful study of the sometimes cat-and-mouse game of marriage."—*Family Circle* "Smartly executed . . . Pavone is full of sharp insights into the parallels between political espionage and marital duplicity. . . . Thoroughly captivating."—*The New York Times Book Review* "Superb . . . [Pavone] expertly draws readers along with well-timed clues and surprises. . . . An engineering marvel."—*Richmond Times-Dispatch* "Expertly and intricately plotted, with a story spiraling into disaster and a satisfyingly huge amount of double-crossing, *The Expats* certainly doesn't feel like a first novel. This is an impressively assured entry to the thriller scene."—*The Guardian* (UK)

The Expatriates - Ishbel Ross 1970

The Broken Bridge - Suzanne Kamata 1998-07

Absorbing fiction from *Outsiders* in a land that does not absorb foreigners easily.

The Sun Also Rises - Ernest Hemingway 1996-06-10

In the socially dislocated period after World War I, an American expatriate and a British peeress conduct a hopeless love affair.

Exiles and Expatriates in the History of Knowledge, 1500-2000 - Peter Burke 2017-03-07

In this wide-ranging consideration of intellectual diasporas, historian Peter Burke questions what distinctive contribution to knowledge exiles and expatriates have made. The answer may be summed up in one word: deprovincialization. Historically, the encounter between scholars from different cultures was an education for both parties, exposing them to research opportunities and alternative ways of thinking. Deprovincialization was in part the result of mediation, as many Žmigrižs informed people in their "hostland" about the culture of the native land, and vice versa. The detachment of the exiles, who sometimes viewed both homeland and hostland through foreign eyes, allowed them to notice what scholars in both countries had missed. Yet at the same time, the engagement between two styles of thought, one associated with the exiles and the other with their hosts, sometimes resulted in creative hybridization, for example, between German theory and Anglo-American empiricism. This timely appraisal is brimming with anecdotes and fascinating findings about the intellectual assets that exiles and immigrants bring to their new country, even in the shadow of personal loss.

The Expatriates; A Novel - Lilian Lida Bell 2019-03-05

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. [Global Mobility and the Management of Expatriates](#) - Jaime Bonache 2020-11-26

A comprehensive overview of the practical implications for organizations that manage international employees, and individuals who are currently or aspiring expatriates.

The Expatriates; a Novel - A. H. Bogue Lilian Lida Bell 2012-01

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Expatriates - 1985

The Expatriates - Henry Toledano 2018-03

It is 1966 and Mike Upjohn is offered a job with the Nassau Telegraph. What seems, at the outset, a wonderful posting soon turns into a complex of Bahamian culture tugging at the tail-end of colonialism. And stuck in the middle is Upjohn's new colleague, Poldi Stein. A budding author, Upjohn decides to put down his journal of the ensuing events in book form, covering Stein's descent from easy-going journalist and property owner to scandal-ridden westerner at odds with the changing balance of power. In *The Expatriates*, Henry Toledano weaves together a Rum Diary type cultural collision which fizzles along at quite a clip.

Expatriate Managers - Anna Spiegel 2017-10-18

Since the 1990s, economic and cultural globalization has propelled the transnational mobility of managers and fueled cross-border careers. Some scholars have argued for the emergence of a new global business elite with cosmopolitan mind-sets and homogeneous lifestyles, while others have highlighted their disconnection from the local surroundings and their everyday life within national expatriate 'bubbles'. Thus, the question of whether today's mobile professionals can be described as interculturally open and competent cosmopolitans, or as pronounced anti-cosmopolitans, is still unanswered. *Expatriate Managers and the Paradoxes of Working and Living Abroad* considers a core protagonist of economic globalization and the management of MNCs through the lens of a practice-based theoretical approach whilst seeking to address this question by building on intensive ethnographic case studies of expatriate managers, most of them high-ranking executives, from two comparative different home countries, the US and Germany. These managers, together with their families, have been assigned to China, Germany, or the US to perform demanding coordination tasks within their multinational corporations (MNCs). Based on detailed accounts of expatriate managers' experiences and everyday practices, the book reveals the multiple and sometimes paradoxical ways in which they deal with cultural differences as they build up new forms of working, belonging and dwelling. The findings suggest that the newly emerging mind-sets and lifestyles of expatriate managers transcend the polarized images of mobile elites as either cosmopolitan 'global managers' or parochial anti-cosmopolitans. *Expatriate Managers and the Paradoxes of Working and Living Abroad* examines the global elite from an everyday perspective, showing that understanding the dynamics of a global economy requires probing into the lifeworld's agency and everyday arrangements of the social actors who are putting globalization into practice.

[The Global Expatriate's Guide to Investing](#) - Andrew Hallam 2014-10-27

Exploit your offshore status to build a robust investment portfolio Most of the world's 200 million expats float in stormy seas. Few can contribute to their home country social programs. They're often forced to fend for themselves when they retire. *The Global Expatriate's Guide to Investing* is

the world's only book showing expats how to build wealth overseas with index funds. Written by bestselling author, Andrew Hallam, it's a guide for everyone, no matter where they are from. Warren Buffett says you should buy index funds. Nobel prize winners agree. But dangers lurk. Financial advisors overseas can be hungry wolves. They don't play by the same set of rules. They would rather earn whopping commissions than follow solid financial principles. *The Global Expatriate's Guide To Investing* shows how to avoid these jokers. It explains how to find an honest financial advisor: one that invests with index funds instead of commission paying windfalls. You don't want an advisor? Fair enough. Hallam shows three cutting edge index fund strategies. He compares costs and services of different brokerages, whether in the U.S. or offshore. And he shows every nationality how to invest in the best products for them. Some people want stability. Some want strong growth. Others want a dash of both. This book also answers the following questions: How much money do I need to retire? How much should I be saving each month? What investments will give me both strong returns, and safety? *The Global Expatriate's Guide To Investing* also profiles real expats and their stories. It shows the mistakes and successes that they want others to learn from. It's a humorous book. And it demonstrates how you can make the best of your hard-earned money.

The Expatriates and Other Stories - Claire Clemons Cowan 2012-09-01

Expatriate Identities in Postcolonial Organizations - Ms Pauline Leonard 2012-12-28

Expatriate Identities in Postcolonial Organizations offers a timely and contemporary discussion of the role of organizations in maintaining or challenging structures and cultures based on racism and discrimination. It offers a key exploration of the relations between whiteness, identity and organization in migratory contexts. It delves into the experiences of expatriates in Hong Kong and the ways in which new identities are constructed in the destinations of migration by exploring the renegotiation of white identities and racialized relationships, and the extent to which colonial imaginations still inform contemporary organizations. By drawing on existing theoretical and empirical material on post-colonialism, identity-making, privileged migration, relocation, transnational work and organizations, this volume brings disparate discussions together in a new and accessible way. It will appeal to a range of sociology scholars as well as to those working in the fields of migration, gender studies, and cultural geography.

The Expatriates - Janice Y. K. Lee 2016-01-12

The Expatriates - Lilian Bell 1902

[Research Handbook of Expatriates](#) - Yvonne McNulty 2017-05-26

[Migrants and Expats: The Swiss Migration and Mobility Nexus](#) - Ilka Steiner 2019-02-13

This open access book provides insight on current patterns of migration in Switzerland, which fall along a continuum from long-term and permanent to more temporary and fluid. These patterns are shaped by the interplay of legal norms, economic drivers and societal factors. The various dimensions of this Migration-Mobility Nexus are investigated by means of newly collected survey data: the Migration-Mobility Survey. The book covers different aspects of life in the host country, including the family dimension, the labour market and political participation as well as social integration. The book also takes into account the chronological dimension of migration by considering the migrants' arrival, their stay, and their expectations regarding return. Through applying conclusions drawn from the Swiss context to the migration literature on other European and high-income countries, this book contributes to new knowledge on current migration processes in high-income countries. As such it will be a valuable reference work to scholars and students in migration, social scientists and policy makers.
