Chronicles important historical events from around the world that have identified, defined, and legally established the rights of gays, lesbians, bisexuals, and transgender individuals.

Making the American Body - Jonathan Black 2020-04-01

If you thought the fitness craze was about being healthy, think again. Although Charles Atlas, Jack LaLanne, Jim Fixx, Jane Fonda, Richard Simmons, and Jillian Michaels might well point the way to a better body, they have done so only if their brands brought in profits. In the first book to tell the full story of the American obsession with fitness and how we got to where we are today, Jonathan Black gives us a backstage look at an industry and the people that have left an indelible mark on the American body and the consciousness it houses. Spanning the nation's fitness obsession from Atlas to Arnold, from Spinning to Zumba, and featuring an outrageous cast of characters bent on whipping us into shape while simultaneously shaping the way we view our bodies, Black tells the story of an outsized but little-examined aspect of our culture. With insights drawn from more than fifty interviews and attention to key developments in bodybuilding, aerobics, equipment, health clubs, running, sports medicine, group exercise, Pilates, and yoga, *Making the American Body* reveals how a focus on fitness has shaped not only our physiques but also, and more profoundly, American ideas of what "fitness" is.

Bodybuilding - Peter J. Fitschen 2019-03-18

The popularity of bodybuilding is at an all-time high, and the sport is continuing to grow. But seasoned competitors and beginners often have questions about how to look their best on show day. Written by expert bodybuilding coaches Peter Fitschen and Cliff Wilson, *Bodybuilding: The Complete Contest Preparation Handbook* will guide you through every step of the process to select a competition, prepare for the contest, and make the transition to the off-season. With no other book like it on the market, *Bodybuilding* offers you scientifically supported and experience-based guidelines to help you have your best show ever. *Bodybuilding* takes the guesswork out of preparing for a contest and answers common questions such as

these: How do I choose the competition and division that are right for me? What mandatory poses do I need to learn for my competition? What is the best workout to do during contest prep? What should I do if I start to spill over during peak week? How long is too long to maintain stage-lean levels of body fat? The authors have created an easily accessible handbook that guides you step by step. The chapters begin with a background of the sport, followed by a discussion of the competitive division options for both men and women. The next chapters will help you through the process of obtaining a stage-ready physique with an evidence-based approach that combines scientific literature with practical experience. These chapters discuss important topics such as nutrition, training, and preparation timing. The next chapters address posing, peak week, tanning, and a number of other topics that will help you bring your most polished physique to the stage. More than 60 full-color photos show body types for each division and each mandatory pose, offering a visual guide to the proper positions for each pose. You will also find information on how to handle the transition to the off-season. With unparalleled detail, *Bodybuilding* is your go-to guide for bodybuilding success! CE exam available! For certified professionals, a companion continuing education exam can be completed after reading this book. The *Bodybuilding Online CE Exam* may be purchased separately or as part of the *Bodybuilding With CE Exam* package that includes both the book and the exam.

A Genealogy of Male Bodybuilding - Dimitris Liokaftos 2017-02-03

Bodybuilding has become an increasingly dominant part of popular gym culture within the last century. Developing muscles is now seen as essential for both general health and high performance sport. At the more extreme end, the monstrous built body has become a pop icon that continues to provoke fascination. This original and engaging study explores the development of male bodybuilding culture from the nineteenth century to the present day, tracing its transformations and offering a new perspective on its current extreme direction. Drawing on archival research, interviews, participant observation, and discourse analysis, this book presents a critical mapping of bodybuilding's trajectory. Following this trajectory through the wider sociocultural changes it has been a part of, a unique combination of historical and empirical data is used to investigate the aesthetics of bodybuilding and the shifting notions of the good body and human nature they reflect. This book will be fascinating reading for all those interested in the history and culture of bodybuilding, as well as for students and researchers of the sociology of sport, gender and the body.

The Library Journal - 1993-04

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Dating Dr. Dil - Nisha Sharma 2022-03-15

"Nisha Sharma's Dating Dr. Dil is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a goey, heartwarming center. The perfect addition to any rom-com lover's shelf." -Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation*
Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the Dr. Dil Show. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this *Taming of the Shrew* re-imagination, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. "Bursting with character, spicy tension and laughs, Dating Dr. Dil is the enemies to lovers dream book!" -Tessa Bailey, New York Times bestselling author of *It Happened One Summer*

Eagle Beak - Robert Lundy 2003-07

An odd welcome in Ravalli, Montana - a bar brawl, a jail cell and a murder charge. Eagle and two other prisoners escape the cell, steal three horses and disappear into the rugged mountains. A letter containing evidence of a string of baffling crimes is hidden in the saddlebags of one of the stolen horses, and the owner is frantic to have it back. Charges of murder, horse thievery, assaulting an officer of the law, aiding prisoners to escape - a mountain of trouble no innocent man should have to bear. Yet Eagle finds these troubles to be only the beginning.

Practical Programming for Strength Training - Mark Rippetoe 2014-01-14

3rd edition

Distant Valor - C. X. Moreau 2012-07-01

Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: *The Red Badge Of Courage*, *All Quiet on the Western Front*, *The Caine Mutiny*, *Fields of Fire* and *The Thirteenth Valley*. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs,

Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the Marines serving in Lebanon, it was another war in a foreign country where the enemy could be anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of *Semper Fi*. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews
"Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly
"Outstanding! A classic in, yet above and beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio, New York Times best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things*
"With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, New York Times best-selling author of "The Corps" and "The Brotherhood of War" series
"A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union
"A novel of character, as are all great war novels...cuts to the heart of the military experience in our time . . ."--San Jose Mercury News
"An absolutely authentic portrayal of the Marines who endured the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea*
"C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, New York Times best-selling author of *The War In 2020*

The 4-Hour Body - Timothy Ferriss 2011-02-03

This book will redefine how you approach losing weight. Based on over 15 years of research and with personal stories, amazing before and after photos, recipes and sidebars, *The 4-Hour Body*, from international bestselling author Tim Ferriss, will give unbelievable results and change the way you look forever. 'Mr. Ferriss makes difficult things seem very easy' -- NY Times 'The Superman of Silicon Valley' - Wired 'This book has changed my life' -- ***** Reader review 'An uncommon genius' -- ***** Reader review 'This book is awesome' -- ***** Reader review 'Educational and mind blowing' -- ***** Reader review

Whatever your physical goal, *The 4-Hour Body* eclipses every other health manual by sharing the best kept secrets in the latest science and research to provide new strategies for redesigning the human body. And you don't need to exhaust yourself. International bestselling author, Timothy Ferriss, helps you reach your true genetic potential in 3-6 months with a commitment of less than four hours per week. You can pick and

choose from a menu of options, from simple to extreme, for dramatic body changes. Packed full of personal case studies, before and after photos, recipes and top tips, this book will help you achieve your body goals in record time.

Guide to Literary Agents 30th Edition - Robert Lee Brewer 2021-12-14

Containing Multitudes - Eva Nyström 2009

Commerce Business Daily - 2000

Boulevardiers - Joel Chaffee 2015-01-19

The first book atop the Greenpoint Oil Spill. One week in New York City, 2006. A small group of broke gentrifiers and undocumented people working doggie daycare at a glorified kennel. They demonstrate, consummate, levitate, infuriate. Chasing New York, chased by New York. Part of the Brooklyn Historical Society's collection.

Beyond the Scoreboard - Giovanni di Cola 2006

Comprises a collection of papers on the role that sport plays in positively shaping the lives of youth in both developed and developing countries.

The Martian Cat - Guy Lane 2017-03-18

The Martian Cat The Martian Cat is a grim, adult satire that seeks to discredit the crazy idea of sending humans to live on Mars. In the story, space engineer Charlie Darling is the only one of 120 passengers on the Inter-Planet shuttle to arrive at the Mars Resort alive. He finds the resort destroyed, and all but one of the Mars colonists dead. The only survivor is a deranged female medic called Maddy whose driving quest is to prove that the ailment called Martian Madness is caused by fungus growing in the human brain. Driven to despair by this grim situation, Charlie finds solace in the Martian Cat, an emaciated feline who just wants to avoid becoming someone's meal. Charlie and the Martian Cat have little chance of survival, on their own. Will their odds improve if they stick together?

Numerical Problems in Crystallography - M. A. Wahab 2021-01-22

This book aims at enhancing the understanding of topics in crystallography through solving numerical problems. Designed into nine chapters on major topics in crystallography, the book deals with more than 600 carefully selected solved examples, problems, and multiple-choice questions. Unit cell composition, construction and calculations, Miller indices, structure factor calculations, and X-ray diffraction methods are some of the many useful topics discussed in this book. Each chapter begins with a brief theoretical explanation of the topic followed by solved numerical examples for further clarity on the subject. The topic "crystallography" is interdisciplinary in nature. Its rudimentary knowledge, therefore, is essential to the beginners in physics, chemistry, mathematics, molecular biology, geology, metallurgy, and particularly materials science and mineralogy. This book also is of immense value to senior undergraduate and

graduate students of physics, chemistry, and other basic sciences.

Language for Specific Purposes - Sandra Gollin-Kies 2016-04-29

This book fully explicates current trends and best practices in LSP, surveying the field with critical insightful commentary and analyses. Covering course areas such as planning, implementation, assessment, pedagogy, classroom management, professional development and research, it is indispensable for teachers, researchers, students.

Embedded Autonomy - Peter B. Evans 2012-01-12

In recent years, debate on the state's economic role has too often devolved into diatribes against intervention. Peter Evans questions such simplistic views, offering a new vision of why state involvement works in some cases and produces disasters in others. To illustrate, he looks at how state agencies, local entrepreneurs, and transnational corporations shaped the emergence of computer industries in Brazil, India, and Korea during the seventies and eighties. Evans starts with the idea that states vary in the way they are organized and tied to society. In some nations, like Zaire, the state is predatory, ruthlessly extracting and providing nothing of value in return. In others, like Korea, it is developmental, promoting industrial transformation. In still others, like Brazil and India, it is in between, sometimes helping, sometimes hindering. Evans's years of comparative research on the successes and failures of state involvement in the process of industrialization have here been crafted into a persuasive and entertaining work, which demonstrates that successful state action requires an understanding of its own limits, a realistic relationship to the global economy, and the combination of coherent internal organization and close links to society that Evans called "embedded autonomy."

The Wrestler's Body - Joseph S. Alter 1992-08-03

The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

The Body is Made to Move - Christina Hedblom 2009

Foreign Language - How to Use Modern Technology to Effectively Learn Foreign Languages - Andrey Taranov 2013-07

This book is a compilation of information about modern resources available to foreign language students. The purpose of this book is to help the reader to correctly select instructional materials and organize independent study of a foreign language. This edition contains recommendations for the use of both traditional methods as well as the latest multimedia technologies. The book gives great attention to vocabulary development - how to correctly study, review, and systematize foreign words. This book will help you determine the main goals and exercises associated with mastering a foreign language. These goals are always there. They simply need to be stated, analyzed, and ordered. In general,

systemization and order are two of the main factors in mastering anything new, including foreign languages. When you understand what you want to achieve you will find it much easier to choose a path that will lead to success. Topical dictionary section. This book contains an English-Azerbaijani theme-based dictionary with 1,500 frequently used words that will help you develop basic vocabulary. The dictionary's content is organized by topic. The material is presented in three columns: source word, translation, and transcription. Each topic consists of 50 words grouped into small blocks. You can treat this dictionary as a model for creating your own unified word database. We're confident that this book will help you develop your own effective learning system and give you another boost in this useful and fascinating exercise - learning a foreign language

Surfing - 1987

Arnold - Arnold Schwarzenegger 2012-07-17

Five-time Mr. Universe, seven-time Mr. Olympia, and Mr. World, Arnold Schwarzenegger is the name in bodybuilding. Here is his classic bestselling autobiography, which explains how the "Austrian Oak" came to the sport of bodybuilding and aspired to be the star he has become. I still remember that first visit to the bodybuilding gym. I had never seen anyone lifting weights before. Those guys were huge and brutal...The weight lifters shone with sweat; they were powerful looking, Herculean. And there it was before me—my life, the answer I'd been seeking. It clicked. It was something I suddenly just seemed to reach out and find, as if I'd been crossing a suspended bridge and finally stepped off onto solid ground. Arnold shares his fitness and training secrets—demonstrating with a comprehensive step-by-step program and dietary hints how to use bodybuilding for better health. His program includes a special four-day regimen of specific exercises to develop individual muscle groups—each exercise illustrated with photos of Arnold in action. For fans and would-be bodybuilders, this is Arnold in his own words.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Albuquerque International Balloon Fiesta® - Albuquerque International Balloon Fiesta Heritage Committee 2016

From its humble beginning in 1972 when 13 hot-air balloons ascended from an Albuquerque shopping center parking lot to a stunning annual gathering of 500-plus aeronauts, the Albuquerque International Balloon Fiesta lives on as the most-

photographed air show on the planet. As you page through this book, imagine yourself going along for the ride and soaring to new heights. Or if you prefer to keep your feet on the ground, imagine yourself strolling among hundreds of swaying giants, seemingly lost in a dizzying kaleidoscope of color. Join in the camaraderie that draws pilots and fans to Albuquerque from all over the world. You will find yourself mesmerized by the Balloon Fiesta's signature events and its spirited competition among hot-air balloon pilots. As an added attraction, step back in time to when hydrogen-gas balloons once graced Albuquerque skies and enjoy the fascinating world of silent flight, the America's Challenge Gas Balloon Race."

Encyclopedia of Bodybuilding - Robert Kennedy 2008

This book offers what no one else does - a gorgeous user-friendly book that informs you about everything from bodybuilding nutrition, to supplements, to exercises, to posing.

Cumulated Index Medicus - 1989

MatchFit - Andrew May 2019-09-01

MatchFit is the complete guide to getting your body and brain in the best possible shape for work, and for life. This inspiring book is the culmination of Andrew May's twenty years of experience as an elite athlete and fitness trainer for some of the world's best athletes; studying the body (Exercise Physiology) and the brain (Coaching Psychology); working with a variety of clients including elite athletes, military, entrepreneurs, business leaders and entire organisations; and life experience. The Matchfit principles will help you better manage your diary and plan for what is important; build your ability to cope with pressure and have more resilience; support you in improving health and fitness levels; learn all about what's new in nutrition; the importance of being connected and building in play; and freeing up time and energy to invest in family, fitness, and personal interests. Matchfit has the capacity to make a real difference to the way you CONNECT, FUEL, MOVE, THINK, RECHARGE and PLAY. And there is a process in the program to keep you accountable and support you along the way. "MatchFit is a winning formula for any person wanting to get the best out of themselves, or their team." - Kieren Perkins, Olympic gold medallist "Andrew's enthusiasm and approach to living a healthy connected life is highly contagious. You need to read this book." - Lisa Messenger, Founder and Editor at Collective Hub "Andrew has a fascinatingly nuanced and compassionate take on what it is to be human. His positivity is infectious." - Virginia Trioli, Presenter, ABC News Breakfast

Called Away by a Mountain Spirit - Gregory McCann 2013-06-04

This book details the accounts of three expeditions into the interior of Virachey National Park in Ratanakiri Province of Northeastern Cambodia, as well as an excursion into the forests of Mondulkiri Province. The author and his Khmer-Lao and indigenous guides penetrate the remote canyons near the Laos border, a lost world of tropical jungles and remote grasslands that are known only to a handful of poachers and loggers. This book also describes the animist tribes who live on the park's periphery, including the Brao, Kreung, Tampuan and Bunong highlanders. This work of non-fiction is also concerned with the endangered wildlife that persists within the park's boundaries, such as tigers, clouded leopards, leopards, Asiatic elephants, gibbons, douc langurs, hornbills, and much more. For those interested in the natural history and indigenous cultures of Cambodia and Southeast Asia -as well as the current threats to the region- this book will be of interest.

Strength and Power in Sport - Paavo Komi 2008-04-15

The second edition of this broadly based book continues to examine and update the basic and applied aspects of strength and power in sport from the neurophysiology of the basic motor unit to training for specific activities. Authorship is, again, international and includes leading physiologists and clinicians.

The Beautiful Brain - Larry W. Swanson 2017-01-17

At the crossroads of art and science, Beautiful Brain presents Nobel Laureate Santiago Ramón y Cajal's contributions to neuroscience through his groundbreaking artistic brain imagery. Santiago Ramón y Cajal (1852–1934) was the father of modern neuroscience and an exceptional artist. He devoted his life to the anatomy of the brain, the body's most complex and mysterious organ. His superhuman feats of visualization, based on fanatically precise techniques and countless hours at the microscope, resulted in some of the most remarkable illustrations in the history of science. Beautiful Brain presents a selection of his exquisite drawings of brain cells, brain regions, and neural circuits with accessible descriptive commentary. These drawings are explored from multiple perspectives: Larry W. Swanson describes Cajal's contributions to neuroscience; Lyndel King and Eric Himmel explore his artistic roots and achievement; Eric A. Newman provides commentary on the drawings; and Janet M. Dubinsky describes contemporary neuroscience imaging techniques. This book is the companion to a traveling exhibition opening at the Weisman Art Museum in Minneapolis in February 2017, marking the first time that many of these works, which are housed at the Instituto Cajal in Madrid, have been seen outside of Spain. Beautiful Brain showcases Cajal's contributions to neuroscience, explores his artistic roots and achievement, and looks at his work in relation to contemporary neuroscience imaging, appealing to general readers and professionals alike.

Feminist Figure Girl - Lianne McTavish 2015-01-08

Analyzes the author's transformation from academic to figure competitor. Feminist Figure Girl chronicles the transformation of art history professor Lianne McTavish, from a university professor into an extraordinarily tanned and crystal-encrusted bikini-wearing "figure girl." Figure competitions seek a softer appearance than traditional forms of bodybuilding but still require rigorous weightlifting, an extreme protein diet, and many hours of posing in high heels. While training for a figure show, McTavish combined autoethnographic methods, participant observation, and feminist theory to find new ways of thinking about physique culture and the female body. The author, who specializes in critical visual culture and the history of the body, explores such contemporary issues as body image, fat studies, identity politics, and "postfeminism," while rethinking fitness culture, diet regimes, feminist politics, reproductive activism, performance art, and the social function of photography. Written in a lively personal style reminiscent of McTavish's popular blog, she clearly explains the complex ideas stemming from the theoretical work of such writers as Judith Butler, Simone de Beauvoir, Michel Foucault, Iris Marion Young, Edmund Husserl, and Maurice Merleau-Ponty. The book also includes many photos documenting McTavish's physical transformation. Lianne McTavish is Professor of the History of Art, Design, and Visual Culture at the University of Alberta. She is the author of *Defining the Modern Museum: A Case Study of the Challenges of Exchange and Childbirth and Childbirth and the Display of Authority in Early Modern France*.

Black Belt - 1977-07

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including

techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known marital arts figure in the world.

You Can Never Have Enough... Roses - Marcos Johnson 2013-06-11

"About two years ago, the poems began arriving in Joaquin Phoenix's mailbox, small batches of them, day after day, for weeks -- poetry that was unsolicited, previously unpublished and rawer than steak tartare. Written by Marcos Johnson, a former TV casting agent with an extreme personality, their jagged stanzas spoke of

bruised romanticism and hardscrabble street life. The actor found them impossible to put out of mind." LA Times 2007
