Leadership, Beyond Establishment Views - James G. Hunt 1982

Volume 6 of the Leadership Symposia--sponsored by the Department of Administrative Sciences and College of Business Administration at Southern Illinois University, Carbondale--charts the state of the field of leadership through a judicious mixture of established and emerging scholars. The text is broken into four parts, with each part containing an Introduction by the editors. Part 1 consists of "Leadership and Managerial Behavior as Loosely Coupled Systems for Moving Beyond Establishment Views," by the editors; "The Relevance of Some Studies of Managerial Work and Behavior to Leadership Research," Rosemary Stewart; "Unstructured, Nonparticipant Observation and the Study of Leaders' Interpersonal Contacts," Robert S. Bussom, Lars L. Larson, and William M. Vicars; "Leaders on Line," Michael M. Lombardo and Morgan W. McCall, Jr.; and "Various Paths Beyond Establishment Views," Bernard Wilpert. Part 2 contains "Multiplexed Supervision and Leadership," Fred Dansereau, Jr., Joseph A. Alutto, Steven E. Markham, and MacDonald Dumas; "A Theory of Leadership Categorization," Robert G. Lord, Roseanne J. Foti, and James S. Phillips; "Leadership Activation Theory," John E. Sheridan, Jeffrey L. Kerr, and Michael A. Abelson; and

"Intensity of Relation, Dyadic-Group Considerations, Cognitive Categorization, and Transformational Leadership," Bernard M. Bass; "Strategies for Dealing with Different Processes in Different Contexts," Ian Morley, "A Multiplexed Response to Bass and Morley," Fred Dansereau, Jr., Joseph A. Alutto, Steven E. Markham, and MacDonald Dumas; and "Properly Categorizing the Commentary," Roseanne J. Foti, Robert G. Lord, and James S. Phillips. Part 3 contains "SYMLOG and Leadership Theory," Robert F. Bales and Daniel J. Isenberg; "Toward a Macro-Oriented Model of Leadership: An Odyssey," James G. Hunt and Richard N. Osborn; and "Toward a Paradigm Shift in the Study of Leadership," Henry J. Tosi, Jr. Essays in part 4 are "If You're Not Serving Bill and Barbara, Then You're Not Serving Leadership," Henry Mintzberg; "Beyond Establishment Leadership Views: An Epilog," by the editors; "Leadership Research and the European Connection: An Epilog," Dian-Marie Hosking and James G. Hunt; and "Conclusion: The Leadership-Management Controversy Revisited," Schriesheim, Hunt, and Sekaran.

Womanpower - Uma Sekaran 1992

Differences in gender, race, ethnicity and lifestyle preferences, along with the employment of handicapped and disabled people, will be the challenge for human resource managers this decade. This book highlights solutions that management practitioners can adopt to enhance the effectiveness of a diverse workforce in a global market. It identifies obstacles and offers insights into a variety of change agents including organizational consultants, human resource practitioners and educators. The Samosa Rebellion - Shanthi Sekaran 2021-09-21

Critically acclaimed author Shanthi Sekaran makes her middle grade debut with this timely and stunning novel in which a young boy and his friends must rescue his grandmother from a relocation camp after their country's descent into xenophobia. Perfect for fans of The Night Diary and Front Desk. Before his grandmother moved from India to the island

of Mariposa, Muki Krishnan's life was good. But now? He has to share his bedroom with Paati, his grandmother, who snores like a bulldozer and wakes him up at dawn to do yoga. Paati's arrival coincides with even bigger changes in Mariposa. The president divides citizens into Butterflies—families who have lived in Mariposa for three generations—and Moths, who, like Muki's family, are more recent immigrants. The changes are small at first. But then Muki and his friends find a camp being built to imprison Moths before sending them away. Soon after, his Paati is captured and taken there. While devising Paati's escape, Muki discovers that a secret rebellion is underway, and as he digs deeper, he realizes that rescuing Paati will be the fight of his life. * Bank Street Best Children's Books of the Year *

Research and Evaluation for Business - Marilyn K. Pelosi 2001

"Research and Evaluation for Business is intended for use in either a one or two semester introductory business statistics course. The focus of the text is on decision making based on data analysis. This is a real data, and problem-oriented text that teaches the actual practice of statistical thinking, management of decision making for tool selection, assumptions management, outcome interpretation, and reporting. The text incorporates, where appropriate, Excel and Minitab commands and output in examples and exercises."--Publisher's website.

Berkeley Noir - Jim Nisbet 2020-05-05

Sixteen storytellers shed light on the darkness that lurks in the California city in this fun collection of crime tales. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all-new stories, each one set in a distinct neighborhood or location within the respective city. With stories by: Barry Gifford, Jim Nisbet, Lexi Pandell, Lucy Jane Bledsoe, Mara Faye Lethem, Thomas Burchfield, Shanthi Sekaran, Nick Mamatas, Kimn Neilson, Jason S. Ridler, Susan Dunlap, J.M. Curet, Summer Brenner, Michael David Lukas, Aya de León, and Owen Hill. Praise for Berkeley Noir "Each story evokes the dark side of a Berkeley neighborhood and pays tribute both to the city's history as a haven for outcasts and as a literary metropolis. If you race through it, consider picking up San Francisco Noir and Oakland Noir." —Diablo Magazine, a Top Ticket choice "In "Lucky Day," Thomas Burchfield reveals the evil that can come when a well-meaning aide breaks his boss's cardinal rule never to allow patrons into the library early. A worried mom from Holloway wangles her son a prized place in the Berkeley school district in Aya de León's "Frederick Douglass Elementary." . . . J.M. Curet's "Wifebeater Tank Top," the tale with the firmest criminal pedigree, is the most violent, but its poetic language and come-from-nowhere ending make it the best." —Kirkus Reviews "The 16 stories set in Berkeley, Calif., in this

above average Akashic noir anthology offer little actual noir but a heaping helping of crime, with almost every entry featuring at least a murder or kidnapping . . . Readers will be glad that many of these tales are fun in a way that traditional noir isn't." —Publishers Weekly

How to Write Your MBA Thesis - Stephanie Jones 2008

Written for students of MBA programmes the world over, this guide to writing your thesis covers getting started and planning a schedule, research, the role of the supervisor, writing style, structure, referencing, layout, your defence, marks and publication.

Research Methods For Business - Uma Sekaran 2016-06-27

Research Methods for Business: A Skill-Building Approach is a concise and straightforward introduction for students to the world of business research. The skill-building approach provides students with practical perspectives on how research can be applied in real business situations. Maintaining Uma Sekaran's popular and accessible style of writing, Roger Bougie draws upon his extensive experience in the field to present an up-to-date guide on business research which is ideal for aspiring managers. The seventh edition has been fully revised and updated to include cutting-edge examples and enriched pedagogical features designed to improve student learning outcomes. There is now an increased emphasis on the relationship between the scientific and the pragmatic approaches to research, while the key concepts are explored and applied to real-life research throughout the book.

Research Methods For Business - Roger Bougie 2019-08-26
Research Methods For Business, 8th Edition explains the principles and practices of using a systematic, organized method for solving problematic issues in business organizations. Designed to help students view research from the perspective of management, this popular textbook guides students through the entire business research process. Organized into six main themes—Introduction, Defining the Management and the Research Problem, Theory, Collecting Information, Drawing Conclusions, and Writing and Presenting the Research Report—the text enables students to develop the skills and knowledge required to successfully create, conduct, and analyze a research project. Now in its eighth edition, this popular textbook has been thoroughly updated to incorporate substantial new and expanded content, and reflect current research methods and practices. The text uses a unique blended learning approach, allowing instructors the flexibility to custom-tailor their courses to fit their specific needs. This innovative approach combines the face-to-face classroom methods of the instructor with internet-based activities that enable students to study what they want, when they want, at their own pace.

Lucky Boy - Shanthi Sekaran 2017-01-10

A gripping tale of adventure and searing reality, *Lucky Boy* gives voice to two mothers bound together by their love for one lucky boy. “Sekaran has written a page-turner that’s touching and all too real.”—People “A fiercely compassionate story about the bonds and the bounds of motherhood and, ultimately, of love.”—Cristina Henríquez, author of *The Book of Unknown Americans* Eighteen years old and fizzing with optimism, Solimar Castro-Valdez embarks on a perilous journey across the Mexican border. Weeks later, she arrives in Berkeley, California, dazed by first love found then lost, and pregnant. This was not the plan. Undocumented and unmoored, Soli discovers that her son, Ignacio, can become her touchstone, and motherhood her identity in a world where she’s otherwise invisible. Kavya Reddy has created a beautiful life in Berkeley, but then she can’t get pregnant and that beautiful life seems suddenly empty. When Soli is placed in immigrant detention and Ignacio comes under Kavya’s care, Kavya finally gets to be the singing, story-telling kind of mother she dreamed of being. But she builds her love on a fault line, her heart wrapped around someone else’s child. “Nacho” to Soli, and “Iggy” to Kavya, the boy is steeped in love, but his destiny and that of his two mothers teeters between two worlds as Soli fights to get back to him. *Lucky Boy* is a moving and revelatory ode to the ever-changing borders of love.
