The European New Middle Class - Pekka Sulkunen 1992

Based on literature and on field research of tribal communities in public drinking places of a modern Western European capital (Helsinki), this book analyzes the new middle class mentality, which is one of the main components of the cultural condition of contemporary Western European countries. Middle class anti-oedipians have turned the great project of individualism in Western welfare states into a principle of tribal individuality, a concern about personal dignity and sovereignty. They are authoritarian while also for the most part political conservatives.

Julie Andrews - Les Spindle 1989-09-12
Spindle's reference chronicles the professional career of one of the world's most loved performers, Julie Andrews. An all-in-one resource, the volume presents a comprehensive and accurate profile of the people, projects, artistic highs and lows, and general influences that propelled the actress into the public eye beginning in the late 1950s. Spindle examines each of her 16 films and provides a detailed commentary on factors influencing her short reign as a box office superstar in the mid-1960s and the fact that she has retained her fame and celebrity status long after ceasing to be a Hollywood superstar. a very thorough as well as attractive record of her

career in films, television, stage, and records. . . . The book will be a 'must' for every Andrews fan, and it is an excellent reference source for its subject. Videomania For fans of Julie Andrews as well as students of the performing arts, Spindle's reference chronicles the professional career of one of the world's most loved performers. No other book provides such a wealth of detail on the career achievements of Julie Andrews or delineates all her professional activities so thoroughly. A complete, all-in-one resource, the volume presents a comprehensive and accurate profile of the people, projects, artistic highs and lows, and general influences that propelled the actress into the public eye beginning in the late 1950s. Starting

with Andrews' first film, Mary Poppins, Spindle examines each of her 16 films including such classics as Sound of Music, Hawaii, Victor/Victoria, and ending with her latest film, Duet for One. He provides a detailed commentary on factors influencing her short reign as a box office superstar in the mid-1960s, for Andrews is an anomaly in that she has retained her fame and admired celebrity status long after ceasing to be a Hollywood superstar. Besides film work, all other aspects of Andrews' career (theatre, television, personal appearances, concerts, recordings, and even her fiction for children) are considered. An episode-by-episode summary in the Television Appearances chapter is the only published

survey of the entire 1972-1973 ABC-TV variety series, The Julie Andrews Hour. In his preface, Spindle offers a lively discussion of the eclectic and highly individual career of a perennial trooper and star whose career he likens to a roller coaster. This is followed by a biography and chronology which summarizes events and landmarks in Andrews' life. The next four chapters scrutinize major professional achievements in-depth, including Filmography, Stage and Television Appearances, and Discography. All entries in the four sections correspond to a particular career achievement, and consecutive numbering facilitates both subject index use and cross referencing within chapters. Over 150 reference sources,

including books, and magazine and news articles are listed in the comprehensive bibliography. The three appendices review awards and nominations, identify roles considered but not played, and describe the two children's books written by the actress. A readable and informative reference work for students and scholars of the performing arts and popular culture, as well as for fans of movie musicals, this volume should also find a place on the shelves of most libraries.

Balbuzar - Geirard Moncomble 2022-01-12
A fable about freedom, about resistance, about power. And an ode to nature. In the Sarboucane sea, Balbuzar the pirate reigns supreme. He attacks, plunders, sinks, and ransoms everything that comes within his reach. Savage, cruel, formidable, certainly, Balbuzar is, but also with a certain bonhomie, and a great sense of justice. He is in harmony with the sea, the islands, the wind, the rocks. Around him, birds, always. Men, women, children...they all love him. For he is free as the air. But now the Empress Pépita XIII is worried about her

state of affairs, and Balbuzar's constant plundering. She sends against him her best officer, the Commodore, at the head of an armada. He represents force, order, law. Arrogant, domineering, relentless. And sure to be the one who will clean the Sarboucane sea. Balbuzar and the Commodore clash. Two exceptional sailors, two sharp warriors. The fight begins, shattering, tumultuous. The struggle, however, is unequal, for the Commodore has immense resources, an army behind him and the power of the empire. He's built a gigantic ship that will surely sweep away the pirates and their black-flag flotilla. Balbuzar's fate seems certain. Will the outlaw be crushed by the enormity of the adversary? Cooked in the imperial pot? Or will

Brindille - Frederic Brremaud 2021-05-11

A frail young girl flees a roaring forest fire in the middle of the night desperately taking refuge in a cave where she quickly loses consciousness. She wakes up in a strange, tiny village populated by fairy-like creatures. Her hosts seem intrigued by the sparkles of light that seem to surround her. The village chieftain explains that one of their hunters found her passed out in the forest and brought her back here for treatment. He asks who she is, but she remembers nothing except for a wall and flames. The chief is baffled by her tale as there has not been any fire in the forest lately, and yet

the young woman does indeed show signs of burns. Somewhat recovered and dressed in woodland clothes made by the villagers, the young lady asks to meet the hunter who found her in the forest. She asks her savior to take her to where he found her, hoping that seeing the place will restore her memory. But Meliss refuses -- the rules of the village say that only hunters can enter the forest, and all of the sparkles surrounding the girl would catch the eyes of predators living in these woods... What follows is a tale of discovery, magic, tragedy, and adventure, as the girl discovers powers that may or may not be borne of an ancient evil. She befriends a cunning, talking wolf along the way, and together the two set out on a journey that will not soon be

Nilsson - Alyn Shipton
2013-06-19

Paul McCartney and John Lennon described him as the Beatles' "favorite group," he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as underrated, as Harry Nilsson. In this first ever full-length biography, Alyn Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates,

and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for Midnight Cowboy), and in 1972 for "Without You," had two top ten singles, numerous album successes, and wrote a
