She thought I hated her so much that I would be willing to let her die rather than help her to stay alive. I was suddenly rendered speechless. I couldn't argue with her because she'd been right for the most part. My

anger was still there, but I certainly didn't want my sister to die. Deep down, I now knew I loved her. My heart ached for the sister who kept this awful secret from me, just because she didn't think I cared.

Two Sisters - Asne Seierstad

2018-03-13

'Asne Seierstad is the supreme non-fiction writer of her generation ... Two Sisters isn't only the story of how a pair of teenage girls became radicalised but an unsparing portrait of our own society - of its failings and its joys' Luke Harding On 17 October 2013, teenage sisters Ayan and Leila Juma left their family home near Oslo, seemingly as usual. Later that day they sent an email to their unsuspecting parents, confessing they were on their way to Syria. They had been planning the trip for months in secret. Asne Seierstad - working closely with the family - followed the story through its many dramatic twists and turns. This is, in part, a story about Syria. But most of all it is a story of what happens to apparently ordinary people when their lives are turned upside down by conflict and tragedy. 'A masterpiece and a masterclass in investigative journalism' Christina Lamb, Sunday Times 'Meticulously documented, full of drama ... this is a tale fluently told, and a thriller as well' Kate Adie, Literary Review 'A masterwork. Brilliantly conceived, scrupulously reported and beautifully written, this book is compulsive reading' Jon Lee Anderson

Not illustrated. 1888 edition. Excerpt: ...wife of Master Ulrich Schwab. The famous guild of Antwerp painters admitted him with

pride to be one of their company, and his pictures would be highly esteemed to this day but that they are commonly attributed to other masters, for he never signed his name to any of his works. Of the four Words by whose guidance he had tried to shape his life he had learned to condemn Glory and Power. Fortune and Art remained faithful to him, it is true; for just as the earth has no brightness in itself, but derives its light from the sun, so did Fortune and Art borrow all their splendor, charm, and power from Love. The reckless Electo, whose sword had raged in the fight, had now become a good-hearted neighbor in the fullest Christian sense of the word, and of his worthy master's teaching. Many a stranger has gazed with silent delight at a noble picture representing a handsome and thoughtfully happy mother leading her three blooming children toward an old man, who holds out his arms to them. The old man is Adam, the young mother is Ruth, the three children are the swordsmith's grandchildren. Ulrich Schwab painted it. Antonio Moor died not long after Ulrich's marriage, and a year later Sophonisba di Moncada came to Antwerp to visit the grave of the man she had so tenderly regarded. She had heard from Moor of his finding his old Madrid pupil again, and her first visit was to Ulrich. After she had looked at his work she said, brightly: "The Word--you know it now, master? I told you then--you remember--that you had found the right one. You have altered since then--altered greatly, and it is a pity you should have cut off your long hair. Still you look like a happy man; and to what do you owe it? To the Word--the one and only true... *We Divine Three: The Divining Sisters Book 2* - Heather Hardison

But now, the allies are closing in and the sisters have one last hurdle to face: the death march from Auschwitz, as the Nazis try to erase any evidence of the prisoners held there. Due to a last minute stroke of luck, the three of them are able to escape formation and hide in the woods for days before being rescued. And this is where the story begins. From there, the three sisters travel to Israel, to their new home, but the battle for freedom takes on new forms. Canadian Cultural Exchange / Échanges culturels au Canada - Norman Cheadle 2011-04-07

The essays in Canadian Cultural Exchange / Échanges culturels au Canada provide a nuanced view of Canadian transcultural experience. Rather than considering Canada as a bicultural dichotomy of colonizer/colonized, this book examines a field of many cultures and the creative interactions among them. This study discusses, from various perspectives, Canadian cultural space as being in process of continual translation of both the other and oneself. Les articles réunis dans Canadian Cultural Exchange / Échanges culturels au Canada donnent de l'expérience transculturelle canadienne une image nuancée. Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé, le Canada y est vu comme champ où plusieurs cultures interagissent de manière créative. Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre.

True Sisters - Sandra Dallas
2012-04-24

In a novel based on true events, New York Times bestselling author Sandra Dallas delivers the story of four women---seeking the promise of salvation and prosperity in a new land--who come together on a harrowing journey. In 1856, Mormon converts, encouraged by Brigham Young himself, and outfitted with two-wheeled handcarts, set out on foot from Iowa City to Salt Lake City, the promised land. The Martin Handcart Company, a ragtag group of weary families headed for Zion, is the last to leave on this 1,300-mile journey. Three companies that left earlier in the year have completed their trek successfully, but for the Martin Company the trip proves disastrous. True Sisters tells the story of four women from the British Isles traveling in this group. Four women whose lives will become inextricably linked as they endure unimaginable hardships, each one testing the boundaries of her faith and learning the true meaning of survival and friendship along the way. There's Nannie, who is traveling with her sister and brother-in-law after being abandoned on her wedding day. There's Louisa, who's married to an overbearing church leader who she believes speaks for God. There's Jessie, who's traveling with her brothers, each one of them dreaming of the farm they will have in Zion. And finally, there's Anne, who hasn't converted to Mormonism but who has no choice but to follow her husband since he has sold everything to make the trek to Utah. Sandra Dallas has once again written a moving portrait of women surviving the unimaginable through the ties of female friendship. Her rich storytelling will leave you breathless as you take this trip with Nannie, Louisa, Jessie, and Anne. This is Sandra

Dallas at her absolute best.

The Complete Works of Elizabeth of the Trinity volume 2 - Elizabeth of the Trinity (Catez) 2014-06-09

Blessed Elizabeth of the Trinity (Elizabeth Catez) is a mystic of our times, who entered Carmel in 1901 at the age of twenty-one, and died there five years later. Her biblical spirituality, based on the epistles of her "dear Saint Paul" and the mystery of the divine indwelling, has inspired countless Christians. This second of three volumes of her Complete Works contains all of Elizabeth's surviving letters from Carmel, along with 8 photos. In simple and tender language, writing to friends and family, Elizabeth returns again and again to the great themes of her spirituality: the indwelling Trinity, silence and solitude, living by love, becoming a "praise of glory" (laudem gloriae) by sharing in the dying and rising of Jesus Christ. Here too we find many of her best-known sayings, e.g., "I have found my heaven on earth, for heaven is God, and God is in my soul." In his introductions and careful notes, Father Conrad De Meester, O.C.D., explains the background of each of Elizabeth's letters from Carmel, most of which have never before appeared in English. Anne Englund Nash continues the style set in the first volume of the Complete Works, presenting a translation that reflects both the literary nuances and spirit of the original French texts.
